2021 INTERNATIONAL GUIDE

STAND OUT FROM THE CROWD

Studying overseas is an opportunity to experience a new culture, become independent and make friends from all over the world.

But it can also be quite challenging to start a new life in a new country - particularly at larger universities where you can very easily get lost in the crowd.

With fewer than 5,000 students, Bond University is uniquely set up to ensure our international students get the absolute best out of their overseas study experience.

Our personalised teaching philosophy means our students learn in smaller class sizes with unprecedented access to their teachers. We also have a dedicated International Student Support Team offering guidance, counselling and advice on everything from homesickness to exam preparation.

We ensure every student develops key employability skills and personal attributes that will ensure they stand out to future employers. Our Beyond Bond program provides undergraduate students with a range of professional activities tailored to their career goals. For our postgraduate students, we offer 'Professional' master's programs in a range of study areas. These incorporate a 20-week work integrated learning semester to ensure they stand out to future employers.

We offer English language programs, tutoring and extra study support, mentoring and buddy / friendship programs, and 24 / 7 security. We also have an active student association that organises regular events, special interest clubs and societies, sporting teams and social nights where you will meet new friends and future professional colleagues who will be a part of your life long after you have finished your degree.

You will work hard and study hard but you'll also meet lots of new people, build a worldwide network of friends and business contacts, and learn so much more about yourself and what you are capable of.

We look forward to sharing 'our' Australia with you as part of a study experience that will quite literally change your life.

A handwritten signature in black ink that reads "Tim Brailsford". The signature is written in a cursive, flowing style.

Professor Tim Brailsford
Vice Chancellor and President

Meet Indian Bachelor of Construction Management and Quantity Surveying Alumnus and Graduate Quantity Surveyor at Alder Constructions, Harsh Shukla. Harsh was the first international recipient of the prestigious Grenby Family Medal for his achievements with Bond University's Beyond Bond program, which supports undergraduate students to develop key employability skills.

AUSTRALIA'S FIRST PRIVATE, NOT-FOR-PROFIT UNIVERSITY

On 23 April, 1987, Bond University was given its University status by an Act of the State of Queensland's Parliament.

Modelled on the traditions of the world's best educational institutions to provide an educational experience of the highest international standards, the University continues to be recognised both in Australia and internationally as a leading not-for-profit university. Our dedication to quality is supported with 100% of tuition fees being reinvested in ensuring our students have access to world-class facilities and learning resources, and learn under the guidance of expert academics.

Bond University is recognised as a self-accrediting Australian university by the Tertiary Education Quality and Standards Agency (TEQSA). Bond's programs for international students are registered with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

DISCOVER THE GOLD COAST

Bond University is located on the Gold Coast - Australia's sixth largest city. International students choose Bond University not only for our quality education, but for the warm climate and the unique mix of natural attractions and sightseeing opportunities right on our doorstep.

Take a surfing lesson at Currumbin.

Get an adrenaline rush at one of the Gold Coast's theme parks.

Hike to the top of Mount Warning and watch the sunrise.

Take a day trip to Byron Bay.

Get up close and personal with some local furry friends at Currumbin Wildlife Sanctuary.

Explore Springbrook's waterfalls and bush walks.

Finish up a week of study by heading out to party at Surfers Paradise and Broadbeach.

Shop all of the big brands and international boutiques at the hundreds of stores at Pacific Fair, Harbour Town, or Robina Town Centre.

Enjoy diverse culture and food from around the world at Gold Coast Chinatown and Miami Marketta street food night market.

GRADUATES WHO STAND OUT NOW AND IN THE FUTURE

UNIQUE CORE CURRICULUM FOR UNDERGRADUATE STUDENTS

We recognise that people have many careers throughout their lives where they require the soft skills to problem solve and apply their education to a variety of occupations. As a result, in every undergraduate degree (including our Higher Education Diplomas), we have embedded our three Bond Core subjects.

This Core Curriculum teaches skills that are highly valued in contemporary organisations and will be essential to your personal and professional life in any current or future profession, regardless of discipline.

Bond's Core subjects are:

- Critical Thinking and Communication
- Collaboration, Teams and Leadership
- Responsibility, Integrity and Civic Discourse

bond.edu.au/core-curriculum

BEYOND BOND PROGRAM

Beyond Bond ensures every undergraduate student develops key employability and interpersonal skills through your choice of over 200 activities including internships, volunteering, participation in global competitions, and a broad range of extracurricular professional activities - all available from your first semester.

Administered by the Career Development Centre, this free program is personalised and tailored to your specific interests and career goals; presenting a life-learning experience like no other.

Beyond Bond is a core requirement of all Bond's undergraduate degrees, forging the vital link between our students and key contacts in their chosen professions.

bond.edu.au/beyond-bond

PROFESSIONAL MASTER'S PROGRAMS

Bond offers 'Professional' master's programs for students in a range of different study areas, where you can incorporate a 20-week work integrated learning semester to complement your postgraduate program. This extensive industry experience offered within these 92-week programs will help you to improve your knowledge and skills, and gain valuable experience employers are looking for.

ENTREPRENEURSHIP AND TRANSFORMER PROGRAM

At Bond, we focus on developing adaptive, tech-savvy and future-focused graduates with a strong entrepreneurial streak.

You can major in Entrepreneurship, network with industry leaders, and showcase your ideas through initiatives like Bond Business Accelerator, Gold Coast Demo Day and the World's Challenge Challenge.

Bond also offers a free co-curricular program called Transformer, which brings students together from all disciplines to collaborate on projects. Working in teams, they have access to industry experts, mentors, workshops and a 24 / 7 co-working space.

bond.edu.au/transformer

GRADUATE SOONER

Our three semester academic calendar with start dates in January, May and September means you can graduate sooner and achieve your goals faster.

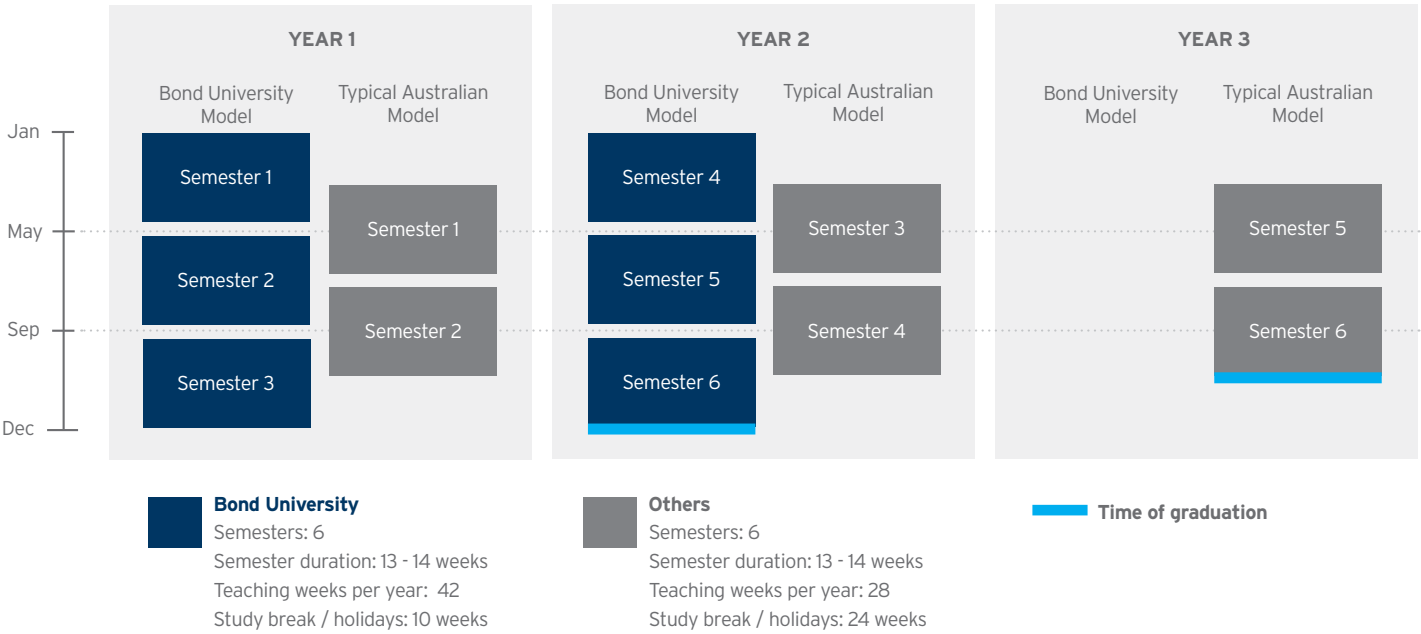

ACCELERATED PROGRAMS

Bond’s teaching calendar is based on three semesters per year rather than the usual two. Our programs start earlier in the year with shorter breaks between each semester so you can graduate much sooner. You could also complete a combined degree, or an undergraduate and postgraduate degree, in less time than it would take to complete a single degree at another university.

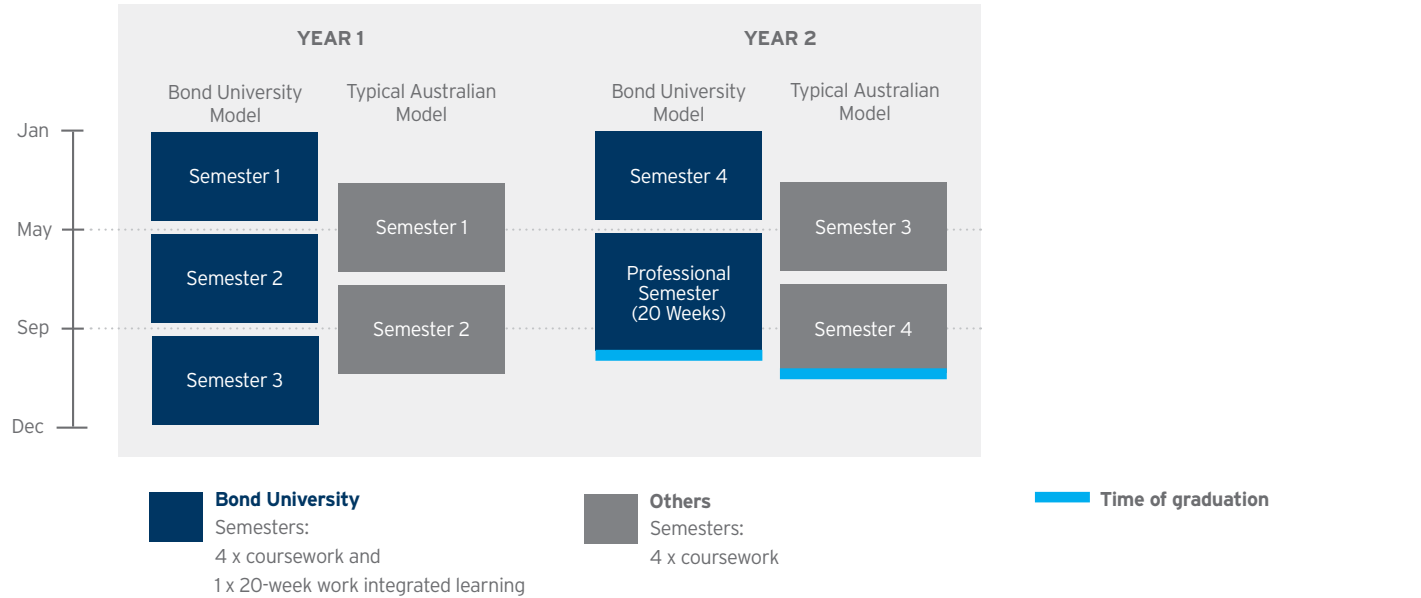

In addition to fast-tracked programs, Bond offers a range of 2 year ‘Professional’ master’s programs for international students interested in applying for a Post Study Work visa.

Our semester start dates are in January, May and September to give you more flexibility about when to start your degree.

MINIMUM STUDY TIMES AT BOND FOR A BACHELOR’S DEGREE VS OTHER UNIVERSITIES

MASTER’S (PROFESSIONAL) DEGREE AT BOND VS OTHER UNIVERSITIES

PERSONALISED SUPPORT

TEACHERS WHO KNOW YOU BY NAME, NOT BY NUMBER

There is a big difference between being one of 25 students in a class and a face in a crowd of up to 500.

Bond's student: teacher ratio is one of the lowest in the country and our lecturers' doors are always open. This means you will get more

personalised, hands-on advice and support with your studies and opens doors to industry placements, research projects, job opportunities and help whenever you need it.

LEARN BY DOING

You can't learn everything you need to know about life from a textbook. That's why a large part of your time at Bond involves putting theory into practice and building life experience.

LEARN FROM INDUSTRY LEADERS

Our academics don't just teach. They consult to major companies, liaise with global governments, present at international conferences and work on ground-breaking research. You'll learn from their real-life case studies and the industry leaders they bring to campus as guest lecturers and mentors.

EXPERIENCE THE REAL WORLD

At Bond University, we break down the barriers between the classroom and the real world, giving our students access to practical experience, current workplace knowledge and industry contacts through internships, clinical placements, study tours, projects, global competitions and more.

- Our Business students learn from entrepreneurs and start-ups in Silicon Valley, Japan and Thailand
- Our Law students argue mooted cases in Hong Kong, Beijing, Canada and Queensland's own Supreme Court
- Our Sports Science students work with elite athletes and professional teams from all over the world
- Our interns travel to amazing global cities such as Washington DC, Paris, London and New York.

GET READY FOR THE WORKFORCE

As a small university, our Career Development Centre works with every student to arrange relevant internships, employer placements, work experience and industry projects - not just towards the end of your degree, but from day one.

INTERNATIONAL EXCHANGE

Bond has international exchange agreements with more than 80 leading universities worldwide. Expand your global horizons and increase your employment prospects by studying, living and working in another country.

TOOLS OF THE TRADE

From our film and television studios to the Bond FinTech Hub, we have the very latest tools and technologies here on campus. And our small, personalised classes mean that everyone gets the chance to use them.

- 40 Bloomberg terminal access, more than any other university in Australia
- One of the largest film and television production facilities in South-East Queensland
- Paperless e-courtrooms
- High altitude sport and exercise training rooms
- Digital fabrication labs
- Clinical skills rooms
- 3D printers, robots, simulators and more.

START YOUR CAREER NOW - WORK WHILE YOU STUDY

Your Australian Student visa allows you to work up to 40 hours per fortnight. Bond's Career Development Centre may be able to help you find part-time work in your chosen field or industry while you are studying at university.

Students using VR technology in Bond's Medicine Laboratories.

STUDENT SUPPORT

Our team of experienced specialists are available on campus at any time to help you with everything from subject enrolment, tutoring and study support through to personal security and counselling.

ACADEMIC SUPPORT

Our academics and faculty support staff know their students by name. Their open-door policy makes it easy to ask for help at any time.

ACADEMIC AND ENGLISH LANGUAGE SUPPORT

The Academic Skills Centre offers free personalised one-on-one help with academic writing and assignment organisation, referencing, time management, study strategies, presentations English and maths. Academic skills workshops are also run throughout the semester.

IT / TECH SUPPORT

The IT Service Desk knows everything about our technology and computer systems, from Wi Fi and mobile access through to audio-visual and conferencing equipment. Visit them at their desk in the main library.

MENTORING

Our alumni and industry connections are ready, willing and available to provide personal guidance and valuable career advice.

CAREER PREPARATION

Connect with the Career Development Centre from day one to access free workshops and one-on-one careers guidance. Their qualified Employment Services Specialists will also facilitate your industry internships and placements.

24 / 7 SECURITY

Your safety is our number-one priority, and our Security team are available on campus 24 / 7. You can drop by their office or give them a call if you ever need assistance.

BOND UNIVERSITY STUDENT ASSOCIATION (BUSA)

BUSA gives students a voice on campus by providing advocacy and support. It is also a vital information hub, connecting you to social networks, clubs, associations and co-curricular activities. For more information, visit busa.com.au

HEALTH AND WELLBEING

Our on-campus Medical Clinic is staffed full-time by a doctor and a nurse. We also offer free confidential counselling from our qualified psychologist and specialised support for students with a disability.

CULTURAL DIVERSITY

Bond University provides a caring, inclusive and respectful environment with support, social networks and clubs for students of different races, religions and cultural backgrounds, including LGBTIQ+ and First Nations students.

RESPECT. NOW. ALWAYS.

Bond University and the Bond University Student Association (BUSA) are jointly committed to a healthy culture of respect and responsibility that provides for a safe and supportive campus for everyone.

DEDICATED INTERNATIONAL STUDENT SUPPORT

Bond has a large contingent of international students, coming from over 90 countries. Our specialist International Student Team can help you manage any issues relating to student visas, Overseas Student Health Cover (OSHC), English language tutoring and personal counselling.

Get assistance with all of your student needs at the Student Business Centre.

A portrait of Francisco Brignone, a young man with short dark hair, smiling. He is wearing a dark blue polo shirt with teal accents on the shoulders and collar. The shirt features the Asics logo on the left chest and 'RUGBY AU' on the right chest. The background is a blurred outdoor setting with a building and trees.

FRANCISCO BRIGNONE

Master of Sport Management
Argentina

The highlight of my time at Bond so far has been the wide range of people I have met from countries all around the world and the exposure to different languages and cultures.

Also, the small class size allows better access to the lecturers to learn from their experience; and the industry opportunities provide the chance to gain experience during our studies.

As a result of these opportunities, I completed an internship with the U20 Australia Rugby Team as part of the Oceania Championship which has helped me to learn how to progress my career in sports management.

A UNIQUE SENSE OF COMMUNITY AND BELONGING

Life as a student at Bond is a rich and rewarding experience leading to genuine friendships and professional connections.

GLOBAL COHORT

Our campus is home to a truly diverse mix of students from all corners of the globe who will challenge and inspire you by opening your eyes to a world of new perspectives. They're highly motivated to succeed, they're actively engaged in campus life and they'll ensure you never feel lost or alone.

ORIENTATION

Bond offers a dedicated orientation session for all new international students to help you find out more about studying and living in Australia and meet other new students from around the world before classes start. Our experienced staff and current students will be on hand to provide important information about studying at Bond, what to expect in your first semester, student associations to be involved in, as well as answer any of your questions. You can also join campus tours and a wide variety of social activities to get to know the campus and local area.

CLUBS AND SOCIETIES

Bond University is renowned for its friendly vibe and active social life, which centres on the huge variety of campus clubs, societies and student events.

They range from academic societies such as the Journalism Students' Association and Law Students' Association through to community welfare, sporting, professional, political and special interest groups.

Our international students can connect with friends from home at on-campus cultural organisations such as the Chinese Students' Association, the Canadian Law Students' Association and more; while religious clubs support our Christian, Jewish and Muslim students (a prayer room is located on campus).

EVENTS ON CAMPUS

There's always something happening on campus, starting with our welcome 'Jingerrri' barbeque held each semester by the Student Society for Indigenous Awareness. There is also Wednesday by the Water - a weekly free barbeque lunch on the banks of Lake Orr.

Other groups hold film nights, fundraisers and social get-togethers, and, in honour of our diverse global cohort, various clubs organise special celebrations to coincide with international and multicultural festivals, including the Super Bowl, Canada Day, Chinese New Year and our Global Food Festival.

BOND UNIVERSITY STUDENT ASSOCIATION (BUSA)

Student activities are organised under the umbrella of BUSA which also serves as the student representative body on academic and administrative issues.

All students pay a Student Activities Membership (SAM) fee each semester which covers the cost of their membership to all University clubs and societies, and access to all facilities and classes at the Bond University Sports Centre.

RELIGION

Australia is a multicultural society where you are free to practise your religion. Most of the world's religions are represented on the Gold Coast, and you will find many places of worship near campus. As a Bond student, you will be supported in your faith through a number of religious clubs and societies, as well as a multifaith prayer room. All food outlets on campus serve halal and vegetarian food options.

FOOD

Between our small classes and active social life, you'll know almost everyone on campus by the end of your first semester. And you'll find plenty of places to catch up with your new friends for coffee, lunch or a night out without having to leave the campus:

- Lakeside Bar and Restaurant - A collective dining experience with food from every corner of the globe
- Bond Express - Our on-campus convenience store, also serving snacks and beverages
- Papyrus Café - For hot and cold drinks, light meals and snacks
- Don's Tavern - Our fully licensed bar and social hub of the University
- University Club - Gourmet à la carte fine dining overlooking Lake Orr
- Coffee Cart at Palm Court - For a quick caffeine or sugar fix
- Pulse Café - For hot and cold drinks, light meals and snacks
- Kinetic Café - At the Bond Institute of Health & Sport

Just outside the campus, you will find even more options for eating and socialising at Varsity Lakes Market Square, which has coffee shops, restaurants, a pub and a supermarket.

SPORT AND FITNESS

Bond offers a variety of opportunities to get involved in sports. See the next page for more information about our Sports Centre, sports facilities, sports clubs and more.

SPORT IS IN OUR DNA

Sport and education are entwined at Bond University. We have a proud sporting tradition and we provide opportunities for students to participate at a social, competitive or professional level.

BOND UNIVERSITY SPORTS CENTRE

The University's multi-million dollar Sports Centre incorporates a state-of-the-art gymnasium, TRX Suspension Training Studio, boxing circuit training room, and a regular timetable of group exercise classes. Bond's Aquatic Centre includes a 50m Olympic-size heated swimming pool and a FINA-rated 10-lane, 25m pool. The campus also features extensive outdoor sporting facilities for rugby, AFL, cricket and tennis as well as indoor basketball, netball, esports, futsal, badminton, volleyball, cricket nets and squash courts.

SPORT CLUBS

Joining a sporting club is a great way to meet new friends and Bond has more than 20 to choose from. Competing under the Bond Bull Sharks banner you'll have the opportunity to compete in the Australian University Nationals.

HIGH PERFORMANCE SPORTS

Bond has key performance sports including swimming, rugby, rugby sevens (men and women), AFL (men and women), triathlon, netball, equestrian and esports offering world-class coaching, facilities and partnerships to ensure we compete at the highest level both domestically and internationally. Olympic and international athletes of distinction populate the sports in these programs.

ESPORTS

A recent addition to Bond's high performance sports facilities is the state-of-the-art Esports Hub. Devoted to competitive video-gaming, the Esports Hub is equipped with 12 high-performance gaming machines, a training and coaching facility for analysis and strategy and the ability to stream to Bond's 500-seat theatre for an audience.

