UNIVERSITY OF SOUTHERN QUEENSLAND AUSTRALIA

USQ

International Program Guide 2022

usq.edu.au/international

We acknowledge the traditional custodians of the lands and waterways upon which the University of Southern Queensland is situated. We acknowledge the cultural diversity of Aboriginal and Torres Strait Islander peoples as the keepers of ancient knowledge and pay respect to their Elders past, present and emerging.

Contents

Meet our Vice-Chancellor and President, Professor Geraldine Mackenzie

'The University of Southern Queensland has a proud tradition of engaging with its students to provide a meaningful and transformative educational experience. We are a safe and welcoming community, and we deliver high quality education through flexible and supportive learning environments. Our excellence in teaching and research are rated internationally and we are pleased that graduates of the University of Southern Queensland consistently rank as the highest paid graduates of any Australian university. The University has a bright future and we are continually innovating and advancing our academic programs to ensure the best experiences for our students.

We look forward to welcoming you and being part of your educational success here at the University of Southern Queensland.'

Meet our Pro Vice-Chancellor International, Professor Ren Yi

'As the PVC International I lead USQ's International strategy, driving our University to excel in the delivery of international education, and placing international students at the centre of our diverse Australian community. Our University provides students from around the world with an opportunity to achieve in their international educational journey here in Australia. We will help to inspire you to engage and succeed in your studies and go on to achieve amazing outcomes in your future endeavours. Build your capabilities and capacity with us while you discover new friends and create amazing memories in Australia. This is your opportunity to be who you always dreamed of being.

My team and I look forward to supporting your educational journey with the University of Southern Queensland.'

Our campuses

Toowoomba

Welcoming and affordable

Study at our main campus in an Australian regional area and benefit from the multicultural community. Enjoy the full on-campus experience with Residential College accommodation. You can choose from three different colleges, each with different living arrangements. Have your meals provided, or shared kitchen facilities. Access sporting and social clubs, a 24-hour-access gym and a world-class tennis centre to complement your academic degree. Additionally, enjoy free and ample parking to make your campus experience easy.

Springfield

Vibrant and diverse

USQ Springfield is a vibrant, modern campus. A hub for digital production and performance, the campus includes a state-of-the-art television studio, radio station and rehearsal spaces, as well as collaborative teaching rooms, laboratories for science and engineering, with access to our fitness and recreation centres.

The campus is 35 minutes from Brisbane City with connecting public transport, just 20 minutes from the Ipswich CBD with ample car parking, and 50 minutes from the Gold Coast.

Ipswich

Historical and multicultural

USQ Ipswich offers degrees in law, paramedicine, sport and exercise, nursing, psychology, counselling and other health-related careers, in addition to being a thriving campus with a cafe, library and ample parking.

USQ Ipswich is located approximately 45 minutes from Brisbane and just over an hour from the Gold Coast. Ipswich is one of the fastest-growing areas in Queensland, offering an ideal lifestyle, combining heritage charm with the benefits of a modern and exciting metropolitan lifestyle.

Study at USQ Sydney Education Centre

USQ works in partnership with the Canterbury Institute of Technology (CIT) as its approved USQ program provider in Sydney, to deliver excellent student support services, a welcoming environment for students and affordable study options. USQ Sydney Education Centre looks forward to assisting all students achieve their educational goals and prepare them for the challenges ahead. Scholarships

Be rewarded

We offer a range of scholarships, bursaries and grants to help international students. These are regularly updated, so please check the latest information on our website **usq.edu.au/scholarships**

You can also check for sponsorship offerings in your home country.

Picture yourself from arrival to graduation

We support your arrival and transport to your accommodation.

Be welcomed to USQ and experience Orientation.

Feel secure in our multicultural community.

Receive academic support to achieve success in your degree.

Make lifelong connections.

Graduate with industry-aligned skills.

Support and guidance

Orientation

We understand that new international students need support while they are transitioning to living and learning in a new environment. Orientation is a great way to navigate information, services, and resources. You will also meet and connect with academics, support staff and fellow students. Attending orientation can help you get the best start to your Australian learning journey.

iconnect

Our centralised support service iconnect is designed with student input and offers personalised support, on-campus, and online via Zoom, live chat and the iconnect Facebook group. Connect with us and have your questions answered.

Student Relationship Officers

From the moment you enrol to the day you graduate, USQ Student Relationship Officers are available to provide in-depth, tailored support to assist you and make your learning journey positive.

Academic study support

Explore resources, develop your skills, receive mentoring, gain access to a range of support services to succeed in your studies, offered through our Library and Faculties.

Student Guild

The Student Guild provides free Student Advocacy, sport facilities, and other services to students.

Multicultural support

We have a rich cultural diversity within our student and staff community, and our priority is to create a culture that values diversity and respects students from all backgrounds.

Health and wellness

We care about your health and wellbeing and offer a variety of services, including medical appointments, counselling, and programs to help you throughout your study.

Career development

The Careers & Employability team offer one-on-one career planning sessions to help you achieve your career goals.

Visit **usq.edu.au/support** for more information about our available services.

Accommodation

Live on-campus with us

USQ Residential Colleges accommodation is a great choice for students who want an on-campus living experience. We offer different catering options, flexible payment options, organised social and sporting events, as well as exclusive accommodation scholarships.

McGregor College

Our largest college with around 200 rooms offers you a variety of living options with private flats as well as rooms with shared ensuites between two people, and self-catered kitchen facilities.

Steele Rudd College

This home away from home was recently refurbished. Its modern, light and airy appearance makes your study life a dream and inspires your daily activities. The college offers nearly 120 bedrooms with shared bathrooms.

Concannon College

This 100 bed double story accommodation block has the option of bedrooms with private or shared bathrooms. It also offers students a variety of unique study spaces.

