## 万友优势 ADVANTAGE

### 客户信息私密性

录入系统后自动设置权限，除专属的案件专员其他内部人员及外部人员不可见

### 精英团队

文案专员为每位学生一对一定制专属方案，移民律师外部协助。团队为学生带来高质量服务

### 学生案件更新通知

当文案专员每完成一步，会更新在万友系统中，客户会以邮件的形式收到步骤更新通知，查看自己案件的最新进程

### 全程服务透明

无押金等不必要条款，客户案件信息透明，收费项会在案件开始前与客户协商一致，案件开始后无特殊意外情况，不会产生收费项目

# Discover Melbourne in 2024

Information for  
students outside  
of Australia

THE UNIVERSITY OF  
MELBOURNE

# University of Melbourne at a glance

#1 in Australia<sup>1 2 3</sup>

#33 in the world<sup>1</sup>

98% of graduates in work<sup>4</sup>

## Flexible and focused degrees

Select majors, electives and breadth subjects that focus on your chosen career from day one. Or, take your time to explore a range of subjects before deciding.

## Unprecedented choice

Our 19 graduate schools offer over 400 courses, providing boundless scope to you to pursue your passion and develop your career.

## Your city

One of the world's most liveable<sup>5</sup>

## Melbourne Peer Mentor Program (MPMP)

Be matched with a current student from your faculty to receive advice and guidance in navigating uni life.

## Your teachers

Learn from expert academics who are changing the world one project at a time. Be inspired by your lecturers, tutors and mentors. Leave prepared for your career.

## Your Networks

We have over 160 nationalities represented on campus, and our graduates join an international network of over 400,000 alumni.

## Your career

We're ranked higher for graduate employability than some of the world's top universities, including, Cambridge, Berkeley and the University of Hong Kong.<sup>4</sup>

## Support

Connect with our services through Stop 1<sup>6</sup> – you can always come to us for support and advice.

## Scholarships

Melbourne has one of the most generous scholarship programs in Australia. Find one that suits you: [scholarships.unimelb.edu.au](https://scholarships.unimelb.edu.au)

# Your city

## The city of Melbourne

**Located in the state of Victoria on the southeast coast of Australia, Melbourne is the state's cultural and business centre with a population of 4.8 million people.**

Consistently voted one of the world's most liveable cities, Melbourne is a vibrant multicultural hub with annual festivals celebrating art, food, music, comedy and sport.

The University is in the inner city, connected by great public transport, bike paths and near the Queen Victoria Market where you can buy fresh fruit, vegetables, seafood and meat.

Explore the city's famous cobblestone lanes, go to a music festival, take in a world-class theatre production, or watch an Aussie Rules football match.

## The state of Victoria

Beyond the city of Melbourne, students can enjoy all that the state of Victoria has to offer: stunning beaches, wineries, bushwalking and farm-to table food, and is accessible by train, bus or car.

Enjoy drives along the scenic Great Ocean Road, learn to ski at alpine resorts, discover the north-east art silo trail, or see the Penguins at Phillip Island.

Travel from our Parkville campus to the CBD in 15 minutes by tram

Live in a city with more cafes and restaurants per number of residents than any other city in the world