ELITE SPORT PROGRAM

Bond University is a member of the Australian Sport Commission's Elite Athlete Education Network (EAEN), which provides flexible study loads and requirements for athletes at the very top of their sport. Athletes competing at a state, national or international level in their chosen sport are invited to apply to the Bond Elite Sport Program.

SPORTS RESEARCH

The Bond Institute of Health & Sport is a world-class teaching and training centre which regularly hosts international athletes and professional teams. Specialist training and preparation facilities of the Institute's High Performance Training Centre include a 25m indoor lap pool, temperature controlled recovery pools, oxygen-regulated altitude training room and the sports science laboratories. The Institute is also used extensively by students studying exercise and sports science, physiotherapy and occupational therapy.

Bond University's Sports Centre, featuring a world-class gym, state-of-the-art Aquatic Centre, group exercise facilities, and more.

LIVING ON THE GOLD COAST

Australia's Gold Coast - it's one of the best places in the world to live and study.

GETTING AROUND THE GOLD COAST

By train - A rail service operates from Robina or Varsity Lakes station close to Bond University, to the Brisbane CBD, Brisbane Airports and other Gold Coast destinations.

By bus - Regular bus services operate from in front of the University to the main shopping, residential and tourist areas on the Gold Coast.

Walking distance from campus - there are shops, a small supermarket, cafes, restaurants and facilities just outside the campus at Varsity Lakes.

GETTING TO BOND UNIVERSITY

From Gold Coast Airport - 30 minute drive

From Brisbane Airport - 1 hour drive

Airport transfers from either the Gold Coast or Brisbane airports can be booked via bond.starrezhousing.com/StarRezPortal

Rideshare services such as Uber, DiDi and Ola are available to and from the airports with designated pick-up zones.

WEEKLY LIVING COSTS*

The Australian Government's Department of Home Affairs requires students to have access to a minimum of \$21,041 per year to fund their living expenses.

	On-campus accommodation	Off-campus accommodation	Homestay
Rent	\$165 - \$570	\$165 - \$440	\$255 - \$275
Food	\$134 - \$166 dining plan**	\$80 - \$280	Included
Electricity, gas, water	Included	\$20 - \$50	Included
Transport	N/A (on campus)	\$15 - \$55	\$20 - \$40
Mobile phone	\$5 - \$10	\$5 - \$10	\$5 - \$10
Entertainment	\$30 - \$100	\$30 - \$100	\$30 - \$100
Total cost per week	\$334 - \$846	\$315 - \$935	\$310 - \$425
Total cost per semester	\$4,676 - \$11,844	\$4,410 - \$13,090	\$4,340 - \$5,950

*Prices are based on a 14-week semester and can vary depending on budget and lifestyle.

**Dining plan is compulsory for those living on campus. Minimum \$2,000 per semester.

OTHER COSTS

When considering the costs associated with your studies, keep in mind that Bond's accelerated schedule means you'll finish your degree sooner and be out in the workforce up to a year earlier than if you went to another university. This time saving also represents a substantial reduction in accommodation and living costs, plus a full year of extra earnings.

Other costs you will need to budget for include:

- Tuition fees
- Visa application fees
- Overseas Student Health Cover (OSHC)
- Student Activities Membership (SAM) Fee
- Flights
- Cost of living
- Other personal and study-related expenses

Free WiFi

Free Gym

Free Parking

ACCOMMODATION

Bond is located in a landscaped residential neighbourhood with a wide range of on-campus and off-campus accommodation available for our students within easy walking distance of all University study and recreational facilities.

ON-CAMPUS

On-campus housing offers your choice of air-conditioned single or shared rooms. Residents benefit from one-on-one academic and personal support from the live-in team of Senior Resident Fellows, Resident Student Fellows and Tutor Fellows.

MEAL PLANS

For students living on campus, it is compulsory to have a dining plan. These flexible prepaid plans can be used to purchase meals on campus at Lakeside Bar and Restaurant, Papyrus Café, Don's Tavern, Coffee Cart at Palm Court, Bond Express, Pulse Café and the University Club.

APPLYING FOR ON-CAMPUS ACCOMMODATION

Our on-campus rooms are in high demand, so we recommend you complete your application as soon as the accommodation booking period opens.

To view rooms online: bond.edu.au/accommodation

HOMESTAY

Homestay accommodation offers students a fully supported living experience with a local host family. Bond University's homestay program is professionally managed by the Australian Homestay Network.

homestaynetwork.org

SHARE ACCOMMODATION

Students regularly advertise for flatmates in a variety of units, townhouses and larger homes located in suburbs adjacent to the campus (Varsity Lakes, Robina) and further afield.

Popular website: flatmates.com.au

OFF-CAMPUS

There is a wide range of rental accommodation surrounding the University if you would like to live off campus. Options include houses or apartments on a single or shared basis with weekly rent varying, depending on size, location and the number of bedrooms. You will also need to budget for a security deposit (bond), food, electricity and internet.

COUPLE AND FAMILY ACCOMMODATION

There is a variety of rental accommodation available across the Gold Coast, ranging from beachside apartments to suburban family homes near schools, business precincts and retail centres.

Popular websites:

realestate.com.au

domain.com.au

Premium Single Room - accommodation offered through on-campus housing (Building 7, South Tower).

SCHOLARSHIPS AND FINANCIAL AID

One of the key ways Bond University identifies future leaders is through our scholarship program.

BOND UNIVERSITY SCHOLARSHIPS AND BURSARIES

Bond offers a number of part-tuition scholarships and bursaries to international students for undergraduate, postgraduate and research degrees. Applicants will need to demonstrate outstanding academic ability, strong leadership skills and community engagement. Visit our website for selection criteria, conditions and application closing dates.

bond.edu.au/scholarships

AUSTRALIAN GOVERNMENT SCHOLARSHIPS

The Australian Government funds scholarships for next-generation leaders from around the world to undertake study and research in Australia. The Australia Awards Scholarships provide opportunities for citizens of developing countries in Asia, the Pacific, the Middle East and Africa to study full-time in Australia at undergraduate or postgraduate level.

dfat.gov.au/australia-awards

HELP FROM HOME

Many countries offer their citizens scholarships, grants or some form of student loans for overseas study. For the most up-to-date advice, go to your country's government website.

Postgraduate and research funding may also be available through your home university, your employer or professional organisations in your country or region.

bond.edu.au/financing-your-studies

STUDENT OPPORTUNITY FUND

The Student Opportunity Fund provides grants of up to AUD\$2,000 to help finance unique and outstanding 'beyond the classroom' educational experiences for our current students, including academic, leadership and other extracurricular activities. Visit our website for eligibility and application dates.

bond.edu.au/student-opportunity-fund

A portrait of Charmaine Chong, a young woman with long dark hair and glasses, smiling. She is wearing a white cardigan over a colorful floral dress. She is standing against a light-colored stone wall.

CHARMAINE CHONG

International Scholarship Recipient

**Bachelor of International Relations / Bachelor of Laws
Malaysia**

My experience at Bond has been amazing. Being able to finish my combined degree up to a year ahead of other universities, and the high quality teaching and learning environments, drove my decision to come to Bond.

The small classes here have allowed me to engage more with other students and build better relationships with my lecturers. The staff are incredibly kind and helpful, which helped me to adjust into a whole new environment very quickly.

CAREER DEVELOPMENT CENTRE

Whether you want to change the world, change your community or change your life, the journey to your future starts on campus at the Career Development Centre (CDC).

From your first weeks at University, our team of qualified Employment Services Specialists can help you develop your career goals or guide you through the career change process. They offer a range of workshops, seminars and networking functions, and will work with you one-on-one to identify career opportunities, write applications and resumes, make connections with key employers and recruitment agencies, and prepare for interviews.

You'll find job listings in 24 countries worldwide on the online careers and employment portal, which can put you in contact with graduate recruitment representatives in your field. They also host Bond's annual Job and Internship Fair and over 50 employer events a year.

The CDC also serves as the vital link between students and our industry partners to manage internships and placements that offer practical experience and potential career contacts with leading Australian and international employers.

Our industry partners include many leading organisations such as:

- Accor
- AECOM
- ANZ
- Australian Stock Exchange
- Australian Football League
- Amnesty International

- Australian Institute of Sport
- Australian Rugby Union
- Gold Coast Health
- InterContinental
- John Flynn Private Hospital
- KPMG
- Lend Lease
- Macquarie Group
- Marriott
- Mercer
- Pindara Private Hospital
- PwC
- Quantum
- Suncorp Group
- Sunland Group
- World Surf League

Ongoing career support is available to all Bond students even after they graduate, providing you with life-long advice and guidance, as well as access to the online careers portal.

bond.edu.au/cdc

CAREER DEVELOPMENT CENTRE

Find job listings in 24 countries worldwide on our online careers and employment portal.

INTERNSHIPS AND PLACEMENTS

The Career Development Centre is a vital link between students and industry partners. In 2019, the CDC assisted with 750 industry placements for Bond students.

GLOBAL ALUMNI NETWORK

As a Bond graduate, you will become a member of a worldwide alumni network, providing you with contacts, support and friendship wherever you may go.

On campus, you'll benefit from the global perspectives and experience that our diverse student cohort bring to the classroom, discussions and group assignments. You'll also form lifelong friendships and empowering relationships with people from all over the world.

These connections are maintained and developed long after you graduate through Bond's active Alumni Association.

With more than 28,000 graduates now living and working in over 130 countries, you'll find Bond Alumni Committees active in every corner of the globe; willing to offer help, friendship and professional connections.

Our Alumni also play an active role in life on campus:

- Offering our students exclusive work experience opportunities, internships and clinical placements
- Sharing their wealth of life and career experience as regular guest speakers and lecturers
- Partnering with individual students through our Alumni Mentor Program
- Contributing to the University's Ambition Fund.

WHAT CAN I STUDY?

Bond University provides options for all levels of tertiary study - from English language and academic preparation programs through to bachelor's, master's and doctorate degrees.

UNDERGRADUATE PROGRAMS

BACHELOR'S DEGREE

Admission to a bachelor's degree is usually based on high school academic results and English language criteria.

PATHWAY OPTIONS

If you don't meet the academic entry requirements for your chosen bachelor's degree, you could study the Bond University College Foundation Program, Diploma Preparation Program or a Higher Education Diploma at Bond University College as a pathway first. See page 76 for further details.

POSTGRADUATE PROGRAMS

Admission to postgraduate coursework degrees generally requires a bachelor's degree from a recognised university, however in some cases, extensive career experience in a relevant industry may meet the entry criteria.

Bond also offers 'Professional' master's programs for students in a range of different study areas, where you can incorporate a 20-week work integrated learning semester to complement your postgraduate program. This extensive industry experience will improve your knowledge, skills and employability, helping you stand out to future employers.

HIGHER DEGREES BY RESEARCH (HDR)

Admission to HDR programs generally requires a bachelor's degree with Class I or Class II Honours, a postgraduate qualification incorporating a significant research component, or a record of significant research experience deemed to be of a comparable standard to a bachelor's degree with Class I or Class II Honours. See page 75 for further details.

ENGLISH LANGUAGE ENTRY REQUIREMENTS

Bond University has specific English language entry requirements for each of our programs. See page 82 or the individual program listings for further details.

CREDIT TRANSFER

You may be able to transfer subject credits into your chosen Bond degree for previous post-secondary studies in a relevant or related field. You can apply for a credit transfer by including certified copies of transcripts from your previous studies, detailed course outlines and subject descriptions. For more information, visit bond.edu.au/credit.

GRADUATE SOONER WITH OUR THREE SEMESTER SYSTEM

Bond's teaching calendar is based on three semesters per year, rather than the usual two. Our programs start earlier in the year, with shorter breaks between each semester so you can graduate much sooner. You could also complete a combined degree or an undergraduate and postgraduate degree in less time than it would take to complete a single degree at another university.

Our semester start dates are in January, May and September to give you more flexibility about when you start your degree.

STUDY SCHEDULE

International students must commit to a full-time study load as a requirement of their Australian student visa. A full-time study load is the equivalent of three to four subjects per semester.

The John & Alison Kearney Main Library houses over 240,000 ebooks, 120,000 physical items and 75,000 electronic and print journals.

UNDERGRADUATE STUDY OPTIONS

There's a lot to consider when deciding what you will study. Knowing where your degree will take you after you graduate is very important. Use this index to explore your study options based on your career interests.

ARCHITECTURE AND BUILT ENVIRONMENT

For careers relating to architecture, real estate, property, construction management and quantity surveying.

Bachelor of Construction Management and Quantity Surveying	33
Bachelor of Design in Architecture	32
Bachelor of Project Management	36
Bachelor of Property	36
▲ Diploma of Built Environment	80

COMMUNICATION AND CREATIVE MEDIA

For careers relating to advertising, film and television, digital media, communication and media, journalism, marketing and public relations.

Bachelor of Arts	32
Bachelor of Communication	34
Bachelor of Communication (Business)	34
Bachelor of Creative Arts	34
Bachelor of Film and Television	34
Bachelor of Film and Television (3 Year Program)	34
Bachelor of Journalism	35
▲ Diploma of Arts	80

BUSINESS AND COMMERCE

For careers relating to accounting, actuarial science, big data, economics, entrepreneurship, finance, hotel and tourism management, international business, management, sport management and marketing.

Bachelor of Actuarial Science (Honours available)	50
Bachelor of Actuarial Science (3 Year Program)	50
Bachelor of Business	50
Bachelor of Business (3 Year Program)	50
Bachelor of Business Data Analytics	51
Bachelor of Business Data Analytics (3 Year Program)	51
Bachelor of Commerce	51
Bachelor of Commerce (3 Year Program)	51
Bachelor of International Hotel and Tourism Management	52
Bachelor of International Hotel and Tourism Management (3 Year Program)	52
Bachelor of Sport Management	52
▲ Diploma of Business	80

HEALTH SCIENCES AND MEDICINE

For careers relating to exercise and sports science, health sciences, biomedical science and medicine.

Bachelor of Biomedical Science	68
Bachelor of Exercise and Sports Performance	68
Bachelor of Exercise and Sports Science	68
Bachelor of Health Sciences (Honours available)	69
Medical Program^	69
▲ Diploma of Health Sciences	81

^Please note that direct entry into the Bond Medical Program is currently not available for international students.

There are a number of pathways available to international students to join the Medical Program, including successful completion of the Bachelor of Biomedical Science (in the Pre-Health Professional major), the Master of Occupational Therapy, the Doctor of Physiotherapy or the Master of Nutrition and Dietetic Practice. Upon completion of one of these degrees, and meeting the minimum required GPA, students will be eligible to be considered for selection to enter Year 2 of the Medical Program.

▲ Academic pathway program for those who cannot obtain direct entry, please refer to page 80 for more details.

HUMANITIES, LANGUAGES AND INTERNATIONAL STUDIES

For careers relating to Australian studies, language and culture, international relations, politics, international trade and philosophy.

Bachelor of Arts	32
Bachelor of Global Studies (Sustainability)	35
Bachelor of International Relations	35
Bachelor of International Relations (3 Year Program)	35
Bachelor of Policy, Philosophy and Economics	36
▲ Diploma of Arts	80

SOCIAL SCIENCES, PSYCHOLOGY COUNSELLING AND CRIMINOLOGY

For careers relating to criminology, counselling, behaviour management and psychology.

Bachelor of Arts	32
Bachelor of Psychological Science (Honours available)	37
Bachelor of Social Science	37
▲ Diploma of Arts	80

LAW

For careers relating to law, dispute resolution, business law, corporate and commercial law.

Bachelor of Business Law	62
Bachelor of Jurisprudence	62
Bachelor of Laws	62
▲ Diploma of Legal Studies	81

COMBINED DEGREE OPTIONS

Bond University offers a range of combined degrees.

Bachelor of Actuarial Science / Bachelor of Laws
Bachelor of Arts / Bachelor of Laws
Bachelor of Biomedical Science / Bachelor of Laws
Bachelor of Business / Bachelor of Commerce
Bachelor of Business / Bachelor of Laws
Bachelor of Business / Bachelor of Social Science
Bachelor of Commerce / Bachelor of Laws
Bachelor of Communication / Bachelor of Laws
Bachelor of Communication (Business) / Bachelor of Laws
Bachelor of International Relations / Bachelor of Business
Bachelor of International Relations / Bachelor of Laws
Bachelor of Journalism / Bachelor of Laws
Bachelor of Psychological Science / Bachelor of Laws

POSTGRADUATE STUDY OPTIONS

There's a lot to consider when deciding what you will study. Knowing where your degree will take you after you graduate is very important. Use this index to explore your study options based on your career interests.

ARCHITECTURE AND BUILT ENVIRONMENT

For career progression and professional development in the fields of project management, construction practice, planning, architecture and property valuation.

Master of Architecture	38
Master of Architecture (Professional)	38
Master of Building Information Modelling and Integrated Project Delivery	40
Master of Building Surveying	40
Master of City Planning	41
Master of City Planning (Professional)	41
Master of Construction Practice	42
Master of Construction Practice (Professional)	42
Master of Project Innovation	44
Master of Project Management	45
Master of Project Management (Professional)	45
Master of Valuation and Property Development	47
Master of Valuation and Property Development (Professional)	47
Graduate Diploma in Architecture	38
Graduate Diploma in Building Information Modelling and Integrated Project Delivery	40
Graduate Diploma in City Planning	41
Graduate Diploma in Construction Practice	42
Graduate Diploma of Valuation and Property Development	47
Graduate Certificate of Valuation and Property Development	47
Graduate Certificate in Building Information Modelling and Integrated Project Delivery	40
Graduate Certificate in Construction Practice	42
Master of Philosophy	75
Doctor of Philosophy	75

BUSINESS AND COMMERCE

For career progression and professional development in the fields of accounting, actuarial science, business, data analytics, entrepreneurship, finance, hotel and tourism management and sport management.

Master of Accounting	53
Master of Accounting (Professional)	53
Master of Actuarial Practice	53
Master of Actuarial Science	54
Master of Actuarial Science (Professional)	54
Master of Actuarial Science (Specialisation)	54
Master of Business	54
Master of Business (Professional)	54
Master of Business Administration	55
Master of Business Administration (Professional)	55
Master of Business Data Analytics	56
Master of Business Data Analytics (Professional)	56
Master of Finance	57
Master of Finance (Professional)	57
Master of Financial Management	57
Master of Financial Management (Professional)	57
Master of International Hotel and Tourism Management	58
Master of International Hotel and Tourism Management (Professional)	58
Master of Management	58
Master of Sport Management	59
Master of Sport Management (Professional)	59
BBT Global Leadership MBA 	58
Graduate Diploma in Business Administration	55
Graduate Diploma in Sport Management	59
Graduate Certificate in Business	54
Graduate Certificate in Business Administration	55
Graduate Certificate in Data Analytics	56
Graduate Certificate in Sport Management	59
Master of Philosophy	75
Doctor of Philosophy	75

COMMUNICATION AND CREATIVE MEDIA

For career progression and professional development in the fields of advertising, communication and media and public relations.

Master of Communication	41
Master of Communication (Professional)	41
Master of Philosophy	75
Doctor of Philosophy	75

Program also available online.

HEALTH SCIENCES AND MEDICINE

For career progression and professional development in the fields of health, medicine, occupational therapy, nutrition and physiotherapy.

Master of Healthcare Innovations	70
Master of Nutrition and Dietetic Practice	71
Master of Occupational Therapy	73
Doctor of Physiotherapy	74
Graduate Diploma in Healthcare Innovations	70
Graduate Diploma in Nutrition	71
Graduate Certificate in Health Systems	70
Graduate Certificate in Nutrition	71
Medical Program [^]	69
Master of Science by Research (Health Sciences)	74
Doctor of Philosophy	75

HUMANITIES, LANGUAGES AND INTERNATIONAL STUDIES

For career progression and professional development in the fields of applied linguistics, TESOL, language and culture, international relations, politics, policy and global governance.

Master of Arts (Coursework)	39
Master of Arts (TESOL)	39
Master of Arts (TESOL) (online) 	39
Master of International Relations	44
Master of International Relations (Professional)	44
Graduate Certificate in TESOL	39
Graduate Certificate in TESOL (online) 	39
Master of Arts (by Research) 	39
Master of Philosophy	75
Doctor of Philosophy	75

LAW

For career progression and professional development in the fields of business law, corporate and commercial law, dispute resolution, international trade law, and philosophy.

Juris Doctor	63
Master of Laws	64
Master of Legal Administration	64
Master of Laws in International Commercial Law (online) 	64
Graduate Diploma in Legal Practice	65
Master of Laws (by Research)	65
Doctor of Legal Science (Research)	65
Doctor of Philosophy	75

SOCIAL SCIENCES, PSYCHOLOGY, COUNSELLING AND CRIMINOLOGY

For career progression and professional development in psychology and criminology.

Master of Criminology	43
Master of Criminology (Professional)	43
Master of Psychology (Clinical)	46
Master of Professional Psychology	46
Graduate Diploma of Psychological Science	46
Graduate Certificate in Criminology	43
Master of Philosophy	75
Doctor of Philosophy	75

HIGHER DEGREES BY RESEARCH

For career progression in a range of research related disciplines.

Master of Arts (by Research)	47
Master of Laws (by Research)	65
Master of Philosophy	75
Master of Science by Research (Health Sciences)	74
Doctor of Legal Science (Research)	65
Doctor of Philosophy	75

COMBINED DEGREE OPTIONS

Bond University offers a range of combined degrees.

Master of Architecture / Master of Project Management
Master of Accounting / Master of Business Administration
Master of Finance / Master of Business Administration
Master of Business Administration / Master of Project Management
Master of City Planning / Master of Project Management
Master of Communication / Master of Project Management
Master of Construction Practice / Master of Project Management
Master of Criminology / Master of Project Management
Master of International Relations / Master of Project Management
Master of Sport Management / Master of Project Management
Master of Valuation and Property Development / Master of Project Management
Master of Project Innovation / Master of Project Management

Program also available online.

[^]Please note that direct entry into the Bond Medical Program is currently not available for international students.

There are a number of pathways available to international students to join the Medical Program, including successful completion of the Bachelor of Biomedical Science (in the Pre-Health Professional major), the Master of Occupational Therapy, the Doctor of Physiotherapy or the Master of Nutrition and Dietetic Practice. Upon completion of one of these degrees, and meeting the minimum required GPA, students will be eligible to be considered for selection to enter Year 2 of the Medical Program.

