UOW
COLLEGE
AUSTRALIA

PATHWAYS TO
UNIVERSITY OF
WOLLONGONG

Get in.
Get ahead.

Get in. Get ahead.

UOW College has been helping students to achieve their personal, educational and career goals for over 30 years.

UOW College provides pathway programs for students to gain entry to the University of Wollongong (UOW). UOW College also offers career ready qualifications in Nursing, Fitness and Screen and Media to prepare students for upskilling in their current role or entry to the workforce.

UOW College is an integral component of UOW. Our students thrive from studying on UOW campuses, and have full access to the same academic support, accommodation services, sports, culture and entertainment facilities.

I chose to study at UOW College as I was unable to join UOW directly. I really enjoyed meeting new classmates and would even go as far to say that I made friends with teachers which helps to make class easier and more enjoyable. Studying on campus has allowed me to experience the uni lifestyle and gave me a goal to work towards. Studying at UOW College is not a disadvantage in any aspect, in fact, I really believe it will make uni easier.

DYLAN

UNIVERSITY ACCESS PROGRAM

Courses and pathways

UNIVERSITY PATHWAYS:

- University Entrance Certificate
- STEP to UOW
- University Access Program

Entry to **first year** UOW bachelor degree*

Students will achieve a Nationally Recognised Qualification upon successful completion of any of the below courses:

Start your career in the industry

*There are no pathways from University Pathway Programs into double degrees, four-year professional degrees, Law, Nutrition and Dietetics, Nursing or Economics and Finance.

^Students who successfully complete the Diploma of Nursing are eligible to apply for the UOW Bachelor of Nursing via UAC. If admission is approved, students may be awarded 48 credit points towards the Bachelor of Nursing (entry into the second year).

#Credit arrangements apply – refer to full Course Guide for more details.

A woman with long dark hair, wearing a maroon t-shirt, blue jeans, and white sneakers, stands in front of a modern building with large glass windows. The building's facade is composed of a grid of glass panels. In the foreground, there are several colorful, modern outdoor chairs in shades of yellow, orange, and green. The woman is smiling slightly and looking towards the camera.

I chose to study the University Access Program to brush up on my academic skills and increase my confidence in maths and statistics before continuing on to UOW as a mature age student. I learnt essay writing skills, how to reference and how to analyse academic texts. The small classes, friendly teachers and access to the UOW campus made UOW College such a special place to study.

- 19,000 plane jumpers per year with Skydive the Beach
- 18-26°C summer average
- 8-17°C winter average

Wollongong campus

UOW's Wollongong campus is like a leafy-green suburb where you can get everything you need.

JOIN THE CLUB

With more than 130 student-run clubs and societies covering everything from cosplay to camping, it's easy to meet like-minded friends and have fun. Can't find one you like? Get together with at least 10 like-minded students and start your own.

Find your tribe at clubs.uow.edu.au

SEE A GIG

More than 100 live music acts play on campus every year. There's even a full-blown music festival - Garden Party - held right on campus.

Check out the upcoming gigs at - unilife.uow.edu.au/whats-on/

STAY HEALTHY

UOW's recreation centre, UniActive, is the place to keep fit and healthy with a 50-metre heated swimming pool, two gymnasiums, more than 80 group exercise classes each week, and indoor and outdoor courts for basketball, tennis, hockey, soccer, football and more. The best part is UOW students get up to 30 percent off membership.

BE A GOOD SPORT

There are more than 60 student sporting teams at UOW from football to underwater hockey. Whether you're looking for a lunchtime kick-around or some serious competition, these teams are always on the lookout for fresh talent.

Team up at uniactive.uow.edu.au/sports

OH SO CLOSE

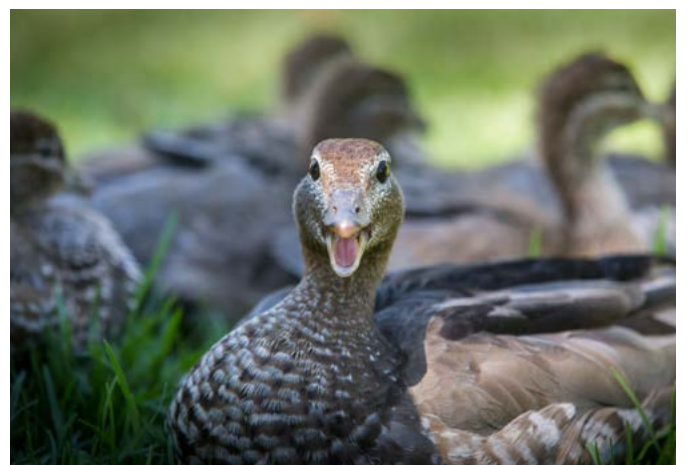

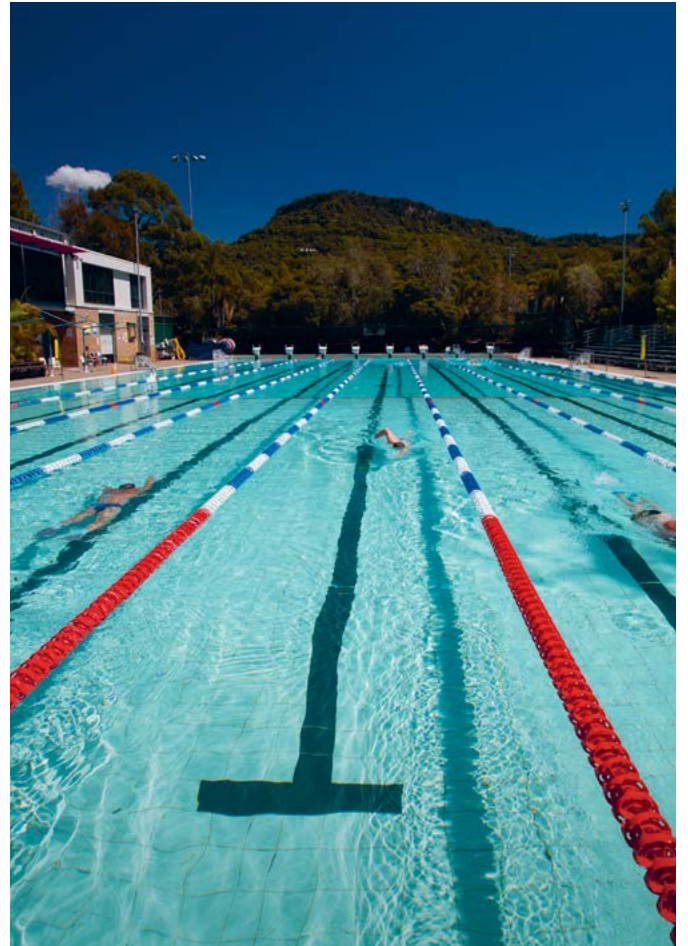

- Free shuttle buses connecting campus, CBD and the beach
- 2.4km between Wollongong campus and the beach
- 75km to Sydney airport
- 180km of cycle ways

FEEL SAFE

Our free SafeZone App and UOW Security team are here to help ensure we have a safe and secure campus environment.

