GET CAREER-READY WITH A UWA DEGREE

**Seek Wisdom**

# Welcome to our community

**Professor Amit Chakma**  
Vice-Chancellor

We're delighted you are considering embarking on the next stage of your education journey with us.

At UWA, our role is to give you the knowledge and skills so that you can achieve your goals – whatever they may be. Through our courses you'll learn from passionate leaders who will inspire you to achieve your best and equip you for global success in a world where knowledge is the universal currency.

We offer an immersive curriculum, which in partnership with industry provides you with an array of practical learning opportunities. Our approach will ensure you enter the workforce with real-work experiences, ready to solve the world's greatest challenges.

I'm proud to say that UWA is an inclusive and multicultural community that embraces and values a diversity of backgrounds. We also have a reputation and vision for leading positive change, both here and internationally.

You'll find your time here thought-provoking and stimulating, and when you graduate from UWA you'll have made lifelong friends, precious memories, and have a sense of purpose and enquiry that will empower you to make a difference.

We look forward to welcoming you to our community and supporting you in shaping your future career goals.

The University of Western Australia acknowledges that its campuses are situated on Noongar land and that Noongar people remain the spiritual and cultural custodians of their land, and continue to practise their values, languages, beliefs and knowledge.

## Perth - a city of opportunity

By choosing UWA you're not just choosing a world top 100 university (QS 2023) and a globally recognised degree, you're also choosing to live in a city that's the perfect base for study – and for launching your career when you graduate.

Perth is a city full of cultural diversity and urban sophistication with a thriving social scene. Plenty of festivals, eateries, modern bars and weekend markets add flavour to the city and its suburbs.

# Explore Perth

## Rottnest Island

Rottnest is just a short ferry ride from Perth and makes for a perfect day trip. With 63 stunning beaches and coral reefs to explore, jump on a bike and experience the island. Be sure to look out for the island's unique wildlife including the world famous quokka.

PERTH IS THE **9TH BEST PLACE TO TRAVEL IN 2023**, THE ONLY AUSTRALIAN DESTINATION ON THE LIST!

(FORBES 2022)

## Fremantle

The vibrant city of Fremantle is 30 minutes by train from Perth city. Discover a mix of Australian maritime, convict and colonial history alongside buzzing markets, lively bars and casual street cafés giving you a taste of 21st century life with the locals.

## Northbridge

Northbridge is home to Perth's Cultural Precinct. Visit one of the free museums or art galleries, watch a performance at the State Theatre Centre of Western Australia, and indulge in food from around the world at one of the many cafés and restaurants. At night, Northbridge comes alive with the bar and club scene.

## Cottesloe Beach

Just a 10 minute drive from UWA is Cottesloe Beach. Famous for its swimming, surfing, Indian Ocean sunsets, lively Sunday sessions and world-class annual sculpture park exhibition. Walk along the white sand beaches or dine at one of the stylish eateries overlooking the beach.

# Explore Western Australia

## Margaret River

Located three hours south of Perth in one of the world's 36 biodiversity hotspots is Margaret River. Rolling vineyards meet breathtaking coastal and forest scenery. Experience award-winning wineries and restaurants, stunning beaches, tall-timber forests, world-class surf breaks and ancient caves.

## The Pinnacles

Located three hours north of Perth is the lunar-like Pinnacles which form one of Australia's most unique and fascinating natural landscapes.

## Karijini National Park

Two billion years in the making, Karijini National Park is one of Western Australia's most spectacular natural attractions offering amazing hiking trails through ancient gorges. With massive gorges, crystal clear rock pools and waterfalls, Karijini National Park is a must for anyone with a thirst for adventure.

WESTERN AUSTRALIA  
IS **ONE OF THE 30  
BEST PLACES IN THE  
WORLD TO VISIT**

(LONELY PLANET 2022)

## Cable Beach

Broome's Cable Beach is justifiably world famous for its 22 kilometres of sun-kissed white sand, turquoise water and spectacular Indian Ocean sunsets. But what really gives it a top spot on the must-do list is the experience of taking in all its tropical splendour from the seat of a camel train.

