Deakin University CRICOS Provider Code: 00113B

Your future in teaching

Get a world-class education

Our teaching courses are ranked 27th in the world. This is based on the 2019 QS World University rankings, informed by academic and employer reputation, as well as research impact.

Graduate work-ready

We maintain close links with the education sector to ensure our courses are developed and reviewed with industry and professional input. You'll be taught by staff members with industry experience, recognised as leaders and innovators in their fields – so you can be confident that what you learn at Deakin will be relevant to your teaching career.

Gain hands-on, practical learning

Every Deakin teaching student's course experience is enriched by the Professional Experience Program. Working with more than 1400 schools across Australia, a dedicated team will help you find the right placements based on your interests, skills, residential location and mode of transport.

We'll arrange at least 60 days of placements for you in schools where you'll learn from experienced teachers. Plus, you'll have access to specialised teaching spaces on campus to prepare for teaching.

Deakin also participates in the Victorian State Government supported teaching academies and alliances program. Our alliance partners offer pre-service teachers with placement opportunities in local schools – with some placements exclusive to Deakin students.

Deakin's Professional Experience Program is a key part of your course, ensuring you have the practical skills needed from day one of your teaching career.

Your future in teaching

Travel the world

Gain an international perspective on teaching by undertaking your professional experience overseas through our Global Education Program, a teaching practicum that develops a range of teaching and learning approaches. You could pursue opportunities in Vietnam, Vanuatu and Switzerland.¹

You can also broaden your understanding of intercultural education here in Australia. We have a strong commitment to Indigenous teacher education and run a Global Education Program in Australia's Northern Territory.

Study when and where you want

Study at our campuses in Burwood (Melbourne), Waurn Ponds (Geelong) or Warrnambool – or join the thousands of students currently studying online at Deakin's Cloud Campus. You'll learn with the same teachers as on-campus students, with the ultimate flexibility to study anywhere, anytime.

¹ Please note that our destinations may change due to circumstances beyond our control (e.g. funding).

#1 university in Victoria for student satisfaction

Year on year, our students are the most satisfied students of all Victorian universities¹. We've ranked this highly for the past 10 years, with students being particularly happy with our:

- teaching
- learning resources
- student support
- skills development
- learner engagement.

¹ Australian Graduate Survey 2010–2015, Graduate Outcomes Survey 2016–2019 (GOS), Quality Indicators for Learning and Teaching (QILT).

'Deakin pre-service teachers are supported in all aspects of professional experience and have ongoing communication with the staff to ensure that they have the best opportunity to develop as teachers. Visits to students during placements provide strong mentorship and support. We're extremely fortunate that our partnership schools provide rich experiences and embrace our pre-service teachers into their teaching and learning communities.'

Ian Trend
Manager, Professional Experience Program

What is the CASPer test?

If you're applying to one of the following Deakin courses, you'll need to sit a CASPer test to demonstrate your suitability for a teaching career¹:

- Bachelor of Education (Early Years)
- Bachelor of Education (Primary)
- Bachelor of Health and Physical Education
- Master of Applied Learning and Teaching (Secondary)
- Master of Teaching (all specialisations).

CASPer (Computer-based Assessment for Sampling Personal Characteristics) is an online, video scenario-based situational judgment test, assessing a number of non-academic attributes including communication, ethics, empathy, motivation and professionalism.

All institutions offering initial teacher education courses, like the ones listed above, need to select their students based on academic and non-academic criteria – so you'll need to sit a CASPer test to be eligible for selection, no matter where you choose to study.

The good news is that there are no right or wrong answers to the questions; the best advice we can give is to just be yourself. The 90-minute test assesses your personal characteristics by understanding how you respond to scenarios you're presented with. You don't need to prepare for the test but take a look at examples online so you can familiarise yourself with the types of questions asked.

For more information, dates and sample test content, visit deakin.edu.au/casper.

¹ Please be advised the cost of the CASPer test is a responsibility borne by individual applicants. Deakin University will not be able to reimburse any test costs. Find out more at deakin.edu.au/teaching.

Courses

Bachelor of Education (Early Years)

With a focus on the education and care of children aged between birth to eight years, this dual accredited early years degree allows you to teach young children in early childhood and primary school settings. You will explore contemporary issues in children’s learning and development, curriculum theories and pedagogies, discipline knowledge and the changing work context within early childhood and primary education. With professional experience opportunities and the option to choose from a range of curriculum areas, you’ll graduate with a qualification that’s in high demand, meeting the significant growth of the Australian early childhood education sector.

