Transforming your future

As one of the most highly ranked universities in Australia and the world, UQ offers unparalleled study experiences, practical learning opportunities, life and career support, and access to global innovations and innovators.

Workplace learning

Internships, placements and networking will be part of your study experience at UQ through work-integrated learning. Grow your entrepreneurial mindset and professional network before you even graduate.

Business, Economics and Law: our staff work with a diverse portfolio of international organisations such as Accor, BDO, Colliers International, Deloitte, Herbert Smith Freehills, KPMG, Marriott Hotels, McKinsey and PwC.

Engineering, Architecture and IT: the Meet a Mentor program connects third- and fourth-year undergraduate students, one-on-one, with experienced alumni and industry professionals.

Health and Behavioural Sciences: has partnered with local and global leaders in health and research including universities, medical research institutes, public and private hospital providers, government and non-government organisations, a consortium focused on rural health, and 10 clinics providing healthcare to the general public.

Humanities and Social Sciences: internships, field trips and placements in Brisbane, interstate and overseas are part of course credit for humanities and social science students.

Medicine: students undertake placements in hospitals and clinics around the world where they are trained and mentored by doctors and healthcare specialists.

Science: interact and collaborate with researchers who work with industry partners including the peak industry councils for cotton, fisheries, horticulture and forestry, as well as Rio Tinto and BHP.

Study what you want, when you want

Improve your career opportunities and broaden your skills and knowledge by undertaking a dual degree. You can choose from more than 60 programs.

Our **concurrent Diploma in Languages** allows you to pursue your interest in languages and earn a qualification, alongside your main degree.

Our **libraries** provide computers for students, group study and meeting rooms, 24-hour study spaces, quiet areas, and friendly staff to help you with finding information, accessing resources, research support, student IT and training.

more about life at UQ

An enviable study location

We offer one of the best campus experiences in the world in a location renowned for its welcoming and relaxed lifestyle, subtropical climate and vibrant and diverse culture.

UQ St Lucia

UQ St Lucia

Considered one of the most beautiful campuses in the world, UQ St Lucia is surrounded by the Brisbane River and is located close to Brisbane's city centre. It is a city within a city with everything you need to study, live and relax. Travel to the campus in style by ferry (CityCat), catch the bus, ride your bike or drive.

UQ Gatton

87 kilometres west of Brisbane, Gatton offers some of the best animal teaching facilities in the southern hemisphere. Agriculture, Food Sciences, Veterinary Science and Veterinary Technology students enjoy first-class sporting facilities, can live on campus, and have access to a community garden where they can grow herbs and vegetables. The campus is accessible by a free inter-campus bus service from UQ St Lucia, bus, a rail-bus service or by car.

UQ Herston

Only three kilometres from the Brisbane city centre, UQ Herston is the specialist campus for health and medical teaching and research. It is home to the Faculty of Medicine, Public Health and Dentistry schools, and the Oral Health Centre. UQ shares premises with a major hospital and the QIMR Berghofer Medical Research Institute.

Other sites

We have eight other teaching sites throughout Queensland, including the UQ Business School in Brisbane's city centre, breathtaking marine research stations at Heron Island and Stradbroke Island, and the Pharmacy Australia Centre of Excellence, a leading facility for pharmaceutical research, education and commercialisation.

Brisbane

Brisbane is the vibrant capital city of Queensland with a thriving economy focused on innovation. The city is multicultural and diverse, home to over 200 nationalities and 220 languages. Nature is on our doorstep, and Sydney, Cairns and Melbourne are only short flights away.

Your UQ application

At UQ you'll learn from outstanding teachers, access ground-breaking research and state-of-the-art facilities, and make invaluable contacts and lifelong friends.

Follow the steps below to apply, and open the door to your future.

1

Choose your program

- Choose the program you want to study at study.uq.edu.au.
- Check you meet (or will meet) the entry requirements for your program (see the '2023 Program prerequisites and entry scores table' table on pages 8-9).
- If you didn't study in Queensland, check you have studied subjects equivalent to your program's prerequisite subjects (see the 'Prerequisite Subject Equivalents' table on page 10).

2

Apply for your program

- Apply for your program through the Queensland Tertiary Admissions Centre (QTAC). QTAC allows you to list up to six UQ programs in order of preference (with the program you most want to study first). Apply at qtac.edu.au.