The campus has seven coffee shops, 16+ food outlets, UniBar, two banks, supermarket, hairdresser, travel agent, post office, medical centre, dentist and physio.

A home away from home

Accommodation

More than 2,600 students from all around the world call a UOW residence home. With rooms from under \$200 per week, there is a student residence to meet everyone's needs – and wishes.

Your UOW residence is a place where you'll make lifelong friends with students studying everything from politics to polymers.

It's a welcoming, ready-made community, with a calendar full of social, sporting and cultural events.

And with 24/7 academic and wellbeing support right outside your door, it's not surprising that students who live in our residences achieve outstanding academic outcomes.

HOMESTAY

For those who prefer a family-oriented lifestyle, Homestays (living with a local family in a private home) are available.

For more information, visit uow.college/homestay

THE BEST PLACE TO LIVE. GUARANTEED.

Whether you're relocating to Wollongong or you're a born and bred local, UOW accommodation guarantees eligible first-year students a place in a UOW residence.*

Knowing you're going to have a roof over your head is one less thing to worry about, leaving you free to concentrate on your studies. With seven student residences, students can choose from catered or self catered, to live on campus, by the beach or in the city. You're sure to find the right place for you.

*Terms and conditions apply

Get your university experience off to a smooth start. Your weekly rent in a UOW residence includes wifi, electricity, water, furniture, security and support – no surprise bills or unexpected costs.

For detailed information on all residences, including fees and application dates, visit uow.edu.au/accommodation

- Route 55 Gong Shuttle
- Route 9 North Gong Shuttle
- Gwynneville – Keiraville Shuttle