Early years teaching specialisations include: Aboriginal knowledge and experiences, arts education and promoting equity, social justice and inclusivity. Primary teaching specialisations include: language and literacy and science.

Careers

There’s an increasing demand for qualified early childhood teachers, with a 22% projected employment growth expected in the sector, to 2023.⁶

Graduates are qualified to work in early childhood settings as early childhood teachers, educational leaders, coordinators or advisers. They are also qualified to work as a primary teacher working across all year levels from foundation through to grade 6.

Early years graduates may also find careers within:

- community services
- early childhood facilities
- education organisations
- government agencies
- not-for-profit organisations.

Professional recognition

This course is approved by the Australian Children’s Education and Care Quality Authority (ACEQA) as an early childhood teaching qualification in Australia.

It is also accredited by the Victorian Institute of Teaching (VIT) for the purposes of teacher registration in Victoria. Students are eligible to apply for registration with VIT upon successful completion of this degree.

Professional experience

This course includes 115 days of supervised professional experience placements. A current Working with Children Check is required before beginning early childhood/school experience placements.

Early childhood scholarships to become a teacher

Students applying for the Bachelor of Education (Early Years) may be eligible for the Early Childhood Scholarship to become a teacher to receive up to \$25,000 from the Victorian Government. More information can be found at education.vic.gov.au.

- 1 Cloud Campus students are required to attend compulsory intensives.
- 2 International students can only enrol at the Melbourne Burwood Campus.
- 3 This course is also available at the National Indigenous Knowledges, Education, Research and Innovation Institute. Find out more at deakin.edu.au/nikeri.
- 4 Students with a Diploma of Early Childhood Education and Care are able to complete the course in three years full-time or part-time equivalent. Opportunities to fast track studies may also exist by enrolling to study in Trimester 3.
- 5 Trimester 3 intake is offered to Diploma of Early Childhood Education holders only.
- 6 Australian Government Department of Employment, Skills, Small and Family Business Job Outlook
- 7 This course structure should be used as a guide only and advice should be sought when selecting units.
- 8 Students are also required to complete two 0-credit-point units, ELN010 and ELN011, as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE), in order to graduate from their course.
- 9 Academic Integrity (AAI018) is a compulsory 0-credit-point unit that you must undertake as part of this course.
- 10 Select one unit from 1 of the 3 specialisations.
- 11 Select 1 of 2 primary specialisations options (equates to 2 credit points).

NIKERI Institute

The National Indigenous Knowledges, Education, Research and Innovation Institute provides flexibly-structured Deakin courses to Indigenous Australian students. Our fully-accredited Bachelor of Education (Early Years) (above) and Bachelor of Education (Primary) (page 6) courses are offered through Community Based Delivery – a mix of on-campus intensives and cloud-based learning at home. This means students can access higher education while maintaining their work, community and family commitments.

Indigenous Studies

All Deakin students can enrol in Indigenous Studies units through the NIKERI Institute. These units give you a comprehensive and engaging exploration of the history, culture and identity of Australia’s First Nation’s People.

Taken as an elective in any course, these units promote diversity and cultural understanding and help to build a well-rounded degree. They’re also valued for their transferable knowledge and the way they build vital communications skills.

Courses

Bachelor of Education (Primary)

E359 B WP WB NIK¹ 4 T1

Explore all areas of primary curriculum and build a solid understanding of what it takes to make a difference as a primary school educator. Across key specialisations, you’ll learn how to guide children through their primary years learning – and graduate qualified to teach from grades prep to Year 6.

You can also undertake elective units to qualify for the International Baccalaureate (IB) Primary Years Program, creating a point of difference with other graduates.

Primary subject specialisation

Develop advanced skills and gain an edge for employment in a key area of the primary school curriculum. The following primary specialisations will be offered, subject to demand and availability:

- health and physical education
- humanities
- language and literacy
- languages
- mathematics and numeracy
- science
- special educational needs
- visual art.

Careers

Studying a Bachelor of Education (Primary) will equip you with the skills and knowledge for a successful career in education. Upon graduation you’ll be ready to teach in primary schools within the private, independent, IB Schools or public education sectors.

Graduates may also find work in other fields including community services, government agencies, not-for-profit organisations and IB accredited primary schools.

Professional recognition

Deakin’s Bachelor of Education (Primary) is accredited with the Victorian Institute of Teaching (VIT) as a nationally accredited course. Students are eligible to apply for registration with VIT upon successful completion of this degree.