Over 3000 live music performances weekly

State capital of Victoria

Sporting and cultural capital of Australia

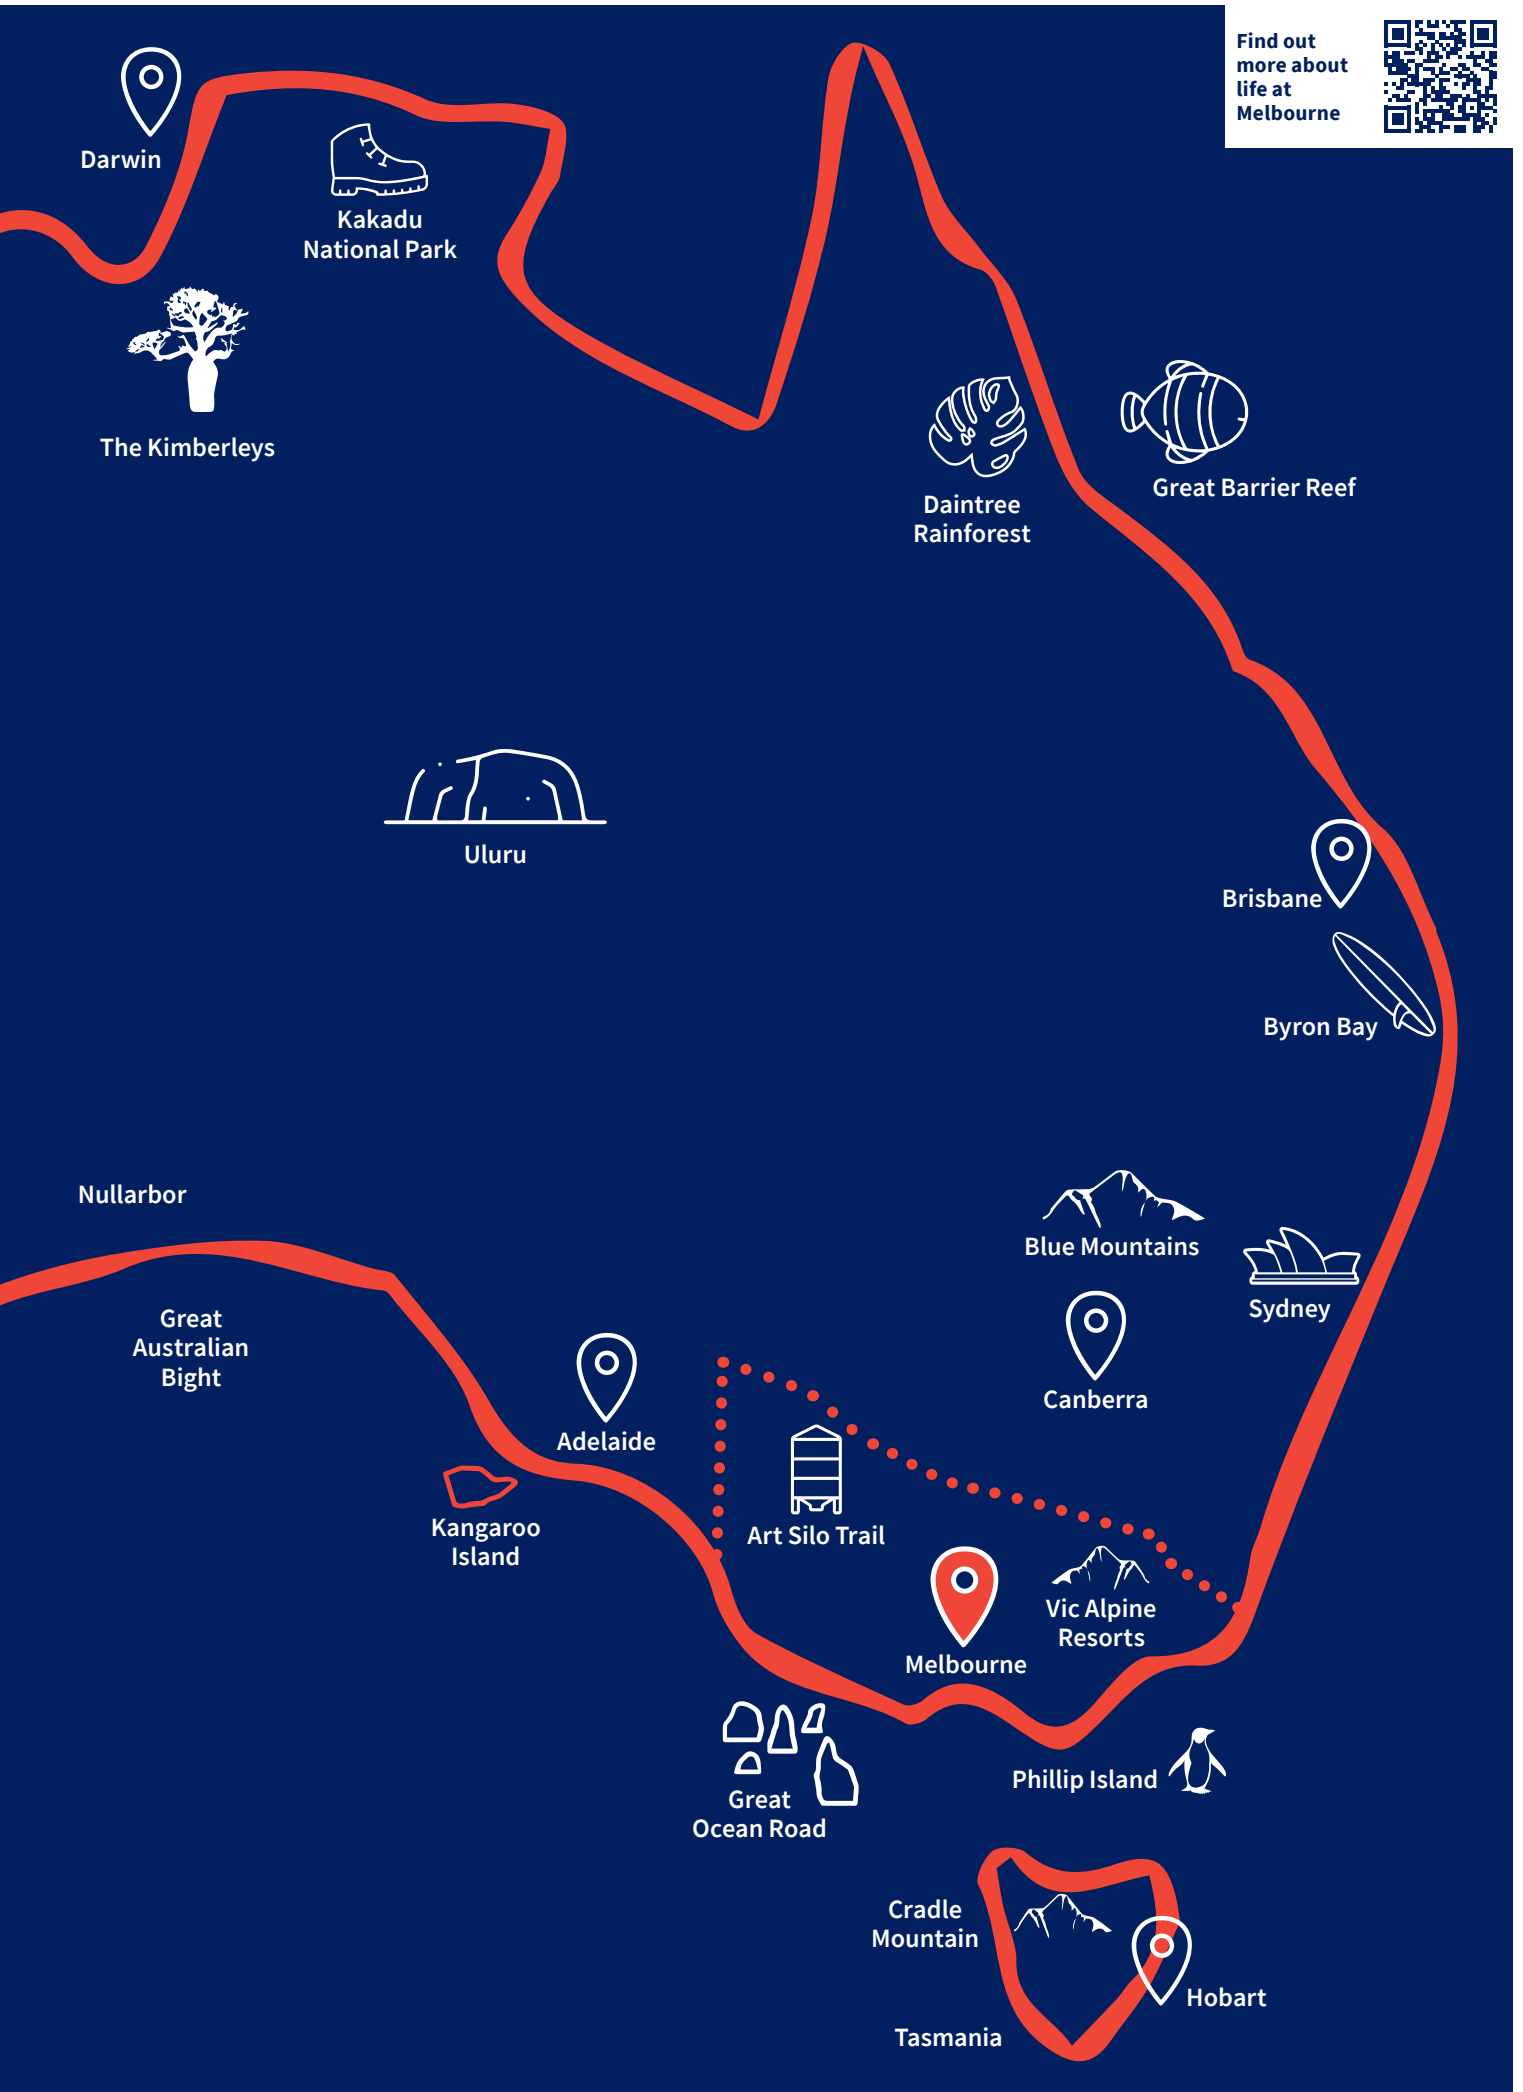

Melbourne has been voted Best Student city in Australia and fifth in the world<sup>1</sup>

<sup>1</sup> QS Best Student Cities Ranking 2023

Melbourne

# Your campus

**Around 49 per cent of Australians are either first or second-generation migrants, and of those born overseas, there are more from neighbouring Asian countries than those born in Europe.**

The University of Melbourne reflects this diversity in student numbers on our eight campuses in Melbourne and Victoria.

## Melbourne

**Parkville campus** has a mix of historic sandstone buildings and state of the art facilities, with cafes, 12 libraries, gyms, specialty stores and a seasonal farmers' market. Located north of the city centre within a renowned knowledge precinct of eight hospitals, leading research institutes and a wide range of knowledge-based industries. A new Student Precinct on campus has opened for students, staff and the wider community to engage, learn and grow.

**Southbank campus** is purpose-built for the creative arts with sound and dance stages, animation studios, cinemas and visual arts studios. Situated in the city's lively arts precinct with the National Gallery of Victoria, Melbourne Theatre Company, Melbourne Recital Centre, the Australian Ballet, the Arts Centre and the Australian Centre for Contemporary Art.

**Burnley campus** is dedicated to environmental and ornamental horticulture, with nine hectares of heritage-listed gardens.

**Fishermans Bend campus**, opening in 2026, will be a centre for large experimental research, hands-on learning and industry colocation.

## Regional Victoria

**Creswick** is Australia's only dedicated forest ecosystem science campus, focusing on conservation, forest industry and molecular biology research.

**Dookie campus** is a focal point for key research, teaching and technology development, helping to shape the future of agriculture in Australia and beyond.

**Shepparton Medical Centre campus** specialises in rural health and clinical education.

**Werribee campus** is a hub for teaching and research with advanced veterinary facilities and on-site placements.

*The University of Melbourne acknowledges the Traditional Owners of the unceded land on which we work, learn and live: the Wurundjeri Woi Wurrung and Bunurong peoples (Burnley, Fishermans Bend, Parkville, Southbank and Werribee campuses), the Yorta Yorta Nation (Dookie and Shepparton campuses), and the Dja Dja Wurrung people (Creswick campus).*

**Live in the heart of Melbourne. First year undergraduate students studying full-time at our Parkville campus are eligible for a guaranteed offer of accommodation<sup>1</sup>.**

Choose from shared apartments, self-contained studios, dormitory-style living, residential colleges, homestay and private rental options.

