# THE UNIVERSITY OF MELBOURNE

INFORMATION FOR DOMESTIC AND INTERNATIONAL STUDENTS

# WHY CHOOSE MELBOURNE?

Many people know that the University of Melbourne is ranked number one in Australia, but you may not know why.

We are one of the world's finest universities. Employers worldwide seek out our graduates. Our students succeed at the highest levels, and in more than one domain.

They live in the heart of Melbourne – one of the world's most liveable cities – while studying, volunteering, and creating lifelong friendships with peers from all over Australia and the world.

The University of Melbourne offers learning that stimulates, challenges and fulfils the potential of excellent students from around the globe, leading to personal development, meaningful careers and profound contributions to society.

That's why some of the world's most ambitious minds choose Melbourne.

More cafes and restaurants per capita than any other city in the world

World-class shopping

- The fees listed in the table are subject to change and indicative only, go to study.unimelb.edu.au/your-experience/accommodation for updates on current fees and other costs involved.
- Melbourne Connect is scheduled to open in 2021 and will offer live-in opportunities for graduate students.
- S Living costs should be finalised by June 2020. Please check study.unimelb.edu.au/your-experience/accommodation for more information.
- Partially meets criteria.
- Total estimated annual living cost including rent, utilities, internet and public transport (excludes food, course fees and incidentals). On average, students should budget at least \$80-\$150 per week (\$4160-\$7800 per year) for food and groceries if they do not have meals provided. See: services.unimelb.edu.au/finaid/planning/cost\_of\_living/summary
- This fee is for first-year undergraduate students and includes access to all the facilities of the College and participation in the weekly academic (tutorials), cultural, intellectual, social and sporting programs of the College. All meals are provided. Up to 40% of students receive a scholarship or bursary, which can reduce the average weekly rent by between \$100 and \$500. For more details, see: colleges.unimelb.edu.au/fees-and-scholarships
- 🕡 Total estimated annual living cost including rent, utilities, internet, public transport and a varied number of meals (excludes course fees and incidentals).

# YOUR STUDENT EXPERIENCE

As a University of Melbourne graduate, you'll be highly sought after. That's because our students can build their experience and networks from day one.

There are many ways to incorporate practical experience into your studies at Melbourne. You can intern at one of the world's most influential organisations, gain international experience, start a business, volunteer with organisations that inspire you, work part time and gain valuable skills while you study, or all of the above!

Whether you have a dream career or want to explore your options first, we will be there to support you to achieve your very best.

#### PRACTICAL EXPERIENCE

Internships are a great way to get first-hand industry experience and figure out if your dream career is right for you. Our students intern in leading companies and institutions in Australia and abroad, paving the way to fulfilling and exciting careers.

#### YOUR LEADERSHIP AND NETWORKING OPPORTUNITIES

Employers love to see leadership experience on your resume – and we love to help you get it! Lead a student group, direct a play, mentor a younger student or help run one of over 200 clubs and societies to make connections and build your networks.

#### **MAKE A DIFFERENCE**

Take your skills into the community, contribute to a cause you are passionate about and make a difference! You can volunteer in Australia or overseas. In many cases your experience can count towards your degree, and we offer awards and grants to help finance your volunteer work.

#### **SKILL BUILDING**

The Global Leadership and Employability team provides programs and services to students free of charge, including screened job listings, workshops, industry events and connections with alumni. You can even attend a free Career Bootcamp. In addition, many faculties offer seminars, practical training, networking events and more to help you break into a great career.

#### STUDYING OVERSEAS

You could study at some of the world's most prestigious institutions to gain an academic and professional edge. Take French in Québec, science in Estonia, business in Beijing or anthropology in Santiago. Go for as long as a year on exchange to another renowned university, or pick up a subject we offer that is taught overseas.

study.unimelb.edu.au/ your-experience

# THE NEW MELBOURNE STUDENT EXPERIENCE

We are taking a renewed approach to student life, focusing on a series of key commitments to our undergraduate students. You will:

- Be assisted and guided through your transition to university, especially in your first semester
- Develop a connection and sense of belonging with your peers and the wider University community
- Have access to a network of advisors and mentors for personalised advice to ensure you make the most of your study and engagement opportunities
- Have a transformative experience intellectually as well as personally, through excellent and challenging teaching and learning
- Become active in responding to the needs of the local and global community through volunteering, service and social entrepreneurship
- Be recognised for your individual and group achievements over the course of your degree.

