WESTERN SYDNEY
UNIVERSITY

UNDERGRADUATE
GUIDE 2023

ACKNOWLEDGEMENT OF COUNTRY

With respect for Aboriginal cultural protocol and out of the recognition that its campuses occupy their traditional lands, Western Sydney University acknowledges the Darug, Eora, Dharawal (also referred to as Tharawal) and Wiradjuri peoples and thanks them for their support of its work in their lands (Greater Western Sydney and beyond).

UNLIN

WE BELIEVE IN A WORLD OF UNLIMITED OPPORTUNITY,
WHERE THE POTENTIAL FOR SUCCESS IS UNLIMITED FOR
THOSE WITH DRIVE, TALENT, CONFIDENCE AND AMBITION.

SUCCESS STARTS HERE.

UNLIMITED.

HSC TRUE REWARD

WESTERN'S EARLY OFFER PROGRAM

At Western, we value passion. We believe it's a good indicator for success. That the areas of study that draw you in, push you to excel, and light you up, are the ones that will set you up for success in your chosen degree.

We also believe passion should be rewarded. That's why our HSC True Reward program gives select students an early offer to many of our programs based on your Year 11 or Year 12 results in the subjects that matter most to your chosen degree.

* Offers made on Year 11 results are based on the condition that students successfully complete their HSC and any other specified requirements.

Because True Reward puts the focus on the subjects that lay the foundation for success in specific degrees, it allows you to play to your strengths and embrace your passions. And unlike a scaled ATAR, True Reward sees you for who you are and lets results in relevant subjects speak to where you're headed.

Find out more about our **HSC True Reward** early offer program at: **westernsydney.edu.au/hscruereward**

SIX GOOD REASONS TO STUDY WITH WESTERN

1 WE HAVE A REPUTATION FOR EXCELLENCE

We're ranked among the top two per cent of universities in the world, with an international reputation for research-led, student-centred learning.

2 WE PUT YOU AT THE HEART

Our student-centred approach offers you the choice of online, on-campus, and flexible study options combined with work-integrated learning. Through work experience placements, internships and volunteering opportunities, you'll get the real-life experience, practical skills and knowledge that you need for your future career.

3 WE CARE MORE

At Western, we're here to help you discover your unique strengths. With our team of dedicated Western Success Advisers, along with a variety of student support services such as student welfare and careers support, clinics, counselling, disability services, academic and library support to help you grow in knowledge, skills and confidence.

4 WE PREPARE YOU FOR TODAY'S WORLD

Nine out of ten employers say great things about our graduates, including that they're more adaptable, employable, and have better technical skills*.

5 WE EMBRACE TECHNOLOGY-ENRICHED LEARNING

From our online learning environments and use of digital technologies to enhance the study experience, to our on-campus computer laboratories and state-of-the-art library, research and clinical facilities, we adopt new and emerging technologies to provide a richer educational experience.

6 WE PROVIDE ADVANCED OPPORTUNITY, UNLIMITED SUCCESS

From advanced degrees and The Academy, to The College and alternative entry programs and scholarships, we provide multiple pathways for entry and academic success.

- 1st worldwide for SDG6: Clean Water and Sanitation
- 2nd worldwide for SDG12: Responsible Consumption and Production
- 3rd worldwide for SDG5: Gender Equality
- 4th worldwide for SDG10: Reduced Inequalities

*Number one in the world for its social, ecological and economic impact in the 2022 Times Higher Education (THE) University Impact Rankings.

Western placed 1st overall worldwide in the annual rankings, which assess universities on their commitment to the United Nations' Sustainable Development Goals (SDGs). The rankings are based on teaching, research, outreach and stewardship.

Western Sydney University topped the list of more than 1,400 institutions.

OUR CAMPUSES

PARRAMATTA CITY – ENGINEERING INNOVATION HUB

Hassall St is Parramatta's most technologically-advanced building, embedded in the heart of the city and close to Parramatta Station. Our Engineering Innovation Hub is developing the nation's next generation of engineers, architects and entrepreneurial leaders.

Top facilities:

- Housing a collaborative Bachelor of Engineering Advanced (Honours) program developed and delivered in partnership with UNSW Sydney.
- Also offering programs in Architecture, Industrial Design and Entrepreneurship.
- Unparalleled opportunities for cross-collaboration and creative inspiration between students, educators, industry professionals and researchers.
- Complementing the University's integrated research programs, including Innovative Cities and Urban Transformations, and Launch Pad tech startup incubator.
- State-of-the-art commercial and education facilities within a flexible and smart building design, across 9 levels
- Facilities include smartphone lift call capability; touchless smart bathroom amenities; cyber security integration; and electric vehicle charging stations.
- WSU International College.
- IELTS testing facility.

BANKSTOWN CITY

Changing the traditional model of the university, Bankstown City offers highly accessible, technology-rich, cutting-edge teaching and research facilities as well as opportunities for work integrated learning, collaborative enterprise partnerships, and strong industry, community, and business linkages.

Top facilities:

- Health, advanced manufacturing, and education focussed research programs.
- Programs in teacher education, psychology, arts and humanities, business, accounting, IT, and non-clinical health areas.
- Teaching, research, conference, and social spaces.
- Community engagement spaces, as well as flexible spaces to showcase industry partnerships and innovation.
- A 'Factory of the Future' with an advanced manufacturing innovation space.
- A Smart Education Hub with cross-disciplinary education and research facility, including smart classrooms.
- Centre for Educational Research (CER)
- Psychology laboratories
- Library.

School of Medicine Building - Campbelltown campus

CAMPBELLTOWN

The Campbelltown campus offers a unique balance between city and rural lifestyles.

Top facilities:

- Purpose-built School of Medicine
- Translational Health Research Institute (THRI)
- The UniClinic, a state-of-the-art clinical training facility for health science students
- Anatomy laboratories
- Nursing clinical practice unit
- Macarthur Clinical School*
- Lang Walker AO Medical Research Building* in collaboration with the Ingham Institute, UNSW & NSW Health
- Biomedical Magnetic Resonance Facility
- Library
- Moot Court
- Observatory
- Paramedicine 360 degree simulation space.

PARRAMATTA

This campus offers a combination of heritage and contemporary buildings, adjacent to the Parramatta River.

Top facilities:

- Institute for Culture and Society
- Nursing clinical practice unit
- Moot Court
- Computing laboratories
- Science and psychology building
- Purpose-built production studio, design and creative arts facility
- Civil engineering facilities
- Advanced materials fabrication and characterisation facilities
- Library.

PARRAMATTA CITY – PETER SHERGOLD BUILDING

State-of-the-art campus located in the heart of the Parramatta CBD.

Top facilities:

- Sydney Graduate School of Management
- Four interactive, technology-enabled learning studios per level
- Collaborative and quiet study spaces
- Library hub
- Group study rooms
- Free shuttle bus to Parramatta South
- Western Sydney University Justice Clinic
- Tax Clinic.

TRAVEL OPTIONS

Public transport

Shuttle buses run regularly between train stations and campuses

Bike – end of trip facilities, including bike parking, available on campus

Drive or car pool

* Located on the Campbelltown Hospital campus

Female Orphan School - Parramatta campus

HAWKESBURY

This stunning location at the foot of the Blue Mountains is an ideal place to study. The Hawkesbury Campus continues the long and proud history the University has in agricultural education, dating back to 1891. It fosters education and industry collaboration, helping to drive significant innovation in agri-tech and peri-urban research and development.

Top facilities:

- State of the art glasshouse and greenhouse facilities
- Hawkesbury Institute for the Environment, a globally leading research institute
- Agri-Tech Hub to support industry engaged research in food technology, land use management, and consumer demand
- School of Science and National Protected Cropping Centre
- Food processing pilot plant
- Dedicated crime scene house
- Nursing clinical practice unit
- Animal Science facilities
- Library
- Working farms
- The Secret Garden.

LIVERPOOL CITY

In the heart of the Liverpool CBD, the Ngara Nguru building services the needs of more than 1,000 students.

Top facilities:

- High-quality, modern, technology-rich and highly-flexible space
- Nursing clinical practice units
- Whole floor library facility
- Dedicated floor for student life, including study and social areas.

NIRIMBA

This leafy, green campus is a learning hub with a host of local and international students ranging from high school to mature-age, and hosts our Pathways Programs offered through The College.

Top facilities:

- Early childhood centre
- Tiered and flat-floored lecture theatres
- Well-resourced library
- Science and exercise science laboratories
- Outstanding recreation facilities.

PENRITH

The Penrith campus is renowned for its state-of-the-art facilities and scenic grounds.

Top facilities:

- Computer engineering labs, electrical and electronic engineering lab
- Mechatronics and Robotics facility
- World-class music facilities
- Home of the Solar Car project
- Advanced manufacturing and 3D print hub
- Home to Launch Pad smart business centre
- State-of-the-art library with world-class facilities
- Psychology clinics
- MakerSpace.

SYDNEY CITY

Located in the heart of the Sydney CBD, opposite Hyde Park, this campus is close to transport, shops, cafés, bars, gyms and more.

Top facilities:

- Purpose-built high-tech campus
- Small classes and a more personalised learning experience
- On-campus pathway programs for smooth transition
- Computing laboratories
- Collaborative and quiet study spaces
- Flexible session dates
- Fast-track your degree
- Access to on-campus Navitas Library.