## University owned accommodation

Within walking distance of our Parkville campus, with year-round social, academic, wellbeing and sporting activities and a team of professional staff at each site to ease your transition into university life.

- **Little Hall** - offering a modern take on a college experience with a first-rate academic enrichment program
- **Lisa Belleair House** – a diverse, vibrant and creative community surrounded by parklands on the northern edge of our Parkville campus
- **The Lofts at Melbourne Connect** - modern apartment on-campus living exclusively for graduate students, based in a world-renowned innovation precinct.

## Residential colleges

Ten residential colleges range in size from 70-400 student residents and provide weekly tutorials to support your learning from residential tutors on site. All meals are provided and there are social clubs, cultural, sporting and leadership programs.

Scholarships worth \$7.5 million are available to support students across the colleges each year. Explore our ten colleges:

- International House
- Janet Clarke Hall
- Medley Hall
- Newman College
- Ormond College
- Queen's College
- St Hilda's College
- St Mary's College
- Trinity College
- University College

## Off-campus housing

If you are ready to embrace total independence, you might be interested in renting privately. Our Off-Campus Housing Network is an online resource designed to help you find housemates or rooms to rent and is exclusively for University of Melbourne students.

Our Student Housing service can also provide you with assistance on finding homestays, hostels and private rentals and give you advice on your rights and responsibilities as a tenant.

## Partner accommodation

We have collaborated with some nationally recognised student accommodation providers to create more accommodation options around our campus.

UniLodge Lincoln House offers modern dormitory-style living with impeccably designed shared facilities overlooking the city. Student Village Melbourne have furnished bedrooms with ample workspaces and access to village facilities designed specifically for students.

## Your living costs

Melbourne offers many lifestyle options to fit many budgets. Living in the inner suburbs means you can walk or cycle to uni. Some students pay less rent by living further out, in which case they pay more for public transport or a car.

Savings can be made by sharing accommodation, shopping at Melbourne's Victoria and South Melbourne markets, using our libraries and student-owned co-ops, and attending free events on campus.

There are also a range of scholarship options available for students to support their stay in University of Melbourne accommodation.

Visit [scholarships.unimelb.edu.au](http://scholarships.unimelb.edu.au) to view our full range of scholarships.