New initiatives are already underway, which we will continue to develop and implement throughout 2020-21 to support these commitments.

### **UNDERGRADUATE STUDY** AT MELBOURNE

The world's most ambitious minds choose the University of Melbourne, not just because we're ranked number one.

Our degrees aren't like most others you'll find in Australia. They're aligned with those offered by many top universities worldwide. You'll start with one of our broad-based undergraduate degrees. You can then choose to join the workforce or go onto specialised professional education at graduate level.

Our unique curriculum, with its embedded 'breadth' studies, empowers you to choose your direction and create a degree as unique as you are. This means your Melbourne experience is yours to shape. In a world where careers and industries are evolving at lightning speed, your independent and innovative thinking will set you apart from the rest.

Take the opportunity to study at our 200 partner institutions around the world. Our connections within government and the community as well corporate partnerships will bridge the gap between study and work with industry-based learning.

At Melbourne you'll network with a diverse, multi-cultural community of leading minds your teachers and peers - who will enrich your perspective and broaden your horizons.

You'll be ready to enter the workforce career ready with an undergraduate degree. Or you can go onto specialised professional education at graduate level, or even undertake a research degree.

A University of Melbourne degree will help you build the right skills and global networks to adapt to whatever lies ahead. A distinct and outstanding education experience will prepare you for success as leaders, change agents and global citizens. You'll achieve all this while living in the heart of Melbourne one of the world's most liveable cities.

As a world-leading university, employers seek out our students. Our graduates represent our greatest contribution to the world.

We want you to come as you are and leave

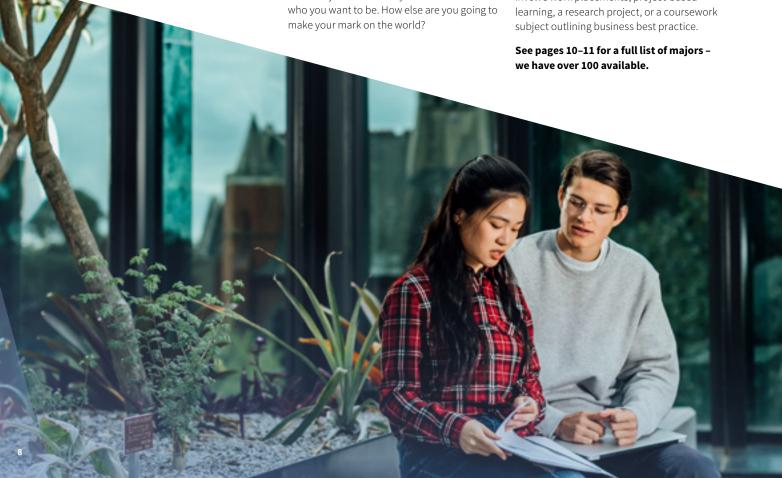

#### **FIRST YEAR**

In first year, you'll be able to explore a range of subject areas that you're interested in. You'll combine subjects within your discipline and outside of it too – giving you a breadth of knowledge that sets you apart. By the time you choose your major, you'll be well informed.

#### SECOND AND THIRD YEARS

In second year, you'll start to focus on the study area which will become your major (if you haven't already), while still remaining flexible enough to explore. Outside of the classroom, second year is great for going on exchange, leading clubs, building industry networks and getting into lots of fun activities.

By third year, you will achieve a level of specialisation and could take part in a third year 'capstone' experience, designed to consolidate your learning and really prepare you for your career. Capstone subjects may involve work placements, project-based

#### WHAT IS 'BREADTH'?

A breadth subject is one taken from outside your core studies or major. Most University of Melbourne undergraduates take breadth subjects.