The course is the only undergraduate teacher education program in Victoria accredited with the International Baccalaureate Organisation to offer a recognised pathway for teaching in the IB Primary Years Program.

Professional experience

This course includes 80 days of supervised professional experience placements. You’ll also have the opportunity to undertake a work placement in international or remote Northern Territory settings through our Global Education Program. A current Working with Children Check is required before beginning school experience placements.

Pathways

Are you interested in teaching but unsure whether you’ll meet the entry requirements for a bachelor degree? If so, look no further than Deakin’s Associate Degree of Education. We’ve designed this course to offer students a supported learning environment and a pathway into Deakin’s Bachelor of Education (Primary).

Associate Degree of Education⁵

E200 B WP WB 2 T1

Begin your journey to becoming a teacher by studying an Associate Degree of Education at Deakin. You’ll complete core units from the Bachelor of Education (Primary), and develop the foundation skills required to succeed at university.

Careers

Graduates of the Associate Degree of Education have guaranteed entry into our Bachelor of Education (Primary), provided they pass the CASPer test.

An associate degree equips you with the skills to succeed at both university and in your future career. Graduates find employment opportunities in a range of fields, including:

- education
- government departments
- health sector
- media
- private academies/agencies
- public service.

5 This course is not available to international students.

‘I was able to put the skills I had learnt here in Geelong into use at a small inner city school overseas. I found myself broadening my teaching from merely a classroom setting to an overarching role of carer and role model.’

Mitchell Norton

Bachelor of Education (Primary) graduate

Courses

Bachelor of Health and Physical Education

Develop the skills, knowledge and understanding to become a teacher who makes a difference to every student. You'll learn how to create safe, inclusive and engaging learning environments to provide learning experiences that support lifelong health and physical activity.

You can choose a third teaching specialisation to gain a competitive advantage for employment, including:

- biology
- chemistry
- dance
- drama
- English
- history
- home economics
- mathematics

Professional recognition

Our education courses are accredited by the Victorian Institute of Teaching (VIT), meaning you'll graduate as a qualified educator. Students are eligible to apply for registration with VIT upon successful completion of this degree.

Careers

Graduate ready to take your career into teaching within the private, independent or public education sectors or advisory roles. As well as working as an educator, you may find yourself working in fields including community programs, government agencies, human resource management, private academies/agencies, professional coaching, and sport management.

'I feel extremely confident in my ability to be work-ready. The vast range of professional experience and practical lessons has allowed me to transfer all my theoretical learning into a real-world teaching context, making me prepared and eager to enter the work force.'

Meg Collins
Bachelor of Health and Physical Education graduate

Professional experience

This course includes 80 days of supervised professional experience placements and students must successfully complete the Deakin Teaching Performance. A current Working with Children Check is required before beginning school experience.

- Exercise and Sport Laboratory Safety (HSE010) and Academic Integrity (AAI018) are compulsory 0-credit-point unit that you must undertake as part of this course.
- Students are also required to complete two 0-credit-point units, ELN010 and ELN011, as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE), in order to graduate from their course.
- Students must also complete an Emergency First Aid Certificate (Level 2) and AUSTSWIM qualifications prior to graduation.

Combined courses

Bachelor of Science/Master of Teaching (Secondary)

Fast track your studies and gain a postgraduate teaching qualification in just four years with the Bachelor of Science/Master of Teaching (Secondary). This course prepares you with the attributes and discipline-specific knowledge to become a lower to senior secondary school teacher in Australia.

Start with Deakin's Bachelor of Science, and alongside core units, choose two science majors which lead to your postgraduate specialisations. Create unique course combinations that when paired with teaching, customise your degree and boost your employability.

Teaching method areas

Alongside core education studies you will complete studies in two teaching specialist areas.

Choose from:

- biology
- chemistry
- environmental science
- general science
- geography
- mathematics.

Professional recognition

This course is accredited by the Victorian Institute of Teaching (VIT) as an initial teacher education program against the Australian Institute of Teaching and School Leadership (AITSL) program standards and the Australian professional standards for graduate teachers. Students are eligible to apply for registration with VIT upon successful completion of this degree.

Careers

Graduates of the Bachelor of Science/Master of Teaching (Secondary) are qualified to teach in secondary schools within Victoria, in the private, independent or public education sectors.

Your specialisations and advanced knowledge will also open doors to roles in community services, government agencies and not-for-profit organisations.

Professional experience

This course includes 60 days of supervised professional experience placements. A current Working with Children Check is required before starting school experience.