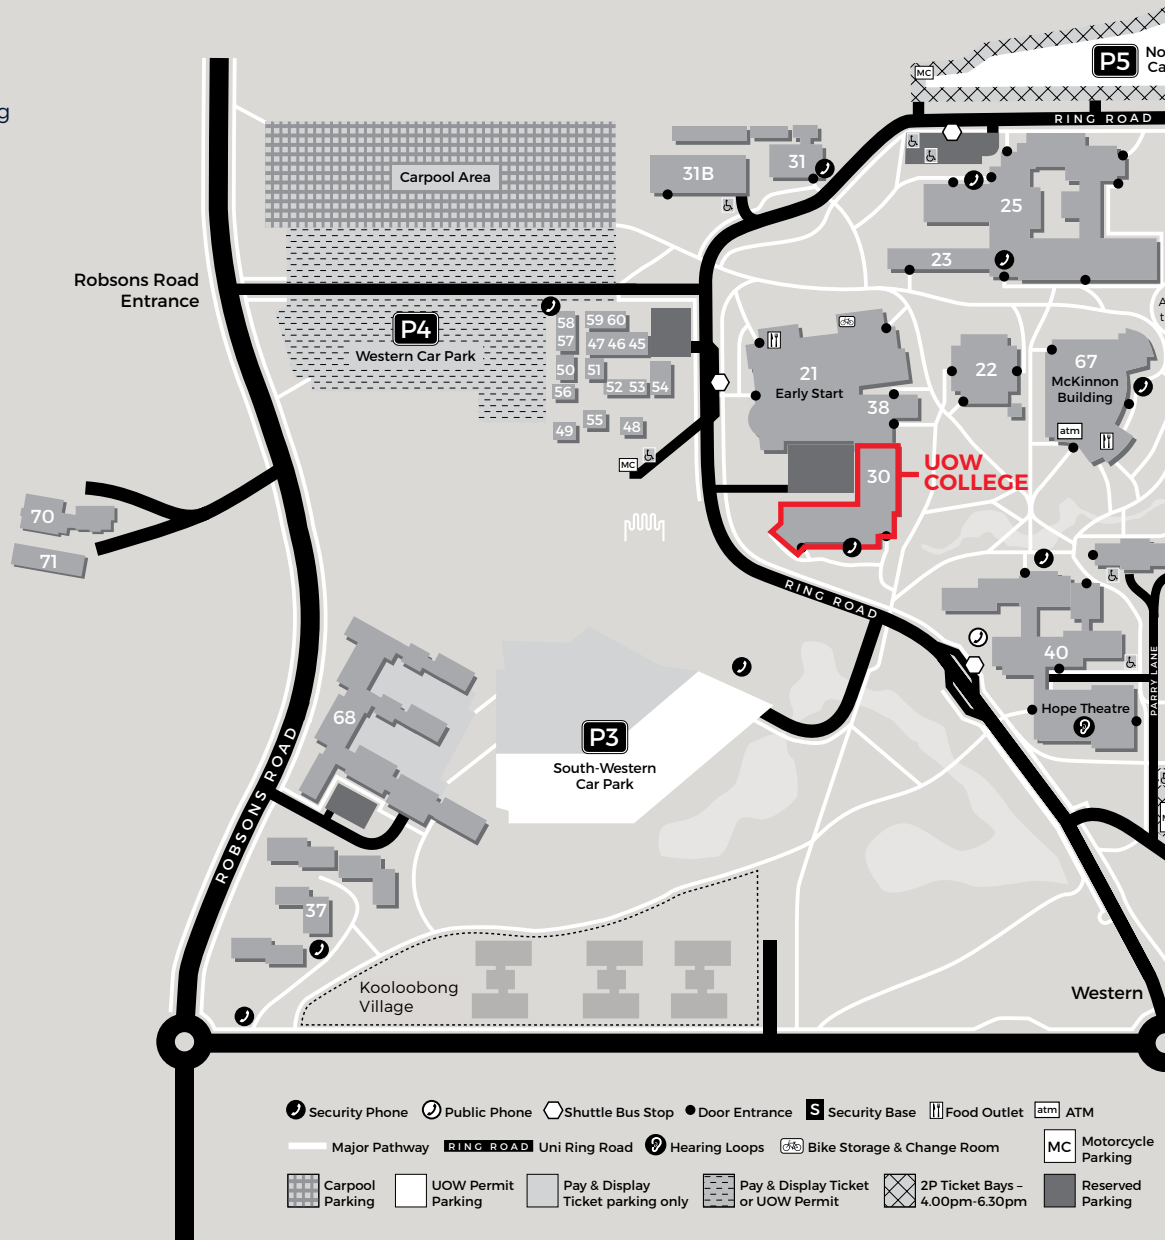

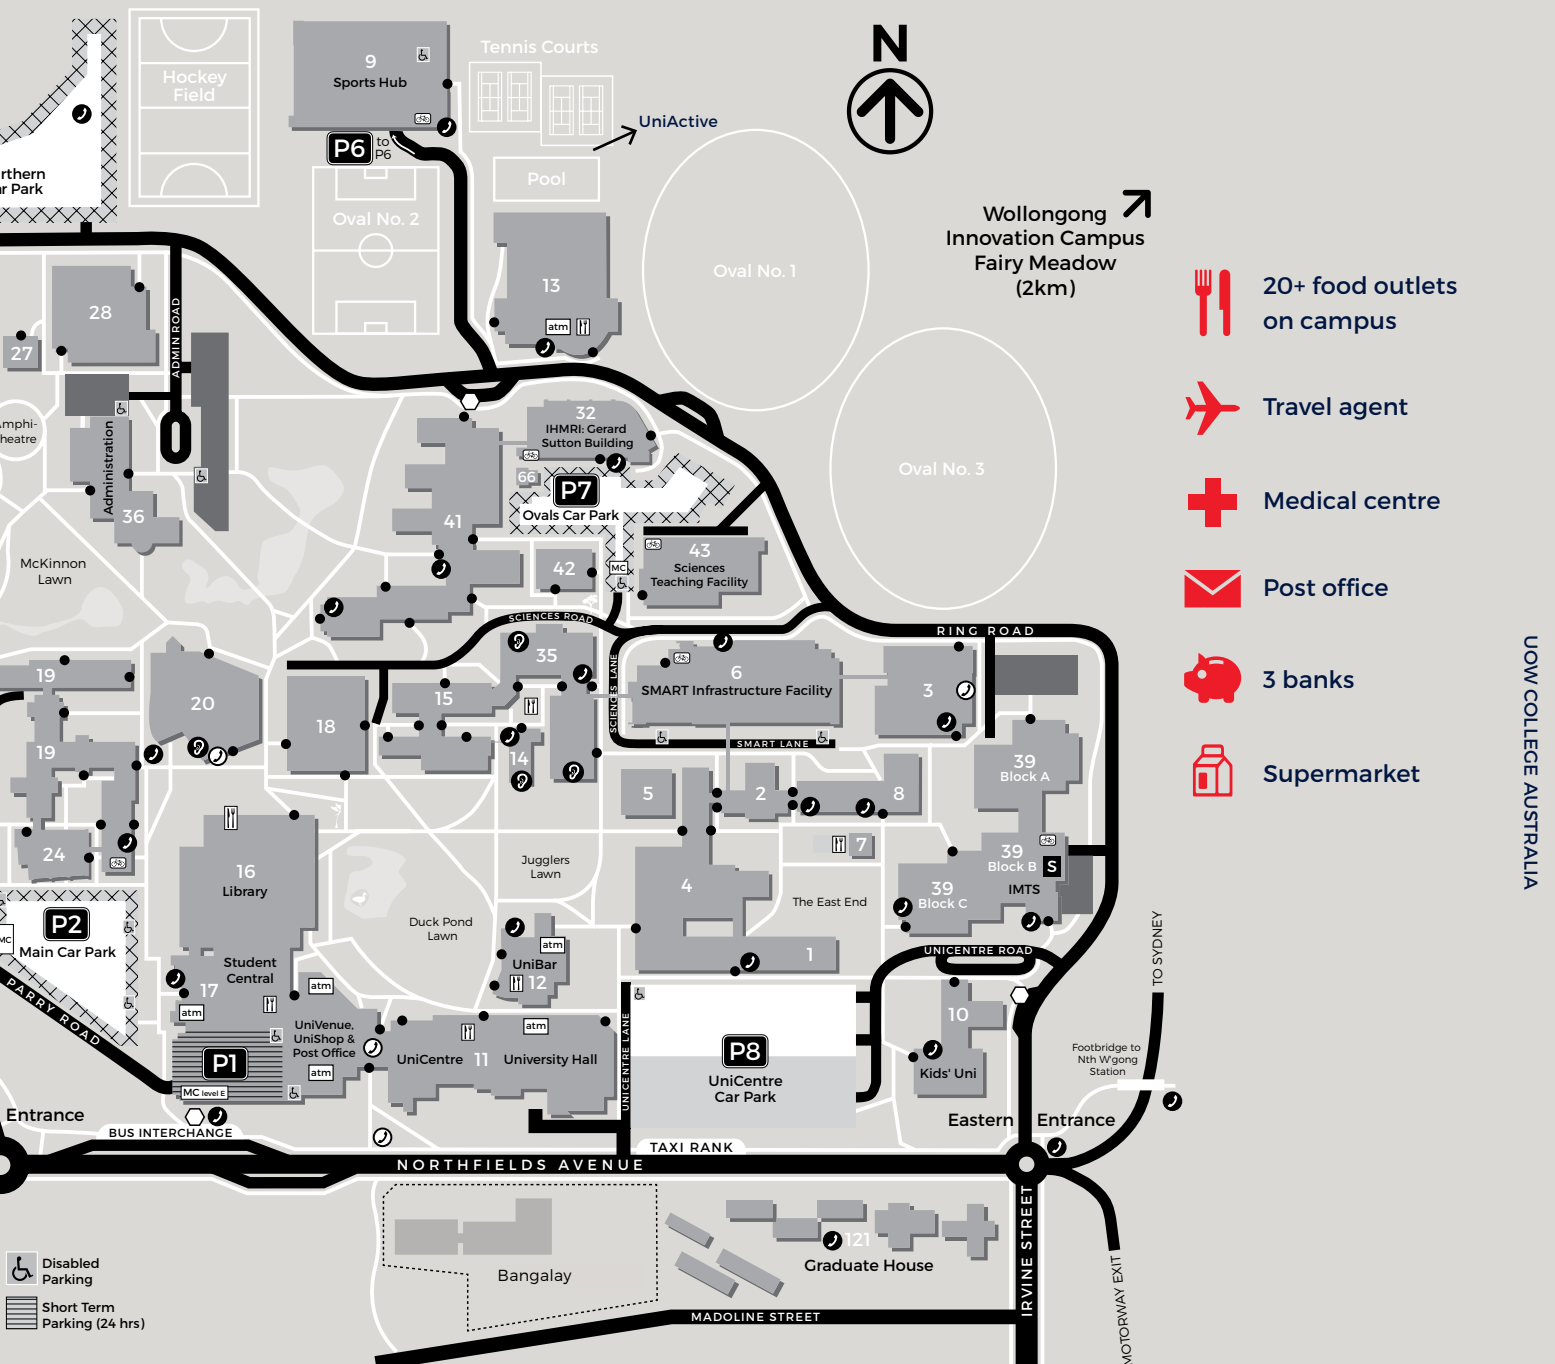

Wollongong Campus

The Wollongong campus combines modern teaching and study spaces on 83 hectares of landscaped Australian bushland.

We have created a campus that includes academic support, accommodation, sports, culture and entertainment—everything you need.

At UOW College you can relax and focus on your education.

South Western Sydney campus

With people from more than 150 countries calling Liverpool home, the UOW South Western Sydney campus is a culturally vibrant and welcoming place to study. The campus is located on Moore Street, in the heart of Liverpool. You can step out of the classroom and find yourself amongst a world of food, shopping and entertainment.

FOOD

Spice up your lunch break with an Indian curry, grab a post-lecture treat from an Afghani bakery or order some pizza or Thai food – you're never short of options on the streets around campus.

COFFEE

Find a quick caffeine fix at various cafés located right at the entrance to UOW and sprawled along the nearby mall. Alternatively, a short walk will take you to a number of cafés, including the Blackrose Bar and Café for coffee and Italian food, or Ristretto and Co for a gourmet breakfast or a scoop of gelato.

SHOPPING

A Westfield Shopping Centre and the Macquarie Mall shopping strip are within a few blocks of your classroom, making it easy to find specialty stores, last-minute study supplies or fit in some retail therapy.