*"Staying in University Accommodation allowed me to quickly adapt to a new city"*

## Build a degree around your interests and strengths

Discover your passions through the Melbourne curriculum, while gaining the experience and expertise to set you apart and prepare you for the future, whatever you choose to do.

The Melbourne curriculum is a journey through higher education aligned with leading universities in Europe, North America and Asia. You start with a three-year Bachelor degree. Once completed, you can enter the workforce with a broad knowledge base and career-ready skills. Or, continue the journey to gain specialised knowledge via a graduate degree or in graduate research.

This flexible model of study allows you to choose subjects from over 100 different study areas to combine focused knowledge in your area of interest with a unique skillset across a range of other subjects.

The Melbourne curriculum gives you an opportunity to figure out what you love to do and who you want to be. You'll develop skills in critical thinking, problem-solving, communicating and leading in the classroom and through industry-based learning and projects, in Melbourne and across our global learning community of over 200 exchange partners.

## How it works

### Choose your undergraduate degree

Your first step is to select the degree that interests you most. We offer seven Bachelor degrees in the Melbourne curriculum – Arts, Biomedicine, Commerce, Design, Fine Arts, Music, and Science – covering over 100 different study areas allowing you to design a program that is uniquely yours. We also offer specialist degrees in Agriculture and Oral Health, where everything you study is structured for your chosen discipline.

### Choose a major

Making up one third of your subjects, a major is the subject area you'll focus on during your undergraduate degree. Each degree has a different set of majors. For example, if you're studying a Bachelor of Design, you might choose to major in architecture or construction. Or in a Bachelor of Commerce, you might pick a major in management or finance. In some of our courses, you can choose to do a double major.

In your first year you can focus on your major straight away or explore other subjects before deciding on what major you want to pursue.

## Discovery subjects

Designed to support your introduction to University, Discovery subjects are core first-year subjects within each undergraduate degree that offer varying experiences and delivery modes. These subjects connect your studies to outside the classroom, showing you how your degree can address real-world problems.

## Branch out in your studies

### Breadth subjects

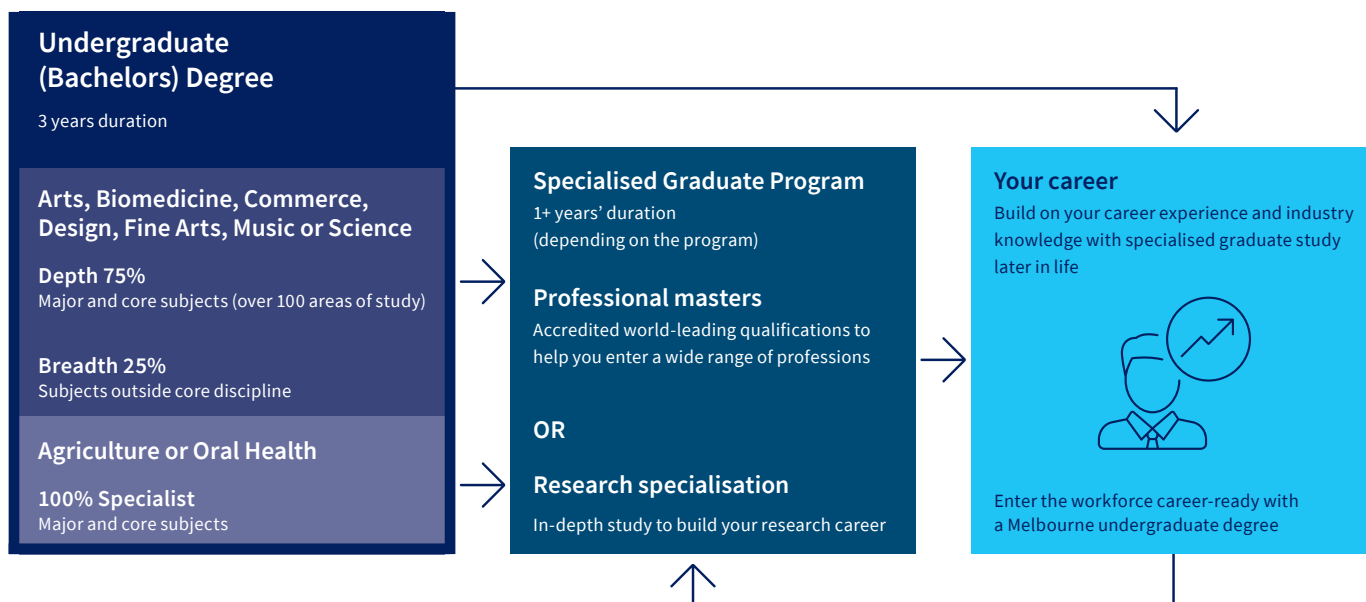

In addition to the subjects offered in your degree, you can also take subjects from other disciplines – like marketing, genetics or philosophy – or test out subjects you're thinking of pursuing in a graduate degree, like law, development studies or urban design.

This approach allows you to explore beyond your study area to build an interdisciplinary skillset, so you'll be capable of critical thinking, problem-solving, communication and leadership in a vastly broad range of professions.

### Concurrent diplomas

You have the option to study an extra qualification alongside your degree. If you're a passionate musician, programmer or mathematician, or have an interest in languages, you can enrol in one of four concurrent diplomas alongside your Bachelor degree - computing, languages, mathematics or music.

## Direct your learning experience

## Sample Course Plan – Bachelor of Commerce<sup>①</sup>

### Majors in Accounting (with accreditation) and Finance

Year 1	Semester 1	Sustainable Commerce	Introductory Microeconomics	Quantitative Methods 1	Accounting Reports and Analysis
	Semester 2	Introductory Macroeconomics	Introductory Financial Accounting	Principles of Finance	Principals of Business Law <sup>②</sup>
Year 2	Semester 1	Organisational Behaviour	Quantitative Methods 2	Cost Management	Corporate Law <sup>②</sup>
	Semester 2	Corporate Financial Decision Making	Intermediate Financial Accounting	Accounting Information: Risks & Controls	Breadth
Year 3	Semester 1	Enterprise Performance Management	Financial Accounting Theory	Investments	Breadth or Commerce Elective
	Semester 2	Derivative Securities	Level 3 Finance Elective	Auditing and Assurance Services	Taxation Law <sup>②</sup>

Core subjects   Accounting subjects   Finance elective subjects   Elective subjects   Breadth subjects

<sup>①</sup> This is a sample course plan only. Subjects offered may change from year-to-year. You'll be advised at current subject offerings price to subject selection and enrolment.