FACULTY OF SOCIETY & DESIGN

Annual Abedian School of Architecture Spring Show - Architecture Student Exhibition.

RESEARCH INTENSIVE

The Faculty of Society & Design houses the Interdisciplinary Centre for the Artificial Mind (iCAM) and the Centre for Comparative Construction Research.

AT THE FOREFRONT OF SUSTAINABILITY

Our Sustainability Building was the first building in Australia to achieve a 6 Star Green Star - Education PILOT Certified Rating for design by the Green Building Council of Australia.

GLOBAL ENDORSEMENTS

Accreditation benefits our students by producing graduates who are ready for the workforce. See bond.edu.au/fsd for a full list of Bond's accreditations.

FILM AND TELEVISION STUDIOS

Students have access to state-of-the-art film facilities and equipment, such as the Sony F65 camera, 35mm and 16mm camera kits, all with Zeiss prime lenses, and high-end Panasonic Cine-HD cameras. There are over 40 editing stations, with Avid Media Composer and Final Cut Pro, Pro-Tools LE and 5.1 HD audio mixing suites, and a fully equipped three-camera digital television studio.

PSYCHOLOGY CLINIC

A first-class teaching and research facility, the Bond University Psychology Clinic is a private University teaching clinic offering mental health services to the Gold Coast community. Student psychologists working in the Clinic have completed at least four years of full-time equivalent university training in psychology and undertake their internships under the supervision of highly qualified academic staff.

DIGITAL IMMERSION LAB AND DIGITAL DESIGN LAB

The Digital Immersion Lab is a creative space that is fitted out with state-of-the-art equipment including the latest PC and gaming consoles, virtual reality technologies and an extensive library of game titles. The Digital Design Lab is a cutting-edge teaching space with the latest development software and technology, such as 3D printing, VR / AR and hi-spec PCs.

ABEDIAN SCHOOL OF ARCHITECTURE

The Abedian School of Architecture is an award-winning, design-driven professional school, characterised by an international outlook and motivated by the goal of graduating architects capable of shifting the direction of future practice. All students get their own desk and 24 / 7 access to the building, as well as being taught in small, hands-on classes through a collaborative design studio environment.

INDUSTRY LINKS

The Faculty of Society & Design has developed industry partnerships with leading organisations including:

- AECOM
- Amnesty International
- Australian Good Food Guide
- Australian Institute of Building Surveyors
- Australian Institute of International Affairs
- Australian Institute of Project Management
- Australian Institute of Quantity Surveyors
- Australian Property Institute
- Channel 7 Australia
- Channel 10 Australia
- General Electric
- Gold Coast Bulletin
- Lend Lease
- National Association of Women in Construction (NAWIC)
- Royal Institute of Chartered Surveyors
- Screen Queensland
- Smart Erickson
- Sunland Group
- Turner & Townsend
- Washington Internship Institute

UNDERGRADUATE DEGREES

Architecture	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Design in Architecture CRICOS Course Code 0101291	6.5 (6.0)	Jan May Sep	6 semesters (2 years)	27	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- Designed to prepare you with theoretical and practical experience relating to design, problem solving, construction and communication that can be applied to a wide range of careers.

CAREER OUTCOMES

- Graduates of this degree may gain employment in architectural firms, government, construction, development, infrastructure and planning industries in Australia and around the world.
- Successful completion of this program will enable you to progress to Bond's Master of Architecture (CRICOS 078184J), which can lead to becoming a Registered Architect.

Taught in the Abedian School of Architecture, where you'll have 24 / 7 access.

Learn from industry-leading architects through tutorials, critiques, competitions and the Architecture Lecture Series.

Arts	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Arts CRICOS Course Code 063052M	6.5**	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- A generalist program offering you flexibility in your choice of majors with the opportunity to either specialise in a particular area of study, or to select complementary majors.

MAJORS

You will complete two or three majors, or one double major, from the list below:

- Advertising
- Advertising Design & Production[#]
- Australian Studies
- Behaviour Management and Counselling
- Chinese Language and Culture
- Cinema Journalism[#]
- Communication
- Corporate Storytelling
- Counselling Interventions
- Criminology[#]
- Digital Media
- Film and Television[#]
- French Language and Culture

- Global Studies (Sustainability)
- International Relations[#]
- Japanese Language and Culture
- Journalism
- Language and Culture
- Media Studies
- Philosophy
- Psychology[#]
- Public Relations
- Social Media
- Spanish Language and Culture

[#]Denotes a double major can be undertaken in this area.

PATHWAYS

- The Diploma of Arts provides a pathway to the Bachelor of Arts for those who do not meet the entry requirements (refer to page 80)

COMBINED PROGRAM

- Bachelor of Arts / Bachelor of Laws (CRICOS 093912A)

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

**IELTS score 6.5 (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)

Learn in the multi-award winning Abedian School of Architecture featuring open plan studios, exhibition spaces, fabrication workshops and even a digital robotics lab.

UNDERGRADUATE DEGREES

Construction Management and Quantity Surveying	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Construction Management and Quantity Surveying CRICOS Course Code 078183K	6.5 (6.0)	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- This degree covers a comprehensive range of subjects in the field of construction management and quantity surveying, focusing on the management and delivery of complex construction projects.
- The program addresses a range of topics including construction techniques, contract administration, finance, planning processes, plant and equipment, and risks.
- Contains a strong sustainability theme that equips you with distinctive skills that are highly sought after in the built environment sector.

PROFESSIONAL RECOGNITION

- Upon successful completion of this program, you will be internationally recognised by Royal Institution of Chartered Surveyors (RICS), as well as the Chartered Institute of Building (CIOB).
- This program is nationally accredited with the Australian Institute of Quantity Surveyors (AIQS), and meets the educational requirement set by the Queensland Building and Construction Commission (QBCC) for the granting of an Open Builders License.

CAREER OUTCOMES

- Building and construction management
- Contract administration
- Site management
- Facilities management
- Building services
- Quantity surveying
- Property development
- Project management
- Cost management
- General management
- Skills applicable to civil engineering sector and mining sector

PATHWAYS

- The Diploma of Built Environment provides a pathway to the Bachelor of Construction Management and Quantity Surveying for those who do not meet the entry requirements (refer to page 80).

CHENG DONG LIN

Bachelor of Construction Management and Quantity Surveying
China

Bond is a unique private university which provides you with a very rewarding student experience.

It has been very valuable to learn from lecturers who are leaders in the industry and the assignments are practical and relate to the real world.

I was able to apply this practical knowledge while gaining work experience with a local quantity surveying company during my studies.

UNDERGRADUATE DEGREES

Communication	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Communication CRICOS Course Code 063062J	6.5**	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)
Bachelor of Communication (Business) CRICOS Course Code 063063G	6.5**	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)

BACHELOR'S PROGRAM

- The ideal mix of theory and practice, combining foundational studies in communication and media with focused studies in professional disciplines including journalism, public relations, advertising and marketing.

BACHELOR'S PROGRAM (BUSINESS)

- Provides you with the knowledge and skills to work in marketing, advertising, organisational behaviour and communication.
- Explore the communication and business industry while tailoring your studies to your career ambitions.

MAJORS*

You will complete six subjects from one of the following specialist areas:

- Advertising
- Creative Writing

- Communication and Society
- Digital Media
- Journalism
- Media and Social Media
- Public Relations

*Bachelor of Communication (Business) students have the option to take one of the above majors as an elective option

COMBINED PROGRAMS

- Bachelor of Communication / Bachelor of Laws (CRICOS 093915J)
- Bachelor of Communication (Business) / Bachelor of Laws (CRICOS 093914K)

CAREER OUTCOMES

- Graduates could seek employment as a Copywriter, Event Coordinator, Journalist, Marketing Manager, Media Buyer or Public Relations Practitioner.

Creative Arts	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Creative Arts CRICOS Course Code 092144M	6.5**	Jan Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- Creative industries are a core part of the global emerging services economy, and this innovative program tailors its offerings to students' unique ambitions and interests.
- Choose from over 40 specialist majors including Social Media, Advertising, Communication, Film and Television, Media Studies, Criminology, International Relations, Australian Studies, Language and Culture, Marketing and Entrepreneurship and Innovation, to name a few.

MAJORS

This program contains three major studies:

- A compulsory major in Creative Writing

- A choice of major in a creative discipline
- A choice of major from either humanities or business

See bond.edu.au/creative-arts for full list of major options

CAREER OUTCOMES

- Graduates of this program can seek a wide range of employment opportunities depending on their chosen majors.
- Possible roles include creative writing, publishing, screenwriting, screen production, journalism, content creation, brand journalism, podcasting, copywriting, social and digital media content creation, digital curatorship, graphic design, games writing, TV production, multi-media design, video animation, creative direction.

Film and Television	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Film and Television CRICOS Course Code 063066E	6.5**	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)
Bachelor of Film and Television (3 Year Program) CRICOS Course Code 077410A	6.5**	Jan Sep	6 semesters (3 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- A heavily hands-on and project-based degree that balances practical filmmaking production experience with creative practice theory.
- Focused on visual storytelling through directing, producing, screenwriting, cinematography, editing, sound and production design.
- You will gain skills in traditional and emerging production technologies, develop cinema aesthetics, critical faculties, and receive insight into the commercial and industrial aspects of the international film and television industry.

3 YEAR PROGRAM

- For international students who wish to study via a two semester model where you will study in January and September semesters.

CAREER OUTCOMES

- Cinematographer
- Director
- Editor
- Producer
- Production designer
- Screenwriter
- Sound designer
- Content creator

You will work on at least nine film projects over the course of your degree.

You will have complete access to all 24 / 7 Film and Television facilities. These come equipped with Hollywood and industry standard state-of-the-art filming technology, with over 40 Mac editing suites, recording studio, digital television studio, audio mixing suites, control room and production suites.

**IELTS score 6.5 (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

UNDERGRADUATE DEGREES

Global Studies (Sustainability)	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Global Studies (Sustainability) CRICOS Course Code 078186G	6.5**	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- Integrates economic, social and environmental perspectives of sustainability to business, government and community.
- The program takes a multidisciplinary approach to addressing complex challenges of global sustainability.
- You will gain an increased understanding of critical sustainability issues in global and local contexts.
- Upon completion, you will have the cognitive skills to identify, analyse and synthesise knowledge relating to different causes and possible solutions of global sustainability challenges.

CAREER OUTCOMES

- Community development
- Agriculture
- Ethical supply chain management
- Diplomacy and trade

International Relations	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of International Relations CRICOS Course Code 063074E	6.5**	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)
Bachelor of International Relations (3 Year Program) CRICOS Course Code 094543B	6.5**	Jan Sep	6 semesters (3 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- Enhance your international perspective and understanding of world politics and policies, as well as world development and international issues.
- You will have the opportunity to take part in active learning exercises throughout your degree, such as for-credit internships in Australia and overseas, as well as Model UN programs around the world.

MAJORS

Students must choose one (1) of the following majors:

- Australian Studies
- Digital Media
- Global Studies (Sustainability)
- Language and Culture (Choose either Japanese, Chinese, Spanish or French)

3 YEAR PROGRAM

- For international students who wish to study via a two semester model where you will study in January and September semesters.

CAREER OUTCOMES

- Defence
- Diplomacy
- Foreign affairs
- International business
- Media
- Trade

COMBINED PROGRAMS

- Bachelor of International Relations / Bachelor of Business (CRICOS 088310C)
- Bachelor of International Relations / Bachelor of Laws (CRICOS 093916G)

Journalism	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Journalism CRICOS Course Code 063077B	6.5**	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- Students are trained in news writing, broadcast reporting, photography, media rounds and industries, digital publication and design, media ethics and law.
- Students will have the opportunity to report for local, national and international media outlets throughout their degree and can undertake internships in Australia or internationally in places like New York, Washington DC and London.

MAJORS

You will be able to choose one major from the list below:

- Advertising
- Australian Studies
- Business Context and Environment
- Chinese Language and Culture
- Communication
- Corporate Storytelling
- Creative Writing
- Criminology
- Digital Media

- Entrepreneurship and Innovation
- Film and Television
- French Language and Culture
- Global Studies
- International Relations
- Japanese Language and Culture
- Legal, Government and Crime Studies
- Marketing
- Marketing Communication
- Media and Social Media
- Philosophy
- Psychology
- Public Relations
- Social Media
- Spanish Language and Culture
- Sport Industry

UNDERGRADUATE DEGREES

Psychological Science	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Psychological Science CRICOS Course Code 062655C	7.0 (6.5)	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)
Bachelor of Psychological Science (Honours) CRICOS Course Code 063047G	7.0 (6.5)	Jan May Sep	2 semesters	7	\$38,990 (\$19,495 per semester)

PROGRAM DESCRIPTION

- Provides you with a scientific understanding of normal psychological processes such as perception, memory, learning, motivation, psychobiology, personality, emotion, developmental psychology and social relationships, as well as training in abnormal psychology.

HONOURS

- An Honours program is available for this degree. Applicants are assessed on merit and must have achieved a minimum GPA of 2.5 / 4.0 for all second and third level psychology subjects in their undergraduate studies.

RECOMMENDED STUDY PATHWAYS

The recommended pathways to becoming a registered Clinical Psychologist are:

- Bachelor of Psychological Science > Bachelor of Psychological Science (Honours) > Master of Psychology (Clinical)

- Bachelor of Psychological Science > Graduate Diploma of Psychological Science > Master of Psychology (Clinical)
- Bachelor of Psychological Science > Bachelor of Psychological Science (Honours) > Master of Professional Psychology
- Bachelor of Psychological Science > Graduate Diploma of Psychological Science > Master of Professional Psychology

COMBINED PROGRAM

- Bachelor of Psychological Science / Bachelor of Laws (CRICOS 093921M)

CAREER OUTCOMES

- Counselling
- Human resources
- Further studies in psychology leading to careers as a registered psychologist

Social Science	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Social Science CRICOS Course Code 063082E	6.5**	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- Encompasses a mix of several disciplines including criminology, psychology, counselling and behaviour management.
- The program allows you to combine subjects to complete a degree whose title reflects a specialisation of studies in the social sciences area of the Faculty.

MAJORS

You will complete two majors or a double major from one of the following options:

- Double major in Criminology
- Psychology and Criminology
- Psychology and Counselling Interventions
- Criminology and Counselling Interventions

COMBINED PROGRAM

- Bachelor of Business / Bachelor of Social Science (CRICOS 088309G)

CAREER OUTCOMES

- Welfare
- Government departments
- Disability services
- Disability officer
- Case workers
- Client support and advocacy
- Behavioural difficulties of children in educational settings

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

**IELTS score 6.5 (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)

Learn from internationally recognised academics and start to build the necessary skills to pursue further study to gain full registration as a Psychologist.

POSTGRADUATE DEGREES

Architecture	IELTS	Starting	Duration	Subjects	Fee*
Master of Architecture CRICOS Course Code 078184J	7.0 (6.5)	Jan Sep	4 semesters (1 year 4 months)	15	\$90,515 (\$22,629 per semester)
Master of Architecture (Professional) CRICOS Course Code 087931D	7.0 (6.5)	Jan Sep	6 semesters (2 years)	16	\$95,915 (\$18,103 x 5 + \$5,400 professional semester)
Graduate Diploma in Architecture CRICOS Course Code 010141Z	7.0 (6.5)	Jan May	2 semesters (8 months)	8	\$43,540 (\$21,770 per semester)

MASTER'S PROGRAM

- You will experience research initiatives and studio workshops led by distinguished visiting professors and internationally recognised professionals.
- Some of the Abedian School of Architecture's associations include the Architectural Association School of Architecture (UK), The Bartlett School of Architecture, University College (UK), the Pratt Institute (USA) and Virginia Tech (USA).
- Access new design studios, computing and fabrication laboratories, a digital robotics laboratory, traditional workshops, reading and resource rooms, an atelier as well as impressive exhibition and event space.

PROFESSIONAL PROGRAM

- This program follows the same structure as the Master of Architecture, with an additional 12-week professional portfolio subject.
- Provides students with an opportunity to undertake either an internship (eligibility criteria applies) or professional research project, resulting in highly relevant work-preparation upon graduation.

GRADUATE DIPLOMA

- The Graduate Diploma in Architecture is a pathway qualification for students who have already completed an undergraduate degree in a field other than architecture.
- Students study for two semesters full time to acquire foundation knowledge in design, history, construction technology, communications, and urban sustainability. After completion of the Graduate Diploma in Architecture, approved students may then continue on to the accredited Master of Architecture (SD-93017) four-semester program.

ENTRY REQUIREMENTS

Master's

- A combination of qualifications deemed to be equivalent to a standard Australian bachelor's degree in Architecture with a credit average (GPA 2.0 / 4.0 or 5.0 / 7.0) plus a high quality portfolio of design work.

Graduate Diploma

- Completion of an Australian bachelor's degree or equivalent and a portfolio of creative work.

COMBINED PROGRAM

- Master of Architecture / Master of Project Management (CRICOS 087931D)

CAREER OUTCOMES

- Completion of the Graduate Diploma in Architecture, with articulation into the master's academically prepares you to acquire the requisite work experience to gain eligibility towards the professional status of architect in Australia or overseas.
- You will be able to work in architecture firms, government, construction, development, infrastructure and planning industries in Australia and overseas.
- Professional status is governed at the state level in Australia. Professional registration overseas is governed by the relevant professional authority.

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

**IELTS score 6.5 (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)

ANTHONY PANNOLINO

Master of Architecture Alumnus Canada

I chose Bond because of their world-renowned reputation for quality education.

The individual attention given by the teaching staff has been the biggest highlight of my time at Bond and what sets it apart from other Universities. I have also been very impressed by the Architecture Lecture Series and the impressive professionals they bring in to speak and interact with us.

My future goals are to own and operate my own architecture design/build firm that focuses on residential architecture, joinery and furniture fabrication.

POSTGRADUATE DEGREES

Arts	IELTS	Starting	Duration	Subjects	Fee*
Master of Arts (Coursework) CRICOS Course Code 078662F	6.5**	Jan May Sep	3 semesters (1 year)	12	\$50,690 (\$16,896 per semester)

PROGRAM DESCRIPTION

- Suited to all students wishing to further their undergraduate studies in a specialist area of choice.
- Offers a range of subjects in different disciplines, allowing you to tailor your qualification to suit your specific career interests.
- Discipline areas include Criminology, International Relations, and Communication, among others.
- Upon graduation, you will possess a strong and broad set of skills essential to all professions, no matter what your chosen career.

ENTRY REQUIREMENTS

- An undergraduate degree from an approved institution in either international relations, political science, political studies, global studies or humanities / arts.
- Graduates from other disciplines may be considered.

TESOL	IELTS	Starting	Duration	Subjects	Fee*
Master of Arts (TESOL) CRICOS Course Code 077993F	6.5**	Jan May Sep	3 semesters (1 year)	12	\$31,680 (\$10,560 per semester)
Master of Arts (TESOL) (online)	6.5**	Jan May Sep	3 semesters (1 year)	12	\$31,680 (\$10,560 per semester)
Graduate Certificate in TESOL CRICOS Course Code 063445E	6.5**	Jan	1 semester (4 months)	4	\$10,560
Graduate Certificate in TESOL (online)	6.5**	Jan May Sept	1 semester (4 months)	4	\$10,560

MASTER'S PROGRAM

- The program aims to prepare prospective teachers of English as a Second Language for their future career and to assist current TESOL teachers in extending their professional knowledge.
- Subject content covers theoretical knowledge of second language teaching and learning and provides opportunities for teacher trainees to apply these theories in a language classroom.
- You will complete at least 100 hours of a theoretical component and supervised classroom teaching through an approximately 30-hour Practicum, during which you will observe other professionals in action and teach for a minimum of 6 hours under their supervision.

GRADUATE CERTIFICATE

- Provides the basis for language teaching methodology and its practical applications.

ONLINE DELIVERY

- These programs are available online to international students living outside Australia (not available to international students wishing to study in Australia on a student visa).

ENTRY REQUIREMENTS

Master's

- Completion of a master's degree in any discipline area; or
- Completion of a bachelor's degree in the discipline areas of either Education, Management, Commerce, Society, Culture or Communication; or
- Completion of a bachelor's degree in any discipline area not listed above, plus a personal statement (approximately 500 words) explaining why the student wishes to study the program and evidence of knowledge in the field of Applied Linguistics and TESOL, and
- A CV including details of paid or voluntary work, or other experiences (e.g. special interest groups) relevant to the program.

Graduate Certificate

- Completion of an Australian bachelor's degree or equivalent at an approved institution.

CAREER OUTCOMES

- Qualifies you to teach in an Australian ELICOS institute providing you hold a recognised degree or equivalent.
- You will also be qualified to teach in many other countries.

POSTGRADUATE DEGREES

Building Information Modelling and Integrated Project Delivery	IELTS	Starting	Duration	Subjects	Fee*
Master of Building Information Modelling and Integrated Project Delivery CRICOS Course Code 099719J	6.5 (6.0)	Jan May Sep	3 semesters (1 year)	14	\$50,130 (\$16,710 per semester)
Graduate Diploma in Building Information Modelling and Integrated Project Delivery CRICOS Course Code 099720E	6.5 (6.0)	Jan May Sep	2 semesters (8 months)	11	\$36,205 (\$18,103 per semester)
Graduate Certificate in Building Information Modelling and Integrated Project Delivery CRICOS Course Code 099721D	6.5 (6.0)	Jan May Sep	1 semester (4 months)	8	\$22, 280

MASTER'S PROGRAM

- Developed in collaboration with industry to meet the demands of government and industry.
- Digital micro-credentials for each of the eight introductory modules form the foundation for advanced studies and practical experience leading to successful completion of this master's program.
- Highly practical and interactive learning, with studio-based capstone project to reinforce assimilation of knowledge, and convert it to practical application.
- Delivered in intensive mode with the objective of preparing industry professionals to serve as BIM / Lean / IPD managers.

GRADUATE DIPLOMA

- Delivered through a combination of eight micro-credentials, two additional taught subjects, and a two subject (equivalent) practical capstone project conducted in a studio environment to reinforce learning.

GRADUATE CERTIFICATE

- Comprised of eight introductory modules as a series of micro-credentialed short courses to meet the demands of industry.