Course structure

Courses

Bachelor of Arts/Master of Teaching (Secondary)¹

D303 C^{2,3} B 4 T1

Combine your passion for the arts with a desire to inspire the generations of tomorrow, with a Bachelor of Arts/Master of Teaching (Secondary). This course prepares you with the attributes and discipline-specific knowledge to practise as a lower to senior secondary school teacher in Australia.

You will start with Deakin's Bachelor of Arts, designing your studies around your interests to create unique combinations of majors and minors. While studying your undergraduate degree, you'll also be building your foundation knowledge that will take you into your postgraduate teaching studies.

Professional recognition

This course is accredited by the Victorian Institute of Teaching (VIT) as an initial teacher education program against the Australian Institute of Teaching and School Leadership (AITSL) program standards and the Australian professional standards for graduate teachers. Students are eligible to apply for registration with VIT upon successful completion of this degree.

Professional experience

This course includes 60 days of supervised professional experience placements. A current Working with Children Check is required before beginning school experience.

Careers

Teaching courses at Deakin lead to a career that can make a profound and lasting contribution to the future by positively educating and influencing the lives of students. It's a rewarding career that offers creativity, flexibility and opportunity.

Graduates of the Bachelor of Arts/Master of Teaching (Secondary) are qualified to teach in secondary schools within Victoria, in the private, independent or public education sectors.

Your specialisations and advanced knowledge will also open doors to roles in community services, government agencies and not-for-profit organisations.

Teaching method areas

Choose two teaching method areas (disciplines) across one or two of the learning areas of:

- anthropology
- Arabic
- children's literature
- Chinese
- drama
- history
- Indonesian
- literary studies
- media studies
- philosophy
- photography
- politics and policy studies
- sociology
- Spanish
- visual arts.

‘All of the teaching staff were great, approachable, knowledgeable and happy to help us achieve our best. I was well prepared come graduation as I was given lots of opportunities to put theory into practice on placement.’

Tim Darby
Secondary teaching graduate

Graduate-entry teaching degrees

Are you thinking of changing your career to teaching?
Teaching is an extremely rewarding career that will see you
inspire young people and work with them creatively.

Master of Applied Learning and Teaching (Secondary)^{1,2}

E737 C³ 1.5⁴ T1

Deakin's Master of Applied Learning and Teaching (Secondary) qualifies you to work in secondary schools and other youth settings. It equips you with the knowledge, skills and experience to teach in an applied learning pedagogy in secondary schools and other youth education settings in two subject specialisation areas based on your undergraduate degree, and in vocational education including the Victorian Certificate of Applied Learning (VCAL) or an interstate equivalent.

The course uses a problem-based approach that is closely aligned with authentic school improvement initiatives, and links theory and practice through strong work integrated learning partnerships. The course focuses on the middle years and upper years of secondary schooling and has a strong emphasis on experiential and applied learning pedagogies which enhance student engagement.

You are encouraged to engage critically with your teaching practice and be open to contemporary ideas and research that challenge traditional transmissive approaches to teaching and respond to a need for greater cultural diversity and inclusivity in patterns of Australian educational participation.

Professional recognition

This initial teacher program is approved by the Victorian Institute of Teaching (VIT) against the National Graduate Teacher standards for the purposes of teacher registration in Victoria. Students are eligible to apply for registration with VIT upon successful completion of this degree.

Professional experience

Students undertake 75 days of professional experience in an educational setting.

Careers

This course prepares graduate teachers with the advanced professional knowledge, skills and attributes required of educators working in secondary schools and other youth learning contexts where applied and vocational learning are being implemented. This program also offers a pathway to PhD through research training and a dissertation.

Course structure

16 credit points – 12 credit points of 11 core units, 4 credit points of one of the following two configurations: Research Project or Research Paper. Students must also complete Academic Integrity (AAI018) which is a 0-credit-point compulsory unit.

Alternate exits

Graduate Certificate of Applied Learning and Teaching (E537).

Master of Teaching (Early Childhood)² E761 C⁵ B 2 T1

Master of Teaching (Primary and Early Childhood)² E764 C⁵ B 2 T1

Master of Teaching (Primary)² E762 C⁵ B 2 T1

Master of Teaching (Primary and Secondary)² E765 C⁵ B 2 T1

Master of Teaching (Secondary)² E763 C⁵ B 2 T1

The Master of Teaching is a teaching qualification in early childhood, primary or secondary teaching, and gives you the option of a dual qualification in early childhood and primary or in primary and secondary.

These courses offer extensive hands-on experience, preparing you for an in-demand career in education. Students undertaking the single strand courses in early childhood, primary or secondary, have the option of taking an additional four units in a specialisation pathway or internship.