Convenience

Included in the price of accommodation are utilities, unlimited internet, parking, a strong support network and much more. Colleges have a team who regularly clean your bathroom and the common areas, while almost half of the private bedrooms also have air-conditioning. There is 24-hour security that provides general security services and assists you if you're locked out (at no charge). Colleges offer flexible agreements, with contracts based on academic semesters and the option to vacate during recess periods (free storage available).

Choice

There are a variety of room types and catering packages to choose from, with the different options varying in price. From private ensuites to shared bathrooms and self-catered to three cooked meals per day, the choice is yours. For prepared meals, you have the choice of 7, 14 and 21 meals per week, with all dietary requirements and allergies catered for. Our self-catered facilities have access to a full kitchen, including: ovens, microwaves, fridges, basic kitchen appliances and personal draws for storing food items and utensils.

All of our rooms are single occupancy private rooms, and include: a king single bed, desk and built-in cupboards. All of our blocks have a designated common room, and each college also has a Recreation Hall, Dining Hall and complimentary washing facilities.

Community

We offer a comprehensive support network to help you both academically and personally. We have Resident Advisors (RAs) allocated to each college who form the basis of the support network, acting as the first port of call for any concerns. We also have a College Wellness Educator available to enhance the health and wellbeing of the college community. Peer support starts from day one, with the Student Transition and Engagement Program (STEP) where new students receive mentoring from returning students.

Colleges can enhance your student experience and broaden your employability skills, with events, cultural and sporting activities, leadership opportunities and so much more. You have the opportunity to make an incredible group of friends, which starts right from Orientation with a variety of activities to assist in your transition to USQ. The Resident Student Club (RSC) are student leaders who plan semi-formals/formal dinners, the weekly sport competition (Res Shield), social events and community activities through the year.

Accommodation support

You need to feel safe and settled to succeed in your studies. That's why we have a dedicated team ready to guide you when choosing your accommodation. Contact us to discuss your individual needs at accommodation@usq.edu.au.

For the most up-to-date fees and scholarships visit **usq.edu.au/accommodation-fees**

Watch to find out more about Accommodation at USQ.

Other accommodation choices

Education City

The Education City Residential Village located just 100 metres from USQ Springfield provides a friendly residential community environment. The modern four to seven bedroom townhouses are fully furnished and include appliances.

Homestay

Everyone's accommodation needs are different. If living with a family is preferred, you can locate a suitable homestay family for some or all of your study journey.

We recommend making contact with reputable homestay providers at **homestaynetwork.org**

Private accommodation

You can rent a property by yourself, or with your friends. You have the opportunity to choose the location, the type of the property to suit your life style and needs. There are often rental and share house options posted on noticeboards or you can browse on rental websites.

Research and research training

Be part of our global impact

As a research-intensive regional university, we are discovering solutions to build a strong and sustainable future. Key to our research culture is working with industry to understand the problems they face, and collaboratively develop new ideas and technologies to provide innovative solutions. This research has real impact, with tangible benefits demonstrated across a wide range of critical challenges, regionally and across the globe.

Research Institutes and Centres

Our world-class research institutes and centres host unique state-of-the-art facilities. These facilities support a broad spectrum of research programs acrossmany STEM and social science disciplines.

Institute for Advanced Engineering and Space Sciences

— Centre for Agricultural Engineering
— Centre for Astrophysics
— Centre for Future Materials

Institute for Life Sciences and the Environment

— Centre for Sustainable Agricultural Systems
— Centre for Applied Climate Sciences
— Centre for Crop Health

Institute for Resilient Regions

— Rural Economies Centre of Excellence
— Centre for Health Research
— Centre for Heritage and Culture

Graduate Research School

USQ's globally-focused Graduate Research School supports all Higher Degree by Research (HDR) training, building a successful learning environment for USQ's HDR students.

All HDR students have access to diverse facilities and are supervised by USQ researchers and partners, in a supportive and rewarding research environment.

— Doctor of Philosophy
— Master of Research
— Professional research masters degrees

Please check page 101 for our research programs.

Cotutelle and Joint PhD programs

Our Cotutelle program allows research students to conduct a PhD program across two universities:

— joint enrolment at USQ and an overseas university
— one thesis submitted to both universities
— two testamurs
— two graduation ceremonies.

Candidates must meet the entry requirements for the PhD at USQ and a partner institution.
For further information please visit
usq.edu.au/international/research/cotutelle

Bachelor of Aviation

📅 February

🌐 Toowoomba, Springfield

🕐 3 years full-time (24 units)

$ AUD 3360 per unit

AUD 26880 per year

🎖 CRICOS: 094756M

Degree overview

Our Bachelor of Aviation allows you to choose the study path right for you. Choose from a major in Aviation Management or Flight Operations and realise your aviation dream in this fast-moving industry[1].

Professional development opportunities are offered throughout your degree and contribute as credit towards your completion. You will also learn from a combination of our highly regarded USQ academics, current and former airline, air force and instructor pilots and airport managers who all contribute to this dynamic and exciting industry.

Entry requirements

• Your country's equivalent of the completion of Queensland's high school level (Years 11 and 12).

• An English proficiency level tested in the last two years at an IELTS of 6.0 (no band less than 5.5), or equivalent.

Majors	Campus
Aviation Management	T, S
Flight Operations[2]	T, S

Professional accreditation

Graduates of the Bachelor of Aviation (Flight Operations) program will gain professional pilot qualifications issued by the Australian Civil Aviation Safety Authority.

1 Upon graduation, students may have the opportunity to apply for entry into the Qantas Group Future Pilot Program. Please refer to the Qantas website for entry requirements.

2 Students intending to undertake the Flight Operations major will be required to co-enrol with a specified flight training school at additional cost. Please contact USQ for further information on the application process.