ENTRY REQUIREMENTS

- An Australian Qualifications Framework Level 7 bachelor's degree or equivalent in a related field to the degree.

CAREER OUTCOMES

- Bond's suite of postgraduate programs in Building Information Modelling (BIM) and Integrated Project Delivery (IPD) have been designed to prepare you to serve the immediate and long-term needs of government and industry as they continue to develop infrastructure and construction projects for the benefit of community.
- Some possible job titles include BIM Manager, Project BIM Manager, 3D BIM Consultant, BIM Coordinator, BIM Team Leader, IPD Program Manager, CAD / BIM Specialist, BIM Design Office manager.

Building Surveying	IELTS	Starting	Duration	Subjects	Fee*
Master of Building Surveying CRICOS Course Code 071287C	6.5 (6.0)	Jan May Sep	4 semesters (1 year 4 months)	12	\$67,680 (\$16,920 per semester)

PROGRAM DESCRIPTION

- Study with world-class academics and experienced practitioners in one of Australia's most environmentally friendly buildings.
- The program comprises two specialist subjects plus six shared core subjects.
- Recognised internationally by the Royal Institution of Chartered Surveyors (RICS) and nationally by the Australian Institute of Building Surveyors (AIBS). The BPB in New South Wales and QBCC in Queensland recognise the AIBS accreditation.

ENTRY REQUIREMENTS

- Completion of an Australian Qualifications Framework Level 7 bachelor's degree or equivalent in a related field to the proposed degree; or
- A combination of qualifications deemed to be equivalent to any of the qualifications listed in the AIBS Scheme for Assistant Building Surveyor, plus two years' building surveying experience or six years' experience in general building.

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

**IELTS score 6.5 (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)

POSTGRADUATE DEGREES

City Planning	IELTS	Starting	Duration	Subjects	Fee*
Master of City Planning CRICOS Course Code 0101288	6.5 (6.0)	Jan May Sep	4 semesters (1 year 4 months)	12	\$65,450 (\$16,363 per semester)
Master of City Planning (Professional) CRICOS Course Code 0101289	6.5 (6.0)	Jan May Sep	92 weeks (5 semesters)	13	\$71,160 (\$16,363 per semester x 4 + \$5,710 professional semester)

MASTER'S PROGRAM

- Designed to equip students for rewarding professional work planning for 21st century global-local challenges including rapid urbanisation, climate change, resource constraints, globalisation and technological disruption.
- With its distinctive interdisciplinary urban design orientation, the program cultivates city planners and urban designers with the global perspective, knowledge, skills and adaptability to make a significant contribution to addressing these challenges.

PROFESSIONAL PROGRAM

- This program follows the same structure as the Master of City Planning with an additional 20-week Professional Portfolio.
- You will be able to choose between either a work placement or research project for this component.

ENTRY REQUIREMENTS

- An Australian Qualifications Framework Level 7 bachelor's degree in a related field.

COMBINED PROGRAM

- Master of City Planning / Master of Project Management (CRICOS 0101290)

Communication	IELTS	Starting	Duration	Subjects	Fee*
Master of Communication CRICOS Course Code 078660G	6.5**	Jan May Sep	3 semesters (1 year)	12	\$52,360 (\$17,453 per semester)
Master of Communication (Professional) CRICOS Course Code 063308C	6.5**	Jan May Sep	5 semesters (92 weeks)	13	\$62,000 (\$13,090 per semester + \$9,640 professional semester)

MASTER'S PROGRAM

- Allows you to further your career in communication by equipping you with the ideal balance of theoretical knowledge, practical skills, problem-solving abilities, interpersonal skills and a high level of written communication.
- Choose from a research project or portfolio option, allowing you to develop your research and communication skills in an area of your interest.
- Choose from a variety of research topics across areas including but not limited to Journalism, Advertising, Social Media, Marketing and Public Relations.
- You will be mentored and supervised by highly skilled and recognised academics with vast experience in the industry.

PROFESSIONAL PROGRAM

- This program follows the same structure as the Master of Communication with an additional 20-week Professional Portfolio.
- You will be able to choose between either a work placement or research project for this component.

ENTRY REQUIREMENTS

- An Australian Qualifications Framework Level 7 bachelor's degree from an approved institution in either criminology, sociology, legal studies, psychology, humanities / arts or business studies.

COMBINED PROGRAM

- Master of Communication / Master of Project Management (CRICOS 088315J)

UTHRA VENKATESH

Master of Communication (Professional) Alumna
India

I absolutely love the learning environments at Bond including the library, Balnaves Multimedia Learning Centre, the studio and computer labs.

The lecturers were so helpful, approachable and supportive throughout my studies. The industry connections and exposure to industry experts were definitely highlights of my experience at Bond.

POSTGRADUATE DEGREES

Construction Practice	IELTS	Starting	Duration	Subjects	Fee*
Master of Construction Practice CRICOS Course Code 071288B	6.5 (6.0)	Jan May Sep	4 semesters (1 year 4 months)	12	\$67,120 (\$16,780 per semester)
Master of Construction Practice (Professional) CRICOS Course Code 071289A	6.5 (6.0)	Jan May Sep	5 semesters (92 weeks)	13	\$72,690 (\$16,780 per semester x 4 + \$5,570 professional semester)
Graduate Diploma in Construction Practice CRICOS Course Code 093263G	6.5 (6.0)	Jan May Sep	2 semesters (8 months)	8	\$44,840 (\$22,420 per semester)
Graduate Certificate in Construction Practice CRICOS Course Code 093262G	6.5 (6.0)	Jan May Sep	1 semester (4 months)	4	\$22,420

MASTER'S PROGRAM

- This program covers a comprehensive range of subjects in the field of construction practice, focusing on the management and delivery of complex construction projects.
- Internationally recognised by the Royal Institution of Chartered Surveyors (RICS) as well as the Chartered Institute of Building (CIOB). Nationally accredited with the Australian Institute of Quantity Surveyors (AIQS), and meets the educational requirement set by the Queensland Building and Construction Commission (QBCC) for the granting of an Open Builders Licence.
- Contains a strong sustainability theme which equips you with distinctive skills that are highly sought after in the built environment industry.

PROFESSIONAL PROGRAM

- This program follows the same structure as Master of Construction Practice with an additional 20-week Professional Portfolio.
- You will be able to choose between either a work placement or research project for this component.

GRADUATE DIPLOMA

- The Graduate Diploma comprises of eight subjects.
- Upon completion of the Graduate Diploma, students may choose to complete an additional four subjects to gain a master's qualification.

GRADUATE CERTIFICATE

- The Graduate Certificate is comprised of four subjects and teaches students from varied backgrounds how to manage building projects - from physical execution to financial analysis and funding.

ENTRY REQUIREMENTS

- An Australian Qualifications Framework Level 7 bachelor's degree from an approved institution or equivalent qualification and / or relevant professional experience deemed equivalent by the Executive Dean.

COMBINED PROGRAM

- Master of Construction Practice / Master of Project Management (CRICOS 086028K)

CAREER OUTCOMES

- Building and construction management
- Contract administration
- Site management
- Facilities management
- Building services
- Quantity surveying
- Property development
- Project management
- Cost management
- General management

Accredited by the Australian Institute of Quantity Surveyors (AIQS), the Chartered Institute of Building (CIOB) and the Royal Institution of Chartered Surveyors (RICS). The program also meets the educational requirements of the Queensland Building and Construction Commission (QBCC) for attainment of an Open Builders License.

Learn via intensive mode delivery.

Learn in the University's Sustainable Development Building Precinct promoting sustainable practices of tomorrow.

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.
 **IELTS score 6.5 (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)

POSTGRADUATE DEGREES

Criminology	IELTS	Starting	Duration	Subjects	Fee*
Master of Criminology CRICOS Course Code 078659A	6.5**	Jan May Sep	3 semesters (1 year)	12	\$52,360 (\$17,453 per semester)
Master of Criminology (Professional) CRICOS Course Code 063307D	6.5**	Jan May Sep	5 semesters (92 weeks)	13	\$62,000 (\$13,090 x 4 + \$9,640 professional semester)
Graduate Certificate in Criminology CRICOS Course Code 083525F	6.5**	Jan May Sep	1 semester (4 months)	4	\$13,360

MASTER'S PROGRAM

- Provides an understanding of a broad range of issues involving criminal theories, contemporary information on crime prevention, the theory and practice of punishment, criminal offenders, the police, courts and correctional institutions, including current crime and deviance issues.
- You will be provided with knowledge, research skills and techniques required for the analysis of criminological issues and an understanding of how to critically evaluate published research.
- A career in criminology explores the motives behind criminal behaviour and analyses the criminal justice system.

PROFESSIONAL PROGRAM

- The Master of Criminology (Professional) follows the same structure as the Master of Criminology with an additional 20-week Professional Portfolio.
- You will be able to choose between either a work placement or research project for this component.

GRADUATE CERTIFICATE

- This program is delivered as four subjects and can be used as a pathway to further study.

ENTRY REQUIREMENTS

- A bachelor's degree in criminology, sociology, legal studies, psychology, humanities or arts. Graduates from other disciplines may be considered.

COMBINED PROGRAM

- Master of Criminology / Master of Project Management (CRICOS 088316G)

CAREER OUTCOMES

- Employment in state and federal agencies, research organisations, community service agencies, and other branches of the criminal justice system.

Gain valuable industry experience in our Professional programs which include a 20-week Professional Portfolio component.

POSTGRADUATE DEGREES

International Relations	IELTS	Starting	Duration	Subjects	Fee*
Master of International Relations <small>CRICOS Course Code 078661G</small>	6.5**	Jan May Sep	3 semester (1 year)	12	\$47,620 (\$15,873 per semester)
Master of International Relations (Professional) <small>CRICOS Course Code 063306E</small>	6.5**	Jan May Sep	5 semesters (92 weeks)	13	\$57,260 (\$11,905 per semester x 4 + \$9,640 professional semester)

MASTER'S PROGRAM

- An innovative, forward-looking program that is attuned to the dynamics of the globalising world and its multiple diplomatic channels.
- You will gain a solid grounding in contemporary, theoretical and cultural issues.

PROFESSIONAL PROGRAM

- This program follows the same structure as the Master of International Relations with an additional 20-week Professional Portfolio.
- You will be able to choose between either a work placement or research project for this component.

ENTRY REQUIREMENTS

- Completion of an Australian Qualifications Framework Level 7 bachelor's degree from an approved institution in either international relations, political science, political studies, global studies, humanities / arts, law or business studies. Graduates from other disciplines may be considered.

COMBINED PROGRAM

- Master of International Relations / Master of Project Management (CRICOS 088317G)

Project Innovation	IELTS	Starting	Duration	Subjects	Fee*
Master of Project Innovation <small>CRICOS Course Code 0100041</small>	6.5 (6.0)	Jan May Sep	4 semesters (1 year 4 months)	11	\$56,115 (\$14,029 per semester)

PROGRAM DESCRIPTION

- The program comprises six core subjects, research methods, a research project (double-weighted) and three elective subjects.
- Includes a 10-day international study tour as a core component of the program
- Digital badges for up to six career specialisations are available.

ENTRY REQUIREMENTS

- Completion of an Australian bachelor's degree or equivalent at an approved institution.

COMBINED PROGRAM

- Master of Project Innovation / Master of Project Management (099216K)

CAREER OUTCOMES

Graduates are able to apply their new knowledge to a wide variety of industries and opportunities.

- Design thinker
- Product manager
- Change-agent
- Agile coach
- Business analyst
- Entrepreneur

MANUELA FRANCESCHINI

Master of international Relations Alumna
Brazil

I am passionate about geopolitics, diplomacy, cultural differences: these have always been under my scope. Those are topics I really enjoy reading and learning about, so that's why I chose International Relations. It ended up perfectly matching with my position as Foreign Correspondent as I report on politics, economics, sports and culture in Australia, New Zealand and South-East Asia.

POSTGRADUATE DEGREES

Project Management	IELTS	Starting	Duration	Subjects	Fee*
Master of Project Management CRICOS Course Code 078813G	6.5 (6.0)	Jan May Sep	4 semesters (1 year 4 months)	11	\$55,975 (\$13,994 per semester)
Master of Project Management (Professional) CRICOS Course Code 078182M	6.5 (6.0)	Jan May Sep	5 semesters (92 weeks)	13	\$61,545 (\$13,994 per semester x 4 + \$5,570 professional semester)

MASTER'S PROGRAM

- Provides a comprehensive business-ready foundation that will equip students from any background with the knowledge required to develop a career and expertise in project management.
- Features four distinct study themes including strategy, sustainability, managing complex problems and teams, and virtual teams and global working.
- External speakers from leading investment banks, credit agencies and portfolio fund managers contribute to case studies and workshops.

PROFESSIONAL PROGRAM

- This program follows the same structure as the Master of Project Management with an additional 20-week Professional Portfolio.
- You will be able to choose between either a work placement or research project for this component.

INDUSTRY RECOGNITION

- Recognised by the Royal Institution of Chartered Surveyors (RICS) and the Project Management Institute (PMI).
- Nationally accredited by the Australian Institute of Project Management.

ENTRY REQUIREMENTS

- Completion of an Australian Qualifications Framework Level 7 bachelor's degree or equivalent at an approved institution.

COMBINED PROGRAMS

- Master of Project Innovation / Master of Project Management (CRICOS 099216K)
- Master of Architecture / Master of Project Management (CRICOS 087931D)
- Master of Business Administration / Master of Project Management (CRICOS 085563F)
- Master of City Planning / Master of Project Management (CRICOS 0101290)

**IELTS score 6.5 (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)

MOH'D AL-SAADI

**Master of Architecture / Master of Project Management
Jordan**

I studied my Undergraduate degree in architecture in Jordan and Germany. For my master's, I wanted to combine my passion for design with project management.

I learnt about Bond through my agent, and knew I wanted to live and study on the Gold Coast. The lifestyle is amazing, the weather is sunny and warm - and so are the people. I feel very welcomed, with Halal food and even a prayer room on campus.

With three semesters a year, my degree is going by so fast. My teachers have become my mentors and have encouraged me to be more creative; to think differently, and to aim higher in my study and my future career. I have also been lucky to secure a part-time job with an architecture firm while studying, which was offered to me through a lecturer at Bond.

POSTGRADUATE DEGREES

Psychological Science	IELTS	Starting	Duration	Subjects	Fee*
Graduate Diploma of Psychological Science CRICOS Course Code 063195G	7.0 (6.5)	Jan May Sep	2 semesters (8 months)	7	\$38,990 (\$19,495 per semester)

PROGRAM DESCRIPTION

- You will undertake advanced training in a range of methodological (research methods, psychometrics, statistics) and applied areas, and develop competence in conducting research.
- On completion of this course, you may apply for provisional registration as a psychologist providing you enrol in further postgraduate studies or undertake two years' supervised training.

RECOMMENDED STUDY PATHWAYS

The recommended pathways to becoming a registered Clinical Psychologist are:

- Bachelor of Psychological Science > Bachelor of Psychological Science (Honours) > Master of Psychology (Clinical) or Master of Professional Psychology

- Bachelor of Psychological Science > Graduate Diploma of Psychological Science > Master of Psychology (Clinical) or Master of Professional Psychology

ENTRY REQUIREMENTS

- Completion of an accredited three-year sequence of study in psychology in Australia, or equivalent.
- Assessed on academic merit and must have achieved a minimum GPA of 2.0 / 4.0 on the Bond University four-point scale for all second and third year psychology subjects in undergraduate studies.

Psychology (Clinical)	IELTS	Starting	Duration	Subjects	Fee*
Master of Psychology (Clinical) CRICOS Course Code 063429E	7.0 (7.0)	May	6 semesters (2 years)	16	\$91,480 (\$15,246 per semester)

PROGRAM DESCRIPTION

- Provides advanced education in the professional practice of psychology.
- Training is based on a scientist-practitioner model and is designed to prepare you with the knowledge and applied skills required by a registered practising psychologist in the area of clinical psychology.
- The program integrates coursework, research and practical placement experience.
- You will complete a series of placement experiences under the supervision of highly qualified and experienced supervisors, and apply best practice models to a professional standard.

- Achieved a minimum of H2A (Upper Second Class Honours), or 75% and above for consideration.
- Eligible for provisional registration as a psychologist.
- Two referee reports and personal suitability via interview.
- Students who have obtained their qualifications outside Australia must have their qualifications assessed prior to applying for this program and prior to applying for registration with the Psychology Board of Australia.
- If you obtained your qualifications outside Australia please submit evidence of your APS equivalency.
- Students must obtain provisional registration from the Psychology Board of Australia before commencing the program.

ENTRY REQUIREMENTS

- Completion of an Australian Psychology Accreditation Council (APAC) accredited 4 year sequence of study in psychology (e.g. Bachelor of Psychological Science (Honours) or Graduate Diploma of Psychological Science or equivalent) within the last 10 years.

CAREER OUTCOMES

- Upon graduation, you will be eligible to apply for full registration as a psychologist, full membership of the APS, and associate membership of the APS College of Clinical Psychologists.

Professional Psychology	IELTS	Starting	Duration	Subjects	Fee*
Master of Professional Psychology CRICOS Course Code 096695C	7.0 (7.0)	May	2 semesters (8 months)	7	\$47,360 (\$23,680 per semester)

PROGRAM DESCRIPTION

- The Master of Professional Psychology will provide selected psychology graduates with a fifth year of professional training in psychology.
- Incorporates both coursework and supervised training and practice with the aim to provide students with a thorough grounding in professional practice to meet the accreditation standards set by APAC.

ENTRY REQUIREMENTS

- Completion of an Australian Psychology Accreditation Council (APAC) accredited 4 year sequence of study in psychology (e.g. Bachelor of Psychological Science (Honours) or Graduate Diploma of Psychological Science or equivalent) within the last 10 years.
- Achieved a minimum of H2B (Lower Second Class Honours), or 65 - 74% average for consideration.
- Eligible for provisional registration as a psychologist.

- Two referee reports
- Students who have obtained their qualifications outside Australia must have their qualifications assessed prior to applying for this program and prior to applying for registration with the Psychology Board of Australia.

CAREER OUTCOMES

- Upon completion of the program, graduates will be required to independently source and undertake a further one year of supervised practice before being eligible to apply for full registration with the Australian Health Practitioner Regulation Agency (AHPRA).

*Fees per semester are based on an average calculation and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

POSTGRADUATE DEGREES

Valuation and Property Development	IELTS	Starting	Duration	Subjects	Fee*
Master of Valuation and Property Development <small>CRICOS Course Code 085561G</small>	6.5 (6.0)	Jan May Sep	4 semesters (1 year 4 months)	12	\$68,380 (\$17,095 per semester)

MASTER'S PROGRAM

- The property sector is Australia's largest industry and second largest employer.
- This degree equips you with a wide range of skills that can be applied to global property markets and a variety of career paths such as property investment, finance, asset management and research.

PROFESSIONAL PROGRAM

- Follows the same structure as the Master of Valuation and Property Development with an additional 20-week Professional Portfolio.
- You will be able to choose between either a work placement or research project for this component.

GRADUATE DIPLOMA

- The Graduate Diploma is comprised of eight subjects designed to prepare students with a knowledge base and technical skills for careers within property related industries and professions.

GRADUATE CERTIFICATE

- The Graduate Certificate is comprised of four subjects designed to prepare students with a knowledge base and technical skills for careers within property related industries and professions.

ENTRY REQUIREMENTS

- An Australian Qualifications Framework Level 7 bachelor's degree or equivalent at an approved institution.

COMBINED PROGRAM

- Master of Valuation and Property Development / Master of Project Management (CRICOS 085564E)

CAREER OUTCOMES

- Property research and analysis
- Valuation
- Strategy
- Portfolio management
- Finance
- Investment
- Development
- Project management

Research	IELTS	Starting	Duration	Fee*
Master of Arts (by Research) <small>CRICOS Course Code 063454D</small>	7.0 (6.5)	Jan May Sep	6 semesters (2 years)	\$39,760 per annum

PROGRAM DESCRIPTION

- Students in the Master of Arts (by Research) can research in an area of interest within the Faculty of Society & Design.
- Students are supervised by academics with specialist knowledge in an array of areas.

ENTRY REQUIREMENTS

- The minimum requirement for admission to the Master of Arts (by Research) program is a four-year (i.e. eight semester) Honours degree (First Class, 2A, 2B) or a qualification or combination of qualifications deemed to be equivalent to the above by the Higher Degree Research (HDR) Committee.

- Prior to formal application, applicants need to give consideration to the specific research topic they wish to investigate. This should be determined in consultation with a member of the academic staff of the Faculty to see whether the Faculty can provide the appropriate supervision.
- Applicants should first submit an Expression of Interest outlining their topic of interest and academic background for consideration by the Faculty, before submitting a formal application for this program.

CAREER OUTCOMES

- Provides students with the necessary research skills for academic careers in the university or research sector, or professional employment.

DR BADEN U'REN

Assistant Professor of Entrepreneurship

Baden draws upon his industry and start-up knowledge to deliver a practical and relevant educational experience to his students. He previously worked at NAB and QIC Private Equity and is a cofounder of two innovative businesses: one in ag-tech and the other in veterinary services.

TEACHING SUBJECTS

- Creating and Growing a Business
- Entrepreneurship and Innovation
- Business Model Generation

TEACHING AWARDS

- Australian Award for University Teaching (2008, 2016)
- Vice Chancellor's Award for Outstanding Contribution to Student Learning (2016)
- Faculty Award for External Engagement (2014)

BEST THING ABOUT BOND

The day that Richard Branson arrived in his helicopter: we hosted him in an informal Q&A session with a packed theatre of wide-eyed Bondies, and he left with one of our entrepreneurship students bound for a music festival.

GLOBAL RANKINGS

Bond Business School has accreditations from EQUIS and AACSB. This places Bond in the top 2% (EQUIS) and 5% (AACSB) of business programs in the world.

CLASSROOM MEETS BOARDROOM

Bond breaks down barriers between the classroom and the boardroom with 88% of Bond Business School subjects including engagement with industry or work related learning activities.

GRADUATE OUTCOMES

The number one job title held by Bond Business School alumni is Director, closely followed by Managing Director, Manager, Owner and CEO*.

*Bond University Alumni database, 2019.

MENTORING PROGRAM

The Bond Business Mentoring Program provides new students with academic staff and senior student mentors in small groups, helping students transition into the Bond community and tap into the extensive resources available.