Breadth will allow you to tailor your course to fit your individual passions and career ambitions. You might, for example, study science but take breadth in Mandarin Chinese – a great choice for a scientist looking to work internationally and help solve global issues. You can also use breadth to explore something you've always been curious about, whether it looks related to your major or not.

Some students find that taking a breadth subject ignites a passion they'd never known about. Others might use breadth to improve their career prospects by complementing their major with a language, communication skills, or business know-how. 'Breadth tracks' (groups of subjects taken throughout your degree) may even qualify you for graduate study in a field that's very different to your major.

#### **CONCURRENT DIPLOMAS**

Want to be an economics reporter with firstclass programming skills or a side gig playing the cello? Concurrent diplomas allow you to study an extra qualification alongside your degree. This can enhance your employability and enable you to develop detailed knowledge in an area outside your main area of study.

We offer four concurrent diplomas:

- Diploma in Computing
- Diploma in Languages
- Diploma in Mathematical Sciences
- Diploma in Music

High-achieving students may be able to complete their degree and concurrent diploma within the three years of their degree, but studying a concurrent diploma typically will add six months or a year to your undergraduate full-time studies.

## YOUR NEXT STEP: GRADUATE STUDY

When you're informed and ready, you can choose from hundreds of graduate study options. You'll get the full benefit of the graduate school experience by studying intensively, in small classes led by experts, and alongside others who share your deep interests and desire to succeed. Work towards a professional qualification (for example through the Juris Doctor), or join our world-changing researchers with a research higher degree. Your higher level graduate degree will be internationally recognised, and instantly distinguishes you from those who study a traditional Australian single or double undergraduate degree.

#### A DEGREE AS UNIQUE AS YOU

# UNDERGRADUATE DEGREES AND MAJORS

A major, minor or a specialisation refers to a concentration of subjects that equips you with specialised knowledge in your chosen field of study.

#### **BACHELOR OF AGRICULTURE**

# GRADUATE STUDY AT MELBOURNE

Graduate study is an investment in your future. Choose Melbourne, and join the best and brightest students to pursue your passion and develop your career.

You'll study alongside the most talented students in an environment focused on research impact and relevance. You'll be part of a university that is committed to changing lives by contributing to the policy, debate and skills required for a better global society.

We offer more than 400 higher level graduate courses across a broad range of disciplines, among them professional entry programs including the Juris Doctor (law), the Master of Teaching, the Master of Engineering and the Master of Architecture.

Our graduate study areas include:

- Architecture, building, planning and design
- Arts, humanities and social sciences
- Business and economics
- Education
- Engineering and information technology
- Environment
- Health
- Law
- Music, and visual and performing arts
- Science
- Veterinary and agricultural sciences.

Whether you're choosing your first career, changing direction or gaining that competitive edge, our world-class research and coursework graduate programs offer a professionally relevant education. Our graduates develop strong connections with community and industry that open the door to an outstanding future.

unimelb.edu.au/study/grad-degrees

#### **GRADUATE DEGREE PACKAGES**

If you are graduating high school and confident about the study pathway you want to follow, our Graduate Degree Packages bundle your undergraduate degree offer with a graduate degree offer. This provides you with the security of knowing a graduate place is waiting for you, upon completion of your Melbourne bachelors degree.

Graduate Degree Packages are available to school leavers who complete an Australian Year 12 or the International Baccalaureate Diploma in Australia, and to Australian citizens outside Australia who are completing the same qualifications.

Applicants must enrol in their preferred Graduate Degree Package immediately after Year 12, unless granted a deferral by the University. Prerequisites for your chosen undergraduate degree must be met prior to enrolment, there may also be prerequisites to remain eligible for graduate study.

If you are not eligible for a Graduate Degree Package, don't worry – you may choose a graduate degree upon completion of your undergraduate studies. Entry is subject to meeting the entry requirements of your preferred graduate degree.

For 2021 entry selection criteria details, and more information on pathways to graduate study, visit:

study.unimelb.edu.au/study-with-us/ understand-your-undergraduate-tograduate-degree-pathways

# RESEARCH AT MELBOURNE

## Who says you can't change the world? We expect nothing less.

Our reputation as Australia's leading comprehensive research-intensive university enables us to attract and cultivate the most promising researchers from around the world.