<sup>②</sup> The breadth subjects featured in this plan are examples only. You must complete at least four breadth subjects in this degree.

## Set yourself apart through specialist graduate study

Follow your Bachelor degree with one of our graduate courses to develop specialist expertise. Graduate with a globally recognised qualification with accreditation for your chosen profession and build your skills at a higher level.

Our graduate courses draw from globally leading research and industry expertise. You'll combine this expert knowledge with leadership, communications, and collaboration skills to gain a competitive edge in your career.

Our partnerships create incredible opportunities for our students, through real-world projects and placements during study, and connections that power your career.

We offer over 400 higher level graduate courses across a broad range of disciplines, among them professional entry programs including the Juris Doctor (law), the Doctor of Medicine (MD), the Master of Teaching, the Master of Engineering and the Master of Architecture.

Our graduate study areas include:

- Architecture, building, planning and design
- Arts, humanities and social sciences
- Business and economics
- Education
- Engineering and information technology
- Environment
- Health
- Law
- Music, and visual and performing arts
- Science
- Veterinary and agricultural sciences.

## How to apply

Coursework degrees: Most courses accept online applications made directly to the University. Applications for Fine Arts and Music, Education, Business, Medicine and Law may also require completion of specific application forms and/or have additional requirements.

Timely applications for the standard offer rounds of most degrees are:

**Semester 1** (Feb): Late October

**Semester 2** (July): Late April

Some courses have early closing dates, and not all courses are available in Semester 2. Please check the course details online before applying. If required, you can seek assistance from one of our overseas representatives.

[study.unimelb.edu.au/find](https://study.unimelb.edu.au/find)

Whether you're choosing your first career, changing direction or want a competitive edge, our world-class research and coursework graduate programs offer a professionally relevant education. Our graduates develop strong connections with community and industry that open the door to an outstanding future.

**51% undergraduate**  
**49% graduate students**

*"I have always been passionate about sustainability and climate change issues, so I studied environmental engineering at Liege University in Belgium.*

*Coming to Melbourne, I worked as an environmental engineer but wanted to focus more on renewable energy. A PhD at the University of Melbourne felt like my chance to pursue a career geared towards building a more sustainable future."*

**Mathieu Pichault**  
(Belgium)  
PhD candidate in  
Earth Sciences  
and Mechanical  
Engineering

# Research at Melbourne

To find out more scan this QR code

## Who says you can't change the world? We expect nothing less.

As a leading research-intensive university, we attract promising researchers around the world.

We collaborate with industry partners, other institutions, research organisations, government and not-for-profit organisations to achieve research outcomes and remain at the forefront of innovation.

As a graduate research student, you'll be supervised by leading experts in your field.

## Our research degrees

Our graduate schools offer research programs in most major disciplines.

### Master of Philosophy

An internationally recognised degree by research and requires the completion of a thesis of 30,000-40,000 words.

### Masters by research

May have a coursework component, along with a thesis of about 30,000 words.

### Doctor of Philosophy

Work under the guidance of two supervisors, who provide advice and support as you complete a thesis of 80,000-100,000 words on a specialised topic.

For help in finding supervisors, see:  
[unimelb.edu.au/research-supervisors](https://unimelb.edu.au/research-supervisors)

## Outstanding support

Our comprehensive support and professional development programs will help you become a more effective researcher. We offer access to dedicated research centres, advanced research facilities, generous scholarships and established student support networks.

[unimelb.edu.au/study/graduate-research](https://unimelb.edu.au/study/graduate-research)

## Scholarships and fees

### Domestic students

Most domestic graduate research students receive a Research Training Program (Fee offset) Scholarship provided by the Australian Government to cover the cost of tuition.

### International students

Over 400 scholarships are available to international graduate researchers. Many cover tuition fees, a living allowance, paid maternity, parental and sick leave.

[scholarships.unimelb.edu.au](https://scholarships.unimelb.edu.au)

**#8 in the world  
for employability**

QS Graduate Employability Rankings 2023

## How to apply for a research degree

### Step 1

Check your eligibility.

### Step 2

Find potential projects and supervisors at [findanexpert.unimelb.edu.au](https://findanexpert.unimelb.edu.au) Contact potential supervisor for support (if required).

### Step 3

Prepare your documentation: proposal (if required), transcripts, cover letter, academic referees, English language test results (if required), supervisor support correspondence (if required) and any other additional requirements for your discipline (eg GMAT/GRE, audition, portfolio).

### Step 4

Submit your application and wait for the outcome.

### Step 5

If you receive an offer, you can then accept your place and prepare to start your life at Melbourne.

Find out more at [study.unimelb.edu.au/how-to-apply/g](https://study.unimelb.edu.au/how-to-apply/g)

# Pathways to professional careers

Combining undergraduate and graduate study at the University of Melbourne is a pathway to limitless opportunity. Here are just some of the doors it can open across our broad range of study areas. Any undergraduate degree (with TCAT assessment) Part-time and accelerated options available		3 years	➔	Master of Teaching (Early Childhood, Primary, Early Childhood and Primary, or Secondary)		2 years	➔	Teacher	
Veterinary medicine <sup>❶</sup>									
Bachelor of Agriculture, Biomedicine or Science with at least one semester of study in both general/cellular biology and biochemistry 3 year option is now via Veterinary BioSciences major (not Animal Health and Disease) <sup>❷</sup>		3 years	➔	Doctor of Veterinary Medicine		3–4 years	➔	Veterinarian	

<sup>1</sup> Available as a Graduate Degree Package for Australian citizens studying overseas

<sup>2</sup> The Veterinary BioSciences major is only available to students who have received a provisional/conditional course offer to commence the Doctor of Veterinary Medicine following successful completion of the Bachelor of Science. For (BSc) students intending to apply for the Doctor of Veterinary Medicine via the Veterinary BioSciences major it is a requirement that students have previously completed VCE Physics Units 3/4 or equivalent, or a 12.5 point Level 1 Physics subject. Students must complete four breadth subjects over the first two years of the Bachelor of Science degree. Students may complete one or two breadth subjects at first year level and two or three breadth subjects at second year level.