CENTRE FOR ACTUARIAL AND FINANCIAL BIG DATA ANALYSIS

Working in the global arena, this world-recognised centre is a major drawcard for higher degree, academic and commercial research, giving our students access to internationally renowned scholars, authors and experts in the burgeoning field of big data.

TRANSFORMER SPACE

This free co-curricular program brings students together from all faculties and disciplines to collaborate on a project of their own or contribute to one of the many other ongoing projects, taking it from initial idea to execution. Working in teams of students who each bring different knowledge, perspectives and ideas, you'll have access to industry experts, mentors, academic coaches, workshops and a cutting edge 24 / 7 co-working space.

BOND FINTECH HUB

In our two industry-standard trading rooms, you'll have 24 / 7 access to live financial market data via 40 Bloomberg terminals. You'll be executing deals, managing portfolios and trading securities in real time based on current market conditions. The facilities have a dedicated supervisor who is available to provide training for Bloomberg certification and the [R] programming software.

COMMERCIALISATION CENTRE

The Commercialisation Centre builds tomorrow's innovative thought leaders, one by one. It aims to provide expertise in the design and delivery of Bond Business School's Entrepreneurship and Innovation experiential education components, while also developing and delivering workshops, programs and events that foster entrepreneurship and innovation that reach across and beyond Bond University.

INDUSTRY LINKS

The Bond Business School has established relationships with many local and international organisations, including:

- Accor
- ANZ
- Australian Stock Exchange
- Bartercard
- Deloitte
- Disney
- EY
- Goldman Sachs
- Hilton
- InterContinental
- JBWere
- KPMG
- Macquarie Group
- Marriott
- Mercer
- PwC
- Quantum
- RACQ
- Suncorp Group
- Virgin Australia
- Wyndham

UNDERGRADUATE DEGREES

Actuarial Science	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Actuarial Science CRICOS Course Code 083205M	6.5 (6.0)	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)
Bachelor of Actuarial Science (3 Year Program) CRICOS Course Code 0101285	6.5 (6.0)	Jan Sep	6 semesters (3 years)	24	\$126,240 (\$21,040 per semester)
Bachelor of Actuarial Science (Honours) CRICOS Course Code 086364E	6.5 (6.0)	Jan May Sep	2 semesters (8 months)	6	\$45,540 (\$22,770 per semester)

PROGRAM DESCRIPTION

- Study economics, statistics, finance and data analytics for the management of risk and business decision making.
- Make use of our 40 Bloomberg terminals and get hands-on using live data.
- Bond is one of only seven universities to offer the degree in Australia, the only one in Queensland, and one of two where you will be trained by specialists in their subject area.
- This program meets Part I (Foundation Program) accreditation with the Actuaries Institute.

3 YEAR PROGRAM

- This program is designed for students who wish to study via a two-semester model in Bond's January and September semesters.

MAJORS AND MINORS

Students can choose general elective subjects, or a major (6 subjects) or a minor (4 subjects) and general elective subjects. Suggested majors for Actuarial Science students:

- Big Data
- Finance
- Economics

HONOURS

- Honours is available after successful completion of this program with a GPA of 2.0 / 4.0 or higher.
- Provides all the university subject components of Part II (Actuary Program) Accreditation which means you could work as a highly sought after Actuaries Associate or Actuary in industries including data analytics, marketing, economics, finance, health, insurance and more. Part II (Actuary program) accreditation requires the completion of two subjects which are delivered by the Actuaries Institute in an online environment.

RECOMMENDED STUDY PATHWAY

- Bachelor of Actuarial Science > Master of Finance (2 years, 8 months)

COMBINED PROGRAM

- Bachelor of Actuarial Science / Bachelor of Laws (CRICOS 093910C)

Business	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Business CRICOS Course Code 063055G	6.5 (6.0)	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)
Bachelor of Business (3 Year Program) CRICOS Course Code 077409E	6.5 (6.0)	Jan Sep	6 semesters (3 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- A broad range degree that provides a comprehensive, multidisciplinary foundation to work as a business professional in varied business environments.
- Gain access to the Bond Business Commercialisation Centre which offers a broad array of tools, networking opportunities, mentoring by industry and academic experts and other resources to encourage and support you throughout your business degree.
- Every student will study Business Model Generation and Business Model Execution, teaching you how to start up and close down a business.

3 YEAR PROGRAM

- This program is designed for students who wish to study via a two-semester model in Bond's January and September semesters.

MAJORS

As part of the program, you will complete one of the business majors below. Completing a second major or minor from the below list is also encouraged to diversify your skills and enhance your job prospects.

- Entrepreneurship and Innovation
- International Business
- Management
- Marketing
- Marketing Communication
- Tourism Management

COMBINED PROGRAMS

- Bachelor of Business / Bachelor of Commerce (CRICOS 088305M)
- Bachelor of Business / Bachelor of Laws (CRICOS 093909G)
- Bachelor of Business / Bachelor of Social Science (CRICOS 088309G)
- Bachelor of International Relations / Bachelor of Business (CRICOS 088310C)

CAREER OUTCOMES

- The Bachelor of Business provides a comprehensive, multidisciplinary foundation into the fundamentals of working or running a business anywhere in the world.
- Work in a range of fields upon graduation, including advertising, brand management, communications, consulting, human resource management, market research, tourism, hospitality or general management.

PATHWAYS

- The Diploma of Business provides a pathway to the Bachelor of Business for those who do not meet the entry requirements (refer to page 80).

You can complete an internship, or participate in a study abroad program or overseas study tour to further augment this highly practical program.

UNDERGRADUATE DEGREES

Business Data Analytics	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Business Data Analytics CRICOS Course Code 0101005	6.5 (6.0)	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)
Bachelor of Business Data Analytics (3 Year Program) CRICOS Course Code 0101007	6.5 (6.0)	Jan Sep	6 semesters (3 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- A quantitative program that focuses on understanding how data analytics techniques are used to improve business decision making.
- Combines elements of statistics, computing, big data and machine learning.
- Students will first learn the technical skills, including R and Python languages most commonly used in data analytics programming and implementation; then focus on the practical application, based on actual business problems in a range of industry sectors such as health, marketing and finance.

3 YEAR PROGRAM

- This program is designed for students who wish to study via a two-semester model in Bond's January and September semesters.

MINORS

Students select 1 minor from the following:

- Accounting
- Business Economics
- Entrepreneurship and Innovation
- Finance
- Management
- Marketing
- Tourism Management

CAREER OUTCOMES

- Data analyst
- Data scientist
- Statistics consultant
- Data mining engineer
- Data architect

PATHWAYS

- The Diploma of Business provides a pathway to the Bachelor of Business Data Analytics for those who do not meet the entry requirements (refer to page 80).

Commerce	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Commerce CRICOS Course Code 063059D	6.5 (6.0)	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)
Bachelor of Commerce (3 Year Program) CRICOS Course Code 077411M	6.5 (6.0)	Jan Sep	6 semesters (3 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- Develop your financial literacy, business analytics, decision making, leadership and management skills through experiential learning.
- Learn to think creatively and critically, building the skills you need to effectively problem-solve, communicate professionally, work collaboratively, make ethical and responsible business decisions and work effectively in the ever-changing and increasingly complex global business environment.
- Unparalleled access to financial trading rooms and 40 Bloomberg data sourcing terminals.
- Gain Bloomberg certification and unlock your potential for more job opportunities.

3 YEAR PROGRAM

- This program is designed for students who wish to study via a two-semester model in Bond's January and September semesters.

MAJORS

As part of the program, you will complete one of the business majors below. Completing a second major or minor from the below list is also encouraged to diversify your skills and enhance your job prospects.

- Accounting
- Actuarial Science
- Big Data
- Economics
- Finance

RECOMMENDED STUDY PATHWAY

- Bachelor of Commerce > Master of Accounting (2 years, 8 months)
- Bachelor of Commerce > Master of Actuarial Science (2 years, 8 months)
- Bachelor of Commerce > Master of Finance (2 years, 8 months)
- Bachelor of Commerce > Master of Financial Management (2 years, 8 months)

COMBINED PROGRAMS

- Bachelor of Business / Bachelor of Commerce (CRICOS 088305M)
- Bachelor of Commerce / Bachelor of Laws (CRICOS 093908G)

CAREER OUTCOMES

- Financial analyst
- Economist
- Accountant
- Banker
- Business analyst
- Risk analyst
- Tax consultant

PATHWAYS

- The Diploma of Business provides a pathway to the Bachelor of Commerce for those who do not meet the entry requirements (refer to page 80).

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

UNDERGRADUATE DEGREES

Hotel and Tourism Management	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of International Hotel and Tourism Management CRICOS Course Code 063584E	6.5 (6.0)	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)
Bachelor of International Hotel and Tourism Management (3 Year Program) CRICOS Course Code 102619E	6.5 (6.0)	Jan May	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- With more than 12 million visitors annually, there is no better place to study Hotel and Tourism Management than the Gold Coast, the tourism capital of Australia.
- Study asset, revenue and human resource management within hotel and tourism businesses.
- Students will undertake an Industry Experience Placement or an Employment Activity as part of the Beyond Bond program.

3 YEAR PROGRAM

This program is designed for students who wish to study via a two-semester model in Bond's January and May semesters.

MAJORS

You can complete up to two majors, or one major and your choice of electives.

Majors are chosen from:

- Entrepreneurship and Innovation
- International Business
- Management
- Marketing
- Marketing Communication

CAREER OUTCOMES

- Event Coordinator / Manager
- Marketing Coordinator / Manager
- Hotel Manager
- Sales Coordinator / Manager
- Revenue Coordinator / Manager
- Assistant Manager
- Research Coordinator
- Duty Manager

PATHWAYS

- The Diploma of Business provides a pathway to the Bachelor of International Hotel and Tourism Management for those who do not meet the entry requirements (refer to page 80).

Sport Management	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Sport Management CRICOS Course Code 096558A	6.5 (6.0)	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- Become equipped with a strong foundation in contemporary business skills and unique areas of sport specific practices.
- Taught by leading experts in law, sport, business and public relations.
- Learn about professional sporting clubs, elite athlete development and management, media, marketing, tourism and event management.
- Significant practical industry experience and networking opportunities throughout the degree, culminating in an internship component where you can gain valuable insight into the global sporting industry.
- Access to elite athletes and sporting teams through Bond's membership with the Australian Sport Commission's Elite Athlete Friendly University Agreement.

CAREER OUTCOMES

This program will prepare you for employment in a range of settings in the multi-faceted sport industry at local, national and international levels including roles related to:

- Sporting bodies
- Sports governance
- Event management
- Sports marketing
- Working with sporting teams, clubs and players

PATHWAYS

- The Diploma of Business provides a pathway to the Bachelor of Sport Management for those who do not meet the entry requirements (refer to page 80).

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

POSTGRADUATE DEGREES

Accounting	IELTS	Starting	Duration	Subjects	Fee*
Master of Accounting CRICOS Course Code 063115A	6.5 (6.0)	Jan May Sep	4 semesters (1 year 4 months)	12	\$66,420 (\$16,605 per semester)
Master of Accounting (Professional) CRICOS Course Code 063521J	6.5 (6.0)	Jan May Sep	5 semesters (92 weeks)	13	\$71,990 (\$16,605 per semester x 4 + \$5,570 professional semester)

MASTER'S PROGRAM

- Gain the knowledge and skills needed to work in the accounting profession.
- Designed for recent graduates and professionals in fields other than accounting, however accounting graduates may be eligible to enter the program with advanced standing.
- Gain a Bloomberg certification during your degree and unlock your potential for more job opportunities in the global market.
- Studying full-time, you can complete a 12 subject master's in just 12 months with Business School approval.

PROFESSIONAL PROGRAM

- The Master of Accounting (Professional) follows the same structure as the Master of Accounting with an additional 20-week Professional component in the final semester.
- You will be able to choose between either a work placement or research project for this component.

Recognised internationally, this program is professionally accredited by CPA Australia, Chartered Accountants Australia and New Zealand (CAANZ), and Chartered Institute of Management Accounting (CIMA).

ENTRY REQUIREMENTS

- A bachelor's degree in any discipline other than accounting; or
- A non-degree professional accounting qualification with at least five years' work experience.
- Applicants with prior accounting qualifications may be eligible for advanced standing.

COMBINED PROGRAM

- Master of Accounting / Master of Business Administration (CRICOS 088913J)

CAREER OUTCOMES

- Graduates are eligible for employment in major accounting practices (public accounting or chartered accountants), corporations, the public sector and not-for-profit organisations.

Bond Business School's Master of Accounting course offers access to two financial trading rooms and 40 Bloomberg terminals - the most of any university in Australia.

Actuarial Practice	IELTS	Starting	Duration	Subjects	Fee*
Master of Actuarial Practice CRICOS Course Code 083211B	6.5 (6.0)	Jan May Sep	5 semesters (92 weeks)	20	\$113,080 (\$22,616 per semester)

PROGRAM DESCRIPTION

- This degree allows students with an undergraduate degree in a non-related field an opportunity to complete Part I (Foundation Program) and Part II (Actuary Program) with the Actuaries Institute.
- An innovative and immersive program that combines advanced mathematics, statistics, data analytics, actuarial risk theory, finance, economics and accounting with large-scale, real-life commercial data analysis to develop techniques for the management of risk and business decision making.
- Contains a 20-week thesis component in the final semester.
- Unparalleled access to Bond Business School's two financial trading rooms and 40 Bloomberg data-sourcing terminals.

INDUSTRY RECOGNITION

- Bond is the only university in Queensland and one of only seven universities in Australia, to offer the fully accredited program by the Actuaries Institute.

SPECIALISATION

You will have the opportunity to undertake a four subject specialisation, plus one elective; or complete five electives. Specialisations available are:

- Big Data (recommended)
- Finance
- Health Management
- International Business
- Marketing
- Tourism and Hotel Management

ENTRY REQUIREMENTS

- Completion of an Australian Qualifications Framework Level 7 bachelor's degree in a discipline other than actuarial science, and well developed mathematical abilities.
- Students from cognate undergraduate programs may be eligible for advanced standing of up to 40 credit points in the Master of Actuarial Practice program.

POSTGRADUATE DEGREES

Actuarial Science	IELTS	Starting	Duration	Subjects	Fee*
Master of Actuarial Science CRICOS Course Code 092654M	6.5 (6.0)	Jan Sep	3 semesters (1 year)	12	\$67,680 (\$22,560 per semester)
Master of Actuarial Science (Professional) CRICOS Course Code 083209G	6.5 (6.0)	Jan May Sep	5 semesters (92 weeks)	17	\$96,090 (\$22,630 per semester x 4 + \$5,570 professional semester)
Master of Actuarial Science (Specialisation) CRICOS Course Code 092655K	6.0 (6.0)	Jan May Sep	4 semesters (1 year 4 months)	16	\$90,520 (\$22,630 per semester)

MASTER'S PROGRAM

- This degree allows students with an undergraduate degree in a non-related field an opportunity to complete Part I (Foundation program) with the Actuaries Institute.
- The program combines advanced mathematics, statistics, data analytics, actuarial risk theory, finance, economics and accounting subjects with large-scale, real-life commercial data analysis, teaching you to interpret 'big data' numbers to create practical solutions for real world problems.
- Unparalleled access to Bond Business School's two financial trading rooms and 40 Bloomberg data-sourcing terminals.

PROFESSIONAL PROGRAM

- This program follows the same structure as the Master of Actuarial Science with an additional 20-week Professional component in the final semester.
- You will be able to choose between either a work placement or research project for this component.

SPECIALISATION PROGRAM

The Master of Actuarial Science (Specialisation) allows you to choose a specialisation to identify as an expert in a specific area of Actuarial Science:

- Big Data (recommended)
- Finance (recommended)
- Health Management
- International Business
- Marketing
- Hotel and Tourism Management

INDUSTRY RECOGNITION

- Bond is the only university in Queensland, and one of only seven in Australia to offer the fully accredited program by the Actuaries Institute and has recognition agreements with the Society of Actuaries (worldwide).

ENTRY REQUIREMENTS

- Completion of an Australian Qualifications Framework Level 7 bachelor's degree in a discipline other than actuarial science, and well developed mathematical abilities.
- Students who have successfully completed cognate programs may be eligible for advanced standing of up to 40 credit points towards the Master of Actuarial Science program.

Business	IELTS	Starting	Duration	Subjects	Fee*
Master of Business CRICOS Course Code 063119G	6.5 (6.0)	Jan May Sep	4 semesters (1 year 4 months)	12	\$67,540 (\$16,885 per semester)
Master of Business (Professional) CRICOS Course Code 063520K	6.5 (6.0)	Jan May Sep	5 semesters (92 weeks)	13	\$73,110 (\$16,885 per semester x 4 + \$5,570 professional semester)
Graduate Certificate in Business CRICOS Course Code 063164C	6.5 (6.0)	Jan May Sep	1 semester (4 months)	4	\$22,840

MASTER'S PROGRAM

- Develop your planning, analytical and interpersonal skills to professionally advance your career prospects in business.
- Classes combine theoretical knowledge in Business with practical insights delivered through case studies, guest lectures and work integrated learning.
- You will have access to the Bond Business Commercialisation Centre and the Bond Business Accelerator, offering an array of tools, networking and mentoring opportunities and other resources to encourage and support you throughout your studies.
- Studying full time, you can complete a 12 subject master's in just 12 months with Business School approval.

SPECIALISATION

You will complete one specialisation from the following list:

- Big Data
- Finance
- International Business
- Marketing
- Tourism and Hotel Management
- Health Management

PROFESSIONAL PROGRAM

- This program follows the same structure as the Master of Business with an additional 20-week Professional component.
- You will be able to choose between either a work placement or research project for this component.

GRADUATE CERTIFICATE

- The Graduate Certificate in Business allows students to choose any four subjects from the Master of Business.
- Upon completion students may wish to pursue a pathway into the Master of Business.

ENTRY REQUIREMENTS

- Completion of an Australian Qualifications Framework Level 7 bachelor's degree.

CAREER OUTCOMES

- Graduates of the Master of Business will have highly developed planning, analytical and interpersonal skills that will enable them to advance their career prospects in business.

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

POSTGRADUATE DEGREES

Business Administration	IELTS	Starting	Duration	Subjects	Fee*
Master of Business Administration (MBA) CRICOS Course Code 0101410	6.5 (6.0)	Jan Sep	3 semesters (1 year)	16**	\$68,380 (\$17,095 per semester)
Master of Business Administration (Professional) CRICOS Course Code 069029F	6.5 (6.0)	Jan May Sep	5 semesters (92 weeks)	17**	\$73,950 (\$17,095 per semester x 4 + \$5,570 professional semester)
Graduate Diploma in Business Administration CRICOS Course Code 0100508	6.5 (6.0)	Jan May Sep	2 semesters (8 months)	8	\$45,680 (\$22,840 per semester)
Graduate Certificate in Business Administration CRICOS Course Code 078187F	6.5 (6.0)	Jan May Sep	1 semester (4 months)	4	\$22,840

MASTER'S PROGRAM

- The Master of Business Administration (MBA) has been redesigned to provide students with key functional knowledge, focused expertise and greater flexibility.
- An MBA at Bond combines the opportunity to significantly enhance your career prospects while enjoying the incredible lifestyle of the Gold Coast.
- Developed using the pillars of innovation, data analytics and business transformation, and with a focus on evidence-based decision making, Bond's MBA program develops global leaders who think critically, creatively and strategically.
- The Bond MBA has over 20 nationalities represented, providing you with cross-cultural experiences.
- Every student will receive an academic mentor to help them to tailor the program to their career ambitions.
- Harvard case methods are incorporated in every core subject where students will analyse real-world business challenges.

SPECIALISATION

Students may use all of their electives to take a specialisation (4 subjects) in:

- Big Data
- Finance
- Health Management
- International Business
- Marketing
- Tourism Management

PROFESSIONAL PROGRAM

- This program follows the same structure as the Master of Business Administration with an additional 20-week Professional component.
- You will be able to choose between either a work placement or research project for this component.

ENTRY REQUIREMENTS

- Quality bachelor's degree from a recognised institution.
- Minimum three years' work experience.
- Cover letter detailing your career goals, future ambitions and experience.
- Two professional referee reports.
- Interview with the Program Director or MBA Coordinator may be required.

GRADUATE DIPLOMA

- Designed to blend industry-relevant research with practical applications and challenges, the intended learning outcomes are centred on the three pillars of innovation, data analytics and business transformation.

GRADUATE CERTIFICATE

- The Graduate Certificate in Business Administration allows students to choose four subjects from a range of Master of Business Administration subjects.
- This program can be used as a pathway into the Master of Business Administration for those with the required work experience but not the academic background.

COMBINED PROGRAMS

- Master of Accounting / Master of Business Administration (CRICOS 088913J)
- Master of Business Administration / Master of Project Management (CRICOS 085563F)
- Master of Finance / Master of Business Administration (CRICOS 085653D)

**Program comprises 8 x 5cp subjects

LUKAS WIESNER

MBA Alumnus
Senior Consultant - Deloitte
Switzerland

The MBA program at Bond provided me one-on-one access to knowledgeable and experienced professors.

I also undertook work experience at a management consulting firm in Brisbane which was organised by the team in the Career Development Centre. This experience helped prepare me for my current role as Senior Consultant at Deloitte.

In my MBA studies, I focused on innovation and entrepreneurship which still fascinates me to this day. I'm currently developing an app with friends and hope to have my own start-up in the future.

POSTGRADUATE DEGREES

Business Data Analytics	IELTS	Starting	Duration	Subjects	Fee*
Master of Business Data Analytics <small>CRICOS Course Code 098313F</small>	6.5 (6.0)	Jan Sep	4 semesters (1 year 4 months)	12	\$67,120 (\$16,780 per semester)
Master of Business Data Analytics (Professional) <small>CRICOS Course Code 098314E</small>	6.5 (6.0)	Jan Sep	5 semesters (92 weeks)	13	\$72,690 (\$16,780 per semester x 4 + \$5,570 professional semester)
Graduate Certificate in Data Analytics <small>CRICOS Course Code 0100103</small>	6.5 (6.0)	May Sep	1 semester (4 months)	4	\$22,560

MASTER'S PROGRAM

- 76% of businesses are planning to increase investment in analytics capabilities over the next two years, and Australian data scientists who have completed postgraduate study are estimated to have an average annual income of \$130,176 in 2021-22*.
- No prior experience in analytics or programming is required to study this program.
- Learn technical skills, including R and Python languages most commonly used in the development of data programming and then apply these skills to real-life scenarios in a way that will impact behaviour.
- Focus on the practical application, based on actual business problems in a range of industry sectors such as health, marketing and finance.
- Gain immediate access to the very latest technologies in the Centre for Actuarial and Financial Big Data Analytics.
- Studying full-time, you can complete a 12 subject master's in just 12 months with Business School approval.