## Ningaloo Reef

The World Heritage listed Ningaloo Reef is internationally recognised as one of the planet's last great ocean paradises. Swim with the world's biggest fish, the whale shark or join an eco-adventure tour to view a huge variety of marine wildlife including sea turtles, humpback whales, orcas (killer whales), dugong, manta rays, reef sharks and much more!

# A vibrant campus

UWA's main campus is located on the picturesque banks of the Swan River (Derbarl Yerrigan), just minutes from Perth city.

Featuring expansive green spaces, cafés and shops, as well as a multitude of modern teaching and research facilities, our campus provides you with a world-class learning environment.

See the campus for yourself through our online virtual tour: [uwa.edu.au/360-campus-tour](https://uwa.edu.au/360-campus-tour)

## UWA's Albany Centre

Located five hours' drive from Perth, the Albany Centre offers students a high-tech learning environment. Here you can experience all that regional Western Australia has to offer while studying at university.

[uwa.edu.au/albany](https://uwa.edu.au/albany)

## 1. UWA HEALTH CAMPUS

Specialist teaching and learning facilities for health and medical students.

## 2. EZONE UWA BUILDING

World-class learning space for engineering and mathematical science students.

## 3. REID LIBRARY

Extensive study spaces and convenient facilities at the heart of the Perth campus.

#### 4. BAYLISS BUILDING

Thriving centre for world-class research and teaching, with advanced labs on every level.

#### 6. BILYA MARLEE

An Indigenous knowledge gateway housing the School of Indigenous Studies.

#### 5. MATILDA BAY

Popular social gathering spot right opposite the UWA campus.

#### 7. BUSINESS SCHOOL

One of the premier business schools in the Indo-Pacific region offering a world-class trading room and training facility for students.

# Cost of living in Perth

Compared to other major cities around the world, living and studying in Perth is a smart decision for international students.

## Working in Australia as an international student

Under the terms of a student visa, once you have commenced your course as an international student, you can work up to 40 hours per fortnight while your course is in session and unlimited hours during scheduled course breaks.

[homeaffairs.gov.au](https://homeaffairs.gov.au)

## Accommodation and other expenses

Perth is one of Australia’s most affordable capital cities. The annual cost of living in Perth depends on your lifestyle and the type of accommodation you choose. Consider extra funds to cover various items such as airfares and textbooks. There may also be ancillary fees applicable to your course.

| Accommodation           | Cost per week (AUD\$) <sup>1</sup> |
|-------------------------|------------------------------------|
| Hostels and Guesthouses | \$90 to \$150                      |
| Shared Rental           | \$95 to \$215                      |
| On campus               | \$385 to \$518 <sup>2</sup>        |
| Homestay                | \$235 to \$325                     |
| Rental                  | \$185 to \$440                     |

| Other living expenses    | Cost per week (AUD\$) <sup>1</sup> |
|--------------------------|------------------------------------|
| Groceries and eating out | \$140 to \$280                     |
| Gas and electricity      | \$10 to \$20                       |
| Phone and Internet       | \$15 to \$30                       |
| Public transport         | \$30 to \$60                       |
| Car (after purchase)     | \$150 to \$260                     |
| Entertainment            | \$80 to \$150                      |

<sup>1</sup>[studyaustralia.gov.au/english/live-in-australia/living-costs](https://studyaustralia.gov.au/english/live-in-australia/living-costs)

<sup>2</sup>[uwa.edu.au/study/student-life/accommodation/live-on-campus](https://uwa.edu.au/study/student-life/accommodation/live-on-campus)

## 40% discount on public transport

As an international student in Perth, you receive a Western Australian Government-sponsored 40 per cent discount on all public transport. Hop on the free Purple CAT bus which will travel from Elizabeth Quay Bus Station to UWA.

## Student Services and Amenities Fee (SSAF)

The Student Services and Amenities Fee (SSAF) is a compulsory fee charged each semester/trimester to all enrolled students. Funds from the SSAF go towards enhancing the student experience and improving the in-person and online services available to you.