# Your student experience

**Intern, gain international experience, start a business, volunteer, work part time and gain valuable skills while you study.**

## Practical experience

Internships are a great way to get first-hand industry experience. Our students intern in leading companies and institutions in Australia and abroad, paving the way to fulfilling and exciting careers.

The Students@Work Internship Program is available to students for on-campus paid employment for up to 9 months providing work and skill development.

Find out more [students.unimelb.edu.au/careers/find-a-job/working-on-campus/students@work-internship-program](https://students.unimelb.edu.au/careers/find-a-job/working-on-campus/students@work-internship-program)

## Leadership and networking

Employers love to see leadership experience on your resume. Lead a student group, direct a play, mentor a younger student or help run one of over 200 clubs and societies to make connections and build your networks.

## Melbourne Plus

Gain certified recognition with a program that recognizes your growth and development through volunteering and paid activities. Students who participate not only build capabilities in transferable skills but also get recognized with a Melbourne Plus digital credential.

## Skill building

The Global Leadership and Employability team provides programs and services to students free of charge, including screened job listings, workshops, industry events and connections with alumni. In addition, many faculties offer seminars, practical training and networking events to help you break into a great career.

You can also participate in the Student Peer Leaders Network career-readiness programs, events and services to support the student community.

Learn more [students.unimelb.edu.au/careers/get-career-ready/leadership-and-employability-programs/student-peer-leader-network](https://students.unimelb.edu.au/careers/get-career-ready/leadership-and-employability-programs/student-peer-leader-network)

## Connection and belonging

Find your place in our vibrant, diverse and welcoming community through our Orientation activities, Melbourne Commencement Ceremonies and Wominjeka welcome event. Enjoy support from your Melbourne peer mentor and academic adviser, while exploring career and graduate study options with alumni and industry mentors.

## Melbourne Commencement Ceremony (MCC)

This event marks the beginning of your journey as a University of Melbourne student and is a core feature of the Melbourne Orientation experience.

## Melbourne Peer Mentor Program

Be matched with a later year student from your faculty, and a group of your first-year peers. Benefit from an insider's experience, ask for advice and guidance in navigating uni life and make friends with other students in your degree. Develop your leadership and interpersonal skills in your third year by becoming a peer mentor yourself.

## Advising and mentoring

From your second semester, you'll have appointments with an academic to help you identify areas of strength and personal interest to explore, and provide advice. Your academic adviser will be with you throughout your undergraduate degree to check in on your progress.

## Discovery subjects

First year subjects help you understand the University's role in Melbourne, Australia and globally; the importance of Indigenous heritage, knowledge and culture; respect for diversity and inclusion sustainability; and the cutting-edge research happening in your study area.

[study.unimelb.edu.au/discover/life-at-melbourne](https://study.unimelb.edu.au/discover/life-at-melbourne)

## Clubs and societies

Proudly multicultural, our diverse student community is represented by more than 200 clubs and societies. Joining a club or society allows you to continue the extracurricular activities you love, find a new interest or meet like-minded friends.

[umsu.com.au/getinvolved/clubs/](https://umsu.com.au/getinvolved/clubs/)

## Studying overseas

You could study at some of the world's most prestigious institutions to gain an academic and professional edge. Take French in Québec, science in Estonia, business in Beijing or anthropology in Santiago. Go for as long as a year on exchange to another renowned university or use your summer/winter break to immerse yourself in a short term overseas program.

*"Get involved in one or more of the over 200 clubs affiliated with the University of Melbourne Student Union (UMSU), ranging from cultural and academic, as well as political and special interests."*

**Christina Ngo (Vietnam)**  
Bachelor of Commerce

# How to apply

Scan This QR  
code to learn  
how to apply

## Undergraduate courses

Applications for the standard offer rounds of most degrees are:

- **Semester 1 (Feb):** Late November
- **Semester 2 (July):** Late April

If required, seek assistance from one of our official overseas representatives.

[study.unimelb.edu.au/how-to-apply](https://study.unimelb.edu.au/how-to-apply)

## International students studying Australian Year 12

Apply through the Victorian Tertiary Admissions Centre (VTAC).

## Domestic students studying outside Australia

Apply through the Victorian Tertiary Admissions Centre (VTAC).

To find out more visit: [go.unimelb.edu.au/cvk6](https://go.unimelb.edu.au/cvk6)

## Graduate courses

Most courses accept online applications. Applications for Fine Arts and Music, Education, Business, Medicine and Law may also have additional requirements.

Applications for the standard offer rounds of most degrees are:

- **Semester 1 (Feb):** Late October
- **Semester 2 (July):** Late April

Some courses have early closing dates, and not all courses are available in Semester 2. Please check the course details online before applying. If required, you can seek assistance from one of our overseas representatives.

[study.unimelb.edu.au/find](https://study.unimelb.edu.au/find)

## Research degrees

Applications are accepted throughout the year. Entry requirements vary so check with the relevant graduate school.

[unimelb.edu.au/study/graduate-research](https://unimelb.edu.au/study/graduate-research)

## Submit an application online

### Step 1

#### Apply direct

Fill out an online application. We will contact you with the outcome and let you know if additional information is required. You can also accept your offer and apply for a student visa online.

#### Or apply through an official overseas representative

You can use one of the University's official overseas representatives in your country to help lodge an application, accept your offer, or apply for a student visa (if you are admitted to the University).