*The Future Of Work: Occupation and Education Trends 2018 Report by Deloitte Access Economics

PROFESSIONAL PROGRAM

- This program follows the same structure as the Master of Business Data Analytics, with an additional 20-week Professional component.
- You will be able to choose between either a work placement or research project for this component.

ENTRY REQUIREMENTS

- A bachelor's degree or equivalent from a recognised institution in any business discipline.

CAREER OUTCOMES

- Graduates of the Master of Business Data Analytics will be skilled in making strategically sound recommendations and data-driven business decisions.

GRADUATE CERTIFICATE

- Four subject program for students who have already previously completed basic quantitative subjects in programming and statistics.
- You will learn advanced statistics, econometrics and machine learning.
- Upon graduation, you will be able to work as a data analyst, business analytics specialist or play a key role in any data and information management department.

STEVEN STERN

Professor of Data Science
Custodian of the Duckworth-Lewis-Stern (DLS) system

I don't teach facts, I teach ideas. I'm not interested in my students regurgitating facts and theories about stats; I want them to understand the real reasons behind data analysis methods and understand how and when analytic techniques should, and more importantly shouldn't, be used. Data analysis is the skill of the future. If you know how to understand and analyse data, there is no industry or career in the world you can't be involved in somehow.

POSTGRADUATE DEGREES

Finance	IELTS	Starting	Duration	Subjects	Fee*
Master of Finance CRICOS Course Code 063125K	6.5 (6.0)	Jan May Sep	4 semesters (1 year 4months)	12	\$67,400 (\$16,850 per semester)
Master of Finance (Professional) CRICOS Course Code 077989B	6.5 (6.0)	Jan May Sep	5 semesters (92 weeks)	13	\$72,970 (\$16,850 per semester x 4 + \$5,570 professional semester)

MASTER'S PROGRAM

- A quantitatively rigorous program that provides a strong understanding of the financial industry, financial principles and their application to corporate financial policy, international financial markets, derivative assets and their associated markets.
- With proper prior study, it is possible to include the units associated to meet Part II accreditation with the Actuarial Institute.
- Provides unparalleled access to two financial trading rooms and 40 Bloomberg terminals - the most of any university in Australia.
- The program has been accepted into the Chartered Financial Analyst (CFA) Institute University Affiliation Program, the largest association of investment professionals in the world, meaning students are well prepared for the CFA exams.
- Studying full-time, you can complete a 12 subject master's in just 12 months with Business School approval.

PROFESSIONAL PROGRAM

- This program follows the same structure as the Master of Finance with an additional 20-week Professional component.
- You will be able to choose between either a work placement or research project for this component.

RECOMMENDED STUDY PATHWAYS

- Bachelor of Commerce > Master of Finance (2 years, 8 months)
- Bachelor of Actuarial Science > Master of Finance (2 years, 8 months)

INDUSTRY RECOGNITION

- Chartered Financial Analyst (CFA) Institute

ENTRY REQUIREMENTS

- A bachelor's degree from a recognised institution; and
- Completion of a subject deemed equivalent to either Fundamentals of Finance or Managerial Finance.
- A personal interview may also be required.
- Students who have successfully completed related undergraduate programs may be eligible for advanced standing of up to 40 credit points (4 subjects).

COMBINED PROGRAM

- Master of Finance / Master of Business Administration (CRICOS 085653D)

CAREER OUTCOMES

- The Master of Finance will prepare you for an executive career in finance, commercial banks, insurance sectors, property investment, superannuation funds, stockbrokers and corporate treasuries anywhere in the world.

Financial Management	IELTS	Starting	Duration	Subjects	Fee*
Master of Financial Management CRICOS Course Code 077990J	6.5 (6.0)	Jan May Sep	4 semesters (1 year 4 months)	12	\$67,400 (\$16,850 per semester)
Master of Financial Management (Professional) CRICOS Course Code 077991G	6.5 (6.0)	Jan May Sep	5 semesters (92 weeks)	13	\$72,970 (\$16,850 per semester x 4 + \$5,570 professional semester)

MASTER'S PROGRAM

- Provides potential corporate managers, business bankers, wealth advisors, and financial managers with the essential knowledge and analytical skills for making key financial decisions.
- Customise your program with a free choice of business electives so you can tailor your degree to your interests or career objectives.
- Offers unparalleled access to two financial trading rooms and 40 Bloomberg terminals - the most of any university in Australia.
- You will also have the opportunity to gain Bloomberg certification during your degree to unlock more job opportunities in the financial industry.
- Studying full-time, you can complete a 12 subject master's in just 12 months with Business School approval.

SPECIALISATION

Complete four subjects from one of the following:

- Big Data
- International Business
- Health Management
- Marketing
- Tourism and Hotel Management

PROFESSIONAL PROGRAM

- This program follows the same structure as the Master of Financial Management with an additional 20-week Professional component.
- You will be able to choose between either a work placement or research project for this component.

INDUSTRY RECOGNITION

- Chartered Financial Analyst (CFA) Institute

ENTRY REQUIREMENTS

- A bachelor's degree from a recognised institution.
- Students who have successfully completed a related undergraduate program may be eligible for advanced standing of up to 40 credit points (4 subjects).

RECOMMENDED STUDY PATHWAY

- Bachelor of Commerce > Master of Financial Management (2 years, 8 months).

CAREER OUTCOMES

- The Master of Financial Management prepares you for a financial management role within a corporation, consulting firm, accounting firm or entrepreneurial venture within the commercial sector or private practice.

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

POSTGRADUATE DEGREES

Global Leadership MBA	IELTS	Starting	Duration	Subjects	Fee*
BBT Global Leadership MBA (online)	6.5 (6.0)	Jan May Sep	4 semesters (1 year 4 months)	11	2,880,000 YEN

PROGRAM DESCRIPTION

- This MBA is taught in partnership with Business Breakthrough University in Japan and is taught in English and Japanese.
- Specialises in the interaction between Asian economies, specifically Japan, and the rest of the world.
- Focuses on core frameworks for business decision making based in entrepreneurship and innovation, and in evidence-based strategy formulation.

- The program is taught online, however there are two compulsory one-week study tours to Bond University that students will need to undertake to graduate.
- This program is not available for students wishing to study in Australia on a student visa.

ENTRY REQUIREMENTS

- Minimum three years' management experience
- Quality undergraduate degree from a recognised institution

Hotel and Tourism Management	IELTS	Starting	Duration	Subjects	Fee*
Master of International Hotel and Tourism Management CRICOS Course Code 102620A	6.5 (6.0)	Jan May Sep	4 semesters (1 year 4 months)	12	\$67,540 (\$16,885 per semester)
Master of International Hotel and Tourism Management (Professional) CRICOS Course Code 102621M	6.5 (6.0)	Jan May Sep	5 semesters (92 weeks)	13	\$73,110 (\$16,885 per semester x 4 + \$5,570 professional semester)

MASTER'S PROGRAM

- The Master of International Hotel and Tourism Management program is designed for students seeking senior management roles, or wanting to own and operate their own business, within the hotel and tourism industries.
- Students will complete a program of core business and advanced hotel and tourism management subjects.
- Students participate in a series of experiential exercises that may include field trips, guest lecturers from industry leaders, work experience and projects.
- Opportunity to experience global business environments with international Study Tours available within Asia, South-East Asia and Silicon Valley.

SPECIALISATION

- Students have 4 elective subjects, which they can use to take a specialisation in one of the following areas:
 - Big Data
 - Finance
 - Health Management
 - International Business
 - Marketing

ENTRY REQUIREMENTS

- Completion of an Australian bachelor's degree or equivalent at an approved institution.

PROFESSIONAL PROGRAM

- This program follows the same structure as the Master of International Hotel and Tourism Management with an additional 20-week Professional component in the final semester.

Management	IELTS	Starting	Duration	Subjects	Fee*
Master of Management CRICOS Course Code 010187B	6.5 (6.0)	Jan May Sep	3 semesters (1 year)	12	\$67,540 (\$22,513 per semester)

PROGRAM DESCRIPTION

- Develop your planning, analytical and interpersonal skills to professionally advance your career prospects in management.
- Build a strong foundation in a variety of business practices, plus the ability to gain a new specialisation.
- Classes combine theoretical knowledge in management with practical insights delivered through case studies, guest lectures and work integrated learning.
- You will have access to the Bond Business Commercialisation Centre and the Bond Business Accelerator, offering an array of tools, networking and mentoring opportunities and other resources to encourage and support you throughout your studies.
- Complete this program in just one year to fast-track your career.

SPECIALISATION

Students have 4 elective subjects, which they can use to take a specialisation in one of the following areas:

- Big Data
- Finance
- Health Management
- Hotel & Tourism Management
- International Business
- Marketing

ENTRY REQUIREMENTS

- Completion of an Australian Qualifications Framework Level 7 bachelor's degree in a related field.

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

POSTGRADUATE DEGREES

Sport Management	IELTS	Starting	Duration	Subjects	Fee*
Master of Sport Management <small>CRICOS Course Code 096559M</small>	6.5 (6.0)	Jan May Sep	4 semesters (1 year 4 months)	12	\$67,680 (\$16,920 per semester)
Master of Sport Management (Professional) <small>CRICOS Course Code 096596B</small>	6.5 (6.0)	Jan May Sep	5 semesters (92 weeks)	13	\$73,250 (\$16,920 per semester x 4 + \$5,570 professional semester)
Graduate Diploma in Sport Management <small>CRICOS Course Code 096561F</small>	6.5 (6.0)	Sep	2 semesters (8 months)	8	\$126,240 (\$21,040 per semester)
Graduate Certificate in Sport Management <small>CRICOS Course Code 096560G</small>	6.5 (6.0)	Jan May Sep	1 semester (4 months)	4	\$22,840

MASTER'S PROGRAM

- This program focuses on high performance sport, business strategies, strategic sports marketing, event and facilities management, finance, law, governance and organisational leadership.
- Bond enjoys affiliations with numerous local, national and international sport organisations, such as the Australian Olympic Committee, Events Management Queensland, Australian Institute of Sport, Australian Sports Commission and World Rugby.
- Bond University is the Official Education Partner of the World Surf League – the global governing body for men's and women's professional surfing.
- Gain practical industry experience and network through the optional Business Preparation elective. This internship is separate to the 20-week Work Integrated Learning component of the Professional program below.
- Studying full-time, you can complete a 12 subject master's in just 12 months with Business School approval.

PROFESSIONAL PROGRAM

- This program follows the same structure as the Master of Sport Management, with an additional 20-week Professional component.
- You will be able to choose between either a work placement or research project for this component.

GRADUATE DIPLOMA

- Designed to enhance the career opportunities of established professionals, as well as assist individuals currently working in other sectors to develop some of the advanced knowledge and skills required to work in this unique sector.

GRADUATE CERTIFICATE

- For those already employed in sport, successful completion of the Graduate Certificate may build on your existing skills, education and training to enable your transition to the next career level.
- Successful completion also makes you eligible to enrol in the Graduate Diploma in Sport Management and subsequent Master of Sport Management.

ENTRY REQUIREMENTS

- Completion of an Australian Qualifications Framework Level 7 bachelor's degree.

COMBINED PROGRAM

- Master of Sport Management / Master of Project Management (CRICOS 097032A)

CAREER OUTCOMES

- The global context of the program will enable you to seek employment in Australia and abroad. You may find employment in the government, community, private or not-for-profit sectors including:
 - Professional sport teams, leagues and affiliated organisations
 - Community and government sport and recreation services
 - Local, state and national sport governing bodies
 - Major event corporations
 - Sport venue management
 - High performance sport development and player management
 - Sport advertising, media relations, sponsorship and marketing
 - Sport apparel and merchandising companies
 - Logistics, compliance and financial operations

Students utilising the showcase e-courtroom which is fully equipped with electronic evidence management systems, video conferencing facilities, wireless networking and video streaming.

WORLD-CLASS ACADEMICS

National and international legal experts in a variety of fields contribute to the delivery of programs at the cutting edge of contemporary legal knowledge and practice.

DISPUTE RESOLUTION CENTRE

The Faculty of Law's Dispute Resolution Centre (DRC) is recognised as a leader in mediation excellence. The Centre brings together some of the country's leading dispute resolution specialists whose training, teaching and research expertise places Bond at the forefront of current industry theory and practice.

LEGAL SKILLS PROGRAM

Bond's innovative Integrated Skills and Professionalism Program ensures graduates have professional capabilities including legal ethics, professionalism, research, reasoning, writing and drafting.

One of Bond University's Moot Courts

Law Library

Bond Law Clinics

Mooting accolades

MOOT COURTS

Bond's showcase e-courtroom replicates the latest technology used in the courts of Australia. The courtroom is fully equipped with electronic evidence management systems, video conferencing facilities, wireless networking and video streaming. An additional medium-sized court and a smaller moot court are available for practice, preparation and presentations.

BOND LAW CLINICS

Bond students can gain practical work experience through the following clinics at Bond:

- Commercial Law Clinic (on campus)
- Immigration Law Clinic (on campus)
- Community Law Clinic
- Criminal Law Clinic
- Property Law Clinic
- Start Up Law Clinic

MOOT COMPETITIONS

From as early as your first semester of study, you will have the opportunity to become involved in a wide variety of skills competitions including client advocacy. Students are supported financially by the Faculty to participate in competitions. Some of the competitions that Bond participates in include the Jessup Moot, Vis East, ICC, and Kirby Contracts mooting competitions. Faculty-run competitions you can become involved in include*:

- Pro Justia Moot Competition
- Brian Orr Mooting Competition
- Wilson Moot Competition (Canada)
- CLSA Hockey Arbitration
- Witness Examination Competition
- Negotiation Competition
- Client Interview Competition
- Shark Tank with Kirby

*Competitions list may vary each year.

The #1 job title held by Faculty of Law alumni is Lawyer, followed by Partner and Managing Director. Among the Top 10 employers are Clayton Utz, PwC, Minter Ellison, KPMG and Macquarie Group.

INDUSTRY LINKS

We maintain industry relationships with leading local and national organisations, legal practices, government departments and community legal centres. These include:

- Ashurt
- Cronin Miller Litigation
- Wyndham Vacation Resorts, Asia Pacific Pty Ltd
- Clayton Utz
- Law Right

UNDERGRADUATE DEGREES

Business Law	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Business Law CRICOS Course Code 063057F	7.0 (6.5)	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- This degree provides an opportunity to combine legal subjects of particular interest with study in related disciplines such as international business and management.
- You will gain an understanding of common law frameworks and international comparative law.
- Gain practical skills in negotiating, problem solving and oral communication in simulated professional environments.

- Please note that this degree does not qualify you for admission as a legal practitioner. If you wish to practise law, you must complete a Bachelor of Laws or Juris Doctor.

CAREER OUTCOMES

- Careers in politics, business, banking and finance, teaching, public service, industrial relations and international relations.
- Unlike the Bachelor of Laws degree, Bachelor of Business Law is not designed to provide a qualification for the professional practise of law.

Jurisprudence	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Jurisprudence CRICOS Course Code 063078A	7.0 (6.5)	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)

PROGRAM DESCRIPTION

- This degree provides an opportunity to combine legal subjects of particular interest with study in related disciplines such as international relations, criminology, languages and communication.
- Learn practical skills in oral communication, negotiation and problem solving in a simulated professional environment.
- You will have access to state-of-the-art facilities including moot courts, skills and negotiation rooms.

- Please note that this degree does not qualify you for admission as a legal practitioner. If you wish to practise law, you must complete a Bachelor of Laws or Juris Doctor.

CAREER OUTCOMES

- Careers in politics, business, banking and finance, teaching, public service, industrial relations and international relations.
- Unlike the Bachelor of Laws, Bachelor of Jurisprudence is not designed to provide a qualification for the professional practise of law.

Law	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Laws CRICOS Course Code 093922K	7.0 (6.5)	Jan May Sep	8 semesters (2 years 8 months)	32	\$168,320 (\$21,040 per semester)

PROGRAM DESCRIPTION

- The Bachelor of Laws (LLB) is designed to equip you for a career in the legal profession, corporate sector or government sector.
- Bond's unique Integrated Skills and Professionalism Program is embedded in the LLB and focuses on core legal skills essential to the practice of law, such as legal writing and drafting; oral communication and advocacy; legal ethics and professionalism; legal research and reasoning; and dispute resolution and collaboration.
- The program combines small class sizes, excellent teaching and the Integrated Skills and Professionalism Program to provide an exciting and challenging learning experience that prepares you practically for a legal career.
- You will have the opportunity to gain practical experience in either a voluntary capacity or through a law clinic placement, giving you an advantage when entering legal practice.

- Bachelor of Communication / Bachelor of Laws (CRICOS 093915J)
- Bachelor of Communication (Business) / Bachelor of Laws (CRICOS 093914K)
- Bachelor of International Relations / Bachelor of Laws (CRICOS 093916G)
- Bachelor of Journalism / Bachelor of Laws (CRICOS 093918F)
- Bachelor of Psychological Science / Bachelor of Laws (CRICOS 093921M)

CAREER OUTCOMES

- The LLB prepares you to pursue careers in the public and private sectors, in positions such as solicitor, barrister, government lawyer, in-house counsel, or judge's associate.
- The Bachelor of Laws is an approved degree for the purposes of admission as a legal practitioner in all Australian jurisdictions, in conjunction with further study (Graduate Diploma in Legal Practice, please see page 65) or a traineeship.
- This degree may be used to apply for admission internationally.
- You are recommended to seek advice from the relevant admitting body in your state / territory in Australia or your home country, to confirm requirements and / or additional study.

PATHWAYS

- The Diploma of Legal Studies provides a pathway into the Bachelor of Laws for those who do not meet the entry requirements (refer to page 81).

COMBINED PROGRAMS

- Bachelor of Actuarial Science / Bachelor of Laws (CRICOS 093910C)
- Bachelor of Arts / Bachelor of Laws (CRICOS 093912A)
- Bachelor of Biomedical Science / Bachelor of Laws (CRICOS 093911B)
- Bachelor of Business / Bachelor of Laws (CRICOS 093909G)
- Bachelor of Commerce / Bachelor of Laws (CRICOS 093908G)

An outstanding Mooting Program and other opportunities to gain practical experience while studying.

The Bachelor of Laws is capped at 180 students per year, ensuring a personalised learning experience for all students.

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

POSTGRADUATE DEGREES

Juris Doctor	IELTS	Starting	Duration	Subjects	Fee*
Juris Doctor <small>CRICOS Course Code 093923J</small>	6.5 (6.0)	Jan May Sep	6 semesters (2 years)	24	\$127,520 (\$21,253 per semester)

PROGRAM DESCRIPTION

- The Juris Doctor is a professional legal qualification which prepares you to become a legal professional in the corporate, government, community or not-for-profit sectors.
- You will have the opportunity to gain practical experience in our Bond Law Clinics, which work with the profession and community on a pro-bono basis.
- Bond's unique Integrated Skills and Professionalism Program is embedded and focuses on core legal skills essential to the practice of law, such as legal writing and drafting; oral communication and advocacy; legal ethics and professionalism; legal research and reasoning; and dispute resolution and collaboration.
- The program combines small class sizes, excellent teaching and the Integrated Skills and Professionalism Program to provide an exciting and challenging learning experience that prepares you practically for a legal career.
- Our graduates are working in top tier law firms throughout Australia, and in the USA, UK, Canada, Scandinavia, France, China and Malaysia.

Learn essential practical skills in simulated legal environments and state-of-the-art facilities including Moot Courts and skills and negotiation rooms.

ENTRY REQUIREMENTS

- Completion of a Level 7 bachelor's degree from a recognised tertiary institution or equivalent.

CAREER OUTCOMES

- The Juris Doctor is an approved degree for the purposes of admission as a legal practitioner in all Australian jurisdictions, in conjunction with further study (Graduate Diploma in Legal Practice, see page 65) or a traineeship.
- The Juris Doctor may be used to apply for admission internationally. It is recommended that you seek advice from the relevant admitting body in your state / territory or home country to confirm requirements and / or additional study.
- Prepares graduates for roles in the private and public sector, such as solicitors, barristers, government lawyers, in-house counsel, judge's associates, academics or business leaders.

Features an innovative Integrated Skills and Professionalism Program to ensure practical job skills are integrated into all law subjects.

SAHER AHMAD

Juris Doctor
Canada

My study experience at Bond so far has exceeded my expectations.

Teachers are so friendly and approachable and always concerned about your personal and mental well-being, which I think can be attributed to the small class sizes where you really get to know everyone.

Bond was also the perfect choice to prepare me for a legal career in Canada. Bond offers Canadian electives taught primarily by Canadian Professors, so you are getting real life knowledge that can be applied to your future career. Bond also has a huge emphasis on practical elements of law, which will go a long way in being prepared to practice in not only Canada, but anywhere.

POSTGRADUATE DEGREES

International Commercial Law	IELTS	Starting	Duration	Subjects	Fee*
Master of Laws in International Commercial Law (online)	6.5 (6.0)	Jan May Sep	2 semesters (8 months)	4^	\$45,680 (\$22,840 per semester)

PROGRAM DESCRIPTION

- The Master of Laws in International Commercial Law is designed for legal professionals from different cultural and legal backgrounds, who aim for a high-level career in an international law firm, multinational company or government.
- The four 20 credit point subjects apply state-of-the-art distance learning techniques to bridge the distance between students and their instructors, peers and resources.
- Instructors based all over the world supervise online classes of no more than 20 students.
- Delivered entirely online to provide flexibility of study.
- With global legal minds from Switzerland, Canada, the United States and Australia, the program is designed to provide students with the knowledge and resources to differentiate themselves in a legal market that is increasingly globalised.
- This program is not available for students wishing to study in Australia on a student visa.

ENTRY REQUIREMENTS

- Completion of a professional law qualification (Bachelor of Laws, Juris Doctor, or equivalent).