We collaborate with industry partners, other institutions, research organisations, the community, and government and not-for-profit organisations to achieve research outcomes with global impact. We remain at the forefront of innovation in Australia.

Melbourne is a place where world-class researchers choose to work, and, as a graduate research student, you'll be supervised by leading experts in your field.

#### **OUR RESEARCH DEGREES**

Our graduate schools offer research programs in most major disciplines.

#### **MASTER OF PHILOSOPHY**

The Master of Philosophy (MPhil) is an internationally recognised masters degree by research and requires the completion of a thesis of 30 000–40 000 words.

#### **MASTERS BY RESEARCH**

Masters by research degrees differ from the MPhil in that they may have a coursework component, along with a shorter thesis of about 30 000 words.

#### **DOCTOR OF PHILOSOPHY**

Graduating with a Doctor of Philosophy (PhD) marks your admission to the community of scholars in your discipline and requires the completion of a thesis of 80 000–100 000 words on a specialised topic.

You will work under the guidance of at least two supervisors, who will provide advice and support throughout your research degree.

For help in finding supervisors, see: **unimelb.edu.au/research-supervisors** 

#### **OUTSTANDING SUPPORT**

Research training is a core activity of the University. Our comprehensive support and award-winning professional development programs will help you become a more effective researcher. We offer access to dedicated research centres, advanced research facilities, generous scholarships and established student support networks.

unimelb.edu.au/study/graduate-research

#### SCHOLARSHIPS AND FEES

#### **DOMESTIC STUDENTS**

Most domestic graduate research students are funded by the Australian Government Research Training Program Fee Offset Scholarship (RTP), meaning you are exempt from paying tuition fees. Additional scholarships can provide annual living allowances, relocation grants and paid maternity, parental and sick leave.

#### INTERNATIONAL STUDENTS

More than 400 scholarships are available to international graduate researchers. Many cover tuition fees, as well as a living allowance and paid maternity, parental and sick leave.

scholarships.unimelb.edu.au

#### **HOW TO APPLY FOR GRADUATE RESEARCH STUDY**

**STEP 1** Check your eligibility.

STEP 2

Find potential projects and supervisors at **findanexpert.unimelb.edu.au**Contact potential supervisor for support (if required).

STEP 3

Prepare your documentation: proposal (if required), transcripts, cover letter, academic referees, English language test results (if required), supervisor support correspondence (if required) and any other additional requirements for your discipline (eg GMAT/ GRE, audition, portfolio).

~

**STEP 4** Submit your application and wait for the outcome.

STEP 5

If you receive an offer, you can then accept your place and prepare to start your life at Melbourne.

Find out more at study.unimelb.edu.au/how-to-apply/graduate-research

# PATHWAYS TO PROFESSIONAL CAREERS

Combining undergraduate and graduate study at the University of Melbourne is a pathway to limitless opportunity. Here are just some of the doors it can open across our broad range of study areas. For entry requirements and more information about pathways and where they can take you, visit **study.unimelb.edu.au** 

UNDERGRADUATE DEGREE BY STUDY AREA			GRADUATE DEGREE			YOUR CAREER
Agricultural science

# ADMISSIONS: DOMESTIC STUDENTS

#### **UNDERGRADUATE COURSES**

#### **HOW TO APPLY**

You are a domestic student if you are an Australian or New Zealand citizen, an Australian permanent resident, or hold an Australian permanent humanitarian visa.

All domestic students, as well as international students who are undertaking an Australian Year 12, must apply through the Victorian Tertiary Admissions Centre (VTAC).

If you are a domestic student studying outside Australia, you must apply through the Victorian Tertiary Admissions Centre (VTAC).

#### vtac.edu.au

#### **TUITION FEES**

As a domestic undergraduate student, you will enrol in a Commonwealth Supported Place (CSP), which is subsidised by the Australian Government. You pay a student contribution amount, determined each year by the Government.

study.unimelb.edu.au/how-to-apply/fees

#### **GRADUATE COURSES**

#### **HOW TO APPLY**

Coursework degrees: Most courses accept online applications made directly to the University. Applications for Fine Arts and Music, Education, Business, Medicine and Law may also require completion of specific application forms and/or have additional requirements.