SYDNEY OLYMPIC PARK

Situated at Level 4, 8 Australia Avenue, the campus is located just 20 minutes from the Sydney CBD and next to Sydney Olympic Park train station.

Top facilities:

- Home of The College Pathway Programs
- English Language Programs
- English test centre IELTS – International English Language Testing System; PTE – Pearson Test of English; OET – Occupational English Test
- Collaborative learning spaces.

LIFE ON CAMPUS

One of the best things about life on campus is there's always something happening. From table tennis, outdoor chess, live music and sports, to one of many social events organised by the University or student clubs, you're bound to find something that's right for you.

STUDENT SERVICES HUB

Student Services Hub is the first point of contact for any questions you have. We can give advice about enrolment and fees, help with forms and e-forms, and have a range of information brochures. To find out more, just call the Student Services Hub Infoline on **1300 668 370**.

UNIVERSITY SPORT

Western Sydney University is actively involved in providing opportunities for students of all interests and skill level. From social lunchtime pick-up games on campus, to gala day events to inter-varsity competitions, all in a range of sports, there is something for everyone to engage with. We also support our elite student athletes in a variety of ways to succeed both in the classroom and on the field. Western Sydney University is the best place to get involved in a sport club, social events or representative sport such as our inter-varsity events or the Unisport Nationals.

FOOD

Western Sydney University boasts a number of food outlets on each campus including Subway, Oliver Brown, and Piccolo Me. For a full list of food outlet trading hours and locations visit: westernsydney.edu.au/campuses

LIBRARY

The Library is your central point of reference for learning success. Access high-quality scholarly resources for study in the Library collection and connect with Library staff, who are ready to share their academic expertise along your university journey.

Choose from a variety of study spaces to suit the way you like to study – shared, individual, quiet, and silent study areas are available on campus. As a Western student, you can access multiple campus libraries and take advantage of after-hours access at identified campuses, in addition to accessing a wide range of digital resources from home.

Get a great foundation by completing online library tutorials about techniques and tools to help you find, evaluate, and manage information effectively for assignments. Find out about referencing and citation styles, academic integrity expectations and general study tips such as how to analyse and interpret assignment questions, develop a convincing academic argument, or prepare for exams. Visit westernsydney.edu.au/library

130+
STUDENT CLUBS

GET INVOLVED AND HAVE FUN

Check out **WESTERNLife**, our virtual community to share experiences, learn new things, join clubs and engage in everything student life has to offer.

There's always something happening on campus, including free breakfasts! Check out what's on by visiting:
westernsydney.edu.au/campuslife

LEAD ENGAGE ASPIRE DEVELOP (LEAD)

LEAD is a SSF funded leadership program open to all current Western Students. With opportunities to attend a mix of conferences, networking events, and workshops hosted by a range of alumni, industry professionals and Western, you will gain the skills required to build confidence, communication skills and become a leader. This flexible program includes both virtual and physical events across the academic year.

Visit **westernsydney.edu.au/lead**

WESTERN CAREERHUB

As a Western Sydney University student we can help you plan your career, provide feedback on your resume, information on building your résumé, help with your job hunt and prepare for interviews. We offer:

- workshops – build your practical job-seeking skills
- on demand resources – a library of self-paced, career development materials
- jobs – on- and off-campus jobs, international internships and volunteer opportunities
- career expos and events – meet your future employers and industry peers
- tailored employability programs for our international students.

Visit **westernsydney.edu.au/careers**

GYMS AND FITNESS

Western Sydney University offers gyms and fitness facilities on most campuses. Facilities include large, bright and spacious air-conditioned premises. Approachable experienced staff deliver exceptional personal training programs, conduct health tests, offer nutritional guidance and give you appropriate support throughout your fitness and lifestyle journey. Visit **westernsydney.edu.au/gym** for more information.

ON-CAMPUS ACCOMMODATION

Living on campus offers great opportunities to make new friends and experience all that university life has to offer. The University offers a wide range of high-quality, affordable accommodation options.

Find out more about accommodation visit:
westernsydney.edu.au/village

BE JOB READY

If you need help at any stage of your career, whether it is to find a part-time job or help plan what you want to do after university, the Careers Service at Western Sydney University can provide you with a range of useful resources.

DR BENJAMIN HARPER

GRADUATE

Bachelor of Medical Science

Bachelor of Medical Science (Honours)

MD/MBBS

"The best advice shared with me is that if you don't know where you want your career to go, build on your marks to open up your options.

"Western is rated highly and I believe offers a much better lifestyle compared to city campuses too."

CAREERS SERVICES

westernsydney.edu.au/careers

Careers Services can help you plan your career, help with your job hunt and prepare for interviews.

JOBS ON CAMPUS

The Western Sydney Careers team coordinates on-campus employment opportunities and assists you to apply for paid professional experience on campus which may help improve your employability skills.

INDUSTRY EXPERIENCE

Industry experience is a great way to gain practical knowledge and improve employability skills. At Western, the Careers Team actively seeks relationships with local employers specifically designed to link our students with degree-relevant opportunities outside of the University.

GLOBAL SCOPE

Global Scope is an opportunity for teams to create options to address real-world projects, meet with the project client once a week, be mentored by industry mentors, enhance your business capabilities, build career skills and expand your professional network. Find out more about Global Scope.

UNIVERSITY SPECIALIST EMPLOYMENT PARTNERSHIPS (USEP) PROGRAM

This program is designed to deliver an on-campus employment service aimed at meeting the specific needs of graduating, or recently graduated, students with disabilities.

WiSE

The WiSE Program is available to women studying science, technology, engineering and mathematics (STEM) at Western Sydney University. Joining the WiSE Program offers students the opportunity to connect with other women and gain skills and experience to prepare them for work. Learn more and join today.

westernsydney.edu.au/wise

GRADUATE RECRUITMENT

The Graduate Recruitment Preparation Program helps students make a smooth transition from study life to work life by presenting a range of activities and tasks designed to help you prepare quality applications.

GRADUATE SUCCESS

westernsydney.edu.au/alumni

At Western Sydney University, we prepare our students to go places and do great things in their communities, their workplaces and the world. Through our alumni, our graduates become part of a strong network of global citizens who remain connected to, and engaged with, the University.

Our graduates are, business and community leaders, world-renowned researchers, sporting stars and well-known personalities in the arts and entertainment industries.

We hold our alumni in high esteem, taking pride in each graduate as they progress beyond their studies and into their chosen career.

As a research-led institution,
Western Sydney University sees learning
and research as connected aspects of
the student experience.

YOUNG AND RESILIENT RESEARCH CENTRE (YRRC)

→ PARRAMATTA CAMPUS

Generating evidence-based policy and practice outcomes that leverage the digital to strengthen the resilience of young people and their communities.
westernsydney.edu.au/young-and-resilient

Our research doesn't just happen in the lab. We work with regional, national and international partners to deliver research that has a positive impact on the economic, social and environmental wellbeing of our communities.

Responding to the challenges faced by the communities locally and globally, our research work is focused on four key themes:

Urban Living Futures and Society

Our research in this area seeks to understand and guide change in the economy, our society and the culture we live in. Our research work shows how the places we live, the work we do, the way we describe ourselves and the relationships we form interrelate.

Health and Wellbeing

We take an integrated approach to health research, based on the assumption that the environments in which we live, the cultural background from which we come, and the work we do all affect our physical and mental health. Our research explores how health initiatives can prevent disease and illness, encourage healthy lifestyles in individuals and communities, and reduce the cost and impact of illness.

Education and Work

We draw on the diversity of Western Sydney to underpin research that explores education access on a global scale. This research theme respects the economic, social and cultural aspirations of the individuals and communities we support. We are committed to realising the opportunities offered by new pedagogies and transformational technologies for all of our students.

Environment and Sustainability

We are in the midst of unprecedented global environmental changes affecting the world. These are creating new challenges that range from contested land use to urban and agricultural climate change adaptation, to biodiversity conservation, and new interdisciplinary ways of engaging with socioecological dynamics. Our research takes a practical and collaborative approach to solving these challenges by focusing on maintaining and managing the diversity of urban ecologies, and agricultural and natural systems.

WORLD CLASS
RESEARCH*

* Excellence in Research for Australia (ERA) 2018.

APPLICATION PATHWAYS

We believe that success is fuelled by a strong desire and ambition. If you have the drive and determination to succeed Western Sydney University offers you an unlimited world of potential.

ALTERNATE ENTRY

We offer a range of alternative entry pathways which take into account additional factors besides your academic results.

Portfolio and Audition Pathways

- **Music** – You may either audition into the degree or submit qualifications for Band 4 HSC Music, AMEB theory qualifications.
- **Industrial Design** – Entry by Interview, means your personal aptitude, professional experience, and educational qualifications are taken into consideration supported by a portfolio of works to showcase your creative work.
- **Design (Visual Communication)** – Entry by Interview, allows you to showcase your creative work.

Rural Entry Admissions Scheme

The Rural Entry Admission Scheme (REAS) is an initiative to promote Medicine to applicants with an extensive rural background who are able to demonstrate and meet rurality and other assessed factors.

Schools Recommendation Scheme (SRS)

If you're a Year 12 student completing your HSC or IB, and you're applying through UAC, the Schools Recommendation Scheme (SRS) gives you a chance to receive an early offer based on your performance in Year 11 and your school's recommendation.