CAREER OUTCOMES

- The Master of Laws provides a postgraduate qualification in international commercial law to complement and enhance your skills and advance your career in the area.

^Comprises of 4 x 20 credit point subjects (total 80 credit points)

Law	IELTS	Starting	Duration	Subjects	Fee*
Master of Laws CRICOS Course Code 084235G	6.5 (6.0)	Jan May Sep	2 semesters (8 months)	8	\$45,680 (\$22,840 per semester)

PROGRAM DESCRIPTION

- The Master of Laws (LLM) provides maximum flexibility and choice with a wide range of specialist areas.
- For international students, the LLM provides a wide range of international law, comparative law, IP law, trade law and dispute resolution subjects to broaden and internationalise an undergraduate law qualification.

SPECIALISATIONS

You will have the option to specialise in one of the disciplines in the below list:

- Canadian Law and Practice
- Corporate and Commercial Law and Practice
- Dispute Resolution

- Family Dispute Resolution
- International Business and Finance Law
- International Commercial Law and Dispute Resolution (online)

ENTRY REQUIREMENTS

- A professional law qualification (Bachelor of Laws, Juris Doctor, or equivalent).

CAREER OUTCOMES

- The LLM provides a postgraduate qualification that broadens a graduate's knowledge in a chosen area of specialisation.

Legal Administration	IELTS	Starting	Duration	Subjects	Fee*
Master of Legal Administration CRICOS Course Code 084236G	6.5 (6.0)	Jan May Sep	3 semesters (1 year)	12	\$66,280 (\$22,093 per semester)

PROGRAM DESCRIPTION

- The Master of Legal Administration offers students from a non-law background the opportunity to attain postgraduate qualifications in law.
- Students can choose a generalist degree or elect to specialise in a particular area of law, combined with up to four subjects from other disciplines.

SPECIALISATIONS

- Canadian Law and Practice
- Corporate and Commercial Law and Practice
- Dispute Resolution
- International Business and Finance Law

ENTRY REQUIREMENTS

- An undergraduate program in any discipline at an approved Australian institution or equivalent.

CAREER OUTCOMES

- This degree does not qualify a graduate for admission as a legal practitioner; rather, the program is intended for students from other fields and professions who wish to supplement their knowledge of law in a particular area.

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

POSTGRADUATE DEGREES

Legal Practice	IELTS	Starting	Duration	Subjects	Fee*
Graduate Diploma in Legal Practice <small>CRICOS Course Code 098084C</small>	6.5 (6.0)	Jan May Sep	On-campus 2 semesters (8 months)	8	\$23,730 (\$11,865 per semester)
Graduate Diploma in Legal Practice (online)*	6.5 (6.0)	Jan May Sep	Online 2 semesters (8 months)	8	\$11,256 (\$5,628 per semester)

PROGRAM DESCRIPTION

- The Graduate Diploma in Legal Practice (GDLP) is the link between your law degree and becoming a practising lawyer.
- Flexible study options available: online or on-campus
- Includes up to 60 days of practical legal experience under the supervision of a practising lawyer.
- The GDLP has two components that students will need to complete:
 - Compulsory component including a 30 day law placement, transition to practice, learning intensive and compulsory subjects.
 - Elective component which includes the choice of electives or a combination of electives along with an additional legal placement.

ENTRY REQUIREMENTS

- Bachelor of Laws or Juris Doctor qualification from an Australian institution or equivalent.

CAREER OUTCOMES

- Successful completion of the GDLP program enables you to apply for admission to legal practice in Australia.
- For those seeking to further enhance their skills and qualifications, subject credits are provided into the Master of Laws.

*Online programs are not available to international students who intend to apply for a student visa.

Research (Master)	IELTS	Starting	Duration	Fee*
Master of Laws (by Research) <small>CRICOS Course Code 063455C</small>	7.0 (6.5)	Jan May Sep	6 semesters (2 years)	\$39,760 per annum

PROGRAM DESCRIPTION

- The Master of Laws (by Research) is a higher degree by research program awarded for completion of a thesis (up to 50,000 words).
- The thesis demonstrates the student's ability to research, analyse and apply information and concepts to a body of legal knowledge or practice.
- The program provides an opportunity to develop academic research skills and to carry out independent research in a specialist area of law, supervised by outstanding academics with specialist knowledge.

ENTRY REQUIREMENTS

- A professional law qualification (Bachelor of Laws, Juris Doctor, or equivalent) with an average of at least 65%. Evidence of experience in research methodology and research skills may also be required.

CAREER OUTCOMES

- Successful completion of this program provides a pathway into a Doctor of Philosophy program (PhD) and an academic career.

Research (Doctor)	IELTS	Starting	Duration	Subjects	Fee*
Doctor of Legal Science (Research) <small>CRICOS Course Code 093848D</small>	7.0 (6.5)	Jan May Sep	12 semesters (4 years)	6 + thesis	\$39,760 per annum

PROGRAM DESCRIPTION

- This is a higher degree by research program awarded for a combination of coursework and a thesis that represents a significant and original contribution to the knowledge and understanding of an aspect of law.
- Students will complete up to six electives chosen from the subjects listed under the Master of Laws, as well as a written thesis of up to 60,000 words.
- An eligible student with an awarded LLM will be entitled to the award of the Doctor of Legal Science with the completion of fewer coursework subjects in lieu of a longer thesis.

ENTRY REQUIREMENTS

- A Master of Laws degree; or
- A Bachelor of Laws or Juris Doctor degree with an Honours average of at least 75%.
- An applicant may be required to satisfy the Dean that they have the appropriate level of research skills to undertake the qualification, which includes writing a thesis of up to 60,000 words.
- Admission is based on an approved research proposal and availability of appropriate supervision.

CAREER OUTCOMES

- This doctorate qualification in law provides the candidate with the research skills for academic careers in the university sector or research roles in law or related fields.

FACULTY OF HEALTH SCIENCES & MEDICINE

The recently completed Stage 2 expansion of the Health Sciences & Medicine building

5 STAR RATINGS

The 2020 Good Universities Guide has rated Bond's Faculty of Health Sciences and Medicine 5 stars for student experience.

BOND VIRTUAL HOSPITAL

Replicating a hospital ward, the Bond Virtual Hospital is the first of its kind and offers clinical teaching sessions with simulated patients, allowing students to learn vital skills in a real life setting.

RESEARCH INTENSIVE

The Faculty houses the Institute for Evidence-Based Healthcare, Clem Jones Research Centre for Regenerative Medicine, the Centre for Urology Research and the Clinical Education and Research Centre (a collaboration with Queensland Health).

CLINICAL SKILLS ROOMS

Bond University has state-of-the-art clinical skills rooms with purpose-built clinical facilities that reflect what is currently being used in clinical practice. They provide practical experience for students studying medicine, nutrition and dietetics, and physiotherapy. The largest clinical skills room is designed to simulate a hospital setting where students learn by computerised simulation, through patient actors and human patient simulators (fully interactive mannequins).

TEACHING AND RESEARCH LABORATORIES

Bond University has 13 teaching laboratories, including the multimedia labs with 25 computers per room. The laboratory facilities are well equipped for studying diverse areas of science, including pharmacology, physiology, chemistry, microbiology, molecular biology and genetics. Most teaching labs are open and available to students 24 hours per day, even outside of class hours. The Faculty of Health Sciences & Medicine also houses research units such as the Institute for Evidence-Based Healthcare, Clem Jones Research Centre for Regenerative Medicine, the Centre for Urology Research and the Clinical Education Research Centre - a collaboration with Queensland Health.

INTERNATIONAL CLINICAL PLACEMENTS

Bond University Medical, Physiotherapy, Exercise and Sports Science, and Nutrition and Dietetics students get the opportunity to take overseas placements as part of their program in countries such as the Solomon Islands, Vietnam, Malaysia, Hong Kong, South Africa, India, USA, Sweden and New Zealand. The picture above is of our Solomon Islands medical experience.

BOND INSTITUTE OF HEALTH & SPORT

The Bond Institute of Health & Sport is located just 4km away from the main Bond University campus, and houses students studying Occupational Therapy, Exercise Science and Physiotherapy. The Institute boasts a high performance training centre, health and sports science laboratories, pool and temperature contrast pools, altitude room, clinical skills rooms, and dedicated Occupational Therapy and Physiotherapy teaching spaces. Conference and meeting facilities, a multimedia study centre and on-site café are also in the building.

INDUSTRY LINKS

Bond students have gained experience from working with organisations such as:

- Australian Football League
- Australian Institute of Sport
- Australian Olympic Committee
- Australian Rugby Union
- Australian Sports Commission
- Australian University Games
- Baseball Queensland
- Breast Screen Queensland
- City of Gold Coast
- Gold Coast Hospital
- Gold Coast Hospital Health Service
- Gold Coast Primary Health Network (GCPHN)
- Gold Coast Private Hospital
- International Rugby Board
- John Flynn Private Hospital
- Lismore Base Hospital
- Momentum Sports Performance Centre
- Netball Queensland
- Pathology Queensland
- Pindara Hospital
- Queensland Academy of Sport
- Queensland Cardiology Group
- Queensland Medical Laboratory (QML)
- Robina Hospital
- Roma Hospital
- Sullivan Nicolaides Pathology
- The Tweed Hospital
- Wesley Private Hospital
- World Surf League

UNDERGRADUATE DEGREES

Biomedical Science

Bachelor of Biomedical Science

CRICOS Course Code 063085B

IELTS

6.5
(6.0)

Starting

Jan
May

Duration

6 semesters
(2 years)

Subjects

24

Fee*

\$126,240
(\$21,040 per semester)

PROGRAM DESCRIPTION

- Develop your knowledge in molecular, cellular, anatomical and physiological processes of the human body.
- Extensive laboratory training is provided from your first semester.

MAJORS

- Laboratory / Research
- Pre-Health Professional

COMBINED PROGRAM

- Bachelor of Biomedical Science / Bachelor of Laws (CRICOS 093911B)

CAREER OUTCOMES

- Work in a range of fields, including health promotion, laboratory assistance, medical equipment, or use the degree as a pathway into other health professions.

- Successful completion of this program can be used as a pathway into the Honours program, Doctor of Physiotherapy[#], Master of Nutrition and Dietetic Practice[#] and the Master of Occupational Therapy.
- Visit bond.edu.au/medicine for information on using this degree as a pathway into Bond's Medical Program.

PATHWAYS

- The Diploma of Health Sciences provides a pathway to the Bachelor of Biomedical Science for those who do not meet the entry requirements (refer to page 81).

[#]Subject prerequisites apply.

Exercise and Sports Performance

Bachelor of Exercise and Sports Performance

CRICOS Course Code 0100510

IELTS

6.5
(6.0)

Starting

Sep

Duration

6 semesters
(2 years)

Subjects

24

Fee*

\$126,240
(\$21,040 per semester)

PROGRAM DESCRIPTION

- Gain a comprehensive understanding of the basic and applied sciences as they apply to personal and community health and fitness, and sport performance at all levels.
- Allows you the flexibility to tailor your studies to your interests and career aspirations by choosing from a range of subdisciplines, including biomechanics, exercise testing, prescription and delivery, or physiology and biochemistry of exercise, as well as electives in entrepreneurship and innovation, sport management, and tourism and events management.

ENTRY REQUIREMENTS

- Successful completion of Australian Year 12 or equivalent, with successful completion of English, the equivalent of Mathematics A and one of: Health and Physical Education, Biology, Chemistry, Physics or Science 21.

INDUSTRY RECOGNITION[#]

- You will gain industry accreditations in Strength and Conditioning as well as Sport First Aid^{**}.

CAREER OUTCOMES

- The program prepares graduates for exciting career opportunities in exercise and sports performance including strength and conditioning as well as providing an accelerated undergraduate pathway to graduate-entry studies including Physiotherapy, Occupational Therapy and Nutrition and Dietetics.

[#]Individuals to apply for their own accreditation upon successful completion of the program.

^{**}To be accredited individuals must sit the Certified Strength and Conditioning Specialist (CSCS) exam upon successful completion of the program.

Exercise and Sports Science

Bachelor of Exercise and Sports Science

CRICOS Course Code 080641D

IELTS

7.0
(7.0)

Starting

Jan

Duration

6 semesters
(2 years)

Subjects

23

Fee*

\$126,240
(\$21,040 per semester)

PROGRAM DESCRIPTION

- Gain knowledge and skills in health, fitness and athletic performance, and basic applied sciences like anatomy, physiology, biomechanics, exercise physiology, motor learning and control, exercise and sport psychology, and exercise prescription and planning.
- Students are exposed to real-world learning with a significant portion of the degree offering practical experience with organisations such as the Australian Institute of Sport and Australian Rugby Union.

ENTRY REQUIREMENTS

- Successful completion of Australian Year 12 or equivalent, with successful completion of the equivalent of Mathematics A and one of: Health and Physical Education, Biology, Chemistry, Physics or Science 21.
- Pathways are available for students who do not meet the standard subject entry requirements.

CAREER OUTCOMES

- Exercise scientist[#]
- Strength and conditioning coach^{**}
- Athletic / sport program coordinator
- Corporate and community health and fitness consultant
- Successful completion of this degree allows graduates a pathway into Bond's postgraduate Physiotherapy, Occupational Therapy and Nutrition degrees.

PATHWAYS

- The Diploma of Health Sciences provides a pathway to the Bachelor of Exercise and Sports Science for those who do not meet the entry requirements (refer to page 81).

[#]Individuals to apply for their own accreditation upon successful completion of the program.

^{**}To be accredited individuals must sit the Certified Strength and Conditioning Specialist (CSCS) exam upon successful completion of the program.

UNDERGRADUATE DEGREES

Health Sciences	IELTS	Starting	Duration	Subjects	Fee*
Bachelor of Health Sciences CRICOS Course Code 063068C	6.5 (6.0)	Jan May Sep	6 semesters (2 years)	24	\$126,240 (\$21,040 per semester)
Bachelor of Health Sciences (Honours) CRICOS Course Code 063044M	6.5 (6.0)	Jan	3 semesters (1 year)	5	\$42,210 (\$14,070 per semester)

PROGRAM DESCRIPTION

- Explore a variety of health disciplines by gaining an understanding of basic and applied sciences.
- Flexible degree, allowing students to select a variety of subjects to best suit individual career and study goals.

HONOURS

- Honours is available after successful completion of this program with a GPA of 2.0 / 4.0 or higher.
- Candidates must have been awarded a bachelor's degree that is related to the proposed Honours research project within the previous three years.
- The Honours program is a one-year program of independent research and study culminating in the production of a research thesis and presentation of a research seminar.
- Students undertake a program of coursework and research in which they conceptualise, plan, organise, undertake and report on an independent research project, whilst being supervised by a member of the academic staff. (Projects in the numerous disciplines vary on an annual basis.)
- Provides a pathway to postgraduate study, typically Master of Science by Research (Health Sciences) or Doctor of Philosophy (Health Sciences & Medicine).
- Graduates may also seek employment as research assistants in various industries.

CAREER OUTCOMES

- Health promotion
- Community health
- Health education
- Health officer
- Health administration
- Laboratory assistant
- Clinical trials or drug registration
- Intellectual property
- Scientific publishing
- Successful completion of this program can be used as a pathway into the Honours program, Doctor of Physiotherapy*, Master of Nutrition and Dietetic Practice* and the Master of Occupational Therapy.

PATHWAYS

The Diploma of Health Sciences provides a pathway to the Bachelor of Health Sciences for those who do not meet the entry requirements (refer to page 81).

*Subject to prerequisites.

Medical Program	IELTS	Starting	Duration	Fee*
Medical Program Bachelor of Medical Studies CRICOS Course Code 0101292 Doctor of Medicine CRICOS Course Code 0101293	7.0 (6.5)	May	14 semesters (4 years, 8 months)	\$419,440 (\$29,960 per semester)

PROGRAM DESCRIPTION

- Made up of two sequential degrees: The Bachelor of Medical Studies (BMedSt) and Doctor of Medicine (MD) – all students selected for entry into the Medical Program must complete both degrees to be eligible for registration as a medical practitioner in any state or territory of Australia or New Zealand.
- You will benefit from a variety of teaching and learning systems, including case-based small group tutorials, problem-based learning, practical classes, clinical skills and laboratory training, self-directed learning, web-based and e-learning, interactive seminars and lectures.

ENTRY REQUIREMENTS

- Direct entry into the Medical Program is currently not available to international students.
- International students graduating from Bond's Bachelor of Biomedical Science (Pre-Health Professional major), Master of Occupational Therapy, Doctor of Physiotherapy or Master of Nutrition and Dietetic Practice are eligible to be considered for entry into Year 2 of the Medical Program. Students must achieve a minimum GPA to be selected for psychometric testing and the interview. Successful students will commence in Year 2 of the Medical Program.

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

POSTGRADUATE DEGREES

Healthcare Innovations	IELTS	Starting	Duration	Subjects	Fee*
Master of Healthcare Innovations <small>CRICOS Course Code 099578F</small>	6.5 (6.0)	Jan May Sep	3 semesters (1 year)	11	\$68,520 (\$22,840 per semester)
Graduate Diploma in Healthcare Innovations <small>CRICOS Course Code 099579E</small>	6.5 (6.0)	Jan May	2 semesters (8 months)	8	\$45,680 (\$22,840 per semester)
Graduate Certificate in Health Systems <small>CRICOS Course Code 099580A</small>	6.5 (6.0)	Jan Sep	1 semester (4 months)	4	\$22,840

MASTER'S PROGRAM

- Designed and delivered by experienced educators, researchers and innovators within the Faculty of Health Sciences & Medicine, Institute for Evidence-Based Healthcare, and the Bond Business School.
- The curriculum will inspire students to critically examine current healthcare practices from different perspectives, in order to innovate and drive improvement.
- Practically apply your learnings through a final capstone project in an area of your interest and choice.
- Designed for a diverse cohort of health professionals, administrators and change makers.
- Taught in small groups using blended and online learning approaches including face to face intensive workshops and self-directed online tutorials.

GRADUATE DIPLOMA

- Deepens professionals' knowledge of health systems, evidence-based practice and organisational behaviour. Professionals will learn to use design thinking and problem-solving strategies to lead, educate and influence colleagues and healthcare users towards improving and innovating healthcare practice.

GRADUATE CERTIFICATE

- Challenges the way professionals understand and work within Australian and international health systems. Professionals are facilitated to compare and benchmark health systems and identify opportunities for evidence-informed innovations.

ENTRY REQUIREMENTS

- A bachelor's degree in Health or a related program with a minimum GPA of 1.0 / 4.0 (equivalent to 4.0 / 7.0), or
- A bachelor's degree in a non-health related area with a minimum GPA of 1.0 / 4.0 (equivalent to 4.0 / 7.0) plus 3 years' relevant work experience.

CAREER OUTCOMES

As a Healthcare Innovations graduate, you will stand out as a future-focussed problem solver, equipped to manage change and lead evidence-informed innovations. You will have the ability to:

- Interrogate contemporary health systems and practices using design thinking and research evidence to challenge current perspectives.
- Evaluate the potential of current and disruptive technologies to impact on future models of healthcare.
- Utilise data and technology to identify opportunities for innovations.
- Use systems planning and knowledge translation to create and test alternatives for positive and innovative change.
- Integrate social, ethical, legal and financial impact improvements for sustainable healthcare.

JENNIFER PFEIFLER

Master of Nutrition and Dietetic Practice Alumna
Dietitian - River Oak Health, Brisbane
United States of America

My two years in the Bond Nutrition and Dietetics program was an experience I'll never forget. It changed the way I learn and provided me with practical skills that I use every day in the workforce.

The small class sizes and accelerated nature of the program allowed me to thrive and truly grow into the entrepreneur I didn't know I would become.

POSTGRADUATE DEGREES

Nutrition and Dietetic Practice	IELTS	Starting	Duration	Subjects	Fee*
Master of Nutrition and Dietetic Practice CRICOS Course Code 089734D	7.0 (6.5)	May	6 semesters (2 years)	20	\$106,800 (\$17,800 per semester)
Graduate Diploma in Nutrition CRICOS Course Code 079258K	7.0 (6.5)	May	2 semesters (8 months)	8	\$35,600 (\$17,800 per semester)
Graduate Certificate in Nutrition CRICOS Course Code 079257M	7.0 (6.5)	May	1 semester (4 months)	4	\$17,800

MASTER'S PROGRAM

- This program allows students interested in health and nutrition to choose their own pathway and area of nutrition they want to specialise in, while focusing on practical placement, communication and international engagement.
- Strong emphasis is placed on developing evidence-based practitioners that have intensive preparation in evidence-based dietetic practice, nutrition research and international engagement.
- You will have the opportunity to participate in an international placement as part of the program.
- Successful completion of this program can be used as a pathway into the Medical Program.

GRADUATE DIPLOMA

- Builds on the Graduate Certificate in Nutrition by including subjects in Clinical Dietetics, Food Service Dietetics, Nutrition and Chronic Disease Management, and Public Health Nutrition Practice.

GRADUATE CERTIFICATE

- This program builds on undergraduate studies in health and related sciences to develop specialist knowledge, skills and attitudes relating to human nutrition and health.
- Successful completion of this program can lead to studies in Bond's Master of Nutrition and Dietetic Practice to become qualified as a dietitian.

PROFESSIONAL RECOGNITION

- This program has full accreditation with the Dietitians Association of Australia (DAA) up until 30 March, 2023. A graduate of this program is eligible to become a DAA member with dietetic qualifications, and to join the Accredited Practising Dietitian (APD) Program.

ENTRY REQUIREMENTS

- A bachelor's degree in health science or other related degree with a minimum GPA of 1.0 / 4.0 (equivalent 4.0 / 7.0). Successful completion of at least two biochemistry subjects at second year level where first year chemistry is a prerequisite of these subjects, and two physiology subjects also at second year level.
- Eligible undergraduate programs from Bond University include:
 - Bachelor of Biomedical Science (CRICOS 063085B)
 - Bachelor of Exercise and Sports Performance (CRICOS 0100510)
 - Bachelor of Exercise and Sports Science (CRICOS 080641D)
 - Bachelor of Health Sciences (CRICOS 063068C)

CAREER OUTCOMES

- Clinical dietetics
- Private practice
- Food service management
- Public health nutrition
- Corporate health and wellness programs
- Sports nutrition
- The food industry
- Nutrition in childcare centres, schools and aged care facilities
- Research

Graduates of this program can apply for Accredited Practising Dietitian (APD) status with the Dietitians Association of Australia.