Employers from certain countries and airlines may require an Australian Commercial Pilot Licence to be converted or transferred, and may prescribe other requirements or qualifications as necessary. While this is not an admission requirement to the program, students planning to undertake the Flight Operations major will have to hold a Class 1 Medical Certificate issued by the Civil Aviation Safety Authority, as this is one of the regulatory requirements to hold a Commercial Pilot Licence. In addition, students in the Flight Operations major are expected to complete a recognised pilot aptitude assessment and interview prior to being allowed to undertake the Flight Operations major. Appropriate advice will be provided to students during the first academic year.

Bachelor of Business and Commerce

📅 February, July

🌐 Toowoomba, Springfield

🕐 3 years full-time (24 units)

💲 AUD 3360 per unit
AUD 26880 per year

🎗 CRICOS: 092182E

Degree overview

Our Bachelor of Business and Commerce gives you the flexibility to combine one business area of interest with another to craft the degree you want for the career you want. Our program is designed to give you practical skills and knowledge to identify, describe, analyse and resolve business problems. You will benefit from our close ties with industry, and you will have the opportunity to complete a course of professional work experience where you'll work with an organisation to complete a project.

Entry requirements

- Your country's equivalent of the completion of Queensland's high school level (Years 11 and 12).

- An English proficiency level tested in the last two years at an IELTS of 6.0 (no band less than 5.5), or equivalent.

Major	Campus
Accounting	T, S
Accounting (Extended)	T, S
Business Administration	T
Finance	T, S
Human Resource Management	T, S
Management and Leadership	T
Marketing	T. S

Professional accreditation

Accounting major and Accounting (Extended) major graduates will meet the educational entrance requirements of CPA Australia and Chartered Accountants Australia and New Zealand (CAANZ). This provides Associate membership of CPA Australia, eligibility to study the CPA Australia professional exams and eligibility to study the CAANZ professional exams.

T = Toowoomba   S = Springfield   I = Ipswich

The Accounting major and Accounting (Extended) major are accredited by the Chartered Institute of Management Accountants (CIMA) and the Association of International Accountants (AIA).

Successful completion of the Accounting major and Accounting (Extended) major can qualify students for exemptions from the Fundamental level (9 papers) of the Association of Chartered Certified Accountants (ACCA) exams.

Accounting major and Accounting (Extended) major students who complete a Finance minor will meet the educational entrance requirements of the Financial Services Institute of Australasia (Finsia).

Students who wish to be registered tax agents must complete the Accounting (Extended) major and complete LAW3444 Competition and Consumer Law as an elective in order to meet the educational entrance requirements of the Tax Practitioners Board.

Finance major graduates will meet the educational entrance requirements to become a member of the Financial Services Institute of Australasia (Finsia).

The Human Resource Management major is accredited by the Australian Human Resources Institute (AHRI) and satisfies the educational requirements for professional membership of AHRI.

The Marketing major is accredited by the Australian Marketing Institute (AMI), and students are eligible for credit towards becoming a Certified Practising Marketer (CPM) upon completion.

Bachelor of Early Childhood

📅 February, July

🌐 Toowoomba, Springfield

🕐 3 years full-time (24 units)

💲 AUD 3290 per unit

AUD 26320 per year

🎖 CRICOS: 056707B

Degree overview

Our Bachelor of Early Childhood equips you with the skills and knowledge to give children the best possible start in life. You will graduate with the expertise in a wide range of learning environments, including early education and care centres, and family day care programs, all with a focus on child-centred learning. In this program you will gain experience in targeted professional placements and unique additional engagement activities.

Entry requirements

- Your country's equivalent of the completion of Queensland's high school level (Years 11 and 12) including Mathematics and Science, or equivalent.

- An English proficiency level tested in the last two years at an IELTS of 7.5 (no component lower than 7.0; no less than 8.0 in speaking and listening), or equivalent.

Professional accreditation

Graduates from the Bachelor of Early Childhood will have met the requirements of the Australian Children's Education and Care Quality Authority (ACECQA) and can apply for recognition of being an Early Childhood Teacher (ECT) in prior to school settings. Students outside of Australia should check with the relevant authority regarding accreditation requirements. Please note, students graduating from this program, in Queensland, are not eligible for teacher registration with the Queensland College of Teachers (QCT).

Professional experience

You will also need to complete 80 days of professional experience to gain valuable practice in early childhood services and classrooms. These experiences provide you with opportunities to put theory into practice.

Bachelor of Education (Early Childhood)

📅 February, July

🌐 Toowoomba, Springfield

🕐 4 years full-time (32 units)

💲 AUD 3290 per unit

AUD 26320 per year

🎖 CRICOS: 0100825

Degree overview

Our Bachelor of Education (Early Childhood) is designed to prepare graduates who are confident to teach children in prior to school settings.

With regular opportunities to engage with current educators and industry, in both early childhood settings and school contexts, you'll be able to cross the gap between theory and practice. USQ graduates are highly sought after and employable in both prior to school settings and early childhood classrooms.

Entry requirements

- Your country's equivalent of the completion of Queensland's high school level (Years 11 and 12) including Mathematics and Science, or equivalent.

- A statement addressing suitability criteria. For information on selection guidelines, including the process for assessing an applicant's non-academic capabilities please see the selection guidelines for initial teacher education courses: **qtac.edu.au/teacher-entry**

- An English proficiency level tested in the last two years at an IELTS of 7.5 (no component lower than 7.0; no less than 8.0 in speaking and listening), or equivalent.

Professional accreditation

Graduates from this program will have met the requirements to apply for teacher registration with the Queensland College of Teachers (QCT) and will have also met the requirements of the Australian Children's Education and Care Quality Authority (ACECQA).