For more information visit westernsydney.edu.au/pathways

ADJUSTMENTS FACTORS (BONUS POINTS)

You may be eligible for up to 10 bonus points or adjustment factors from the below:

- **Regional bonus points**
If you live in the Western Sydney region.
- **Subject bonus points**
If you achieve outstanding results in relevant HSC or IB subjects.
- **Educational Access Scheme**
If you have experienced disadvantage in your studies.
- **Elite Athlete and Performer Bonus Scheme**
If you are an elite athlete or performer.
- **Student Veteran Program bonus points**
If you are an Australian Defence Force current, reserve or previous serving member

For more information visit westernsydney.edu.au/bonuspoints

SCHOLARSHIPS

At Western Sydney University, we offer over \$25 million in scholarships, grants and prizes for our students.

The range of scholarships reflects a strong commitment to academic excellence and opportunity for students of the University. Western also provides support to students who have diverse interests and skills, and who make an active contribution to the broader community.

There are over 100 different types of scholarships.

For more information visit westernsydney.edu.au/scholarships

\$25M
IN SCHOLARSHIPS,
GRANTS AND PRIZES

ABORIGINAL AND TORRES STRAIT ISLANDER PATHWAY PROGRAM

This alternative entry pathway aimed at increasing the number of Aboriginal and Torres Strait Islander participation in undergraduate degrees across all areas of study. The two-day numeracy and literacy assessments are held online three times per year. Based on these results applicants can receive an early offer to Western.

For more information, visit westernsydney.edu.au/pathwayprogram

THE COLLEGE

Owned by Western Sydney University, The College offers a pathway to university study through its comprehensive range of Integrated Diploma/Bachelor programs, Extended Diplomas and University Foundation Studies.

Western *success*

BE YOUR ALL

At Western, we pride ourselves on seeing you for all you are. All your passions. All your drive. All your potential. With Western Success, our pioneering student support program, we're here to empower you and help you achieve all that's possible during your journey at Western.

With peer-to-peer advice on how to make the most of every moment, Western Success connects you with people who have been in your shoes. Our dedicated team of Student Advisors can help you feel more a part of our vibrant campus community through social initiatives like MATES and WESTERN*Life*, or give you access to resources and tools to succeed academically via our PASS, MESH, and Study Smart programs. They can also connect you to support services for mental health and general wellbeing to help you thrive or connect with support when you need it most.

Available to you throughout your time at Western, we're here to prime you for success and help you achieve all you can on campus and off, in your degree and beyond.

The transition to university is one filled with boundless opportunities, and we want to help you tap into everything on offer and help you reach your potential. We want to see you succeed. As the uni that cares more, we're here with you every step of the way to help you do just that.

We hope your time at Western sees you embracing a community that cares about you and your journey. A journey that will be filled with support, success, and achievement.

SERVICES AND SUPPORT

BEFORE YOU START

westernsydney.edu.au/starting
has everything you need to know about how to succeed at university.

STARTING AT UNIVERSITY

Academic Welcome Sessions

Academic Welcome Sessions are an opportunity for you to find out more about your program, meet fellow students and academic staff.

MATES

MATES provides first year students with an opportunity to connect with other new students and mentors who are in later years of study. This helps you meet friends, network with others and gain knowledge and skills to settle into life at University.

English Conversation Groups (ECG)

English Conversation Groups is a peer led program that provides students with the opportunity to practice their conversational English in a relaxed fun environment with their peers. The groups are an opportunity to increase your confidence in English conversation, build your network and increase your knowledge of Australian slang.

Western Success Welcome Calls

We want you to love your time at Western Sydney University and succeed with your studies. Western Success is our way of helping you start that journey. If you are not sure what is expected of you, how to find things or what the systems are, why not speak to a senior student? At Western Success, we are students just like you and want to help you settle in as quickly as possible. We will reach out to you by phone to check in and make sure you are settling in to the University.

SOMEONE TO TALK TO

Student Services Hub

Have a question? Student Services Hub is your first point of contact for information, advice, forms and referrals to other services.

Student Welfare Service

The Student Welfare Service is here to guide and support you through unexpected times in your university journey.

We provide student support, advice and referrals in the following areas: Academic, Personal and Financial Hardship, International Support and Accommodation. We also provide tailored support to student carers, Under 18 international students and Asylum Seeker Scholarship holders.

Counselling Service

The Counselling Service offers short term confidential counselling to assist you with any barriers that may affect your study. Counselling is offered via telehealth and online counselling, phone and face to face.

Inclusive Communities

Our Inclusive Communities team offers a caring presence to all staff and students at the University; encouraging spirituality, offering hospitality and creating community.

STUDENTS WITH A DISABILITY

Disability Service

The Disability Service supports and assists future and current students with disabilities and chronic health conditions to participate fully in university life and reach their full academic potential. This particularly involves the development of educational adjustments.

MEMBERS OF THE ADF

Student Veteran Program

Western Sydney University welcomes student veterans – current, reserve or previous serving ADF member. Support is available for:

- admissions and enrolment
- equity issues, such as disability
- wellness support, including flexible arrangements
- study and career transition support.

Find out more at:

westernsydney.edu.au/ADF

ELITE ATHLETES AND PERFORMERS PROGRAM (EAP)

Student athletes can manage their studies while competing in high-level sport as part of the EAP. EAP also considers coaches and match officials. EAP is free to join, and once approved, the University provides EAP students with:

- Early access to tutorial registration and other special consideration in line with University guidelines
- Discounts on costs associated with representing Western at Unisport events
- Free access to University gyms
- Free/Discounted access to the UniClinic and University Psychology Services

Find out more at:

westernsydney.edu.au/future/student-life/sport/elite-athlete-program

HELPING HANDS

PASS

Peer Assisted Study Sessions (PASS) is a student-centred learning program offered face to face and online. In PASS you will meet and work collaboratively with other students to understand the subject content and develop study strategies to help improve your academic performance.

STUDY SMART ZONE

Smash your studies in the Study Smart Zone. Get free one-on-one academic support when you need it.

Visit westernsydney.edu.au/studysmart

BADANAMI CENTRE

The Badanami Centre for Indigenous Education provides support and encouragement for our Aboriginal and Torres Strait Islander peoples. There are centres located on each campus.

HOW TO CONTACT US:

P: 1300 668 370

E: studentcentral@westernsydney.edu.au

For more information, check out our webpage: westernsydney.edu.au/studentcentral

WORKSHOPS AND RESOURCES

From time management to getting ready to study, the University offers a range of online workshops and modules to help you develop skills that will assist you in study and life! Check them out at westernsydney.edu.au/workshops. Face to face workshops are also run within programs and subjects of study.

TALKCAMPUS

TalkCampus is a free app that you can download onto your device to talk anonymously to other students from universities around the world. Access free mental health support, 24 hours a day, seven days a week.

To sign up, please use your Western student email address to unlock the app free of charge.

For more information, visit the TalkCampus webpage: talkcampus.io

FREQUENTLY ASKED QUESTIONS

HOW DO I APPLY?

You can apply online direct and for free to most Western programs at westernsydney.edu.au/ws, or through the Universities Admissions Centre (UAC) uac.edu.au

For more information, see page 73 or call the University Information Team on **1300 897 669**.

WHAT CAN I DO IF I DON'T GET THE ATAR I WANT?

There are a number of alternative pathways available. For example, HSC True Reward Early Offer Program, The College, Tertiary Education Pathways and Partnerships, Aboriginal and Torres Strait Islander Pathway Program, and the Special Tertiary Admissions Test (STAT). Some of The College pathway programs allow you to transition into the 2nd year of a Bachelor degree after 12 months of study, meaning you don't waste any time getting into the program you want!

WHAT ADJUSTMENT FACTORS CAN I GET?

You may qualify for Adjustment Factors up to a maximum of 10. Call us on **1300 897 669** or westernsydney.edu.au/bonuspoints to find out more.

WHAT IS HSC TRUE REWARD? ARE ALL DEGREES OFFERED IN HSC TRUE REWARD

HSC True Reward is Western's main early offer program. True Reward aims to reward Year 12 students for their performance in their strongest subjects, rather than looking at their ATAR. To be eligible for HSC True Reward, you must be completing your HSC and must achieve the required results for subjects relating to your program of choice. This program is based on both year 11 and year 12 results, offering many opportunities to secure the program offer you want. There are some degrees, such as medicine and physiotherapy that are excluded from the HSC True Reward program due to additional selection criteria and/or capped placements.

For more information about HSC True Reward, visit westernsydney.edu.au/hscruereward

I'M IN YEAR 12 NOW AND WANT TO KNOW MORE ABOUT UNIVERSITY

We know there's so much information out there about university for Year 12 students. We've made it easy for you and put it all in one place! On our Year 12 info hub you'll find all the events Western has for Year 12 students to make your decision about university as easy as possible. You'll also find everything you need to know about how uni works, about Western programs and so much more, check out westernsydney.edu.au/year12

WHO IS A NON-CURRENT SCHOOL LEAVER?

Anyone who has had a gap of one year or more between high school and university is considered to be a non-current school leaver (or mature-age student). If you are not completing year 12 when you apply to study at Western you are considered to be a non-current school leaver.

WHAT SCHOLARSHIPS ARE AVAILABLE? DO I HAVE TO GET A HIGH ATAR?