[uwa.edu.au/students/ssaf](https://uwa.edu.au/students/ssaf)

## Overseas Student Health Cover (OSHC)

The Australian Government’s Department of Home Affairs requires all international students applying for a student visa to have Overseas Student Health Cover (OSHC) for the entire duration of their student visa.

UWA has a ‘preferred provider’ agreement with Medibank. On acceptance and payment of your first tuition amount and OSHC, UWA will arrange health cover with Medibank for the anticipated length of your student visa. However, OSHC is offered by a number of providers so you also have the option of choosing a different provider. Be sure to check the level of coverage you’ll receive under their policies, and understand what is and isn’t covered.

- meals (depending on college/room type), cleaning, utilities, internet and more included in your fees
- an action-packed calendar of events, activities and programs
- plenty of spaces in which to study, relax or be active
- an extensive range of personal and career development opportunities
- 24/7 support, whether you need help with study or just someone to talk to
- lifelong friends from all over the world

## How to apply

1. Research the UWA residential college accommodation websites to decide which suits you best.
2. Once you have submitted your application, you will receive an automatic reply to inform you of your application progress and an estimate on when you'll hear back from your first preference college.
3. You'll be contacted directly by your first-preference college within two weeks.

Applications open approximately 12 months in advance. We recommend applying as early as possible – you don't have to wait until you receive an offer from UWA.

# Explore your options

Specialise in one area or create a degree that combines your interests. Whatever you seek, you'll find a degree that fits.

UWA's immersive curriculum and global network prepares you for the ever-changing world outside your degree. You'll gain industry connections even before you graduate, and kick-start a successful career.

## Undergraduate degree types

Seeking your first university degree? Our undergraduate courses allow you to start your journey to a fulfilling career.

### Comprehensive bachelor's degrees

Design your own course with our comprehensive bachelor's degrees.

Choose one or two majors from a wide range, then add electives and/or a minor to suit your interests and career goals. Explore your interests with the flexibility to change your mind - choose your major(s) when you enrol and if you'd like to change during your degree you can.

### Specialised bachelor's degrees

Prepare for your dream career with a specialised bachelor's degree.

You'll take an extended major with a carefully designed study plan to give you in-depth knowledge of your chosen career or profession. You can complement this with a minor or electives from almost any study area.

### Combined bachelor's degrees

Pursue your passions and maximise your career options with our combined bachelor's degrees.

You'll complete two bachelor's degrees - one comprehensive (where you'll choose a major from a wide range of options) and one specialised (where you'll take a defined study plan).

### Honours

Improve your career prospects or take a path to further study with an honours course.

Honours is a one-year program you can apply for after completing your bachelor's degree with strong academic performance in your major. An honours year includes advanced coursework and a major research or creative project.

We also offer some integrated honours courses. These four-year courses also include advanced coursework and a major research or creative project in your final year.

## What makes up a bachelor’s degree?

### Majors

You’ll take at least one major – a sequence of units that will give you in-depth knowledge in your chosen degree. We offer a wide range of majors (which typically make up at least one-third of your course) and extended majors (up to two-thirds of your course) within our bachelor’s degrees. Depending on the course, you may be able to take more than one major.

### Minors

You also have the option to choose a minor (or two, depending on your course structure). Minors are shorter sequences of four units that allow you to gain knowledge in an area that may complement your major(s), suit your career goals or simply be of personal interest.

### Other units

The rest of your study plan will be filled by different kinds of units (depending on your chosen course and major[s]).

- **Foundation units:** Required units (in certain courses) that give you broad grounding and key skills in your chosen degree area, irrespective of your choice of major(s).
- **Bridging units:** If you don’t have the required ATAR subject or equivalent for your chosen major, you can usually take these additional units in your first year as part of the major.
- **Elective units:** Elective units provide you with the opportunity to explore a range of interests and new disciplines. If you have space for elective units you can choose (almost!) anything you like to expand your knowledge in a new field, provided that you meet the unit rules.

## Postgraduate pathways

Our packaged undergraduate and postgraduate degrees provide the knowledge and networks for career success.