For more information about their costs, services and contact details, go to: [study.unimelb.edu.au/how-to-apply/find-an-overseas-representative](https://study.unimelb.edu.au/how-to-apply/find-an-overseas-representative)

### Step 2

Provide a copy of your academic results to the University as part of your online application. If you are currently studying, you may be required to submit your final results (when they become available) before a complete assessment can be made.

### Step 3

Within four weeks of the University receiving your complete application you will receive an outcome email. If we require further information, you will be notified and processing will proceed once the missing details are provided.

### Step 4

Complete the steps outlined in your emailed letter of offer, complete your personalised offer acceptance form and provide your tuition fee deposit and Overseas Student Health Cover payment. For more information go to: [students.unimelb.edu.au/get-started](https://students.unimelb.edu.au/get-started)

### Step 5

Receive your Confirmation of Enrolment (COE) document, which you require to obtain your student visa.

## Visa information

### Obtaining a visa

There are different student visas based on the type of course you study and whether you want part time employment. Check the website of the Australian Department of Home Affairs for details:

[homeaffairs.gov.au/trav/stud](https://homeaffairs.gov.au/trav/stud)

## ESOS: Protecting international students

The Australian Government has laws for education institutions that deliver education services to international students on a student visa. To find out about your rights, go to:

[services.unimelb.edu.au/international/visas/esos](https://services.unimelb.edu.au/international/visas/esos)

**Nandana Sankar (India)**  
**Bachelor of Arts**  
**(Criminology)**

*The employability ranking of the university was an important deciding factor. I hope this degree will help me find opportunities for growth in my career, either in my home country or in Australia.*

# Undergraduate entry requirements

## Foundation studies

We accept a number of foundation studies programs as entry pathways to our undergraduate courses.

### Trinity College Foundation Studies

Graduates of Trinity College Foundation Studies are guaranteed a place in the University of Melbourne course of their choice if they satisfy the prerequisites and meet the required scores.

Trinity offers accelerated and extended programs to meet your individual needs, and the curriculum is supervised by the University of Melbourne’s Academic Board. The College is ideally located near the University’s Parkville campus.

[trinity.unimelb.edu.au/tcfs](http://trinity.unimelb.edu.au/tcfs)

## English language requirements

### English language test<sup>①</sup>

Use an approved English language test to meet English language requirements. You must satisfy the requirements in one sitting within the 24 months preceding the proposed date of commencement of enrolment.

### Secondary or tertiary studies in English

Meet the English language requirements for undergraduate study by satisfactorily completing secondary studies in an approved final-year English subject, or through approved tertiary study in English. Further information about the University’s English language requirements, including graduate requirements, is available at:

[unimelb.edu.au/study/english-reqs](http://unimelb.edu.au/study/english-reqs)

Approved English language test	Required score (all undergraduate courses) <sup>②</sup>
IELTS (Academic)	Overall band score of 6.5 or more (with no band less than 6.0)
TOEFL:	79 or more and scores of 21 in Writing, 18 in Speaking, 13 in Reading and 13 in Listening
Pearson Test of English (Academic)	Overall score between 58 and 64 inclusive and no PTE communicative skills score below 50
Cambridge English: Advanced/ Certificate in Advanced English (CAE)	CAE score of 176 with no skill less than 169

<sup>①</sup> To see graduate English language requirements, please see: [study.unimelb.edu.au/how-to-apply/english-language-requirements/graduate-english-language-requirements](http://study.unimelb.edu.au/how-to-apply/english-language-requirements/graduate-english-language-requirements)

<sup>②</sup> You must achieve the following scores to meet the English language requirement for the Bachelor of Oral Health: TOEFL (internet-based): total score of at least 94 and scores of at least 27 for writing, 23 for speaking, 24 for reading and 24 for listening. To submit your scores when you apply, use our TOEFL Institution Code: 0974. IELTS: total score of at least 7.0 in the Academic International English Language Testing System (IELTS), with no bands less than 7.0. Pearson Test of English: overall score of at least 65 and achieve no PTE communicative skills score below 65.

## University Semester Dates 2024

### Semester 1: 26 February – 26 May (12 weeks)

- Easter Holiday: 29 March – 2 April
- SWOT Vacation: 27 May – 31 May
- Examinations: 3 June – 21 June
- Results release date: 5 July

### Semester 2: 22 July – 20 October (12 weeks)

- SWOT Vacation: 21 October – 25 October
- Examinations: 28 October – 15 November
- Results release date: 29 November

# Undergraduate entry requirements and course fees

This table provides a quick summary of our undergraduate degrees and should be used as a guide only.

The published guaranteed scores are those approved for 2023 and should be considered indicative for 2024.

The 2024 guaranteed scores are yet to be finalised and will be available on the University's website once confirmed.

	Duration (EFTSL) <sup>1</sup>								
		Australian Year 12 international students: 2023 guaranteed ATAR <sup>2</sup>	International Baccalaureate international students: 2023 guaranteed IB score <sup>3</sup>	GCE A Levels Singapore A Levels international students: 2023 guaranteed A Level <sup>3</sup>	Trinity College Foundation Studies international students: 2023 guaranteed TCFS score <sup>3 4</sup>	Australian University Foundation Programs international students: indicative score <sup>4 5</sup>	USA – High School Diploma GPA, SAT and ACT <sup>5 6</sup>	USA - High School Diploma GPA + Advanced Placement (AP) exams <sup>5 6</sup>

<b>Melbourne Chancellor's Scholarship</b> Entry: February (Semester 1) and July (Semester 2)	3	99.90 (99.85 for Music) <sup>16</sup>	99.90 (99.85 for Music) <sup>16</sup>	N/A	N/A	N/A	N/A	N/A	

**1 Equivalent Full-Time Student Load (EFTSL):**  
1 EFTSL is a standard annual full-time load.

**2 Domestic students:** Applicants who achieve the minimum Australian Tertiary Admission Rank (ATAR) for a course will be eligible for consideration for a place, provided prerequisite studies and any other specific course requirements are met. The lowest selection ATAR to which an offer was made, may be higher, depending on demand for the course and the number of places available. Only applicants eligible for special entry schemes will be admitted below the lowest selection ATAR.