ARTS AND ENTERTAINMENT

A short train ride will lead you to the Casula Powerhouse Arts Centre where you can see and learn about art, music and performing. If that's not your style, visit the comic shop, karaoke bar or the Liverpool City Library.

SPORT AND RECREATION

Take a break and visit the Georges River or Lake Moore, nestled beside Liverpool city. As home to two leisure centres, two aquatic centres, numerous parks, riverside walkways, picnic areas and sporting facilities, Liverpool caters for the everyday walker to the focused athlete.

TRANSPORT

Car – Liverpool has almost 5,000 car parking spaces available in or near the city centre, including free and low-cost options.

Train – Campus is only a four-minute walk from Liverpool railway station. With six train lines passing through, it's easy to get in and out of the city.

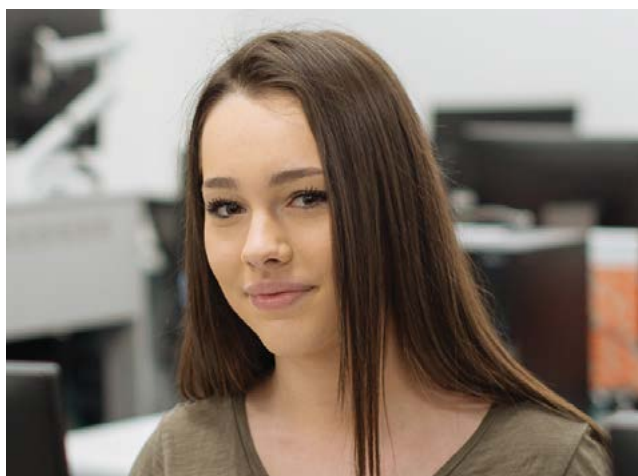

Bus – Liverpool boasts one of Sydney's first rapid bus transit-way systems, connecting you to other major areas around Sydney. The free community shuttle also stops just outside campus and is a great way to move around Liverpool.

Cycling – If you choose to cycle to class, Liverpool City Council offers a number of bike racks in its Dewsbury Lane carpark.

UOW COLLEGE COURSES AVAILABLE AT UOW SOUTH WESTERN SYDNEY

- University Access Program (FEE FREE IN 2021)
- Diploma of Business
- Diploma of Information Technology
- Undergraduate Certificate in Business
- Undergraduate Certificate in Information Technology

When I left school, I didn't think that I was ready for university. I thought I'd start work and return to study later but my plan kept getting pushed back. I jumped at the chance to get into university through UOW College's University Access Program (UAP) at the new UOW South Western Sydney Campus. The UAP course was a great way to refresh my study skills and it has made going to university after a break from school feel a little bit easier.

MELISA

UNIVERSITY ACCESS PROGRAM

Supported for success

As a UOW College student you'll have the academic and personal support you need to succeed. Our size means that we are a truly student-centred campus with individual attention, available staff and a personal approach. From the day you become a UOW College student, you can expect guidance and support.

WITH FLYING COLOURS

The Peer Learning Program is free and led by current students who have already completed and excelled in the subject.

YOU'RE WELCOME HERE

The Ally program is a visible network of empathetic people who are allies of lesbian, gay, bisexual, transgender and intersex students and staff.

STUDIOSITY

Free, online after-hours academic support available to you 7 days a week.

EYE ON THE PRIZE

The UOW Careers team will help you plan for your future career, offering opportunities and practical workshops to take you from student to professional.

MIND, BODY AND SOUL

UOW Wellbeing is here to help you maintain a healthy, happy life balance and keep you on track with workshops, events and more.

HERE TO HELP

Free and confidential counselling and student advisor support is available to assist with personal and study difficulties.

HIT THE BOOKS (AND MORE)

Our libraries provide 24/7 access, flexible study spaces and welcoming, knowledgeable staff.

ACCESS ALL AREAS

We want to ensure that students with a disability realise their full academic potential, so be sure to contact UOW's Disability Services for information about the additional support available.

UPSKILL

The Learning Co-Op has free academic services - online and in-person - to save you time, build your skills and help you succeed with your studies.

HAVE FUN

Enjoy UOW College BBQ's, sports competitions and other social activities held most days.

INDIGENOUS SUPPORT

Woolyungah Indigenous Centre provides a number of programs, services and facilities to encourage and support Australian Aboriginal and Torres Strait Islander students.

SAFE AND SECURE

Download the SafeZone mobile app and get first aid and security support easily.

I chose to study the Diploma of Nursing because I wanted to complete my studies in a small classroom environment with a close group of peers. With my current love for nursing, I know that after I graduate from UOW College, I intend on using my qualification to work in a hospital, while I also study my Bachelor of Nursing, to further my knowledge in this field.

EBONY

DIPLOMA OF NURSING

Careers and employment support

Work-integrated learning: from UOW College to UOW or into the workplace, you will receive real workplace experience and the skills employers want.

UNIVERSITY PATHWAY PROGRAMS

 GUARANTEED* ENTRY TO A RANGE OF UOW BACHELOR DEGREES

University Access Program - Wollongong, Batemans Bay, Bega, Shoalhaven, South Western Sydney, Southern Highlands and Southern Sydney

UAC Code 759008 Wollongong

UAC Code 759007 Batemans Bay

UAC Code 759006 Shoalhaven

UAC Code 759005 South Western Sydney (Liverpool)

**This course is FEE FREE at the
South Western Sydney campus in 2021.**

COURSE DESCRIPTION:

The University Access Program (UAP) is a 14-week course to give you the fundamental skills and habits required for university study and maximise your chance of success. It is specifically designed for students who would like to start their academic journey or did not meet the entry requirements to study at UOW.

After successful completion of the course, you are guaranteed* entry to most UOW undergraduate bachelor degrees.

There are two streams of subjects available. You will be placed in the stream relevant to your chosen UOW degree:

Stream 1 - Humanities or

Stream 2 - Information Technology, Science, Health and Behavioural Science.

Completion of an additional subject (Enabling Mathematics) is also required for some UOW degree offers from Stream 2.

Please note: UOW Batemans Bay, Bega, Shoalhaven, South Western Sydney, Southern Highlands and Southern Sydney campuses only offer Stream 1 - Humanities.

INTAKES:

Autumn Session (March)

Spring Session (June)

Summer Session (October)

Remote delivery is available at all campuses for all sessions

CAMPUS:

UOW College Wollongong

UOW Batemans Bay

UOW Bega

UOW Shoalhaven

UOW South Western Sydney

UOW Southern Highlands

UOW Southern Sydney

DURATION:

One session (14 weeks) full time (nine hours per week), or part-time equivalent.

ENTRY REQUIREMENTS:

- Stream 1 - Minimum ATAR 35.
- Stream 2 - Minimum ATAR 35, plus minimum 60% for Year 12 HSC Mathematics Standard 2.
- Non-ATAR applicants will be required to complete a basic literacy and numeracy online test to determine eligibility into the course.

If any of the above entry requirements are not met, applications will be assessed on a case-by-case basis taking into account the applicant's work and life experience.