If you don’t achieve the entry requirements (or equivalent) to secure your place on a postgraduate pathway, you can still apply for your chosen postgraduate degree after your bachelor’s degree.

### Assured pathways

Secure a guaranteed place in one of our high-demand postgraduate courses before you start your bachelor’s degree – and perhaps even complete your postgraduate degree sooner. Offers are based on your high school performance (or equivalent) and satisfactory results in your bachelor’s degree.

### Combined bachelor’s and master’s degrees

Complete two degrees in as little as four years. An express path to your postgraduate qualification, it begins with advanced postgraduate-level studies in the third year of your bachelor’s degree.

## Example study plan - Comprehensive bachelor's degree with 1 major and 1 minor

| 1ST YEAR | SEM 1 | Major | Minor | Elective | Elective |
|----------|-------|-------|-------|----------|----------|
|          | SEM 2 | Major | Minor | Elective | Elective |
| 2ND YEAR | SEM 1 | Major | Minor | Elective | Elective |
|          | SEM 2 | Major | Minor | Elective | Elective |
| 3RD YEAR | SEM 1 | Major | Major | Elective | Elective |
|          | SEM 2 | Major | Major | Elective | Elective |

“The course at UWA offers a great mix of everything to become a successful data scientist, with the flexibility to specialise through electives. The highlight of the course for me was my Data Science Research Project on characterising urban attractor hubs using Transperth ticketing logs. My supervisor was an amazing mentor. Outside of the classroom, my time as a volunteer at Robogals and as a postgrad student representative at the PMC education committee are on top of my list.”

“The teaching staff at UWA are amazing. They’re so friendly and always happy to answer our questions and support our learning. Whenever I’ve emailed a lecturer with a question, they’ve always responded to me promptly with a helpful answer. The course content is also perfect. I feel like I’m being taught a good balance of theory and practical knowledge to prepare me for my future career as a translator.”

“I chose UWA because of the flexible course study plans, which meant I could do Visual Arts units whilst studying in a completely different study area. I enjoyed the fact that I could gain a well-rounded learning experience, an adaptable one that didn’t gridlock me into a specific discipline. It felt like a very instinctual decision for me to follow a practical and creative study path.”

“UWA is a world-class institution for Agriculture, with esteemed professors and researchers who provide us all with the tools to excel. One thing I enjoyed most about my course was the opportunity to attend the 16th International Students Summit in Tokyo with a classmate. I made so many friends from top agricultural universities and I am sure we will be working together in the future to solve major agricultural challenges.”

# Research at UWA

| Open up a world of learning opportunities with a UWA higher degree by research degree.

The University of Western Australia attracts world-class researchers, who are ready to supervise you through your higher degree program. We are:

- a world top 100 university (QS 2023)
- a member of the Group of Eight network of Australia's leading universities
- in the world's top 50 for a range of research areas (QS 2023 and ARWU 2022)
- in receipt of 56 per cent of university research funding in WA

UWA is also home to two Nobel Prize for Medicine laureates – Professors Barry Marshall and Robin Warren – and Fields Medallist Professor Akshay Venkatesh is also an alumnus.

We host 13 highly cited researchers and more than 60 academics across all of Australia's learned academies.

Our programs have fostered a Prime Minister and state premiers, as well as business and political leaders nationally and internationally.

Located in the time zone with the largest proportion of the world's population, UWA has built strong collaborative links with other universities, research institutes, businesses and governments all over the world.

Our research training and high-quality supervision will support you to tackle international or local issues, turning your research into economic, social and environmental benefits. You'll also develop a broad spectrum of transferable skills and will be offered a range of professional development opportunities, such as internships and various engagement, with research end-users.

UWA offers a range of research scholarships for international students, encouraging you to pursue excellence in your studies. We also have flexible study options, including part-time and online study arrangements to suit you.

Our Student Community offers many social activities and clubs to keep you engaged, as well as support services and high-quality accommodation options.

We offer a range of research degrees in addition to the Doctor of Philosophy, Master of Philosophy and Master of Research. Explore the study areas for more information.