**3 International students:** The University guarantees admission to a course when an international student achieves the required score, meets prerequisite studies, satisfies the English language requirements and there are still places available in the course at the time of acceptance. If you do not meet the guaranteed score, your application will not be considered for entry.  
Guaranteed scores apply only if no further study has been undertaken after completion of one of these programs.  
Guaranteed ATARs are reviewed annually.

**Domestic students completing an international qualification:**

The score listed should be considered a minimum score to be eligible for a place in that course. The actual standard required may be higher depending on the demand for the course and the number of Commonwealth Supported Places (CSP) available.

**4** International students must achieve at least the indicative score, meet the prerequisite subjects and satisfy the English language requirements to be eligible to be considered for the course. For domestic students completing an international qualification, the score listed should be considered a minimum score to be eligible for a place in that course.

**5** A minimum of 50 is required in English for Academic Purposes (EAP) and prerequisite subjects unless otherwise specified. The score is calculated using the best four subjects excluding EAP. Maths 1 is included in the best four score for Commerce; and English and History of Ideas are included for Arts.

The final average is usually the average of the best four year-long subjects, including prerequisites for some courses. For UNSW, the GPA on the final transcript is used. For WAUFP, the CPS is used and different scores apply.

**6** To meet the prerequisites, students must complete the required AP subject/s listed and achieve a score of at least 3 in the US College Board AP exam. AP scores below 3 are not included in the aggregate score. GPA required is based on the Year 11 and 12 (final two years) GPA in the USA High School Diploma from an accredited school. For further information about entry scores for the USA High School Diploma GPA, SAT and ACT, please visit: [study.unimelb.edu.au/find](http://study.unimelb.edu.au/find)

- <sup>⑦</sup> **International students:** The typical course fee shown provides an estimate of the tuition fees for the first year of the course in 2024. This estimate assumes a full-time study load, commencing Semester 1. For some degrees a typical fee range is shown, due to the wide range of variables that may affect the course structure, and subjects taken. Actual tuition fees payable may vary and will be the sum of the fees for all subjects in which you enrol.
- <sup>⑧</sup> **Domestic students:** Eligible domestic students who satisfy course prerequisites and achieve an ATAR of 95.00 or above are guaranteed a place in the Bachelor of Commerce in 2023.
- International students:** Recipients of the Bachelor of Commerce Global Scholarship may be admitted with an entry score that is lower than that published here. This scholarship is available only to international students. For more details, see: [scholarships.unimelb.edu.au/bcom-global-scholarship](https://scholarships.unimelb.edu.au/bcom-global-scholarship)
- <sup>⑨</sup> Applicants intending to major in Economics are strongly encouraged to complete VCE Mathematical Methods or equivalent.

- <sup>⑩</sup> Applicants intending to major in Actuarial Studies or continue on to the Master of Engineering following the Bachelor of Commerce are strongly encouraged to complete VCE Specialist Mathematics Units 3 and 4 or equivalent.
- <sup>⑪</sup> A range of criteria is used for selection. Visit [study.unimelb.edu.au](https://study.unimelb.edu.au) for additional requirements.
- <sup>⑫</sup> International and domestic transferring students only.
- <sup>⑬</sup> Indicative score only (entry is not guaranteed).
- <sup>⑭</sup> **Arts, Biomedicine, Commerce, Design and Science:** Students who achieve an ATAR or notional ATAR of 99.90 or above (or 90.00 or above if Indigenous) and satisfy course prerequisites will be guaranteed a Melbourne Chancellor's Scholarship. Students must have completed an Australian Year 12 qualification or the International Baccalaureate (IB) in Australia or be an Australian citizen and have completed an Australian Year 12 or IB overseas in the year prior to entry (students must either enrol immediately or be granted a deferral in the year following Year 12).

- Music:** Students who achieve an ATAR or notional ATAR of 99.85 or above (or 90.00 or above if Indigenous), achieve an audition score of A+ and satisfy course prerequisites will be guaranteed a Melbourne Chancellor's Scholarship (Music).
- Students must have completed an Australian Year 12 qualification or the International Baccalaureate (IB) in Australia or be an Australian citizen and have completed an Australian Year 12 or IB overseas in the year prior to entry (students must either enrol immediately or be granted a deferral in the year following Year 12).
- <sup>⑮</sup> Applicants intending to major in Civil Systems, Computing, Construction, Digital Technologies, Mechanical Systems, Property or Spatial Systems may be required to undertake a bridging subject in mathematics as breadth in first year. This is equivalent to Units 3 and 4 Mathematical Methods, and entry requires a mathematics background equivalent to Units 1 and 2 Mathematical Methods.
- <sup>⑯</sup> Applicants intending to progress to the Doctor of Veterinary Medicine are encouraged to complete VCE Units 3 and 4 in Chemistry or equivalent.
- <sup>⑰</sup> Refer to tuition fees for the relevant bachelors degree.

# Scholarships

We offer more than 1200 scholarships for new and current students.

Our scholarships range from those awarded on merit, to others to assist with your expenses or to enable you to travel the globe. Some support your whole course or allow you to explore a specific interest.

The many prizes, grants and bursaries we offer help you get the most out of your time at university. These are awarded to continuing students at different points in their studies.

There are prizes for academic achievement, grants to undertake volunteering or leadership activities and bursaries to ease financial pressures so you can focus on your studies.

## Melbourne Chancellor's Scholarship

Awarded to students with outstanding academic achievement during their Australian Year 12 or International Baccalaureate (IB) undertaken in or outside Australia (Australian citizens only).

## Melbourne International Undergraduate Scholarship

For high achieving international students, this scholarship provides either a:

- \$10,000 tuition fee remission in the first year of an undergraduate degree
- 50 per cent fee remission for the three year duration of an undergraduate degree, or
- 100 per cent fee remission for the three year duration of an undergraduate degree

## Graduate Scholarships

Offered to high-achieving international students with one-off \$5,000 or \$10,000 or 25% to 100% fee remissions for the duration of the course.