Timely applications for the standard offer rounds of most degrees are as follows:

**Semester 1 entry:** 30 November (to commence in February the following year)

**Semester 2 entry:** 31 May (to commence in July)

#### **CHECK WEBSITE FOR DETAILS**

Some courses have early closing dates and not all courses are available in Semester 2. For specific closing dates, and to confirm any special requirements, please check course listings at **study.unimelb.edu.au** 

**Research degrees:** Each graduate school has a different way of managing the application process. Once you have identified the course that interests you, follow the application processes outlined at **study.unimelb.edu.au** 

#### **TUITION FEES**

**Coursework degrees:** Your fees for graduate study will depend on your course and the type of enrolment or place you're offered. Many courses offer Commonwealth Supported Places (CSP) as well as Australian fee places.

Research degrees: Most domestic graduate research students are supported by the Australian Government Research Training Program (RTP). Under the RTP, domestic students are exempt from tuition fees for the normal duration of the course. This exemption is valid for up to four years for students enrolled in a doctoral program and up to two years for a research masters degree.

unimelb.edu.au/study/graduate-research

#### **ACCESS MELBOURNE**

Access Melbourne is the University of Melbourne's special entry and equity scheme for domestic students. If you're eligible under any of the program's categories, you may receive a place in one of our undergraduate degrees with a reduced ATAR, subject to course prerequisites. We also have scholarships and grants that can ease the financial load, and a housing program to get you securely settled close to campus.

#### **HOW TO APPLY**

Lodge a Special Entry Access Scheme (SEAS) application via VTAC at **vtac.edu.au** for one or more of the following Access Melbourne categories:

- Disadvantaged financial background
- Applicants from rural or isolated areas
- Under-represented school
- Difficult circumstances
- Disability or medical condition
- Non-English speaking background
- Recognition as an Indigenous Australian
- Mature-age consideration (non-school leaver entry pathway).

#### **GET A GUARANTEED PLACE**

If you're from a rural or isolated area, have a disadvantaged financial background or are an Indigenous Australian, you could be eligible for a guaranteed place.

For example, in 2020, the guaranteed ATAR for Science was 78.00 (and 75.00 for indigenous students) and 55.00 for the Bachelor of Science (Extended) via Access Melbourne. Guaranteed ATARs for 2021 intake will be published in June 2020 at:

access.unimelb.edu.au

# ADMISSIONS: INTERNATIONAL STUDENTS

#### **UNDERGRADUATE COURSES**

#### **TUITION FEES**

Typical course fees are listed in the table on page 19. Visit the website for more information.

#### study.unimelb.edu.au/how-to-apply/fees

#### **HOW TO APPLY**

If you are an international student studying a qualification outside Australia, or undertaking foundation studies in Australia, you can apply online.

Timely applications for the standard offer rounds of most degrees are:

**Semester 1:** 30 November **Semester 2:** Mid June

If required, you can seek assistance from one of our overseas representatives.

study.unimelb.edu.au/how-to-apply

#### INTERNATIONAL STUDENTS STUDYING AN AUSTRALIAN YEAR 12

If you are an international student undertaking an Australian Year 12, you must apply through the Victorian Tertiary Admissions Centre (VTAC).

#### study.unimelb.edu.au/how-to-apply

#### **FOUNDATION STUDIES**

The University of Melbourne accepts a number of foundation studies programs as entry pathways to our undergraduate courses. Approved Foundation Studies programs are listed on our Study website.

#### TRINITY COLLEGE FOUNDATION STUDIES

Graduates of Trinity College Foundation Studies are guaranteed a place in the University of Melbourne course of their choice if they satisfy the prerequisites and meet the required scores.

Trinity offers accelerated and extended programs to meet your individual needs, and the curriculum is supervised by the University of Melbourne's Academic Board. The College is ideally located near the University's Parkville campus.

trinity.unimelb.edu.au/tcfs

#### **GRADUATE COURSES**

#### **TUITION FEES**

Visit the website for more information.