GUARANTEED* ENTRY INTO UOW BACHELOR:

Successful completion of the UAP provides guaranteed* entry to most UOW undergraduate bachelor degrees. For a full list of UOW degrees with pathways from UAP, please contact us to discuss the UAP Pathway Streams to UOW Degrees. There are no pathways from this course into double degrees, four-year professional degrees, Law, Nutrition and Dietetics, Nursing, Education (except Education – The Early Years) or Economics and Finance. If you wish to enter into one of the above study areas, please contact us to discuss alternative pathways available.

*Guarantee is subject to meeting UOW entry requirements.

The courses on this page are accredited by the University of Wollongong and delivered by UOW College.

University Entrance Certificate and Special Tertiary Entrance Program (School Leavers)

UAC Code 759000

All UEC and STEP students receive a Commonwealth Supported Place, with tuition fees funded by the Commonwealth Government. There are no student fees for either program.

COURSE DESCRIPTION:

The University Entrance Certificate (UEC) and the Special Tertiary Entrance Program (STEP to UOW) are university preparation courses specifically designed for students who have not met the direct entry requirements for a UOW bachelor degree, or who did not receive an ATAR from their secondary schooling.

The STEP to UOW Program is specifically for students who have experienced disadvantage during their secondary school education.

There are four streams of subjects available in these courses. You will be placed in the stream relevant to your chosen UOW degree:

Stream 1 - Arts, Business, Commerce, Humanities, Social Science; or

Stream 2 - Business Information Systems, Information Technology; or

Stream 3 - Computer Science, Engineering, Mathematics, Nuclear Science, Physics; or

Stream 4 - Health Science, Nutrition Science, Science.

You will develop study skills and habits, including time management, essay writing, group work and presentation skills, and become familiar with the academic standards and expectations at university.

INTAKES:

Autumn Session (March)

Spring Session (June)

Summer Session (October)

CAMPUS:

UOW College Wollongong

DURATION:

Two sessions (14 weeks per session) full time (average three to four days per week), or part-time equivalent.

ENTRY REQUIREMENTS:

- Stream 1 - Minimum ATAR 35.
- Stream 2 and Stream 4 - Minimum ATAR 35, plus minimum 60% for Year 12 HSC Mathematics Standard 2.
- Stream 3 - Minimum ATAR 35, plus minimum 80% for Year 12 Mathematics Standard 2.

If the above entry requirements are not met, a course eligibility assessment will be conducted based on HSC subject results. Applicants who have not completed the HSC will be assessed on a case-by-case basis taking into account the applicant's work and life experience.

To be considered for entry into STEP to UOW, you also need to be able to demonstrate that your school studies have suffered hardship[^] because of circumstances beyond your control.

The hardship criteria for STEP to UOW include one or more of the following:

- financial hardship;
- disrupted schooling; home and environment responsibilities;
- English language difficulty; or
- personal illness/ disability.

STEP to UOW applicants must:

- Submit a written application addressing the equity criteria listed above;
- Satisfy the academic entry requirements listed above; and
- Have completed Year 12 within the last 2 years. Applicants who have not completed Year 12 but have completed Year 11 are encouraged to apply.

To apply for STEP to UOW, please download the application form from uowcollege.edu.au

UEC applicants must satisfy the academic entry requirements listed above only.

GUARANTEED* ENTRY INTO UOW BACHELOR:

Successful completion of either the UEC or STEP to UOW provides guaranteed* entry to most UOW undergraduate bachelor degrees. There are no pathways from these courses into double degrees, four-year professional degrees, Law, Nutrition and Dietetics, Nursing or Economics and Finance.

[^] The categories of hardship and the required supporting documentation for STEP to UOW applications are outlined in the application form and are similar to the UAC (Universities Admissions Centre) Educational Access Scheme (EAS). Students who have submitted EAS applications are encouraged to apply for STEP to UOW.

*Guarantee is subject to meeting UOW entry requirements.

The courses on this page are accredited by the University of Wollongong and delivered by UOW College.

GUARANTEED* ENTRY INTO UOW BACHELOR:

If you achieve a final mark of at least 50 per cent in all subjects of the Diploma of Social Science you will receive 24 credit points (equivalent to four subjects) towards a Bachelor of Social Science at UOW.

Successful completion of the Diploma of Social Science will also provide students with guaranteed* entry to the first year of the following Bachelor degrees: Arts (Psychology), Education - The Early Years, Geography, Psychological Science, Public Health, Science (Human Geography, or Environment & Heritage Management), Social Work and Sustainable Communities. Please note: there are no credit points awarded toward the above listed degrees; successful completion of the Diploma of Social Science enables entry to the above degrees only. Students who successfully complete the Diploma of Social Science are also eligible to apply for the UOW Bachelor of Primary Education, Bachelor of Science Education and Bachelor of Health and Physical Education via UAC.

A recognised Higher Education Diploma qualification is awarded upon completion which can be used to pursue entry level career opportunities.

*Guarantee is subject to meeting UOW entry requirements.

The course on this page are accredited by the University of Wollongong and delivered by UOW College unless otherwise specified.

#100-level subjects

**Three 100-level subjects and one 200-level subject

DIPLOMA PROGRAM

ELIGIBLE TO APPLY FOR ENTRY TO SECOND YEAR UOW BACHELOR OF NURSING

 NATIONALLY RECOGNISED QUALIFICATION

HLT54115 Diploma of Nursing

COURSE DESCRIPTION:

The Diploma of Nursing is designed to assist you to develop your knowledge, skills, and attributes for practice as an Enrolled Nurse. You will learn how to communicate effectively with patients and other staff, administer and monitor medications, manage the care of wounds and prepare health assessments and care plans. You will also benefit from clinical placements in which you will work as part of a team and under the supervision of Registered Nurses. This is a nationally recognised qualification that is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC).

Students who successfully complete the Diploma of Nursing are eligible to apply for registration as an Enrolled Nurse with the Nursing and Midwifery Board of Australia (NMBA) and enter the workforce directly as an Enrolled Nurse. The Diploma of Nursing can also be used to apply for entry into the Bachelor of Nursing at UOW – please refer to 'Progression to UOW Bachelor' below for further information.

INTAKES:

Autumn Session (February)

Spring Session (July)

CAMPUS:

UOW College Wollongong

DURATION:

Three sessions over 18 months

ENTRY REQUIREMENTS:

- Completed Australian Year 12, or international equivalent, OR
- Completed a Certificate IV or international equivalent, OR
- Completed a Certificate III or international equivalent, AND
- 17 years or older at course commencement, AND
- Achieve a minimum result of Exit Level 3 in both Literacy and Numeracy (online tests administered by UOW College), AND
- Successfully demonstrate academic and course suitability at interview.

Where English is not the applicant's primary language[^] a minimum overall IELTS (academic module) score of 7.0 with a minimum score of 7.0 in all bands, or equivalent, will also be required.

Satisfying the entry requirements does not guarantee entry to this course. Limited places are available.

DELIVERY:

Students will learn through clinical and laboratory simulations, clinical placements, and face-to-face delivery, including tutorials and lectures on campus.