Professional experience

You will also need to complete 95 days of professional experience to gain valuable practice in prior to school settings and classrooms working with babies, toddlers, infants and young children.

T = Toowoomba   S = Springfield   I = Ipswich

Bachelor of Education (Primary)

- 📅 February, July
- 🌐 Springfield, Toowoomba
- 🕐 4 years full-time (32 units)
- 💲 AUD 3290 per unit
  AUD 26320 per year
- 🎖 CRICOS: 0100826

Degree overview

Our Bachelor of Education (Primary) is designed to prepare graduates who are confident to teach primary school students in a variety of contexts across all learning areas.

A key feature of the degree is the opportunity to complete your professional experience classroom settings at a variety of locations, including rural, remote and international placements. Your placements may include a mixture of mainstream classroom settings as well as opportunities to engage in alternative educational settings. These experiences will help to make you a well-rounded and highly employable graduate.

Entry requirements

- Your country's equivalent of the completion of Queensland's high school level (Years 11 and 12) including Mathematics and Science, or equivalent.

- A statement addressing suitability criteria. For information on selection guidelines, including the process for assessing an applicant's non-academic capabilities please see the selection guidelines for initial teacher education courses:
  qtac.edu.au/teacher-entry

Professional accreditation

Graduates from this program will have met the requirements to apply for teacher registration with the Queensland College of Teachers (QCT).

Professional experience

You will also need to complete 80 days of professional experience and a 20 day internship to gain valuable skills in primary classrooms. These experiences provide you with opportunities to put theory into practice.

Education

T = Toowoomba   S = Springfield   I = Ipswich

Bachelor of Education (Secondary)

📅 February, July

🌐 Springfield, Toowoomba[1]

🕐 4 years full-time (32 units)

💲 AUD 3290 per unit

AUD 26320 per year

🎖 CRICOS: 0100827

Degree overview

Our Bachelor of Education (Secondary) is designed to prepare graduates who are confident to teach a diverse range of students from Years 7 to 12, in a variety of contexts.

This degree will prepare you to teach into a minimum of two subject areas, with over 20 different teaching areas from which to choose. Having two teaching areas makes you a flexible and desirable educator in the secondary school environment.

Our major and minor subject areas have been explicitly aligned with Queensland's new senior subject offerings to ensure you gain a competitive edge as you prepare to begin your teaching career.

Entry requirements

- Your country's equivalent of the completion of Queensland's high school level (Years 11 and 12), including Mathematics and Science, or equivalent.

- A statement addressing suitability criteria. For information on selection guidelines, including the process for assessing an applicant's non-academic capabilities please see the selection guidelines for initial teacher education courses: **qtac.edu.au/teacher-entry**

- An English proficiency level tested in the last two years at an IELTS of 7.5 (no component lower than 7.0; no less than 8.0 in speaking and listening), or equivalent.

Bachelor of Nursing

📅 February, July

🌐 Toowoomba, Ipswich

🕐 3 years full-time

💲 AUD 4000 per unit

AUD 32000 per year

🎖 CRICOS: 093153B

Degree overview

Our Bachelor of Nursing aligns with current Australian professional nursing standards of practice and prepares you as a registered nurse in hospitals, community settings, mental health settings, GP practices, clinics, rural and remote health services and aged care facilities across Australia and the world.

Almost 50 percent of this degree is devoted to clinical practice in USQ's on-campus simulation wards or in healthcare settings, such as large metropolitan hospitals, mental health services, regional health care services, aged care settings, community health services, specialty clinics and rehabilitation centres.

Entry requirements

• Your country's equivalent of the completion of Queensland high school level (Years 11 and 12)[1, 2].

• An English proficiency level tested in the last two years at an IELTS of 7.0 (no band less than 7.0), or equivalent.

Professional accreditation

USQ's Bachelor of Nursing at USQ is accredited by the Nursing and Midwifery Board of Australia (NMBA) and is listed as an approved program with the Australian Health Practitioner Regulation Agency (AHPRA).

Professional experience

Practical experience is integral to the completion of this degree. Each student is required to undertake and satisfactorily complete 840 hours of practical experience[3].

To start practical placement courses, you must achieve a pass grade in theoretical and other practical prerequisites courses.

1 Satisfaction of the Entry Requirements does not guarantee admission into the Bachelor of Nursing.

2 International students who have a Registered Nurse qualification from an approved education institution under NOOSR guidelines may apply for exemptions in the program.

3 All students must be able to meet the physical and other professional requirements of clinical practice within this program.

T = Toowoomba   S = Springfield   I = Ipswich

Bachelor of Paramedicine

- February
- Ipswich
- 3 years full-time (24 units)[1]
- AUD 4000 per unit
  AUD 32000 per year
- CRICOS: 089149K

Degree overview

Our Bachelor of Paramedicine has been designed by leading medical and paramedic staff involved in pre-hospital emergency care. Gain specific skills that are unique to being a paramedic, and be trained in the areas of assessment, analysis, decision making and working in difficult situations. From first year and throughout your degree, you will complete 18 weeks of clinical placements with the Queensland Ambulance Service and in other healthcare settings. Improve your skills in our simulated ambulance and emergency training labs.

Entry requirements

- Your country's equivalent of the completion of Queensland's high school level (Years 11 and 12)[2].

- An English proficiency level tested in the last two years at an IELTS of 6.5 (no band less than 6.0), or equivalent.

Professional accreditation

The Bachelor of Paramedicine at USQ is accredited by the Paramedicine Board of Australia (PBA) and is listed as an approved program with the Australian Health Practitioner Regulation Agency (AHPRA).

Professional experience

Practical experience is an integral component of the program and each student is required to undertake a series of clinical placements to acquire the knowledge, skills and professional attributes necessary to practise as registered health practitioners[3].