# Research degrees

A postgraduate research degree provides a unique opportunity to pursue your scholarly interests and extend your understanding of a subject area.

Supported by an expert supervisory team, you'll develop advanced analytical, project management and communication skills, as well as the ability to work independently on complex problems.

## Doctor of Philosophy (PhD)

**UWA COURSE CODE:** 00810

**CRICOS CODE:** 003310F, 003311E, 003312D, 003314B, 003316M, 003317K, 003318J, 003319G, 003320D, 003321C, 013797F, 024816F, 024818D, 037146K, 037147J, 037148G, 037149G, 037157G, 037158F, 037159E, 037160A, 055301K, 058936F

**INTAKE:** Throughout the year

**DURATION:** 4 years full time

The PhD is a program of independent, supervised research assessed by examination of the thesis. This includes an oral examination (viva voce) and, for some doctorates, may include a creative component. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject and advancing the field of knowledge.

## Master of Philosophy (MPhil)

**UWA COURSE CODE:** 00710

**CRICOS CODE:** 078203M, 078204K, 078205J, 078206G, 078207G, 078208F, 078209E, 078210A, 078211M, 078212K, 078213J, 078214G, 078215G, 078216F, 078217E, 078218D, 078219C, 078220K, 078221J, 078222G, 078224F, 078267F, 078472A

**INTAKE:** Throughout the year

**DURATION:** 2 years full time

The MPhil is a program of independent, supervised research in which you are required to show an advanced and integrated understanding of a complex body of knowledge in one or more fields of study. Assessment is by external examination of the thesis.

## PhD/MPhil admission requirements

Approval for admission to a PhD/MPhil requires an applicant to demonstrate that they have sufficient background and experience in independent supervised research to successfully complete the course, and for the University to ensure that appropriate supervision and resourcing are available. Applicants are required to demonstrate that they have met the requirements of the University Policy on Adequate Research Preparation ([uwa.edu.au/policy](http://uwa.edu.au/policy)) and any other requirements for admission of the University, and

- (a) have a bachelor's degree of this University or equivalent qualification;
- or
- (b) (i) have previously undertaken work, of a sufficiently high standard, towards a higher degree by research in this or another approved institution but not have submitted it for any degree; and
- (ii) have completed an appropriate PhD/MPhil research proposal. A student who wishes to undertake a PhD/MPhil in the field of creative writing must, in addition, submit a substantial folio of published creative work, normally in the form of one or more books. Prior to enrolment, all applicants are required to demonstrate that they have met the University's English language requirements.

## Master of Research (MRes)

**UWA COURSE CODE:** 00720

**CRICOS CODE:** 097178E, 097179D, 097180M, 097181K, 097182J, 097183G, 097184G, 097185F, 097186E, 097187D, 097188C, 097189B, 097190J, 097191G, 097192G, 097193F, 097194E, 097195D, 097196C, 097197B, 097198A, 097199M, 097200A

**INTAKE:** January

**DURATION:** 2 years full time<sup>1</sup>

The MRes is designed to broaden options for honours students who wish to expand their research output, but have been unsure about transitioning straight from honours to PhD. The first year of the course comprises the honours year, and students who are admitted to the MRes proceed directly from the honours year into the second year of the MRes.

[uwa.edu.au/study/m/research](http://uwa.edu.au/study/m/research)

## MRes admission requirements

Completing the requirements of an end-on honours degree at UWA or another recognised Australian tertiary institution, with a weighted average mark of at least 70 per cent, but not had the degree conferred.

<sup>1</sup> One year if honours is completed.

A higher level of English is required for some courses.

# Help with English language skills

## UWA Centre for English Language Teaching (UWA CELT)

UWA CELT offers accredited English Language Intensive Courses for Overseas Students (ELICOS) programs in Language and Communication Essentials (the English pathway to UWA College) and English for Academic Purposes, as well as preparation for IELTS as an internationally recognised examination.

UWA CELT offers courses from beginner to advanced levels, with students assigned to classes based on their goals and level of language ability.