#### study.unimelb.edu.au/how-to-apply/fees

#### **HOW TO APPLY**

**Coursework degrees:** Most courses accept online applications made directly to the University. Applications for Fine Arts and Music, Education, Business, Medicine and Law may also require completion of specific application forms and/or have additional requirements.

Timely applications for the standard offer rounds of most degrees are:

Semester 1: 31 October Semester 2: 30 April

Some courses have early closing dates, and not all courses are available in Semester 2. Please check the course details online before applying. If required, you can seek assistance from one of our overseas representatives.

#### study.unimelb.edu.au/find

#### **RESEARCH DEGREES**

Applications for a research place are usually accepted throughout the year. Have a look on our website for specific course application closing dates. Note that entry requirements vary between degrees, so make sure you check with the relevant graduate school.

# ENGLISH LANGUAGE REQUIREMENTS

#### **ENGLISH LANGUAGE TEST**

You can use an approved English language test to meet English language requirements. You must satisfy the requirements in one sitting within the 24 months preceding the proposed date of commencement of enrolment.

Approve languag	d English e test	Required score (all undergraduate courses)			
IELTS (A	cademic)	Overall band score of 6.5 or more (with no band less than 6.0)			
TOEFL:	Paper- based	577 or more with TWE score of at least 4.5			
	Internet- based	79 or more and scores of 21 in Writing, 18 in Speaking, 13 in Reading and 13 in Listening			
Pearson English	Test of (Academic)	Overall score between 58 and 64 inclusive and no PTE communicative skills score below 50			
Cambridge English: Advanced/ Certificate in Advanced English (CAE)		CAE score of 176 with no skill less than 169			

### SECONDARY OR TERTIARY STUDIES IN ENGLISH

You can meet the English language requirements for undergraduate study by satisfactorily completing secondary studies in an approved final-year English subject, or through approved tertiary study in English. Further information about the University's English language requirements, including graduate requirements, is available at

unimelb.edu.au/study/english-reqs

#### **OBTAINING A VISA**

Most international students require a student visa to study in Australia. There are a number of different types of student visas based on the type of course you will be studying. Check the website of the Australian Department of Home Affairs.

homeaffairs.gov.au/trav/stud

<sup>•</sup> Due to the COVID-19 pandemic, the English language test expiration is extended from 2 years to 3 years for the IELTS, TOEFL and Pearson PTE Academic tests and apply for commencement in 2020 and 2021. This will be reviewed once COVID-10 restrictions are lifted.

To see graduate English language requirements, please see: study.unimelb.edu.au/how-to-apply/english-language-requirements/graduate-english-language-requirements

## **UNDERGRADUATE ENTRY** REQUIREMENTS AND COURSE FEES

This table provides a quick summary of our undergraduate degrees and should be used as a guide only.

The published domestic minimums and international guarantees are those approved for 2020 and should be considered indicative for 2021. The 2021 domestic minimums and international guarantees are yet to be finalised and will be available on the University's website once confirmed.

Diploma in General Studies Entry: February (Semester 1) and July (Semester 2)	1	50.00	50.20	N/A	N/A	N/A	N/A			

- Equivalent Full-Time Student Load (EFTSL):
- **Domestic students:** Applicants who achieve the minimum ATAR for a course will be eligible for a place, provided prerequisite studies and any other specific course requirements are met. The lowest selection rank to which an offer was made may be higher, depending on demand for the course and the number of places available. Only applicants eligible for special entry schemes will be admitted below the minimum ATAR.
- January Round lowest selection rank to which an offer was made are published at: vtac.edu.au
- International students: The University guarantees admission to a course when an international student achieves the required score, meets prerequisite studies, satisfies the English language requirements and there are still places available in the course at the time of acceptance. If you do not meet the guaranteed score, your application will not be considered for entry.

Guaranteed scores apply only if no further study has been undertaken after completion of one of these programs. Guaranteed ATARs are reviewed annually.