We offer a variety of scholarships, with eligibility criteria ranging from academic excellence to hardship, to industry and sporting achievement. Find out more at westernsydney.edu.au/scholarships

HOW MUCH WILL MY PROGRAM COST AND DO I NEED TO PAY THE FEES STRAIGHT AWAY?

All undergraduate programs at Western are Commonwealth supported for Australian citizens and permanent residents. This means undergraduate tuition fees are subsidised by the Government, giving you a lower rate of fees to pay. As an Australian citizen, you may use HECS-HELP to defer your fees. You can find out more at <https://www.studyassist.gov.au>

HOW MANY HOURS WILL I SPEND AT UNI?

As a full-time student on campus, you should expect to spend 12–16 hours each week in lectures or tutorials between 8am and 9pm, Monday to Friday. Practical programs may require out of hours involvement and some programs require off-campus placements.

HOW LONG ARE THE TEACHING SESSIONS?

Most undergraduate degrees are taught in two sessions – the Autumn session (from March to June) and the Spring session (from July to November). The University also offers an optional Summer session (from December to February), during which students can undertake additional subjects if they are available. The College offers programs which are taught over three terms. The Sydney City campus offers flexible session dates. You can start in February, June or October. With three sessions per year, you can fast-track a 3-year degree in 2 years.

WHAT IS UNIVERSITY LIFE LIKE?

Learning is the major aspect of university life, but there are also many opportunities available for networking, support and extracurricular activities such as sports, clubs and outings.

WHAT SUPPORT IS AVAILABLE TO NEW STUDENTS?

At Western, there are many people dedicated to helping new students. Support services are available to make your transition to university as smooth as possible, such as academic workshops, Peer Assisted Study Sessions (PASS), MESH support for Maths based programs, essay writing and assignment support, counselling and welfare officers on campus.

WHAT SUPPORT IS AVAILABLE TO HELP ME FIND WORK?

Western Sydney University Careers offers a number of services to assist you to gain work experience, find work while you study and help you stand out once you graduate. Our Careers Office offers jobs on campus, as well as internships within the University and with external industry partners. We also provide advice and run workshops to assist you with writing your cover letter and résumé, addressing selection criteria and preparing for interviews.

WHO CAN I TALK TO IF I HAVE MORE QUESTIONS?

You can contact our team of current students on **1300 897 669** or email study@westernsydney.edu.au

The Academy

Future thinking. Unlimited possibilities.

Unique to Western Sydney University and established in 2015, The Academy offers high-potential students opportunities to gain the intellectual and practical skills needed in today's ever-changing world.

Focusing on ethical leadership within an interdisciplinary environment, The Academy provides extension-level academic development, community-engaged service learning opportunities, international and national experiences, and a range of professional and personal development workshops.

For more information on The Academy, visit:
westernsydney.edu.au/theacademy

ADJOA ASSAN

ACADEMY STUDENT

**Bachelor of International Studies/
Bachelor of Laws**

**Bachelor of Creative Leadership
(formerly Bachelor of Applied
Leadership and Critical Thinking)**

"The Academy immensely enriches the university experience for students by challenging them to push themselves further than their degrees and to think critically about the world around them, the future and their place in it."

KNIGHT

At Western Sydney University, we'll show you how to harness every asset you have to open up fantastic career opportunities. We'll give you the tools to make your future and go wherever you want to go.

With one of the most comprehensive range of programs in Australia, our curriculum and approach to flexible learning with real work experience is designed to be a springboard for the career success and life you've always dreamed of.

Over two thirds of our students combine study with work. Get real work experience with your degree at Western Sydney University.

LOWEST SELECTION RANK EXPLAINED

This publication includes the Lowest Selection Rank (LSR) for each Western Sydney University undergraduate and pathway degree.

Three factors determine the Lowest Selection Rank:

- the number of places available in the program
- the number of applicants for the program
- the quality of those applicants.

The LSR changes from year to year. For further information on selection ranks and ATARs visit:

westernsydney.edu.au/lsr

ARTS AND COMMUNICATION

An Arts or Communication degree has the potential to open career doors to the world. Your degree will be supported by academics who are internationally recognised. You will find yourself immersed in Culture and Society, Creative Writing, Digital Cultures, International Relations and Asian Studies, Languages, or Psychological Studies to name just a few major areas of study. Combine your studies to broaden your horizons with Business, Information Technology, Law, Science or Teaching. Our accredited Bachelor of Communication degree includes majors in Advertising, Journalism and Public Relations. You'll develop your critical capacity and communication skills, and also gain a deep understanding of media's influence on our world, grow your professional skills, and master legal and ethical storytelling. International Studies develops your capacity to analyse the historical development of relations among nation states and contemporary political, social and cultural issues, such as globalisation, transnationalism and migration.

Note: ^ Minimum LSR of 95 applies to all Dean's Scholars programs.

The Bachelor of Arts (Psychology) is accredited by the Australian Psychology Accreditation Council (APAC).

* To obtain teaching accreditation, a Master of Teaching must be completed following the Bachelor degree. Check the University handbook for durations.

CAREER OPPORTUNITIES

As a graduate of our arts programs, you may find employment as an arts administrator, teacher (with further study), writer, author, journalist, politician, diplomat, community planner, librarian, historian, publisher or researcher.

Career opportunities also exist in non-government organisations and community-based industries, overseas organisations and in social policy development.

The wide range of double degrees on offer provides scope for further career opportunities.

Communications graduates may pursue a career as a journalist, a social media strategist, a publicist, an events organiser, an advertising creative, a media planner, an account executive and more.

Graduates have gone on to work for the ABC, NewsCorp, Google, Spotify, Ogilvy, Universal Music Group, McCann Worldwide, and the Australian Ballet, to name a few.

BUILT ENVIRONMENT

Architecture, Building Design Management, Construction Management, and Industrial Design underpin the built environment. Our research in these fields transects industry, community, government at national and global levels. Our Urban Transformation program in Architecture is accredited by the Architect Accreditation Council of Australia and engages directly with the contemporary global projects relevant for growing Western Sydney and its pivotal role in the success of the metropolis of Sydney. Construction and Building Design Management at Western are leading research globally in sustainable construction, building information modelling, as well as affordable housing and innovation on building materials. Our nationally recognised Industrial Design programs holds regional specialisation in Western Sydney, links to international projects of significance for developing nations and advanced health-tech industries. Through innovative programs and emphasis on United Nation's Sustainable Development Goals and Circularity, we produce graduates highly proficient in human-centred design, new product development innovation, and advanced computer aided design communication for manufacture.

BUILT ENVIRONMENT DEGREES

CAREER OPPORTUNITIES

As a graduate of architectural design, you can look forward to career opportunities in: architecture, urban design, urban planning and interior architecture.

Our building design management graduates find employment as a project manager, construction manager, building designer, design manager, design and construction builder.

As a construction graduate, you may find employment as a property developer, housing project manager, site supervisor, estimator, building surveyor, design and construction manager, or project manager.

Our industrial design graduates may find employment as an in-house or consultant industrial designer or in a product development team in areas such as medical products, furniture, digital wearables, architectural products, building design, sports equipment, smart gadgets or new products for Internet of Things (IoT), VR, AR, UX start-up businesses.

BUSINESS AND ACCOUNTING

With today's fast pace of change, you need a business degree that's going to keep up. It's why our Business and Accounting degrees are tailor-made to the challenges and demands of changes in industry, technology and careers. With a program structure unique to Western, you build your degree as you go to best suit your area of specialisation. We've opened the Business degree to majors right across the University. This means, unlike traditional degrees, you can now choose majors outside the business stream to give you a more diverse set of skills and knowledge. What's more, with Western you begin your major in the first year of study. No more waiting to dive into the areas that interest you most. And depending on the majors and electives you choose, the Bachelor of Business can also see you graduate with industry-specific accreditation from Australia's leading institutions. Our Bachelor of Accounting degree holds triple accreditation with Certified Public Accountant (CPA), Chartered Accountants Australia & New Zealand (CAANZ), and the Institute of Public Accountants (IPA). The School of Business has also been awarded AACSB (Association to Advance Collegiate Schools of Business) accreditation for its excellence in business education.

BUSINESS AND ACCOUNTING DEGREES

CAREER OPPORTUNITIES

These programs provide the foundations for the development of Australia's future business leaders. As a graduate, you may seek a management traineeship, become involved in a management consultancy or find a career associated with the discipline in which you complete a major. Examples include employment in public practice, taxation consulting, merchant banking, financial services management, economic advising, roles in service-oriented businesses, employment relations, human resources, industrial relations, marketing firms, operations or logistics organisations, international business, property development and valuation firms.

CREATIVE INDUSTRIES, DESIGN, MUSIC, AND SCREEN MEDIA

In a fast-changing world, the future is uncertain. It's people like you – the thinkers, musicians, designers and communicators – who will define how we think, feel and do. If you're thinking about a creative career, don't let anyone tell you it isn't a serious business. Our Creative Industries degree gives you the opportunity to combine your studies in Arts, Communication, Design and Music. In an evolving employment market, this extra savvy is a distinct advantage.

There are also great creative degrees in Design (Visual Communication), Music, and Screen Media. We also offer a Graphic Design/Pathway to Teaching (Secondary) degree, which is your pathway, with further study, to a career as a high school teacher.