1 The Bachelor of Paramedicine consists of 24 compulsory courses (24 units). Note that one course, consisting of 4 weeks full-time placement, must be taken in Semester 3 of the first year of study.

2 Satisfaction of admission requirements does not guarantee admission.

3 You must be able to meet the physical and other professional requirements of clinical practice within this program.

Bachelor of Sport and Exercise Science

- February, July
- Ipswich
- 3 years full-time (24 units)
- AUD 4000 per unit
  AUD 32000 per year
- CRICOS: 084354A

Degree overview

Our Bachelor of Sport and Exercise Science will develop your knowledge and skills to apply the science of sport and exercise and develop interventions that improve sport performance, health, and fitness, and assist in the prevention of chronic diseases.

During your degree, your studies will cover all aspects of sport and exercise science, including anatomy and physiology, psychology, strength and conditioning, exercise prescription, and programming and delivery, alongside professional placements.

Entry requirements

- Your country's equivalent of the completion of Queensland's high school level (Years 11 and 12).

- An English proficiency level tested in the last two years at an IELTS of 6.0 (no band less than 5.5), or equivalent.

Professional accreditation

Students that have completed the Bachelor of Sport and Exercise Science can apply for individual Exercise Science Accreditation (AES) with Exercise and Sports Science Australia (ESSA).

Professional experience

Practical experience is an integral component of the program and each student is required to undertake and satisfactorily complete 140 hours of practical experience[1].

1 You must be able to meet the physical and other professional requirements of clinical practice within this program.

📅 February, July

🌐 Ipswich

🕐 4 years full-time (32 units)

💲 AUD 4000 per unit

AUD 32000 per year

🏅 CRICOS: 093264F

Degree overview

Our Bachelor of Sport and Exercise (Honours) with a major in Clinical Exercise Physiology is your opportunity to develop your expertise and skills ready for a career in the health, sports and fitness industry, a sector expanding rapidly as healthy living remains a focus in our social conscience. Put your theoretical skills into practice with 500 hours of professional clinical placement over four years.

Entry requirements

- Your country's equivalent of the completion of Queensland's high school level (Years 11 and 12).

- An English proficiency level tested in the last two years at an IELTS of 6.5 (no band less than 6.0), or equivalent.

Professional accreditation

This program has full accreditation with Exercise and Sports Science Australia (ESSA) at the exercise physiologist level.

Professional experience

Practical experience is an integral component of the program and each student is required to undertake and satisfactorily complete 500 hours of practical experience[1].

1 You must be able to meet the physical and other professional requirements of clinical practice within this program.

Bachelor of Psychology (Honours)

📅 February

🌐 Ipswich

🕐 4 years full-time (32 units)

💲 AUD 4000 per unit

AUD 32000 per year

🏅 CRICOS: 062647C

Degree overview

Our Bachelor of Psychology (Honours) is developed specifically for those of you who wish to become practicing psychologists. You will develop research and professional skills, including a deep understanding of the ethical principles that inform psychological practice. Throughout the degree, you will be involved in research projects and in activities that foster psychological professional skills. Upon completion, you will have had exposure to treatment regimens and experience in the administration of psychological tests.

Entry requirements

- Your country's equivalent of the completion of Queensland's high school level (Years 11 and 12).

- An English proficiency level tested in the last two years at an IELTS of 6.0 (no band less than 5.5), or equivalent.

Professional accreditation

The Bachelor of Psychology (Honours) is fully accredited by the Australian Psychology Accreditation Council as a four-year sequence of study. Graduates are eligible to apply for probationary registration as a psychologist with the Australian Health Practitioner Regulation Agency. Those who complete the four-year honours course are also eligible to go on to complete further studies at the Masters level with the aim of gaining specialist registration (e.g. clinical psychologist).

Graduates are also eligible to apply to the Australian Psychological Society for Associate Membership.

Professional experience

Practicum experience is an integral component of two recommended electives in the program. Students taking these courses will undertake 100 hours of placement in each course.

T = Toowoomba   S = Springfield   I = Ipswich

Master of Clinical Psychology

📅 February

🌐 Toowoomba, Ipswich[1]

🕐 2 years full-time (16 units)

💲 AUD 3790 per unit

AUD 30320 per year

🎖 CRICOS: 0101389

Degree overview

Our Master of Clinical Psychology provides advanced training in psychological assessment and clinical intervention and has been developed for students wishing to gain registration as a Psychologist with an Area of Practice Endorsement in Clinical Psychology. Learn high-level clinical skills to become prepared for entry into the Clinical Registrar program leading to Clinical Endorsement.

Entry requirements

• Completion of an Australian Psychology Accreditation Council (APAC) accredited AQF Level 8 four-year Bachelor degree, or equivalent

• Hold, or be eligible for, immediate Provisional Registration or General Registration from the Psychology Board of Australia.

• In addition, applicants are also asked to submit the following for consideration as part of the application:

— provide two Referee Reports

— provide a 1-2 page report which addresses the Master of Clinical Psychology selection criteria

— be assessed in a face-to-face interview with a panel of School staff

— provide an academic transcript demonstrating strong academic performance

— provide a CV of their work and study history.

• An English proficiency level tested in the last two years at an IELTS of 7.0 (no band less than 7.0), or equivalent.

Professional accreditation

The Master of Clinical Psychology has received accreditation from the Australian Psychology Accreditation Council (APAC) as a fifth and sixth year program in psychology. Graduates will be eligible to apply for general registration with the Psychology Board of Australia, and, Clinical Endorsement with the Psychology Board of Australia after a period of supervised practice in an approved Psychology Board of Australia registrar program.