## Academic English and Study Skills Bridging Course (Bridging Course)

The Bridging Course has been designed for international students who wish to study at UWA but do not have the University's required level of English proficiency. The course is also suitable for students with unconditional entry into UWA who would like to further develop their language ability, study and research skills, and confidence before commencing tertiary study.

A 70 per cent pass in the Bridging Course meets the University's English language requirement for most undergraduate and postgraduate courses, although some postgraduate courses have a higher English language requirement.

For more information, please visit [celt.uwa.edu.au](https://celt.uwa.edu.au)

# Entry pathways

## Secondary school leavers

UWA accepts a number of overseas secondary education qualifications as satisfying the entry requirements to UWA degrees.

Entry to undergraduate courses is offered to all students who achieve the required entry score for the undergraduate program of their choice. Students are also required to meet the English language requirements of the University and prerequisites for chosen majors.

For more information, see the page on academic entry requirements, or visit [uwa.edu.au/study/how-to-apply/international-and-overseas-qualifications](https://uwa.edu.au/study/how-to-apply/international-and-overseas-qualifications)

## Foundation and diploma programs

Some students may not be eligible to study an undergraduate course at UWA directly after completing high school in their home countries. These students are encouraged to take a pre-university course such as a foundation program or a diploma.

There's a range of foundation or diploma programs that UWA accepts. For a list of these programs, visit [uwa.edu.au/study/international-students/courses-and-entry-requirements](https://uwa.edu.au/study/international-students/courses-and-entry-requirements)

## Credit transfer/advanced standing

### Higher education study

UWA may grant academic credit for study undertaken at another tertiary institution or college if the subjects completed are equivalent in content and standard to those taught at UWA, and are relevant to the chosen course.

UWA has pre-approved credit arrangements in place with a number of polytechnics and other educational institutions, in the areas of architecture, business, engineering, computer science and life and physical sciences.

# How to apply – undergraduate and postgraduate coursework

## 1. Choose your course

Choose your preferred course from this course guide or at [uwa.edu.au/study](https://uwa.edu.au/study) and check that you satisfy your chosen course's admission requirements.

## 2. Apply online

To start your application, visit [uwa.edu.au/study](https://uwa.edu.au/study) and click on the 'Login' button on the top right-hand corner of the page. If it's your first time applying to UWA, create a profile by selecting the 'sign up' tab. Once you've signed up, submit all required documentation in digital format or submit your application through a UWA overseas representative in your country. A complete list of representatives can be found at: [uwa.edu.au/study/agents](https://uwa.edu.au/study/agents)

## 3. Track your application

After you've submitted your application you can track its progress via the UWA Apply portal. You can also upload any additional documents we need.

## 4. We'll send you a letter of offer

We'll send you an email to notify you of the outcome of your application. If your application is successful, you'll receive an offer letter or a conditional offer letter if more steps are required via email.

## 5. Accept your offer

When you receive your offer letter email, click the 'accept' button to be taken to UWA Accept, where you can accept your offer. Log in with the account you used to apply (UWA Apply portal) and you'll see your offer. You may be required to submit scans or clear photographs of any requested documents, agree to the terms and conditions of studying at UWA and then make your first payment.

## 6. Pre-enrolment information

When the University confirms all submitted documents are correct, you've met the English language requirements for your course and your first payment has been received, you'll be issued a Confirmation of Enrolment (CoE) package that contains a letter of welcome including links to our pre-departure and on-campus accommodation guides and a Confirmation of Enrolment.

## 7. Enrol online

You can now enrol in your course at:

[uwa.edu.au/unistart/enrol](https://uwa.edu.au/unistart/enrol)

# How to apply – postgraduate research

## 1. Expression of Interest

Contact the Higher Degree by Research admissions and scholarships team to start your application.

Email: [applications-grs@uwa.edu.au](mailto:applications-grs@uwa.edu.au)

## 2. Lodge an application

The appropriate application method will be advised by the HDR admissions and scholarships team.