CAREER OPPORTUNITIES

The inter-disciplinary nature of our creative programs reflects the contemporary workplace. As a graduate, this prepares you for roles in a range of creative industries, either working for an employer, freelancing or even starting your own company. The unique flexibility of our creative programs provides you with diverse career options.

As a Creative Industries graduate, you may find yourself organising a music festival, designing social media campaigns for blue-chip brands, creating music videos, or using your skills to help others in not-for-profit organisations. Or in Screen Media, focus on content creation in film, television, web series and more.

As a Design graduate, you'll enjoy a career in web, interactive and app design, motion graphics, brand or games design, photography or illustration.

Our Music graduates pursue careers in performance, composition, music production, and with further study, teaching or music therapy.

RACHAEL HORNE

STUDENT

Bachelor of Creative Industries

"The programs and staff attribute "real-world" knowledge and skills to the subjects, which is immensely beneficial and appealing."

MEDIA STUDIO AND POST-PRODUCTION FACILITIES

Explore your potential in our \$2 million, purpose-built media studio and post production facilities.

CRIMINOLOGY, POLICING AND CYBER SECURITY

Our Criminology, Policing and Cyber Security degrees can set you up for a great career in the Force, but the opportunities don't end there. Yes, our strong ties with police recruiters mean you'll increase your chances of joining the NSW, Victorian or Australian Federal Police. But you can also fulfil your dreams of working in the criminal and community justice systems, corrective services, border protection, intelligence, cyber security, data analytics, forensics, or computer forensics. Our Policing degree is the only one based in metropolitan Sydney. And our Bachelor of Cyber Security and Behaviour degree is the only cyber security degree in Australia that analyses both the technical and human side, placing you at the forefront of a dynamic digital world.

CAREER OPPORTUNITIES

As a graduate, you may find a career in policing, other Commonwealth or state law enforcement and criminal justice agencies, intelligence agencies, border protection, security management, fraud management and investigation roles within the corporate or local government sectors, forensics, and computer forensics.

Graduates also seek roles in corrective services, probation and parole, crime prevention, or as policy advisors or social workers in the area of community corrections.

WESTERN CENTRE FOR CYBERSECURITY AID & COMMUNITY ENGAGEMENT

Western CACE is a secure facility where students are trained to assist small businesses with cyber incident response. Students can train for one year alongside their studies, making them eligible to undertake important industry cybersecurity certifications.

ENGINEERING

Be innovative. Think creatively in our state-of-the-art green facilities. At the forefront of Australian education, research and development, our engineering programs prepare students to take on real world challenges and succeed. The program is flexible, delivering a balance of theory, practice, broad subject choices and immersive industry projects.

We have expanded our majors base and are proudly delivering unparalleled education in Advanced Manufacturing, Materials and Sustainability, in addition to the existing Civil, Construction, Electrical, Mechanical and Robotic & Mechatronic programs.

We have strong links with local, national and international organisations, providing students with exclusive access to a range of work-based study and placements. With our interconnected degrees in Engineering, Construction Management, ICT and Industrial Design, you will be able to pursue careers in diverse areas of technology development and application. The Bachelor of Engineering (Advanced) Honours WSU- UNSW Collaborative Program brings together specialist capabilities from both institutions in the areas of Electrical, Mechanical and Robotics and Mechatronics.

Key: LSR = Lowest Selection Rank, B = Bachelor of, F = Full-time, P = Part-time.

Note: ^ Successful applicants receiving credit for prior learning may be required to travel to different Western Sydney University campuses to complete the elements of their Engineering program.

* Sydney City campus offers the following Engineering majors: Civil Engineering, Electrical Engineering, Mechanical Engineering.

CAREER OPPORTUNITIES

As a graduate, you may find employment in civil, construction, electrical, robotic and mechatronic engineering, manufacturing and utilities, commercial, medical and industrial product design, project management and consultancy, or industrial, commercial or residential development.

SOLAR CAR PROJECT

Western Sydney University's Solar Car project is a student-led team that strives to push the boundaries of innovation and precision engineering with a social and sustainable responsibility to the community.

westernsydney.edu.au/solarcar

HEALTH AND SPORT SCIENCES

Get plenty of practical, hands-on experience. Our Health and Sport Sciences programs equip you for the important work of advancing human health. The clinical health science programs cover Physiotherapy, Occupational Therapy, Paramedicine, Podiatry, Speech Pathology and Traditional Chinese Medicine. Further programs target Health Promotion, Health Services Management, Recreational Therapy, Clinical Sciences, Public Health, Sport and Exercise Science, Sport Development, and Health and Physical Education (HPE). Make a difference in the lives of others with our Speech Pathology degree. As a graduate, you will have a solid grounding in evidence-based practice and lifelong learning skills which are highly regarded by the health industry. All programs include valuable work experience where you can build professional networks. An example is the UniClinic, a therapeutic health practice where treatments are provided by students under the supervision of qualified clinicians.

Key: LSR = Lowest Selection Rank, B = Bachelor of, F = Full-time, P = Part-time.

Note: ^ Double majors are available in the B Health Science degree (e.g. B Health Science (Health Promotion/Public Health)). Check the University handbook for combinations.

* Degree may be fast-tracked in 2 years. Fast tracking of the degree is only available at Sydney City campus. Clinical Sciences major not available at Sydney City campus.

** To obtain teaching accreditation, a Master of Teaching must be completed following the Bachelor degree. Check University handbook for durations.

CAREER OPPORTUNITIES

Depending on which program you undertake, you may find a career in the public or private sector, for example, in hospitals, ambulance services, the defence force, rehabilitation centres, insurance companies, schools, teaching, research, academia, large corporations, private practices and in government policy units. You may also work with athletes and sporting organisations, or work in a business as a personal trainer.

UNICLINIC

UniClinic, Western Sydney University's clinical facility, offers a unique in-house education facility for our undergraduate and postgraduate students. We are open to the public and offer a diverse selection of therapeutic health practices.

westernsydney.edu.au/uniclinic

TASHA REYNOLDS

GRADUATE

Bachelor of Health Science (Paramedicine)

"It's given me an opportunity in life that doesn't only provide me with a degree. I have been able to gain industry relationships, employment, a voice within the community and service opportunities."

INFORMATION TECHNOLOGY (COMPUTING), DATA SCIENCE AND MATHEMATICS

To become an in-demand professional, look no further. Our dynamic programs in Information Technology, Data Science and Mathematics will give you an unparalleled advantage.

If you want to develop advanced programming skills or a thorough technical understanding of modern networked computer systems, or sound skills in the discipline of information systems security, then our Information Technology (Computing) programs are tailor-made for you. With our professionally-recognised programs you will be able to pursue exciting opportunities in diverse areas of technology development and application to address the global goals and challenges set by humanity. Develop the mindset and skills required to be a high-impact entrepreneur. The Bachelor of Entrepreneurship (Games Design and Simulation) will equip you to be a game changer and help you forge your path to a technology start-up. In today's and tomorrow's economy, making the best use of available data is essential in every profession. Never has there been more demand for graduates who understand the intricacies of extracting information and knowledge from data. Our Data Science programs blend skills from mathematics, statistics and computing to give you the edge. Mathematics is about using abstraction and logic to discover and understand patterns, and thus fundamental to understanding ourselves and the world around us. Broadly applicable analytic skills are the very reason why employers from a wide range of sectors cry out for mathematics graduates. Our Bachelor of Mathematics degree will set you up for success by giving you a broad basis in key areas of mathematics as well as the option to complete a major in an in-demand area of employment.

Note: * Sydney City campus offers the following Information and Communications Technology majors: Mobile Computing and Networking. Information Systems majors: Big Data, Mobile Computing and Networking.

CAREER OPPORTUNITIES

As a graduate, you may find employment in computer security, systems programming, network development, support and management, real-time programming, systems engineering, games and mobile applications development, information systems management, health information management, database and systems administration, or as a web developer.

NEW DEGREE IN 2022

The Bachelor of Mathematics was a new degree beginning in Autumn 2022. Mathematics plays a crucial role in almost every sector of the economy. From finance to engineering, teaching, medicine and politics – mathematics is essential to model, analyse and solve problems. You will learn from world-class academics with a research strength in mathematics, and have opportunities for industry engagement. With your logical mind and analytical skills, you'll enter the job market as a highly sought-after graduate.

Our degree also gives you the option of completing majors in Financial Mathematics, Data Science, or Computational Mathematics, or you can use the degree as a pathway to secondary teaching.

LAW

Western's programs are a unique alternative to more traditional law schools, with community law activities that give you real-world experience. For example, our Law students have a unique learning opportunity with the Western Sydney University Justice Clinic. This is a legal service where practicing lawyers and academics work on client cases, law reform, and access to justice projects. The Clinic also operates the Student Legal Service and runs placement and internship subjects for our students. Experiences like this empower you to make positive change in the world, wherever your degree takes you. Our lecturers will challenge, stretch and inspire you, and our connection with prominent, respected professional networks will set you up for career success. Law programs are offered at the Campbelltown and Parramatta campuses. Both offer excellent facilities, including moot courts for practising advocacy skills, a comprehensive library and computer-based law research facilities.

Key: LSR = Lowest Selection Rank, B = Bachelor of, F = Full-time, P = Part-time, N/A = Not applicable; not based on the ATAR; or the program is not offered to current Year 12 applicants or no offers were made to Year 12 applicants in these rounds.