Graduates will also be able to apply for full membership to the Australian Psychological Society and admission to the College of Clinical Psychology of the Australian Psychological Society after a period of supervised practice.

Professional experience

Practicum experience is an integral component of the program and as per external accreditation requirements, each student is required to accrue a minimum of 1000 hours of practicum experience, plus at least 81 hours of supervision from a registered psychologist who is an accredited supervisor with the Psychology Board of Australia.

1 All coursework courses are offered as on-campus Saturday mandatory workshops at the Ipswich campus for the Ipswich offering, and on-campus mid-week mandatory workshops/residential schools held at the Toowoomba campus and online workshops for the Toowoomba offering.

T = Toowoomba   S = Springfield   I = Ipswich

Master of Clinical Psychology - Advanced Entry

📅 February

🌐 Toowoomba, Ipswich[1]

🕐 1 year full-time (8 units)

💲 AUD 3790 per unit

AUD 30320 per year

🎓 CRICOS: 0101390

Degree overview

Our Master of Clinical Psychology - Advanced Entry allows you to fast-track your studies and training in Clinical Psychology, with a focus on psychological assessment and clinical intervention. This program gives you the opportunity, as a registered psychologist, to return to study to gain a Master of Clinical Psychology qualification in just one year.

Entry requirements

• Completion of an Australian Psychology Accreditation Council (APAC) accredited Masters (coursework) degree in Psychology, or have held General Registration as a Psychologist with the Psychology Board of Australia for a minimum duration of 12 months, or equivalent.

• In addition, applicants must:

— provide two Referee Reports

— provide a 1-2 page report which addresses the Master of Clinical Psychology - Advanced Entry Selection Criteria

— be assessed in a face-to-face interview with a panel of School staff, including completion of the USQ Psychology Competency examination

— provide an academic transcript demonstrating strong academic performance

— provide a CV of their work and study history

• An English proficiency level tested in the last two years at an IELTS of 7.0 (no band less than 7.0), or equivalent.

Professional accreditation

The Master of Clinical Psychology – Advanced Entry has received accreditation with conditions from the Australian Psychology Accreditation Council (APAC) as a sixth-year program in psychology. Graduates will be eligible to apply for general registration with the Psychology Board of Australia, and, Clinical Endorsement with the Psychology Board of Australia after a period of supervised practice in an approved Psychology Board of Australia registrar program.

Graduates will also be able to apply for full membership to the Australian Psychological Society and admission to the College of Clinical Psychology of the Australian Psychological Society after a period of supervised practice.

Professional experience

Students are required to accrue a minimum of 700 hours of practicum experience, plus at least 47 hours of supervision from a registered psychologist who is accredited as a board-approved supervisor with the Psychology Board of Australia.

1 All coursework courses are offered as on-campus Saturday mandatory workshops for the USQ Ipswich offering, and on-campus mid-week mandatory workshops for the USQ Toowoomba offering.

Computing	T, I
Environment & Sustainability	T, I
Physics	T
Psychology[1]	I

Professional accreditation

The Bachelor of Science (Honours) program Psychology major, is available in both on-campus and online modes, and is fully accredited by the Australian Psychology Accreditation Council (APAC) as a fourth-year program in psychology.

As a graduate of the Bachelor of Science (Honours) (Psychology) program, students will be eligible to apply for provisional registration as a psychologist with the Psychology Board of Australia. However, there is a requirement to complete a further two years of supervised practice or an approved Masters program after initial registration. Graduates are also eligible to apply to the Australian Psychological Society for Associate Membership. If graduates achieve a high level of Honours (either First Class or Second Class, Division A), they would be eligible to apply for a Masters program or PhD at USQ and other universities.

1 Candidates for the Psychology Major must have completed a program of study approved by the Australian Psychology Accreditation Council (APAC) as constituting the first three years (or equivalent) of study in Psychology within the last three years.

Candidates for all majors other than Psychology must have both supervisory and honours committee approval prior to enrolment. Satisfaction of admission requirements does not guarantee admission.

Master of Data Science

- February, July
- Toowoomba
- 2 years full-time (16 units)
- AUD 3710 per unit
  AUD 29680 per year
- CRICOS: 0101854

Degree overview

Our Master of Data Science provides an opportunity for graduates from all disciplines to gain useful knowledge in Big Data. Explore how Data Science helps organisations to extract new insights from raw data; insights which inform the development of new products, improved services, and new businesses in our increasingly data reliant world.

Work independently and collaboratively to apply key ICT and data science technologies and programming skills to interpret major theories and critically investigate and solve contemporary core issues in a global market.

Entry requirements

- Completion of an Australian university three-year
  Bachelor degree in any area, or equivalent
  OR

- A minimum of five years' professional work experience equivalent to a qualification at AQF Level 7.

- An English proficiency level tested in the last two years at an IELTS of 6.0 (no band less than 5.5), or equivalent.

Master of Information Systems

- February, July
- Toowoomba, Springfield
- 2 years full-time (16 units)
- AUD 3710 per unit
  AUD 29680 per year
- CRICOS: 082461C

Degree overview

Our Master of Information Systems degree will give you the skills to succeed in an increasingly connected world where new challenges are presented every day. It will give you the necessary skills and expertise to realise the potential of existing technologies, to maximise the opportunities of new and emerging technologies, and to help organisations gain business value from the use of information technology and systems.

Entry requirements

- Completion of an Australian university three-year Bachelor degree from a recognised institution, or equivalent.

- An English proficiency level tested in the last two years at an IELTS of 6.0 (no band less than 5.5), or equivalent.

Professional accreditation

The Master of Information Systems program is accredited at professional level by the Australian Computer Society (ACS) and, through the Seoul Accord, is recognised in other countries. The Seoul Accord is a multi-lateral agreement that allows ACS accreditation to be recognised globally. This means when you graduate, your degree will be recognised by other countries who are members of the Accord.