Clinical placements will be undertaken at health service facilities in the region in accordance with UOW College's negotiated student placement agreements. Laboratory simulations will be held at UOW's world-class School of Nursing Simulation Centre and the UOW College Nursing SimLab.

PROGRESSION TO UOW BACHELOR:

Students who successfully complete the Diploma of Nursing are eligible to apply for the UOW Bachelor of Nursing via UAC. If admission is approved, students may be awarded 48 credit points towards the Bachelor of Nursing (entry into the second year). Entry into the second year is not guaranteed as spaces are limited. Students must also achieve NMBA registration as an Enrolled Nurse and successfully complete a two day Bachelor of Nursing Orientation Program prior to Bachelor commencement. Students who successfully complete the Diploma of Nursing may also use this qualification to apply for a range of other bachelor degrees at UOW.

[^]Primary language means the language primarily used for reading, writing, listening, and speaking and the language known best and most comfortable with.

NATIONALLY RECOGNISED QUALIFICATION

CUA51020 Diploma of Screen and Media

COURSE DESCRIPTION:

The Diploma of Screen and Media has been designed to fill the demand for highly skilled artists, and prepare students for a rewarding career in film and video games. With a focus on building strong foundational skills in 3D modeling, animation and visual effects using industry-standard software, students will develop a good understanding of film and game pipelines, and learn workflows similar to those used in actual studios.

On completion of the Diploma of Screen and Media, students will have a strong portfolio they can use to showcase their work to prospective employers. This will contribute towards them pursuing a fulfilling career as a Modeler, Animator, Game Developer, FX Artist, and much more.

INTAKES:

Autumn session (March)

Spring session (May)

Summer (September)

CAMPUS:

Online delivery

DURATION:

Three sessions over 11 months

ENTRY REQUIREMENTS:

- Completed Australian Year 12, or international equivalent, OR
- Completed a Certificate IV level qualification or international equivalent, OR
- Achieve a minimum result of Exit Level 3 in both Literacy and Numeracy (supervised online tests administered by UOW College), AND
- Successfully demonstrate course suitability at an interview.

DELIVERY:

Online facilitated learning.

In order to participate in this course, students are required to have access to a laptop/computer capable of running Autodesk Maya, a webcam, and an internet connection.

COURSE PROGRESSION:

Students who successfully complete the Diploma of Screen and Media are eligible for entry to the CUA60615 Advanced Diploma of Screen and Media with credit transfer equivalent to 1 year of study. Alternatively, students may choose to enter the workforce on completion of this qualification. Students who successfully complete the Diploma of Screen and Media may also use this qualification to apply for a range of bachelor degrees at UOW.

CUA60620 Advanced Diploma of Screen and Media

COURSE DESCRIPTION:

The Advanced Diploma of Screen and Media will build on the foundational CG industry skills learnt in the Diploma of Screen and Media.

Students in the Advanced Diploma will choose from one of four streams of specialisation to learn more advanced techniques:

- 3D Animation
- 3D Modelling
- FX and Simulation
- Compositing

While studying the Advanced Diploma, students will have further opportunity to build a more diverse portfolio with additional pieces of work focusing on their chosen specialty to showcase to prospective employers.

INTAKES:

Autumn session (February)

Spring session (May)

Summer (September)

CAMPUS:

Online delivery

DURATION:

6 sessions over two years*

*Students who complete the Diploma of Screen and Media will receive credit for prior learning equivalent to the first year of study of the Advanced Diploma, effectively reducing the Advanced Diploma course duration to 1 year.

ENTRY REQUIREMENTS:

- Completed Australian Year 12, or international equivalent, OR
- Completed a Certificate IV level qualification or international equivalent, OR
- Completed a Certificate III level qualification or international equivalent, OR
- Achieve a minimum result of Exit Level 3 in both Literacy and Numeracy (supervised online tests administered by UOW College), AND
- Successfully demonstrate course suitability at an interview.

Students who seek to progress to the Advanced Diploma of Screen and Media from the Diploma of Screen and Media will not be subject to any further admissions assessment.

DELIVERY:

Online facilitated learning.

In order to participate in this course, students are required to have access to a laptop/computer capable of running Autodesk Maya, a webcam, and an internet connection.

COURSE PROGRESSION:

Start your career in the industry. Students who successfully complete the Advanced Diploma of Screen and Media may also use this qualification to apply for a range of bachelor degrees at UOW.

UNDERGRADUATE CERTIFICATE PROGRAMS

 GUARANTEED* ENTRY TO UOW COLLEGE DIPLOMA
 NATIONALLY RECOGNISED QUALIFICATION

Undergraduate Certificate in Business

UAC Code 751268 Wollongong
UAC Code 751269 South Western Sydney

COURSE DESCRIPTION:

The Undergraduate Certificate in Business is nested within the Diploma of Business, providing students with guaranteed* entry into the Diploma of Business with 24 credit points towards the 48 credit point Diploma award.

Students are provided with a range of learning experiences and opportunities in discipline-based subjects including marketing, accounting, management and finance, at the tertiary level. This introduction to technical skills, knowledge and capabilities prepares students for further study and employment in the field of Business.

INTAKES:

Autumn Session (February)
Spring Session (June)
Summer Session (October)

CAMPUS:

UOW College Wollongong: Intakes in Autumn, Spring, Summer Sessions.

UOW College South Western Sydney: Intake in Autumn Session only.

DURATION:

One session (14 weeks per session) full time, or part-time equivalent

ENTRY REQUIREMENTS:

Minimum ATAR 40.

If the above entry requirements are not met, a course eligibility assessment will be conducted based on HSC subject results. Applicants who have not completed the HSC will be assessed on a case-by-case basis taking into account the applicant's work and life experience.

GUARANTEED* ENTRY INTO UOW COLLEGE DIPLOMA:

If you complete any four subjects in the Undergraduate Certificate in Business with a minimum Pass grade (50%) result for each subject, you will receive 24 credit points towards the Diploma of Business at UOW College's Wollongong or South Western Sydney campuses.

A recognised Higher Education Undergraduate Certificate qualification is awarded upon completion which can be used to pursue entry level career opportunities.

Undergraduate Certificate in Engineering

UAC Code 751270

COURSE DESCRIPTION:

The Undergraduate Certificate in Engineering is nested within the Diploma of Engineering, providing students with guaranteed* entry into the Diploma of Engineering with 24 credit points towards the 48 credit point Diploma award.

It provides a program of study involving students in first year Engineering subjects, but with additional levels of support which enhance their opportunity to succeed. Students are provided with a range of experiences and opportunities to engage with core engineering disciplines, including maths and physics, at the tertiary level.

The course also provides students with a broad educational and skills base as preparation for a variety of entry level positions in industries and businesses requiring engineering knowledge and aptitudes.

INTAKES:

CERTIFICATE III PROGRAM

ENTRY TO SIS40215 CERTIFICATE IV FITNESS

NATIONALLY RECOGNISED QUALIFICATION

SIS30315 Certificate III in Fitness

NSW Government Smart and Skilled funding* may be available for this course! See page 28 for information.