3

Receive your conditional offer

- UQ will issue a Conditional Offer listing each UQ program you applied for with the required ATAR, and any subject prerequisites and/or other conditions, for each.

4

Accept your offer

- Once you receive your Year 12 results, check your UQ Offer to see whether you meet all the requirements for your preferred program. If you do, complete the Acceptance document (indicating the one program you wish to accept), and return the form to UQ along with your Payment Details Form for payment of the deposit and Overseas Student Health Cover.

Students under 18 years of age

UQ offers a Supervision Program that approves the accommodation, support and general welfare of international students under 18 years of age. This program is compulsory for international students who:

- are under 18 years of age when they enter Australia and commence their program at UQ
- are under 18 and are not living with a parent, legal custodian or suitable relative approved by the Department of Home Affairs
- need their accommodation and welfare arrangements approved to meet the Department of Home Affairs' student visa requirements.

For more information about the Supervision Program, including how to apply, visit study.uq.edu.au/university-life/getting-prepared-to-come-to-australia/u18-international-student-supervision-program.

*Includes external senior subjects.

International Baccalaureate (IB) students

Credit and exemption

Depending on your IB grades, you may be eligible for up to 8 units of specified or unspecified credit (units towards the completion of a UQ program of study) for selected bachelor-level courses. Exemptions are also available for some IB subjects.

Credit and/or exemption may be granted for studies in English, Music, Psychology, Mathematics, Biology, Chemistry, Computer

Science, and Economics. In the majority of cases, only IB subjects taken at the Higher Level (HL) will be considered for the award of credit and/or exemption.

- **Specified credit** means that you do not have to undertake the specific course for which the credit is granted.
- **Unspecified credit** means that you are awarded credit towards an introductory-level UQ course, but the credit is not awarded for a specific UQ course.

- **Exemption** means you are not required to undertake a particular course. Exemption does not earn units towards a degree, but it allows you to progress more quickly into advanced level studies without having to undertake prerequisite courses at the introductory level.

You can apply for credit and/or exemption only once you have accepted an offer and enrolled at UQ. For information on the minimum grades needed to obtain credit and to download an application form, go to:

study.uq.edu.au/admissions/undergraduate/check-credit-eligibility

Further information

Insufficient entry score?

Alternative entry

If you did not achieve a high enough entry score for your preferred program, you may be eligible for alternative entry pathways to UQ. For advice, please contact:

yr12international@uq.edu.au

Improving an entry score (upgrading)

If you are not offered a place in your preferred program, you may be able to accept an offer in an alternative program and try to improve your entry score. This is called upgrading. To upgrade to a higher demand program (such as dentistry or veterinary science) we recommend that you complete one full year (16 units) of bachelor degree study. For more information on how to improve your entry score, please contact:

yr12international@uq.edu.au

UQ Subject Incentive Scheme

UQ's Subject Incentive Scheme provides up to five adjustments towards your selection rank (not ATAR) if you have passed an approved language other than English (LOTE) or Queensland Specialist Mathematics (or equivalent), or if you have successfully completed a university-level enrichment program, such as UQ's Enhanced Studies Program, concurrently with your senior studies. This scheme is open to all students currently completing Year 12 in Australia (including International Baccalaureate).

For more information, contact UQ International Admissions:

applicationstatus@uq.edu.au

Suspensions, deferrals and cancellations

If you have a UQ offer in a certain semester and wish to defer (i.e. delay commencing to a future semester), please contact the International Admissions office as soon as possible and before the commencement date stated on your offer. If you have already received your UQ Confirmation of Enrolment (CoE), a deferral will only be permitted if there are 'compassionate or compelling grounds'. If a deferral is not

approved, you may still delay commencing, but your CoE will be cancelled. This may impact your student visa or student visa application. The University can suspend or cancel your enrolment for a number of reasons including misbehaviour, poor academic standing and unsatisfactory academic progress. Please note that any deferrals, suspensions or cancellations may affect a student visa or visa application.

Your scholarship options

UQ's Academic Scholarship Program supports the continued achievements of outstanding school leavers. If you are a high-achieving student and are completing Year 12 in 2022 (or you completed Year 12 in 2021 and are on a gap year), you are encouraged to apply.

Several scholarships also provide financial assistance for specific areas of study.