Domestic students completing an international qualification: The score listed should be considered a minimum score to be eligible for a place in that course. The actual standard required may be higher depending on the demand for the course and the number of Commonwealth Supported Places (CSP) available.

- A minimum of 50 is required in English for Academic Purposes (EAP) and prerequisite subjects unless otherwise specified. The score is calculated using the best four subjects excluding EAP. Maths 1 is included in the best four score for Commerce; and English and History of Ideas are included for Arts.
- International students must achieve at least the indicative score, meet the prerequisite subjects and satisfy the English language requirements to be eligible to be considered for the course. For domestic students completing an international qualification, the score listed should be considered a minimum score to be eligible for a place in that course.
- The final average is usually the average of the best four yearlong subjects, including prerequisites for some courses. For UNSW, the GPA on the final transcript is used. For WAUFP, the CPS is used and different scores apply.
- The University of Melbourne accepts a large number of other Australian foundation programs as a pathway to study the University. You can find entry requirements and indicative e scores on every course page. **study.unimelb.edu.au/find**
- International students: The typical course fee shown provides an estimate of the tuition fees for the first year of the course in 2021. This estimate assumes a full-time study load, commencing Semester 1. For some degrees a typical fee range is shown, due to the wide range of variables that may affect the course structure, and subjects taken. Actual tuition fees payable may vary and will be the sum of the fees for all subjects in which you enrol

**Domestic students:** Eligible domestic students who satisfy course prerequisites and achieve an ATAR of 95.00 or above are guaranteed a place in the Bachelor of Commerce in 2021.

International students: Recipients of the Bachelor of Commerce Global Scholarship may be admitted with an entry score that is lower than that published here. This scholarship is available only to international students. For more details, see: scholarships.unimelb.edu.au/bcom-global-scholarship

- A range of criteria is used for selection. Visit **study.unimelb.edu.au** for additional requirements.
- Mid-year entry for international and domestic entry for VTAC tertiary transfer applicants only.
- Indicative score only (entry is not guaranteed).

Arts, Biomedicine, Commerce, Design and Science:

Arts, Biomedicine, Commerce, Design and Science: Students who achieve an ATAR or notional ATAR of 99.90 or above (or 90.00 or above if Indigenous) and satisfy course prerequisites will be guaranteed a Melbourne Chancellor's Scholarship. Students must have completed an Australian Year 12 qualification or the International Baccalaureate (IB) in Australia or be an Australian citizen and have completed an Australian Year 12 or IB overseas in the year prior to entry futudents must sibe procedured and Australian to the Australian Completed and Australian Year 12 or IB overseas in the year prior to entry futudents must sibe procedured and Australian Completed Australian C (students must either enrol immediately or be granted a deferral in the year following Year 12).

In the year following Year 12).

Music: Students who achieve an ATAR or notional ATAR of 99.85 or above (or 90.00 or above if Indigenous), achieve an audition score of A+ and satisfy course prerequisites will be guaranteed a Melbourne Chancellor's Scholarship (Music), Students must have completed an Australian Year 12 qualification or the International Baccalaureate (IB) in Australia or be an Australian citizen and have completed an Australian Year 12 or IB overseas in the year prior to entry (students must either enrol immediately or be granted a deferral in the year following Year 12).

- Applicants intending to major in Economics are strongly encouraged to complete VCE Mathematical Methods or equivalent.
- Applicants intending to major in Actuarial Studies or continue on to the Master of Engineering following the Bachelor of Commerce are strongly encouraged to complete VCE Specialist Mathematics Units 3 and 4 or equivalent.
- Applicants intending to major in Civil Systems, Computing, Construction, Digital Technologies, Mechanical Systems, Construction, Digital Technicogless, Mechanical Systems, Property or Spatial Systems may be required to undertake a bridging subject in mathematics as breadth in first year. This is equivalent to Units 3 and 4 Mathematical Methods, and entry requires a mathematics background equivalent to Units 1 and 2 Mathematical Methods.
- Applicants intending to progress to the Doctor of Veterinary Medicine are encouraged to complete VCE Units 3 and 4 in Chemistry or equivalent.
- Refer to tuition fees for the relevant bachelors degree.