Bachelor of Arts and Bachelor of Business and Commerce

📅 February, July

🌐 Toowoomba, Springfield

🕐 4 years full-time (32 units)

💲 AUD 3360 per unit

AUD 26880 per year

🎖 CRICOS: 099088B

Degree overview

Our Bachelor of Arts and Bachelor of Business and Commerce combines your Business studies with experience in specialised fields like International Relations, Advertising or Social Justice, enabling you to build networks, make contacts and improve your employment options.

You can choose between 35 majors in areas such as Accounting, Public Relations, HR Management, Creative and Critical Writing, Economics, Marketing, International Relations, Anthropology, or Social Justice.

Entry requirements

• Your country's equivalent of the completion of Queensland's high school level (Years 11 and 12).

• An English proficiency level tested in the last two years at an IELTS of 6.0 (no band less than 5.5), or equivalent.

Please refer to the USQ Handbook for further details.

Bachelor of Arts and Bachelor of Laws

📅 February, July

🌐 Toowoomba, Springfield, Ipswich

🕐 5 years full-time (40 units)

💲 AUD 3610 per unit

AUD 28880 per year

🎖 CRICOS: 075196G

Degree overview

Our Bachelor of Arts and Bachelor of Laws gives you an edge when applying for jobs as a community lawyer, legal officer, barrister or solicitor. When combined with a major in History, International Relations, or Social Justice, this double degree enables you to follow your passion and pursue a range of employment.

The different areas of law you will explore throughout the degree include criminal law, legal conflict and resolution and legal professional practice and ethics. This is then combined with an Arts major of your choice, including Anthropology and Archaeology, Creative and Critical Writing, English Literature, Journalism, International Relations, History, and Contemporary Media.

Entry requirements

• Your country's equivalent of the completion of Queensland's high school level (Years 11 and 12).

• An English proficiency level tested in the last two years at an IELTS of 6.5 (no band less than 6.0), or equivalent.

Please refer to the USQ Handbook for further details.

🌐 Toowoomba

🕐 5 - 10 weeks (32 weeks maximum)

💲 AUD 406 per week

📜 CRICOS: 070617J

Overview

We offer three levels of General English ELICOS programs: Elementary ELICOS, Pre-Intermediate ELICOS and Intermediate ELICOS. Students are placed in an appropriate level to suit their current English abilities. Our academics work with students to improve their English proficiency and use a combination of assignments and exams to measure improvements.

Entry requirements

• Your country's equivalent of the completion of Queensland high school level (Years 11 and 12), or equivalent.

• Elementary ELICOS: An English proficiency level tested in the last two years at an IELTS of 3.5 (no band less than 3.5), or equivalent.

OR

• Pre-Intermediate ELICOS: An English proficiency level tested in the last two years at an IELTS of 4.0 (no band less than 4.0), or equivalent.

OR

• Intermediate ELICOS: An English proficiency level tested in the last two years at an IELTS of 4.5 (no band less than 4.5), or equivalent[1].

Professional accreditation

USQ's ELICOS program is endorsed by the National ELT Accreditation Scheme.

1 Students are required to provide evidence of their English language proficiency on an internationally recognised test of English prior to arrival. On arrival students will then be tested using the USQ placement test to determine allocation to either Level 1, 2 or 3. Students with an IELTS score below 3.5 will not be accepted into the ELICOS program.

USQ, your online study experts

At USQ, we believe you can fit study into your lifestyle, from anywhere. That's why we're passionate about your digital learning experience. As the experts in delivering on-campus and online university degrees, USQ's high-quality education and learning opportunities flexibly support students anywhere, anytime.

— Support your on-campus learning through our online classroom anywhere, anytime, 24/7.

— Choose from over 100 online degrees and have one-on-one access to USQ's world class lecturers.

— Our learning platform, StudyDesk, is the gateway to your digital learning resources, forums, assessment information, study schedule, and lecturers.

— Your course enrolment can be adjusted to meet your needs. Take one course at a time or study over Semester 3.

— Tailored support is right at your fingertips with the iconnect support staff, free online Library learning services and our online student peer-support community.

Discover more about online learning at **usq.edu.au/online**

Study Tours

Language, culture and academic programs

Our Study Tours provides a unique opportunity to improve your English language skills and experience Australian culture, or undertake study that is practical for your career.

Either virtually or in-person Study Tours is available throughout the year at USQ Toowoomba or virtually for periods of 2 - 12 weeks. Each program is designed to meet the group's specific requirements for:

— school, college and university students
— teachers and academics
— professionals in various industries
— company executives.

Educational learning experiences may include:

— classes
— workshops
— industry site or school visits
— indigenous cultural experiences.

Our team is ready to develop a customised program which can also provide logistical support for either virtual or in-person delivery.

For more information about Study Tours, visit **usq.edu.au/international/gep**

Watch to find out more about Study Tours at USQ.

Global education programs

International experiences with USQ

Build your international experience. Travelling for study builds a set of skills that employers find highly desirable, such as interpersonal communication, problem solving and resilience.

Our mobility study programs can range from just a few weeks, up to a semester, or even a whole year.

— Build your confidence and independence
— Develop your knowledge of another country, culture and/or language
— Diversify and enhances your career opportunities
— Provide you with credits towards your degree (where applicable).

Inbound Mobility

Study Abroad students can enrol directly through USQ or through a Study Abroad Partner.

Virtual International Experience

USQ's Virtual International Experience (VIE) allows eligible students to enrol in one or two courses online.

Find out more at
usq.edu.au/international/study-abroad-exchange

Transnational Educaton Parnters

With our strong partnerships worldwide, you can study a USQ program with one of our Transnational Education Partners in your country.