Professional recognition

Our courses are nationally accredited and career focused and have been developed in consultation with principals, teachers and the Victorian Institute of Teaching (VIT). Our early years courses are also accredited by the Australian Children's Education and Care Quality Authority (ACECQA). This ensures that our courses address the needs of the education sector and that our graduates are fully skilled when they enter the workforce.

Professional experience

Practical teaching experiences throughout your course ensure you have the practical experience you need to launch into your teaching career. Professional experience placements are undertaken in approved schools and early childhood settings (where appropriate) within Australia.

Careers

There is a strong demand for qualified teachers and graduate starting salaries are high compared to the graduate average. The increased demand for teachers has also resulted in improvements in teaching conditions, resources and career advancement opportunities. As a graduate of this course, you may find employment as a teacher within the private, independent or public education sectors. Opportunities also exist in government agencies, community services or not-for-profit organisations.

Course structure

16 credit points – visit deakin.edu.au/teaching for individual course breakdowns.

1 This course is not available to international students.
2 Students are required to complete two 0-credit-point units as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE) in order to graduate from their course.
3 Students are required to attend compulsory intensives at the Geelong Warrn Ponds Campus.
4 The E737 course is two years full time (with the option to complete it in 18 months if taken over four consecutive trimesters), or part-time equivalent.
5 Cloud Campus is not available to international students.

Master of Teaching (Secondary)^{3,6,7} E763 ADMISSION REQUIREMENTS ⁹ Applicants are required to have successfully completed a bachelor degree in a different discipline, and meet the requirement for prior studies from disciplines that enable them to qualify for either 2 single teaching methods or 1 double method ¹⁹ , in secondary teaching areas offered at Deakin (see list above in <i>Teaching method areas</i>).	C ¹⁸ B	2	T1	NA ¹⁷ \$22,400 ¹⁵

1 The 2020 indicative Commonwealth Supported Place (CSP) fee is based on a typical enrolment for an Australian domestic student enrolled in two trimesters of full-time study, or 8 credit points, unless otherwise indicated. This fee should be used as a guide only and is subject to change.

2 This course is not available to international students.

3 Students are required to apply for a Working with Children Check before commencing school experience.

4 Recent secondary education applicants include current Year 12 students in 2020, as well as Year 12 graduates from 2019 and 2018.

5 There are four categories under which non-Year 12 applicants may apply to Deakin:

- applicants with higher education study
- applicants with Vocational Education and Training (VET) study
- applicants with work and life experience
- applicants who completed Year 12 in 2017 or earlier.

Visit [deakin.edu.au/course](#) and head to the course of interest to find out further details on admission requirements.

6 Students are also required to complete two 0-credit-point units, ELN010 and ELN011, as part of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE), in order to graduate from their course.

7 Students applying to all initial teacher education courses are required to sit the CASPer test, a non-academic assessment. Please be advised the cost of the CASPer test is a responsibility borne by individual applicants. Deakin University will not be able to reimburse any test costs. Find out more at [deakin.edu.au/teaching](#).

8 Cloud Campus students are required to attend compulsory intensives at the Geelong Warrn Ponds Campus.

9 International student entry requirements can be found at [deakin.edu.au/international-students](#).

10 International students can only enrol at the Melbourne Burwood Campus.

11 This course is also available at the National Indigenous Knowledges, Education, Research and Innovation Institute. Find out more at [deakin.edu.au/nikeri](#).

12 Trimester 3 intake is offered to Diploma of Early Childhood Education holders only.

13 Trimester 3 at level 3 is a compulsory study period.

14 Not all majors and secondary teaching specialist areas are available at the Cloud Campus.

15 Full-fee paying place.

16 The E737 course is two years full time (with the option to complete in 18 months if taken over four consecutive trimesters), or part-time equivalent.

17 For 2020 fees, please refer to [deakin.edu.au/courses/fees-scholarships/tuition-fees/estimate-your-fees](#).

18 Cloud Campus is not available to international students.

19 For further information on assessment of secondary methods see [vit.vic.edu.au/registering-as-a-teacher/teaching-programs/self-assessment-for-secondary-teaching-methods](#).

NP means not published – less than five offers made to recent secondary education applicants.

NA means not available.

RC means admission is based on a range of criteria.

#1 careers service in Australia¹

Prepare yourself for the jobs and careers of the future. Access our career centre, DeakinTalent, and use its programs and services to research different career options, hone your interview skills, look for casual work while you study or find a graduate job.