You'll need to provide supporting documents, including a summary of the proposed research that outlines:

1. background to the topic;
2. aims of the research;
3. significance of the research;
4. the methodology you'll use, and
5. a brief reference list.

Applications for Higher Degree by Research courses are open all year round, except for the Master of Research and combined Doctor of Philosophy and Master's courses. Applications for some scholarships go through a different process which includes specific deadlines. Email [applications-grs@uwa.edu.au](mailto:applications-grs@uwa.edu.au) to enquire further.

## 3. Approval

Your application will be sent to the designated School for consideration, where the Graduate Research Coordinator in the School will evaluate research preparation, funding and resources for the project, and the availability of appropriate supervision. The School will then make a recommendation to the Graduate Research School as to whether UWA can provide a place in the course. The Dean of the Graduate Research School will consider the recommendation for admission.

## 4. Offer and Acceptance

Successful applicants will receive an offer letter that sets out the terms of admission. A Confirmation of Enrolment (CoE) will be issued when you accept the offer, if all submitted documents are correct and the English Language requirements are met.

## 5. Accommodation

Explore a range of options, all located within close proximity to the campus, cafés, shops and the city.

<sup>1</sup> Includes WACE, SAM, HSC, VCE, Ausmat etc

<sup>2</sup> The aggregate is calculated from points, from the best three modules, where one module can be substituted with two half modules, with points assigned to grades i.e. Grade (Full Module) A\* = 6, A = 5, B = 4, C = 3, D = 2, E = 1. Grade (Half Module) A\* = 3, A = 2.5, B = 2, C = 1.5, D = 1, E = 0.5. English for Academic Purposes (EAP) is not counted.

<sup>3</sup> The aggregate is calculated from the best eight passed units and divided by two for the final score.

<sup>4</sup> Aggregate is calculated as the aggregate of the best four subjects.

<sup>5</sup> An aggregate is calculated by selecting the best four marked subjects taken at Class XII-level and assigning them points A1 = 5.0, A2 = 4.5, B1 = 3.5, B2 = 3.0, C1 = 2.0, C2 = 1.5, D1 = 1.0, D2 = 0.5.

<sup>6</sup> Grade average of best five or six Provincially Examined or University/ College Preparation courses.

<sup>7</sup> Aggregate is calculated from points of the best four subjects: A1 = 1, A2 = 2, B3 = 3, B4 = 4, B5 = 5, B6 = 6, C7 = 7.

<sup>8</sup> Aggregate is calculated from best three subjects: A\* = 6, A = 5, B = 4, C = 3, D = 2, E = 1

<sup>9</sup> Aggregate of best four subjects: Category A subjects: 5\*\* = 6, 5\* = 5.5, 5 = 5, 4 = 4, 3 = 3. Category C subjects: A\* = 6, A = 5, B = 4, C = 3, D = 2, E = 1.

<sup>10</sup> Average is taken from best four subjects.

<sup>11</sup> Aggregate of best three subjects: A = 7, A- = 6, B+ = 5, B = 4, B- = 3, C+ = 2, C = 1.

<sup>12</sup> Aggregate calculated from a minimum of two (and no maximum) H2 Level subjects, and maximum of 1 content-based H1 subject. At H2 Level: A = 5, B = 4, C = 3, D = 2, E = 1. At H1 Level: A = 2.5, B = 2, C = 1.5, D = 1, E = 0.5.

<sup>13</sup> Grade average of best six subjects in final year, excluding Life Orientation.

<sup>14</sup> The score is the sum of the scores of four Standard Scores in: Korean Language, Mathematics, plus the two best subjects from either Science, or Social Studies.

<sup>15</sup> Average calculated from points of all subjects. Subject grades assigned points: A=20, B=17.5, C=15, D=12.5, E=10, F=0.

<sup>16</sup> Applicants must have passed ACT in conjunction with a recognised high school qualification.

<sup>17</sup> Applicants must have passed a minimum of two Advanced Placement exams with the US College Board in conjunction with a recognised high school qualification.

<sup>18</sup> Applicants must have passed SAT in conjunction with a recognised high school qualification.