CAREER OPPORTUNITIES

In our Law programs, special emphasis is placed on professional legal skills. As a graduate, you may find employment in legal practice as a solicitor or barrister, or roles in the banking and finance sector, accounting firms and management consultancies, corporate management, education and publishing, government departments and regulatory authorities, marketing, human resources, and telecommunication industries.

MEDICINE

Make a difference in your community with the Joint Program in Medicine from Western Sydney University and Charles Sturt University. The Joint Program in Medicine is a five-year undergraduate entry degree that qualifies you to be a medical intern in Australia and New Zealand. Successful applicants study their degree either in the Greater Western Sydney region at Western's Campbelltown campus or in the Central NSW region at the Charles Sturt University, Orange campus. Western Sydney and Charles Sturt both have a strong commitment to the regions in which they are located. The medical program combines problem-based learning and clinical practice. The program is designed to provide you with the knowledge, skills and experience to make an important contribution to the community's health and wellbeing. Uniquely, we offer three years of embedded clinical training, including experiential learning from elders and others during an Aboriginal Health Service placement, General Practice, community health services, research skills application, personal and professional development as well as the core scientific knowledge which will become the foundation for your life-long learning.

OUR RANKING

MEDICINE DEGREE

DEGREE	LOCATION	DURATION	LSR
Doctor of Medicine	Campbelltown/Orange	5F	See below
ADMISSION CRITERIA			
Greater Western Sydney Applicants	Campbelltown	5F	93.5
Rural/Remote Applicants	Campbelltown/Orange	5F	91.5
Other Applicants	Campbelltown/Orange	5F	95.5

UCAT Undergraduate Clinical Admissions Test

Unless they are of Aboriginal or Torres Strait Islander descent, all domestic applicants must sit the UCAT.

Interviews at Western

We perform multi-station mini interviews (MMI). The MMI consists of a series of stations to test if you have the qualities to become a great doctor. The purpose of the MMI is to assess the non-cognitive qualities important to patients and communities, and which are best assessed in person, rather than through an online test.

Key: LSR = Lowest Selection Rank, F = Full-time, N/A = Not applicable; not based on the ATAR; or the program is not offered to current Year 12 applicants or no offers were made to Year 12 applicants in these rounds.

CAREER OPPORTUNITIES

As a graduate you won't just be highly skilled, you'll be highly prepared for your internship and have a range of career paths to choose from, including medical practice, medical research, administration or medical teaching.

Graduates are eligible for registration by the Australian Health Practitioner Regulation Agency (AHPRA) and may be able to apply for registration in overseas countries.

APPLICATION PATHWAY TO MEDICINE

DOCTOR OF MEDICINE (MD)

Western Sydney University offers a fully-accredited 5 year undergraduate medical program based in Greater Western Sydney with placements throughout NSW. Graduates are eligible to apply for medical intern (junior doctor) positions in Australia. The Joint Program in Medicine, delivered in partnership with Charles Sturt University, creates the opportunity to undertake the medical program in rural and regional NSW, based at Orange, NSW.

Domestic Applicants

Domestic applicants may apply as Greater Western Sydney, Rural, Aboriginal and Torres Strait Islander, or General applicants. Selection is based on performance in an aptitude test, an interview, and academic capability. At Western, we run multi-station mini interviews (MMI). This is a series of stations to test if you have the qualities to become a great doctor. The purpose of the MMI is to assess non-cognitive qualities important to patients and communities, and which are best assessed in person, rather than through an online test.

Domestic applicants (Australian citizens and permanent residents and NZ citizens) must:

- Register for and sit the Undergraduate Clinical Admissions Test (UCAT)
- Submit a UAC application by 30 September prior to the year of intended program start date and include the MD course code as a preference
- On invitation, attend an interview in Sydney or Orange held in late November/early December.
- See westernsydney.edu.au/mdapplicants

For details, including program structure and subjects, visit westernsydney.edu.au/future/study/courses/undergraduate/doctor-of-medicine

Aboriginal and Torres Strait Islander Applicants

There is a different pathway process for those who apply as an Aboriginal or Torres Strait Islander applicant, as you are not required to sit the UCAT.

For more detailed information on Aboriginal and Torres Strait Islander selection procedures, visit westernsydney.edu.au/indigenousfuturedr or email IndigenousFutureDr@westernsydney.edu.au

International Applicants

For information on international applications, visit westernsydney.edu.au/international

Alternatively, call the Course Information Centre on **1300 897 669** or email study@westernsydney.edu.au

NURSING AND MIDWIFERY

Western Sydney University is home to some of Australia's best nursing and midwifery programs. Nurses and midwives are champions of change, making a difference through quality person centred care and safety. Our professionally accredited preregistration programs are designed with the vision of preparing graduates to be the future healthcare leaders of the Western Sydney region and beyond, supporting the community through innovative nursing and midwifery practice. All programs are underpinned by a primary health care philosophy supported by a flexible learning approach and a premium on campus experience with contemporary simulation facilities and technology-enabled learning spaces. The curriculum includes high-quality, evidence-based studies, emphasising a balance of theory, clinical practice and interdisciplinary learning to prepare you for work in an ever-changing sector. We are internationally renowned for producing graduates who enjoy very high employment rates, particularly in the Western Sydney region.

Note: * Duration takes into account Credit for Prior Learning allowed.

An online Bachelor of Nursing is available via WSUOnline. Visit: online.westernsydney.edu.au/online-courses/nursing-midwifery/bachelor-of-nursing

CAREER OPPORTUNITIES

As a nursing graduate, you may work in acute care hospitals, aged care services, child and adolescent health, community health, medical practice nursing, disability services, emergency or trauma units, justice health, mental health services, forensics, drug and alcohol, occupational health, oncology, operating theatres, palliative care, rehabilitation services, nursing education, and health administration.

Registered midwives may work in a range of maternity areas within community settings and private and public hospitals in metropolitan, rural and remote areas. These include midwifery group practice, team midwifery, caseload midwifery, homebirth, birth centres, antenatal clinics, postnatal wards, birthing units, postnatal clinics and community midwifery services. Midwives also work in policy, research, education and management.

CLINICAL PRACTICE UNITS

Western's clinical practice facilities, called Clinical Practice Units (CPU's) are designed to simulate a modern hospital ward setting. They are equipped with contemporary clinical simulation technology to support your learning.

PSYCHOLOGY

Psychology at Western will open your mind to a world of possibilities. Because Western ranks among the world's top universities for Psychology, you'll learn from respected experts in the field. Study in Bankstown City, Penrith or at our new state-of-the-art facilities in Parramatta. Our Psychology programs emphasise community needs, equipping you to make a positive difference to health, work, education, relationships and family life. Wherever your future takes you, you'll gain deep understanding about how we perceive and make a difference in the lives of others.

CAREER OPPORTUNITIES

As a graduate, you may find psychology or research positions in government departments and the private sector, in clinical psychology, health science, education, business and social science. You also have the opportunity to study electives from other disciplines, including applied leadership and critical thinking, data science, law, and social sciences. These will provide you with more career opportunities in today's ever-changing world.

PSYCHOLOGY CLINIC

The Western Sydney University Psychology Clinic provides low-cost psychological treatment and testing services. Staffed by provisionally registered psychologists currently undertaking postgraduate training, they are supervised by fully accredited and experienced clinical psychology supervisors.

westernsydney.edu.au/clinic

SCIENCES

Our state-of-the-art teaching and research facilities and laboratories provide you with valuable real-world experiences. The science facilities span three campuses: Campbelltown campus has a strong focus on human health sciences and includes anatomy laboratories and the nuclear magnetic resonance facility; Parramatta campus is the location of our new science building that houses teaching laboratories as well as research laboratories for molecular bioscience and chemistry; Hawkesbury campus has a food pilot plant and modern industrial kitchens that support students enrolled in our Innovative Foods and/or Human Nutrition majors and it is also home to a dedicated Crime Scene House used by students who are enrolled in the Forensic Science major. Hawkesbury campus also has a strong focus on ecology and animal sciences and is home to the Hawkesbury Institute for the Environment.

Depending on the majors and electives chosen, your career opportunities include roles in government, research, forensics, patents, food science, quality control, universities, product development, environmental analysis, scientific instrumentation, medical laboratories and technical management. You will also have the option of becoming a secondary school science or mathematics teacher, or you might pursue a high-level research career through a Master of Research.

BAILEY DAVIS

STUDENT

**Bachelor of Medical Science
Master of Research
Hawkesbury City Council
Scholarship**

"Receiving this scholarship has provided me with extensive opportunities that would otherwise have been missed. As I am in charge of the financial aspect of my education, this award allows me to invest more into my education. It provides a significant contribution to the financial burden of university, allowing me to focus on achieving my goals and giving back to the community."

SOCIAL WORK

Shape the world we live in with our Social Work, Social Sciences and Humanitarian and Development Studies degrees. Become a skilled social worker at Western. If you have always cared about others, this degree gives you an opportunity to make a real difference. Through a mix of world-class research and theory, Western's Bachelor of Social Work gives you the valuable skills and knowledge you need to help people deal with personal and social problems, either directly or by planning and carrying out programs that will benefit groups or communities. It prepares you to enter the workforce in a range of sectors, including private or government agencies, welfare support organisations, community groups or in health. In addition to social research and theory, this program emphasises practical skills to make you job-ready by undertaking more than 1,000 hours of supervised field work. As a result, you will graduate with confidence in your abilities, and highly sought-after workplace skills as a professional social worker.