COURSE DESCRIPTION:

The Certificate III in Fitness will equip you with the fundamental knowledge and skills required to work as a gym floor instructor and/or group exercise leader within the fitness industry.

You will learn from industry experts within the high-performance training facility at the UOW Sports Hub. This program is practical in nature but also prepares you for further study.

The Certificate III in Fitness is considered an entry-level qualification into the fitness industry. It is also an entry requirement for students wishing to progress to the Certificate IV in Fitness.

INTAKES:

Autumn Session (February)

Spring Session (May)

Summer Session (September)

CAMPUS:

UOW College Wollongong

DURATION:

Two sessions over seven months

ENTRY REQUIREMENTS:

- Aged 16 and over, AND
- Complete a UOW College literacy and numeracy online assessment with results of level two or higher.

DELIVERY:

Students will learn through practical sessions, self-paced activities and work placement. Attendance is three days per week[†]. The 30 hour work placement component for this course is coordinated by UOW College.

This course is also available as a traineeship and school based traineeship.

PROGRESSION:

Students who successfully complete the Certificate III in Fitness are eligible to enter the Certificate IV in Fitness. Certificate III in Fitness graduates seeking entry to the Bachelor of Exercise Science or Bachelor of Nutrition Science at UOW must also successfully complete the Certificate IV in Fitness and complete subjects UAP005 Chemistry and UAP012 Mathematics with a weighted average mark of 70 per cent to receive guaranteed* entry to the bachelor degree. Students will also receive 12 credit points (two subjects) of unspecified credit towards the Bachelor of Nutrition Science.

*Guarantee is subject to meeting UOW entry requirements.

†This training is subsidised by the NSW Government.

#All courses offered by UOW College Australia require a minimum number of student enrolments to proceed. Where the minimum quota is not met, enrolled students will be notified prior to scheduled course commencement to discuss alternate course options.

CERTIFICATE IV PROGRAMS

GUARANTEED* ENTRY TO UOW BACHELOR DEGREE WHERE ADDITIONAL CONDITIONS MET

 NATIONALLY RECOGNISED QUALIFICATION

SIS40215 Certificate IV in Fitness

 NSW Government Smart and Skilled funding* may be available for this course! See page 28 for information.

COURSE DESCRIPTION:

The Certificate IV in Fitness will prepare you for a successful career as a personal trainer and enable you to further your studies at a bachelor level. The program has a strong focus on the basic concepts of personal training including communication skills, anatomy and physiology knowledge and understanding, fitness programming knowledge, and business skills relevant to the fitness industry.

Classes are undertaken at the High Performance Training Facility within the UOW Sports Hub Building. You will also learn about strength and conditioning, nutrition and training with people who have special needs/disabilities.

INTAKES:

Autumn Session (February)
Spring Session (May)
Summer Session (September)

CAMPUS:

UOW College Wollongong

DURATION:

Two sessions over seven months

ENTRY REQUIREMENTS:

- Aged 16 and over, AND
- Complete a UOW College literacy and numeracy online assessment with results of level two or higher, AND
- Current First Aid and CPR certificate, AND
- Certificate III in Fitness; OR
- Selected units of competency from the Certificate III in Fitness - visit the UOW College website for further details.

DELIVERY:

Students will learn through practical sessions, self-paced activities and work placement. Attendance is three days per week*. The 40 hour work placement component for this course is coordinated by UOW College.

This course is also available as a traineeship.

PROGRESSION:

Students who successfully complete the Certificate IV in Fitness and satisfy additional subject requirements will be guaranteed* entry to the Bachelor of Exercise Science or Bachelor of Nutrition Science at UOW. Students must successfully complete the Certificate III and Certificate IV in Fitness and then complete subjects UAP005 Chemistry and UAP012 Mathematics with a weighted average mark of 70 per cent to receive guaranteed* entry to the bachelor degree. Students will also receive 12 credit points (two subjects) of unspecified credit towards the Bachelor of Nutrition Science.

FitPro

SIS30315 Certificate III in Fitness Statement of Attainment PLUS
SIS40215 Certificate IV in Fitness Full Qualification

 NSW Government Smart and Skilled funding* may be available for for a component of this course! See page 28 for information.

COURSE DESCRIPTION:

Join the fitness industry as a Personal Trainer and feel the satisfaction of making a real difference to your clients' health and wellbeing. This rewarding career will also provide you with the flexibility of being your own boss and choosing your own hours - a great way to work.

The FitPro program is aimed at mature age students, 20 years and over, to ensure students are self-motivated and have the discipline to manage self-directed study. Ideally, students will also have had some experience and/or a keen interest in fitness.

UOW College recognises that the SIS40215 Certificate IV in Fitness is considered the most sought after fitness qualification by employers and is required for insurance purposes for Personal Trainers. Accordingly, we have developed this unique 'FitPro program' that allows you to complete all qualification requirements for a Personal Trainer within one year of study.

INTAKES:

Autumn Session (February)
Spring Session (June)
Summer Session (September)

CAMPUS:

UOW College Wollongong

Students who successfully complete the FitPro course and satisfy additional subject requirements will be guaranteed* entry to the Bachelor of Exercise Science or Bachelor of Nutrition Science at UOW. Students must successfully complete FitPro and then complete subjects UAP005 Chemistry and UAP012 Mathematics with a weighted average mark of 70 per cent to receive guaranteed* entry to the bachelor degree. Students will also receive 12 credit points (two subjects) of unspecified credit towards the Bachelor of Nutrition Science.

*Guarantee is subject to meeting UOW entry requirements.

^This training is subsidised by the NSW Government.

#All courses offered by UOW College Australia require a minimum number of student enrolments to proceed. Where the minimum quota is not met, enrolled students will be notified prior to scheduled course commencement to discuss alternate course options.

Study a career ready fitness course during high school

UOW College offers Fitness eVET and School-Based Traineeship programs that students can complete during high school.

These programs allow you to gain nationally recognised training, practical work skills and a head start on your fitness career. eVET courses are taught at the University of Wollongong (UOW) main campus in Wollongong where students can access UOW's unique, world class facilities and student services. Where there is sufficient demand, eVET courses can be delivered by UOW College on school premises.

FOR MORE INFORMATION

Call: 1300 885 395

Email: uowc@uow.edu.au

High School wasn't for me and I discovered that UOW College offered a fitness course I could study after completing year 10. UOW College taught me skills in not only the fitness industry but skills within myself to be the best person I can be for my future. The teachers made everything very relatable to real life and have set me up for the future.

ERIN

CERTIFICATE III AND IV IN FITNESS

Scholarships and funding

Smart & Skilled government funding*

To be eligible for Smart and Skilled government subsidised training with UOW College, you will need to meet all of the following criteria:

- 15 years old or over: AND
- no longer at school: AND
- living or working in NSW: AND
- an Australian citizen, Australian permanent resident, Australian permanent humanitarian visa holder or New Zealand citizen.

If you are eligible for Smart and Skilled funding, and satisfy additional concession criteria, you may also be eligible for a Smart and Skilled fee-free scholarship which means you will not have to pay any portion of the fees..