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

A portrait of Gurjeet Kaur, a woman with dark hair pulled back, smiling at the camera. She is wearing a black button-down shirt. The background is a light-colored stone wall with a blurred outdoor scene visible on the left.

GURJEET KAUR

**Master of Occupational Therapy Alumna
Occupational Therapist - HealthStrong, Medibank
India**

I really enjoyed my studies at Bond, it truly was the most amazing experience. Due to small cohort sizes, it was easy to interact with professors and the support and motivation from them helped me grow. Services including the library and student learning support are incredible and helped me achieve higher scores in my studies.

POSTGRADUATE DEGREES

Occupational Therapy	IELTS	Starting	Duration	Subjects	Fee*
Master of Occupational Therapy <small>CRICOS Course Code 090670E</small>	7.0 (7.0)	May Sep	6 semesters (2 years)	21	\$136,900 (\$22,817 per semester)

PROGRAM DESCRIPTION

- Designed to produce highly competitive graduates with comprehensive clinical skills, and solid business acumen and research experience.
- Taught in world-class facilities at the Bond Institute of Health & Sport.
- Choose between the clinically-focused research pathway or the business-focused pathway.
- The clinically-focused research pathway prepares you for entry into higher research degrees and careers in research and academia, as well as bolstering research networks and culminates in an individual research project that may be eligible for publication. The business-focused pathway enables you to undertake business electives to prepare you for management roles, and better prepare you to work in the private sector.
- Successful completion of this program can be used as a pathway into the Medical Program.

INDUSTRY RECOGNITION

- The Master of Occupational Therapy program has full accreditation with the Occupational Therapy Board of Australia.
- Our graduates are eligible to apply for registration with the Occupational Therapy Board of Australia and will be graduating from a program that has been developed to be recognised by the World Federation of Occupational Therapists.

ENTRY REQUIREMENTS

- A degree in health sciences or other related degree with a minimum GPA of 1.0 / 4.0 (equivalent 4.0 / 7.0) and the equivalent of at least one semester of anatomy, one semester of physiology, and two semesters of psychology or sociology or behavioural science.
- Applications should include accompanying documentation, including academic transcript and subject outlines.
- Applicants who do not meet the prerequisite subject requirements may need to complete bridging subjects prior to entry.

CAREER OUTCOMES

- Aged care
- Community health centres
- Independent living centres and rehabilitation facilities
- Mental health services
- Paediatrics
- Private practice
- Public and private hospitals
- Research
- Schools and tertiary education
- Workplace health

Australia's first OT master's to offer the opportunity to complete a clinical research project or undertake business electives in preparation for a career in private practice.

Develop specialist skills related to the practice of OT, with extensive hours of practical education across various clinical contexts in a variety of settings.

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

Master of Occupational Therapy students are taught in world-class facilities at the Bond Institute of Health & Sport located just 4km from the main campus.

POSTGRADUATE DEGREES

Physiotherapy	IELTS	Starting	Duration	Subjects	Fee*
Doctor of Physiotherapy <small>CRICOS Course Code 075478G</small>	7.0 (7.0)	May	6 semesters (2 years)	20	\$147,840 (\$24,640 per semester)

PROGRAM DESCRIPTION

- Prepares entry-level physiotherapists for their roles and responsibilities as first contact practitioners.
- Provides over 1,200 hours of clinical placement to broaden your knowledge and skill level, ready for the next step in your career.
- Integrates clinical, pathological and related sciences with the physiotherapy knowledge, skills and professional behaviours and attitudes required to examine, diagnose and treat physiotherapy clients.
- Successful completion of this program can be used as a pathway into the Medical Program.

INDUSTRY RECOGNITION

- The Doctor of Physiotherapy program has been accredited as an entry-level program by the Australian Physiotherapy Council and is listed as an approved program of study by the Physiotherapy Board of Australia.

ENTRY REQUIREMENTS

- Bachelor of Exercise and Sports Science or Bachelor of Exercise and Sport Performance degree from Bond University, or equivalent degree from a recognised institution with a cumulative GPA of 2.0 / 4.0 or 5.0 / 7.0 or better.

- Evidence of the following subject prerequisites:

- Two semesters of human anatomy or equivalent
- Two semesters of human physiology or equivalent
- One semester of biomechanics or equivalent
- One semester of research design / statistics or equivalent
- One semester of physiology of exercise or equivalent
- One semester of exercise prescription or equivalent
- Successful performance at a selection interview.

CAREER OUTCOMES

- Orthopaedics
- Cardio-respiratory practice
- Out-patient musculoskeletal practice
- Hospital practice
- Private practice
- Neurological and ortho-geriatric rehabilitation
- Chronic disease and disability
- Paediatrics
- Women's and men's health
- Sports practice
- Community physiotherapy

Up to 50% of the program is undertaken in a clinical context.

Upon graduation, you will be eligible for registration as a physiotherapist in Australia and in some countries internationally.

Taught in world-class facilities at the Bond Institute of Health and Sport.

Research (Health Sciences)	IELTS	Starting	Duration	Fee*
Master of Science by Research (Health Sciences) <small>CRICOS Course Code 073729K</small>	7.0 (6.5)	Jan May Sep	2 years	\$39,760 per annum

PROGRAM DESCRIPTION

- Undertake supervised research studies in one or more of the Faculty of Health Science & Medicine's research areas and groups.
- This is an internationally-recognised research degree, and can be used as a pathway to PhD studies.

ENTRY REQUIREMENTS

- An undergraduate degree with honours in a relevant discipline, with evidence of the ability to conduct supervised research; or
- A qualification or combination of qualifications deemed to be equivalent by the Faculty Research Committee.

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

Gain hands-on physiotherapy experience with up to 50% of the program based on clinical experiential learning.

HIGHER DEGREE RESEARCH

Master of Philosophy	IELTS	Starting	Duration	Fee*
CRICOS Course Code 072092F	7.0 (6.5)	Jan May Sep	2 years	\$39,760 per annum

PROGRAM DESCRIPTION

- Undertake an extended and focused study in a specific area of research interest, or development of creative works. Study culminates in a 30,000 - 40,000-word piece of work, or equivalent for a creative arts project.
- In particular circumstances, this program can be used as a pathway to PhD studies, pending appropriate approvals.

ENTRY REQUIREMENTS

- Australian Qualifications Framework Level 7 bachelor's degree or equivalent in the same discipline.

RESEARCH AREAS

- Architecture and Built Environment
- Business and Commerce
- Communication and Creative Media
- International Relations and Humanities
- Social Sciences
- Psychology and Counselling

Doctor of Philosophy	IELTS	Starting	Duration	Fee*
CRICOS Course Code 063150J	7.0 (6.5)	Jan May Sep	Maximum of 4 years	\$39,760 per annum

PROGRAM DESCRIPTION

- Depending on the field of specialisation, the PhD culminates in an 80,000 - 100,000 word thesis of significant, original research.
- The PhD is an internationally recognised degree usually used as a pathway to an academic or research career.

ENTRY REQUIREMENTS

- A four-year (8 semester) honours degree - First Class or 2A; or
- A research master's degree; or
- A qualification or combination of qualifications deemed to be equivalent to the above by the Higher Degree by Research Committee.

RESEARCH AREAS

- Actuarial Science
- Architecture and Built Environment
- Business and Commerce
- Communication and Creative Media
- Health Sciences
- Hotel and Tourism
- International Relations and Humanities
- Law
- Medicine
- Social Sciences
- Psychology and Counselling
- Sport

Professor Russ Chess-Williams, Professor of Pharmacology supervises a research student in Bond's Centre for Urology Research (CUR).

PATHWAYS TO BOND UNIVERSITY

If you do not meet the entry requirements for your chosen degree, Bond University offers a range of admission pathways to help you achieve the academic and English language requirements you need.

Our pathway programs are delivered on campus by Bond University College, where you will benefit from extra hours of face-to-face teaching in a small class mentored environment.

Bond University College is situated in the heart of the Bond University campus. You will have access to all of the University resources and facilities, and will be welcomed as a fully-fledged member of the University community from the day you arrive.

Additional pathway entry options may also be accepted such as vocational education or training and work experience. Visit bond.edu.au/how-to-apply for more information on admissions criteria.

ENGLISH PATHWAYS

GENERAL ENGLISH (GE)

CRICOS Course Code 065668G

Duration: 10 weeks per level

Starting: Every 5 weeks (See bond.edu.au/general-english for starting dates).

Fee*: \$455 per week

This program helps students achieve their English language proficiency goals in everyday communication through a wide range of contemporary topics and video materials. General English programs are available at six levels graded from beginner to advanced, with each level lasting 10 weeks. Students that are unable to commence at the beginning of a 10-week cycle may commence halfway through at the 6-week point.

ENGLISH FOR ACADEMIC PURPOSES (EAP)

CRICOS Course Code 066082C

Duration: 14 weeks (1 semester) per level

Starting: January, May, September

Entry requirement:

EAP 1 = IELTS 5.0 (4.5)

EAP 2 = IELTS 5.5 (5.0)

EAP 3 = IELTS 6.0 (5.5)

Fee*: \$6,070 per semester

Improve your academic English and study skills to meet the criteria for direct entry to selected programs. EAP is a full-time program incorporating three levels, with each level taking one semester (14 weeks) to complete. The College's three-semester-per-year schedule allows you to complete all three levels in one year. EAP can be combined with General English for students whose levels are below IELTS 5.0 before arrival and intend to continue their studies in an undergraduate or postgraduate degree.

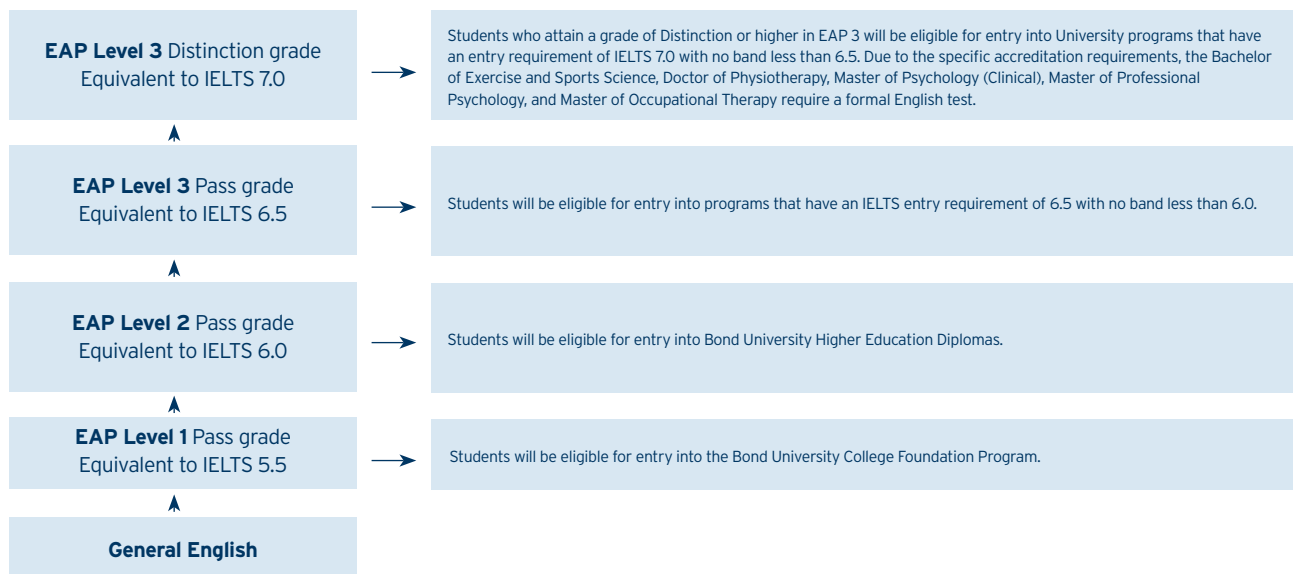

SAMPLE TIMETABLE: GE & EAP

MONDAY TO FRIDAY (excluding Wednesday)	WEDNESDAY (free BBQ lunch for all students)
Session 1: 9am - 11am	Session 1: 9am - 12pm
Session 2: 11.45am - 2pm	
Session 3: 2pm - 3pm (Self study)	

ACTIVITIES AND SUPPORT

Bond University College also offers a range of optional activities and services that run at different times throughout the year. Some of these include conversation club, pronunciation club, sports club and English support. Please visit bond.edu.au/english to view what activities and services are currently running.

ENGLISH PATHWAYS TO FURTHER STUDY

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

A professional portrait of a young woman with light brown hair pulled back, wearing a white button-down shirt under a dark blazer. She is standing in front of a blurred background of stone steps and a wall.

CLARISSE LAFLEUR

**General English > English for Academic Purposes >
Diploma of Business > Bachelor of Business >
Master of Business
New Caledonia**

Bond University is one of a kind and leaves a strong impression. I moved to Australia to improve my English. I met amazing people from around the world and I had the opportunity to learn from passionate teachers who motivated me and pushed me to do my best. After completing my English studies I enrolled in a diploma, followed by a Bachelor of Business and now a Master of Business. I have made friends for life but also enjoy attending fascinating classes with interesting professors.

ACADEMIC PATHWAYS

BOND UNIVERSITY COLLEGE FOUNDATION PROGRAM

CRICOS Course Code 063151G

Duration: 8 months (2 semesters)
Starting: January, May, September
Entry requirements: IELTS 5.5 (5.0)
Fee*: \$30,960 (\$15,480 per semester)

The Foundation Program has been specifically designed for international students as a pathway into first year undergraduate study. You will learn the core skills necessary for academic success, delivered by experienced and supportive teachers in small, personalised classes. Successfully passing the Foundation Program will allow entry into most undergraduate programs, however, entry into the Bachelor of Laws requires a GPA of 70% or higher. There is no direct pathway to the Bachelor of Actuarial Science from this program - students may pathway through a Diploma of Business or the Bachelor of Commerce.

Subjects for the Foundation Program include:

- Academic Communication Skills
- Applied Academic Communication Skills
- Foundation Mathematics 1
- Foundation English 1
- Digital Literacy
- Introduction to Entrepreneurship and Innovation
- Foundation English 2

Plus one of the following:

- Principles of Global Citizenship
- Foundation Mathematics 2*

*Foundation Mathematics 2 is a prerequisite for the Bachelor of Biomedical Science and the Bachelor of Exercise and Sports Science.

DIPLOMA PREPARATION PROGRAM

CRICOS Course Code 0101445

Duration: 4 months (1 semester)
Starting: January, May, September
Entry requirements: IELTS 6.0 (5.5)
Fee*: \$11,610

The Diploma Preparation Program has been specifically designed for students who meet the English entry requirements but not the academic entry requirements for their chosen Diploma program. You will learn the core skills necessary for academic success, delivered by experienced and supportive teachers in small, personalised classes.

The three subjects covered in this one semester program are:

- Academic Communication Skills
- Applied Academic Communication Skills
- Digital Literacy

Pathways to Bond University

*Fees per semester are based on an average calculation of 2021 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

**The average Bond University bachelor's degree is two years but may be longer in some areas of study.

HIGHER EDUCATION DIPOLMAS

Our diploma level studies provide a pathway for students who do not meet the academic and / or English language requirements for direct entry into their chosen bachelor's degree, or who would prefer to start their university journey in a more supported environment. Successful completion of your diploma qualifies you for entry into a Bond bachelor's degree, with varying credit.

Diploma of Arts	IELTS	Starting	Duration	Subjects	Fee*
CRICOS Course Code 0101729	6.0 (5.5)	Jan May Sep	2 semesters (8 months)	8	\$32,480 (\$16,240 per semester)

DEGREE PATHWAYS

Successful completion of the Diploma of Arts guarantees you a place in the following bachelor's programs with a number of subjects credited towards your new program:

- Bachelor of Arts (8)
- Bachelor of Business (8)
- Bachelor of Creative Arts (up to 8^)
- Bachelor of Communication (8)
- Bachelor of Communication (Business) (8)
- Bachelor of Film & Television (8)
- Bachelor of Global Studies (Sustainability) (8)

- Bachelor of Psychological Science (8)
- Bachelor of International Relations (8)
- Bachelor of International Relations / Bachelor of Business (7)
- Bachelor of Journalism (8**)
- Bachelor of Jurisprudence (8)
- Bachelor of Laws (8#)
- Bachelor of Social Science (8)

^8 subject credits with a Communication Major. All other majors will receive 6 subject credits.
**Students must choose an additional minor (4 subjects) to receive full credits.
#65% average required.

Diploma of Built Environment	IELTS	Starting	Duration	Subjects	Fee*

MONA IZZELDIN

**Foundation Program > Bachelor of Biomedical Science
UAE**

Moving far away from home, I didn't know what to expect but everyone here at Bond is wonderful. It was easy to fit in and make friends that are like a second family to me now.

The Foundation Program has given me a new outlook on university life; where the class learning environment is very calm and interesting and has prepared me for what to expect during my degree. I am so glad to be given the opportunity and happy to have made a decision I know I will never regret.

ENGLISH LANGUAGE REQUIREMENTS

All Bond degrees have specific English language entry requirements, which students can meet in a variety of ways. If an applicant provides evidence that fits under more than one category, then the most recent evidence will be used for admission.

APPROVED ENGLISH LANGUAGE TEST

The IELTS Academic entry requirement for each of our programs can be found on pages 32 to 81. Below is a list of other English language tests accepted for entry into Bond programs and their required equivalent scores. Please note that approved English language test results must have been achieved not more than 24 months before the applicant commences their degree.

IELTS ACADEMIC REQUIREMENT	TOEFL iBT EQUIVALENT	CAMBRIDGE ENGLISH ADVANCED (CAE) EQUIVALENT	PEARSON TEST OF ENGLISH ACADEMIC (PTE) EQUIVALENT
IELTS 7.0 (no sub score less than 6.5)	TOEFL iBT 98	CAE 185 (no sub score less than 176)	PTE 65
IELTS 6.5 (writing 6.5, other sub scores 6.0)	TOEFL iBT 85 (minimum of 24 in writing)	CAE 176 (writing 176, other sub scores 169)	PTE 58 (writing 58)
IELTS 6.5 (no sub score less than 6.0)	TOEFL iBT 79	CAE 176 (no sub score less than 169)	PTE 58
IELTS 6.0 (no sub score less than 5.5)	TOEFL iBT 60	CAE 169 (no sub score less than 162)	PTE 50
IELTS 5.5 (no sub score less than 5.0)	TOEFL iBT 50	CAE 162 (no sub score less than 154)	PTE 42
IELTS 5.0 (no sub score less than 4.5)	TOEFL iBT 40	CAE 154 (no sub score less than 147)	PTE 36

SUCCESSFULLY COMPLETED EDUCATION IN ENGLISH

Applicants who can present evidence of successfully completed secondary (high school) education (equivalent to Australian Senior Certificate of Education) or higher that was taught and assessed in English in one of the countries listed below are not required to submit an English language test with their application:

- Australia
- Canada
- England
- New Zealand
- Northern Ireland
- Republic of Ireland
- Scotland
- Singapore
- South Africa
- United States of America
- Wales

STUDENTS FROM INTERNATIONAL SECONDARY SCHOOLS WHERE THE FULL MEDIUM OF INSTRUCTION IS ENGLISH

Applicants to undergraduate programs from overseas international secondary schools where the full medium of instruction is English (such as members listed at cois.org) will be required to submit a letter from the Principal certifying the medium of instruction unless evidence to that effect is located on the transcripts.

BOND UNIVERSITY COLLEGE'S ENGLISH FOR ACADEMIC PURPOSES

An applicant may use Bond University College's English for Academic Purposes (EAP) to meet English language entry requirements for Foundation, Diploma Preparation, Diploma, or Degree. For further information on the different EAP levels and pathways into the University, please see page 77.

In addition to IELTS, TOEFL iBT, CAE and PTE proficiency tests, the following tests can be used as a guide for entry into EAP however all students will be required to take a placement test on arrival and this test will determine the actual level the student is placed into.

- EIKEN 英検 English test
- College English Test (CET) 大学四六级英语考试 / 大学公共英语考试
- Test of English as a Foreign Language - Institutional Testing Program (TOEFL - ITP)
- Test of English for International Communication (TOEIC) - Listening and Reading Test

Please note that English language test results must be no older than 24 months when the applicant commences their program.

These entry requirements are correct at time of printing and are subject to change. For more information on English language requirements, please visit bond.edu.au/english-requirements.

HOW TO APPLY TO BOND

1

SELECT YOUR PROGRAM

Deciding on a program is a personal choice. It's about choosing the right program for you - your interests, your future.

Find more information about programs offered at Bond by visiting:
bond.edu.au/search-program.

2

APPLICATION PROCESS

Applying to study at Bond is easy! Applications for most Bond programs can be lodged at any time directly to the University or through an agent in your country. There is no application fee.

For more information on how to apply, visit:
bond.edu.au/apply.

3

REQUIRED DOCUMENTS

Make sure that you complete all required fields in your application form including uploading required documentation.

This documentation may include:

- Academic transcripts
- Academic references
- Passport
- Resume / CV
- English language proficiency test results
- Graduation diplomas

Visit the Application Tips page:
bond.edu.au/application-tips.

4

APPLICATION SUBMISSION

You can submit your application directly or via an agent. You or your agent will receive an email from Bond University to confirm your application was successfully submitted.

5

APPLICATION PROCESS TIME

The application review process will normally take two weeks provided all supporting documentation has been provided.

6

RECEIVE YOUR LETTER OF OFFER

If your application is successful, you or your agent will receive an email from us offering you to officially become a Bond student.

This email includes:

- A formal Letter of Offer from Bond University
- Link to accept offer
- Information about fee payment options and accommodation

You may also want to consider applying for scholarships. Visit bond.edu.au/scholarships.

7

ACCEPT YOUR OFFER

You are two steps away from confirming your place at Bond. To accept your offer, all you need to do is log into our online application system and indicate your acceptance from the drop-down menu, and then pay the required fees as listed on your offer. If you applied via an agent, please get in touch with them to find out how you can accept and pay.

Once enrolment opens, you can create your IT account and choose your subjects.

8

ORIENTATION

Your first introduction to university life! Orientation is the perfect time to make new friends and find your way around campus. The Orientation experience features an exciting program of social activities where you can relax and meet people, and there are lots of information hotspots to help you get ready for university life.