Accreditation – This program is accredited by the Australian Association of Social Workers (AASW). Graduates are also eligible for membership of the Australian Association of Social Work (AASW).

SOCIAL SCIENCES

Expand your knowledge of the social world through theory, research and practical application. Get a deep understanding of the complex, culturally diverse and dynamic world we live in. Built on flexibility and choice with a range of offerings in social sciences, this program provides the opportunity for you to focus on your preferred areas of interest. Choose your own majors and minors from Child and Community, Geography and Urban Studies, Tourism, Events and Planning, Peace and Development Studies, Sociology and Anthropology, and Criminology and Criminal Justice. Create a degree as specialised or as broad as your desired career path. Study Social Science at Western.

B Social Science/B Laws	Campbelltown	5F/10P	96.00
	Parramatta	5F/10P	96.00

Key: LSR = Lowest Selection Rank, B = Bachelor of, F = Full-time, P = Part-time.

Note: For more Social Science degrees look under Policing, Psychology and Tourism, Events and Urban Planning areas of study. Check the University Handbook for further information.

* Sydney City students can only currently undertake the Criminology and Criminal Justice major.

CAREER OPPORTUNITIES

As a graduate, you may find a career in development and peacekeeping agencies, international aid, police work, investigative and intelligence agencies, organisations undertaking cyber security, policy development, analysis and social research, social and community planning organisations, heritage and tourism organisations and centres, and welfare and community development agencies.

TEACHING AND EDUCATION

Our Education and Pathways to Teaching degrees will give you the foundation you need to become a great teacher. In our Pathways to Teaching degrees you will have opportunities to develop specialist knowledge and skills which you build on in a graduate teaching qualification after the completion of your undergraduate degree. The practical experience you gain in our teaching programs will also give you the confidence to succeed from your first day of teaching. If you aspire to make a difference in the lives of children and young people then an Education or Pathway to Teaching qualification will set you up for success.

Note: * To obtain teaching accreditation, a Master of Teaching must be completed following the Pathway to Teaching Bachelor degree. Check the University Handbook for further information.

CAREER OPPORTUNITIES

As a graduate, you can work as a teacher in an early childhood centre or a government, or non-government school or college relevant to the postgraduate qualification and the majors studied in your undergraduate degree. This includes roles as an early childhood teacher, a primary school teacher, a secondary school teacher, an education field officer in a variety of industries including sport, welfare, community education, and also in training and development facilities in industry.

DEGREE FOR ABORIGINAL AND TORRES STRAIT ISLANDER PEOPLES

Western Sydney University is committed to providing higher education pathways for Aboriginal and Torres Strait Islander peoples and contributing to the process of reconciliation. The University offers study by block mode – Bachelor of Education (Primary) Aboriginal and Torres Strait Islander Education. The block mode model is designed to help students remain in their community so they can fulfil their family, career, cultural and social responsibilities. Studying a block mode program requires students to attend residential on-campus visits each year, lasting between one and three weeks. Travel, accommodation and meal costs to attend residentials are funded for Abstudy approved students. For more information, visit westernsydney.edu.au/atsieducation

TOURISM, EVENTS AND URBAN PLANNING

Western's Tourism, Event and Urban Planning programs are among Australia's finest. These programs offer a balance of theory and practical field studies, broad subject choices, flexible program structures, industry-based projects and placements, and local and international work experience opportunities. As a graduate, you will enter the workforce uniquely equipped with both specialist cultural and managerial knowledge, and a wealth of practical experience.

	Penrith	3F/6P	80.00

Key: LSR = Lowest Selection Rank, B = Bachelor of, M = Master of, F = Full-time, P = Part-time.

CAREER OPPORTUNITIES

If you are interested in a career in urban, social or cultural planning, the Bachelor of Planning pathway to the Master of Urban Management and Planning is for you. This program equips students to take leadership roles in urban management, strategic planning and policy development.

As a graduate of Tourism and Event Management, you may seek to build a career in festival and event management and programming, leisure and tourism policy development, tour operations, destination marketing, visitor attractions management, outdoor recreation, hospitality provision, cultural, tourism and leisure industry development, state and federal government departments concerned with urban and regional affairs, or planning consultancies.

THE ACADEMY

Unique to Western Sydney University, The Academy offers high-potential students opportunities to gain the intellectual and practical skills needed in today's ever-changing world. Focusing on ethical leadership within an interdisciplinary environment, The Academy provides extension-level academic development, community engagement and service opportunities, international and national experiences, and a range of professional and personal development workshops. Information on how to apply to join The Academy is available at: westernsydney.edu.au/theacademy

ONLINE DEGREES

Our online degrees provide you with the opportunity to study from anywhere, at any time, while still accessing all the support you need to succeed in your studies. Study materials, academic matters, assessments and graduation will all be handled by the University. Offered in either full- or part-time mode, the programs we offer will open up career opportunities in the areas of Business, Communication, Public Health, Health Promotion and Recreational Therapy. For more detailed information about the program structure and subjects visit westernsydney.edu.au/online

THE ACADEMY

DEGREE	LOCATION	DURATION	LSR
B Creative Leadership*	Parramatta	3F/6P	N/A

Key: LSR = Lowest Selection Rank, B = Bachelor of, F = Full-time, P = Part-time, N/A = Not applicable; not based on the ATAR; or the program is not offered to current Year 12 applicants or no offers were made to Year 12 applicants in these rounds.

Note: * The BCL is designed to be taken concurrently or upon completion of another WSU degree.

3 year duration includes 2 years of credit for prior learning from your primary WSU degree.

Students must be eligible to graduate from their primary degree in order to be granted credit for prior learning in the BCL.

CAREER OPPORTUNITIES

This flexible degree provides transformative educational experience, internships, student-led projects, and community engagement opportunities that will expand your ability to examine and influence current and future social issues. The Bachelor of Creative Leadership is designed to be combined with most Bachelor degrees at Western. You will emerge with a sound balance of theory, practical experiences, and leadership skillsets – so you can have a meaningful impact on local and global social challenges, as well as taking your career further.

For more information, visit westernsydney.edu.au/theacademy

ONLINE DEGREES

DEGREES	LOCATION	DURATION	LSR
B Communication	Online	3F/6P	75.00
B Health Science (Public Health)	Online	3F	70.00
B Health Science (Health Promotion)	Online	3F	70.00
B Health Science (Recreational Therapy)	Online	3F	70.00

Key: LSR = Lowest Selection Rank, B = Bachelor of, F = Full-time, P = Part-time.

CAREER OPPORTUNITIES

The Bachelor of Health Science program may find a career in the public or private sector, for example in hospitals, large corporations and not for profits.

CONCURRENT DEGREES

These degrees are not stand-alone but have been designed to be undertaken with any undergraduate degree at Western. Graduates from many disciplines will benefit from skills in Applied Data Science and Entrepreneurship.

DEGREES
B Applied Data Science
B Entrepreneurship

Key: B = Bachelor of.

Note: Actual duration of degree depends on the undergraduate degree taken. Study locations will vary depending on the degree undertaken.

Pathway Options Available at The College

The College provides a range of pathway options and support services to help you on your journey to university.

Through its comprehensive range of Integrated Diploma/Bachelor programs, Extended Diplomas and University Foundation Studies featuring small class sizes and individual attention from academic staff, The College provides a well-supported environment for you to succeed in your tertiary studies.

One of the many advantages of studying at The College is the direct entry arrangement with Western Sydney University. After successfully completing the University Foundation Studies program you will be able to apply for a place in the first year of a corresponding undergraduate degree at Western Sydney University.

The 12-month Diploma component of the Integrated Diploma/Bachelor program covers the same subjects as first year uni

over the same time span, meaning there's no time lost. Our entry scheme also means upon successful completion of your first year of studies, you'll receive guaranteed direct entry into the second year of the corresponding university degree. The 16-month Extended Diploma program covers the same subjects as first year uni, as well as additional preliminary subjects to prepare you for success in your tertiary studies. Upon successful completion of the program, you'll have the opportunity to enter into the second year of the corresponding university degree.

HECS-HELP and FEE-HELP loans are available to eligible students studying a Diploma or Foundation Studies program at The College. For more information, visit westernsydney.edu.au/thecollege

THE COLLEGE

Diploma to Degree Pathway

Successful completion of the Diploma components of the Integrated programs provides 80 credit points for prior learning (equivalent to a year of study) in the corresponding Bachelor degree at Western Sydney University.

APPLICANT CHECKLIST

1

FIND OUT ABOUT OUR PROGRAMS

- Read the information within this Guide
- Talk with careers advisors, your parents and teachers/mentors
- Refer to the Future Students site, visit westernsydney.edu.au/future

2

TALK TO US

- Attend Western Sydney University events – find out more at westernsydney.edu.au/events
- Call the Student Services Hub on **1300 897 669** or email study@westernsydney.edu.au
- Get the inside information on entry for Medicine, Early Offer programs, Alternative Entry Pathways, Bonus Points and Scholarships.