SMART AND SKILLED FEE-FREE SCHOLARSHIPS AND GOVERNMENT SUBSIDISED PLACES

The NSW Government's Smart and Skilled Fee-Free Scholarships mean that you can obtain the skills you need for the job you want and your course fees are covered. Fee-Free Scholarships are intended to help people (15-30 years old) who are concession-eligible to undertake training under Smart and Skilled. All Certificate III and Certificate IV level qualifications at UOW College are approved for Smart and Skilled funding, including Traineeship delivery.

HAVE AN EXISTING QUALIFICATION? YOU MAY BE ELIGIBLE TO ACCESS SUBSIDISED TRAINING

If you meet the personal eligibility criteria for Smart and Skilled, you will have access to training entitlements regardless of the level of any previous qualifications held. This investment supports the Government's Reskilling NSW Strategy aimed at helping people who gained their higher level qualifications previously or from overseas, who require minimal re-training in order to enter, or re-enter, the workforce.

SMART AND SKILLED TRAINEESHIPS

Traineeships combine work-based training with an employer and formal training from a training provider and are a great way to be paid for work, learn and earn a qualification. You may be eligible to apply for a subsidised traineeship under the NSW Government's Smart and Skilled funding initiative. The subsidy is available to trainees who are new entrants, but not those who are existing workers. Your employer can

confirm your trainee category. As a new entrant trainee, you are eligible for a government subsidy for your traineeship qualification, even if you already have a Certificate IV or higher qualification. If you have completed a traineeship at school, this will not affect your eligibility for Smart and Skilled subsidised training after you leave school. If you're starting your training with your training provider in a subsidised traineeship, your Smart and Skilled student fee for the whole qualification will not be more than \$1,000.

Indigenous Scholarships

The UOW College Australia Indigenous Scholarship provides financial support to eligible Aboriginal and Torres Strait Islander students to assist recipients to achieve their educational goals.

Every eligible student will be awarded a full fee-paying scholarship to the value of the standard tuition fee, as applicable at the time of course commencement, for the selected UOW College Australia program.[^]

All UOW College courses are eligible for the Scholarship.

For a full list of UOW College Australia courses, please visit our future students page.

The Scholarship is applicable at all UOW campuses where UOW College courses are offered.

Applicants must satisfy the following eligibility criteria to be considered for a UOW College Australia Indigenous Scholarship:

- Be an Aboriginal or Torres Strait Islander person (a certified Confirmation of Aboriginality or a signed Statutory Declaration attesting that you meet all the elements of the definition must be provided to satisfy this criterion); and,
- Have an offer of admission to a UOW College Australia course commencing in 2021; and,
- Complete the Indigenous Scholarship application form in full; and,
- Successfully demonstrate an appropriate academic record or commitment to study and explain how the course will be used to advance your studies and/or career in the future at time of application and at interview.

HOW TO APPLY

Download the Indigenous Scholarship Application Form from uowcollege.edu.au

*Subject to funding availability at the time of application and course and student eligibility.

[^]Applicants who are eligible for a NSW Government Smart and Skilled funded full-fee exemption will be required to access this funding in lieu of a UOW College Australia Indigenous Scholarship.

HOW DO I APPLY ?

All you need to do is apply for your chosen course and we will advise next steps. It's as simple as that!

Commonwealth Supported Place

A Commonwealth supported place (CSP) is government subsidy where the government pays part or all of a student's fees. A CSP is not a loan and is not required to be paid back.

All students enrolled in the University Entrance Certificate and STEP to UOW program receive a full CSP and are not required to pay a student contribution.

CSPs will also be available to eligible domestic students enrolled in Higher Education Diploma and Undergraduate Certificate courses; a student contribution will also apply for these courses.

CSPs are available for Australian and New Zealand citizens and holders of an Australian permanent visa (including humanitarian).

Student loans

FEE-HELP

FEE-HELP is an Australian Government income contingent loan scheme that is part of the Higher Education Loan Program (HELP). FEE-HELP assists eligible students pay their tuition fees and is available for the University Access Program.

For more information on FEE-HELP, visit studyassist.gov.au/help-loans/fee-help

HECS-HELP

HECS-HELP is an Australian Government income contingent loan scheme that is part of the Higher Education Loan Program (HELP). Students are eligible for a HECS-HELP loan can only get a HECS-HELP loan if they are enrolled in a Commonwealth supported place (CSP). HECS-HELP is available for the following UOW College courses:

- Diploma programs : Arts; Business; Engineering; Information Technology; Medical and Health Sciences; Science and Social Science.

- Undergraduate Certificate programs : Business; Engineering; Information Technology; Medical and Health Sciences; and Science.

For more information on HECS-HELP, visit studyassist.gov.au/help-loans/hecs-help

VET STUDENT LOANS (VSL)*

VET Student Loans is an Australian Government loan program that is available to assist eligible students enrolled in approved Vocational Education and Training (VET) Diploma level (or above) qualifications, at approved course providers, pay their tuition fees subject to a maximum loan amount. Students can only access VSL for approved courses offered by approved course providers. UOW College is an approved VET Student Loans provider. VET Student Loans is available at UOW College for eligible students for

- HLT54115 Diploma of Nursing
- CUA51015 Diploma of Screen and Media
- CUA60615 Advanced Diploma of Screen and Media

A VET Student Loan will not be approved for a student who does not meet eligibility requirements. A VET Student Loan gives rise to a VETSL debt that continues to be a debt due to the Commonwealth until it is repaid. Please refer to the UOW College or Study Assist websites for more information.

Screen and Media Scholarship

UOW College is pleased to offer a limited number of scholarships to new commencing domestic CUA51015 Diploma of Screen and Media students.

Successful applicants will receive a 25% fee reduction applied to the CUA51015 Diploma of Screen and Media course tuition fee.

HOW TO APPLY

- Students who have a valid offer for the Diploma of Screen and Media program will be invited to apply for this scholarship.
- Further information will be provided to all eligible students.

*Subject to availability in accordance with the Federal Government imposed provider loan limit.

How to apply

APPLY DIRECT TO UOW COLLEGE

Apply online at uowcollege.edu.au/apply

UNIVERSITIES ADMISSIONS CENTRE (UAC)*

Applications can also be made through UAC by applicants who are currently studying an Australian Year 12 or other approved qualifications in Australia or overseas via uac.edu.au/undergraduate.

For further information, questions or assistance with the application process, please contact UOW Future Students through the following channels:

Email: futurestudents@uow.edu.au

Phone: 1300 367 869 (+61 2 4221 3218)

Website: uowcollege.edu.au

*Excluding VET courses

I chose to study at UOW College because I was looking for a pathway into UOW and my course provided guaranteed entry into the Bachelor of Business. UOW College has prepared me for transitioning into my Bachelor degree by teaching me the academic skills necessary to succeed.

Notes

IMPORTANT NUMBERS

Write down these important numbers when you get them – they're essential for many of the applications and enquiries you'll make at the end of the year.

See for yourself

BOOK YOUR TOUR

uow.edu.au/future/visit

You can book a free tour of UOW Wollongong or South Western Sydney (Liverpool) to visit our world-class campuses with friends or family. Our tours are run by current UOW students who can answer all of your questions about study and student life at UOW.