Watch to find out more about Mobility experiences with USQ.

How to apply

Six steps towards your future

Find your degree   **1**

— Consider your future career goals by looking at industry trends. Discover the study areas that suit your career aspiration, and interest at **usq.edu.au/career-explorer**

— Choose your desired degree to study at USQ at **usq.edu.au/study**

— Join our research intensive regional university and study a research degree. Explore available research topics at **fyrt.usq.edu.au**, and find a research supervisor for your chosen field of interest at **expertfinder.usq.edu.au**

Find a USQ Education Agent   **2**

— You can contact one of our approved agents to guide you through the application process. You can find a USQ agent in your region at **usq.edu.au/agents-partners**

— Our agents provide:
- advice on your study plans
- advice on applying to USQ
- document certification
- assistance with any pre-departure arrangements
- assistance with your visa requirements.

Check entry requirements   **3**

— Find the specific entry requirements for your degree at **usq.edu.au/study**

— Check that you meet our English language requirements at **usq.edu.au/international/english**

— If you are considering a research degree, check the application steps at **usq.edu.au/research**

Collect and certify your documents   **4**

— To support your application to study, you will also need to submit certified copies of:

- identity documents (Passport)
- evidence of your English language proficiency
- senior high school (A levels / Year 12) certificate and academic transcripts
- all post-secondary study certificates and academic transcripts (if any)
- evidence of work experience (if required).

Apply   **5**

— You can submit your application
through a USQ approved agent, or
directly via USQ's online application
system at
usq.edu.au/international/apply

Accept your offer   **6**

— Once you have received your Letter of
Offer, you will need to return your signed
Acceptance of Offer form.

Our team will contact you to advise you
on the next steps of completing the
Acceptance of Offer process.

Important information

— Learn more about the Australian Government's Education Services for Overseas Students
(ESOS) framework and how quality is assured at USQ by visiting **internationaleducation.gov.au**

— Find out more about studying, working and living in Australia at **studyinaustralia.gov.au**

— If you're a holder of a student visa, you will require Overseas Student Health Cover (OSHC).

— Check streamlined study visa processing requirements at **homeaffairs.gov.au**

Undergraduate entry requirements

Applications for USQ undergraduate degrees are based on comparisons with Australian Year 12 level examinations. Some degrees may have additional entry requirements, please refer to each USQ degree for more information.

COUNTRY	QUALIFICATION	MINIMUM GRADE

Notes:

Degrees listed are subject to change at the discretion of the University.

The November intake (Semester 3) mainly offers courses (subjects) via online study.

Please refer to the USQ Handbook for the most accurate program details and information on entry requirements, enrolment patterns, fees and Residential Schools (if applicable). Depending on your chosen major or specialisation, higher fees may apply for laboratory courses.

Please note that not all programs, majors or specialisations are offered on all campuses, in all modes, or in all semesters. Please also ensure your chosen program meets your visa requirements. The handbook is available on the USQ website: usq.edu.au/handbook.

UNIVERSITY OF SOUTHERN QUEENSLAND

- [ ] IDP Education Australia
- [ ] Newspaper

13. Terms and Conditions

I declare that the information supplied by me in this form and relevant attachments are true and correct. I understand that the University may vary or terminate its offer of a place at USQ or any subsequent agreement regarding study at USQ if any of the information provided by me is shown to be incorrect. I have read and accept the University's fees, charges and refund policy (https://policy.usq.edu.au/documents/13431PL). I understand that there are limited places available and that early submission of this application will give me a better chance of obtaining a place in the program of my choice. I am aware of the applicable tuition fees and understand that I do not have to pay until I return the Acceptance of Offer Form included in the letter of offer from the University. USQ collects personal information for university purposes of providing tertiary education and related ancillary services and associated functions pursuant to the University of Southern Queensland Act 1998 and the information on this form for the purposes of assessing your application and if applicable, processing your enrolment. USQ collects this information in accordance with the Commonwealth Higher Education Funding Act 1988, Higher Education Support Act 2003, the Education Services for Overseas Students Act 2000 (ESOS Act), ESOS Regulations 2001 and the National Code of Practice for Providers of Education and Training to Overseas Students 2018. Where relevant USQ may give all or some of this information to other education providers to administer cross institution enrolments; Commonwealth and state government departments, agencies or their authorised agents or contracted service providers and to USQ approved Representatives (agents and partners) and to other organisations (including international entities) who provide sponsorship or funding for your studies to seek verification of information or provide information regarding your studies (and visas and overseas student health cover if applicable) or to enable surveys concerning your education to be undertaken, and other students enrolled in the same courses as you or as may be required by a Faculty to facilitate USQ's provision of tertiary education services to you and other students including in the future. Other than as set out above, personal information will not be disclosed without your consent unless required or authorised by law. Please refer to USQ's Privacy Policy and USQ's Privacy Plan. To facilitate USQ's provision of tertiary education and related ancillary services and associated functions, you acknowledge and consent to the disclosures set out above and to the transfer of your personal information outside of Australia and communication via any available electronic means. In handling any personal information disclosed to you by the university, you agree to use this information for purposes of your study at USQ only and to abide by USQ's ICT Information Management and Security Policy and the ICT Standard for Use of ICT Resources Policy.

Signature_____ Date____/____/_____

14. Lodging Your Application

To ensure your application is processed without delay, please attach certified colour photocopies of academic transcripts and certificates (i.e. signed by a teacher, lawyer, your local USQ representative or other person in authority).

If your documents are not in English, please attach certified English translated versions of your documents. Do not send original documents. Failure to include attachments may delay the processing of your application.

Please note: USQ does not charge an application fee. Lodge this application with your local USQ Agent or USQ Education Partner or, if none, email/fax direct to USQ International Admissions.