3

APPLY TO US

- Apply through UAC, visit uac.edu.au or apply direct to Western at <https://westernsydney.uac.edu.au/ws>
- Place your Western Sydney University preferences
- Check your eligibility and submit a scholarship application, visit westernsydney.edu.au/scholarships

HOW TO APPLY

IF YOU ARE COMPLETING YEAR 12 AT THE TIME OF APPLYING:

1. Check your eligibility for bonus points where you could qualify for up to 10 bonus points to go toward your application to Western Sydney University. Visit: westernsydney.edu.au/bonuspoints
2. Apply direct to Western at westernsydney.uac.edu.au/ws, or include Western programs in your program preferences with the Universities Admissions Centre (UAC).

Your application will be considered on the basis of your Australian Tertiary Admissions Rank (ATAR) or equivalent.

There are some programs that have additional selection criteria – refer to the UAC Guide or westernsydney.edu.au/future

3. Know all the information about our alternative entry pathways (see page 20).

IF YOU ARE NOT COMPLETING YEAR 12 AT THE TIME OF APPLYING:

1. Gather information for your application.
2. Apply direct to Western at westernsydney.uac.edu.au/ws, or through the Universities Admissions Centre (UAC) uac.edu.au

Your application will be based on the results of your secondary, tertiary or other accredited academic qualifications including:

- Australian Tertiary Admissions Rank (ATAR), University Admissions Index (UAI), Tertiary Entrance Rank (TER) or equivalent
- Australian Qualification Framework (AQF) Certificate III or above
- Previous university study (minimum two subjects)
- Special Tertiary Admissions Test (STAT) results
- Work experience (minimum of 12 months full-time or equivalent work).

Each qualification will be allocated a rank.

If you have one or more of the above qualifications, the highest rank will be used in assessing your application.

Regional bonus points – if you are a non-current school leaver (not completing Year 12 or International Baccalaureate at the time of applying for university) and live or study in the Western Sydney region, you will automatically receive five bonus points when you apply to study at Western Sydney University.

3. Know all the information about our alternative entry pathways (see page 20).

IF YOU ARE AN ABORIGINAL AND/OR TORRES STRAIT ISLANDER PERSON

Aboriginal and Torres Strait Islander applicants have two pathways to apply to Western Sydney University.

1. Apply direct to Western at westernsydney.uac.edu.au/ws, or through the Universities Admissions Centre (UAC) uac.edu.au
Students who are eligible for an ATAR are encouraged to complete an online application for admission direct to Western via westernsydney.uac.edu.au/ws or via UAC at uac.edu.au
2. Admission via the Aboriginal and Torres Strait Islander Pathway Program: Apply direct to Western at westernsydney.uac.edu.au/ws and confirm you would like to be invited to attend the program. If you are unable to apply this way, complete the Aboriginal and Torres Strait Islander Pathway application form at westernsydney.edu.au/pathwayprogram

For more detailed admission advice, or if you require assistance with the application, please contact the Student Services Hub on **1300 897 669** or email study@westernsydney.edu.au

IF YOU ARE APPLYING TO THE COLLEGE

Diploma and Integrated Diploma/ Bachelor programs

Apply direct to Western at westernsydney.uac.edu.au/ws, or through the Universities Admissions Centre (UAC) uac.edu.au

Foundation Studies programs

Apply direct to Western at westernsydney.uac.edu.au/ws

IF YOU ARE AN INTERNATIONAL STUDENT

International students completing one of the following qualifications in 2022 can apply via UAC International.

- Australian Year 12 Higher School Certificate in or outside Australia
- International Baccalaureate in Australia
- New Zealand National Certificate of Educational Achievement (NCEA), Level 3.

International students can also be considered for an early conditional or provisional offer by applying direct to Western Sydney University with the exception of the programs listed below. These programs are excluded from Early Offer and are mandatory to apply via UAC. Please see westernsydney.edu.au/internationalapplicants

- Doctor of Medicine
- Deans Scholars and Advanced Programs
- B Physiotherapy
- B Podiatry Medicine
- B Occupational Therapy
- B Speech Pathology
- B Paramedicine.

NOTE: This guide is intended for domestic students. International students should read the information in this brochure in conjunction with information available at westernsydney.edu.au/internationalstudy

CONTACT US

Western Sydney International
westernsydney.edu.au/internationalstudy

internationalstudy@westernsydney.edu.au

IF YOU ARE APPLYING TO SYDNEY CITY CAMPUS

1. Domestic students:
Apply direct to Western at westernsydney.uac.edu.au/ws, or through the Universities Admissions Centre (UAC) uac.edu.au
2. International students:
Apply via our online application form westernsydney.edu.au/city/apply

For more information, visit westernsydney.edu.au/city or email study@city.westernsydney.edu.au

THE FACTS ON FEES

As a Western Sydney University student, you may need to pay a number of fees throughout your studies, depending on your degree and your enrolment status. These fees may include student contribution, tuition fees and student services fees.

Western Sydney University offers Commonwealth Supported Places (CSP) for domestic students studying Undergraduate Award programs and a selection of Postgraduate Award programs.

A Commonwealth Supported Place (CSP) is one that is subsidised by the Commonwealth meaning that the Australian Government pays part of your fees, and the remaining amount is paid by you (which is referred to as your student contribution amount).

Your student contribution amount will be calculated on a per subject basis and is dependent on the discipline area of the subject of study, not the program you are enrolled in.

If you're eligible, you may be able to obtain a HELP loan to defer your student contribution (HECS-HELP) and student services fees (SA-HELP).

If you need more information visit westernsydney.edu.au/fees

Fees for undergraduate international students are different than for domestic students. For more information about fees for international students visit westernsydney.edu.au/currentstudents/current_students/fees/international_fees

2022 STUDENT CONTRIBUTION BANDS AND RATES

Bands and General Discipline Areas	2022 Maximum Student Contribution (EFTSL per year)*

*Equivalent full-time study load

Note: Pre-2010 HECS students should go to studyassist.gov.au for more information.

FINANCIAL SUPPORT

Student Welfare Service

We offer a confidential service and can help you with support and advocacy, or financial assistance. For more information, visit westernsydney.edu.au/studentcentral

Scholarships

We offer a variety of scholarships. Find out more at westernsydney.edu.au/scholarships

SUMMER SESSION

If you would like more flexibility to plan and manage your study around your lifestyle and the many demands on your time, our Summer session offers an optional learning period between December and February.

With Summer session, you can complete your degree your way, get ahead in your program so you can graduate and start earning a salary sooner, take a session off to travel or work full-time and catch up on one or two subjects over summer, or lighten your study load by spreading out your subjects across the year.

For more information, visit westernsydney.edu.au/summer

Our Sydney City campus offers flexible sessions, you can start in February, June or October.

For more information, visit westernsydney.edu.au/city

CONNECT WITH US

As a student at Western Sydney University, you become part of a dynamic, thriving and culturally rich community. Becoming part of the University's clubs and associations is the best way to meet new people with similar interests, make friends, and explore a variety of cultural, program-related and sporting activities. You can also start your own club.

Find out more about life outside the lecture theatre, news and events, services and facilities, career information and more at westernsydney.edu.au/future/student-life

MESSAGE FROM THE VICE-CHANCELLOR

Western Sydney University is a world-class university, internationally recognised for its research strengths and innovations in teaching. Located in the heart of Western Sydney, the fastest growing and most dynamic area in the country, the University is ideally placed to give students global perspective and opportunity. We strive to achieve our mission – starting in Western Sydney, our students will succeed, our research will have impact and our communities will thrive through our commitment to excellence, sustainability, equity, transformation and connectedness.

The University continues to cement its reputation as one of the world's top universities. It has retained its position within the top two per cent of universities worldwide, as ranked by the prestigious Times Higher Education (THE) World University Rankings for 2022. In addition, Western Sydney University was ranked 1st in the world in the 2022 THE Impact Rankings in recognition of our commitment to meeting the United Nations' Sustainable Development Goals (SDGs) through research, teaching, outreach, and stewardship efforts.

Western Sydney University is committed to working closely with its students to unlock their potential as future change-makers and leaders. Our values of boldness, fairness, integrity and excellence guide all that we do. Social justice, inclusive education, addressing inequality, environmental stewardship and resilience – these are all core to our mission. We are committed to delivering action in all these areas and fostering the next generation of thought leaders and civic-minded citizens who can solve these complex challenges.

As we become an even more integral part of the Western Sydney and, more broadly, the global community, we continue to focus on changing lives. We pursue and deliver new study options, pathway programs and support services to ensure our students have access to a broad range of high-quality undergraduate and postgraduate opportunities.

Your choice of university is an important decision. We believe that success is fuelled by a strong desire and ambition. If you have the drive and determination to succeed, then Western Sydney University offers you an unlimited world of potential. I look forward to celebrating your future success as a graduate of Western Sydney University.

A stylized, handwritten signature in black ink, likely belonging to Professor Barney Glover.

Professor Barney Glover AO
Vice-Chancellor and President

DISCLAIMER

Western Sydney University reserves the right at all times to withdraw or vary programs listed within this publication. Variations may include, but are not limited to, location of its programs on our campuses or other locations. In the event that a program within this publication is to be changed or withdrawn, applicants will be advised via email to the email address specified by them on their application. With respect to a program location change, students should be aware of the need to accommodate such changes for the whole or part of programs for which they enrol. The University also reserves the right to update, amend or replace online versions of this publication without notice.

Western Sydney University is a multi-campus university. Students may be required to travel to different campuses for some parts of their program.
