University and TAFE
Courses 2023

Fed

Federation University Australia acknowledges the Traditional Custodians of the lands and waters where our campuses, centres and field stations are located and we pay our respects to Elders past, present and emerging. We extend this respect to all Aboriginal and Torres Strait Islander and First Nations Peoples.

The Aboriginal Traditional Custodians of the lands and waters where our campuses, centres and field stations are located include:

Wimmera	Wotjobaluk, Jaadwa, Jadawadjali, Wergaia, Jupagulk
Ballarat	Wadawurrung
Berwick	Boon Wurrung and Wurundjeri
Gippsland	Gunai Kurnai
Nanya Station	Mutthi Mutthi and Barkindji
Brisbane	Turrbal and Jagera

At Federation, we aim to make a real difference to the lives of every student who walks through our doors, and to the communities we help build and are proud to be part of.

We are one of Australia's oldest universities, known today for our modern approach to teaching and learning within our higher education and TAFE offerings. For 150 years we have been reaching out to new communities, steadily building a generation of independent thinkers united in the knowledge that they are greater together.

Be part of our diverse community

Today, we are proud to have more than 18,500 domestic and international students and 118,000 alumni across Australia and the world. Into our supportive, inclusive and thriving community, we welcome people from all backgrounds and cultures.

Federation is your right choice

Pathways galore

Federation is uniquely positioned as a dual-sector university to provide pathways from vocational education and skills training at Federation TAFE, through to our higher education programs.

With such a generous choice, you'll have the ability to explore your passions and shape who you are to influence your future.

Our research changes lives

Our research is ranked well above world standard, with the university achieving the highest possible five-out-of-five rating in seven research areas by Excellence in Research Australia (ERA). We're driven by the innovative research we do, and the brilliant minds that power it.

We collaborate with communities and industries across Australia and overseas and our work has measurable impact on our wider society.

State-of-the-art facilities

When it comes to your tuition, our state-of-the-art facilities provide everything you need to get ahead. You will have access to an array of essential and contemporary teaching and learning technologies.

Small class sizes

Our class sizes are small, meaning you can receive one-to-one assistance directly from your lecturers and tutors.

You are part of something bigger

This begins the moment you arrive. From our clubs, societies and sports teams, to our recreational trips and activities, you'll have every opportunity to get involved in Federation life – to meet new people, get inspired and build lifelong connections.

Support that never stops

Even after you graduate, you're still part of our community. With strong relationships with industry partners, your qualification will provide opportunities that are set to grow.

Diversity

We are committed to providing equal opportunity and freedom from discrimination and harassment for all members of the Federation community, and to creating an environment that reflects our values; the social and cultural diversity within the communities it serves.

Our campus locations

Being at Federation is about feeling comfortable with where you're studying, not just what you're studying. With our seven campuses stretching across Victoria, from the Wimmera and Ballarat to Berwick and Gippsland, you're sure to find a campus that's right for you. Our campus in Brisbane, one of the fastest-growing cities in Australia, gives students even more choice.

Find out more at [federation.edu.au](https://www.federation.edu.au)

Mt Helen Campus (Ballarat)

Our flagship Ballarat campus is home to both Federation TAFE and higher education courses. Set on 110 hectares of natural bushland, Mt Helen combines a beautiful location with cutting-edge teaching and research facilities – and is just minutes from the centre of Ballarat.

SMB Campus (Ballarat)

In the heart of Ballarat, our SMB Campus is recognised for its historic 19th century buildings. But today it's home to Federation TAFE, including our Building and Construction Training Centre, Manufacturing Engineering Skills Centre, Federation College, Prospects Training Restaurant, Bakery Centre and Unistyle Hair and Beauty Salon.

Camp Street Campus (Ballarat)

Located right in the centre of Ballarat, Camp Street is known for its highly-regarded Arts Academy – running visual and performing arts courses. With a mix of specialised theatres and galleries, the campus provides the kind of environment needed to hone your creativity, experiment and showcase your work.

Rural Sciences Skills Centre (Ballarat)

Spread over two locations, the Rural Skills Centre is recognised for its excellent TAFE training facilities. At Gillies Street, TAFE students make use of the wetlands and gardens of Ballarat's Lake Wendouree and Botanical Gardens precinct, while Mt Rowan has purpose-built agricultural facilities for TAFE farming students.

Berwick Campus

Berwick is our newest campus, located around 40km south-east of the Melbourne CBD, easily accessible by train and just off the Princes Freeway. Equipped with a newly developed science lab, nursing labs, library and on-campus accommodation, it also features an expansive solar array that dramatically reduces our carbon footprint, and metro and country rail links are within walking distance.

Gippsland Campus (Churchill)

Our Gippsland Campus combines the best of what campus life is all about – a welcoming community, innovative learning environment and excellent research facilities. Situated on 60 hectares of landscaped grounds and adjacent to the town of Churchill, it's less than two hours from Melbourne.

Wimmera Campus (Horsham)

With its TAFE study options, Wimmera appeals to all kinds of students, from differing backgrounds. Fully equipped to meet the needs of today's workplaces, the campus features a hairdressing salon, a nursing training centre, as well as specialised plumbing, electrical, automotive, building and construction workshops, media production studio, library and computer study labs, large auditorium and video conferencing suites, research hub and student support services including Aboriginal Student Success Officer.

Brisbane Campus

In the heart of Brisbane's CBD and within close reach of industry and government partners, our award-winning campus showcases tech hubs, transformational study spaces and student lounges. Providing personalised learning and support services, our campus is within walking distance to the Central train station, public transport and ample accommodation. Fabulous eateries, shopping and entertainment is also on our doorstep.

Online study

We have a range of fully supported online courses – so you can get ahead in your studies, without falling behind in other areas of your life.

Built for success

Wherever you walk around our campuses, you'll find plenty of natural green spaces and nooks to meet up with people, study, or just take time out.

Our Support Services and Programs

Being a tertiary student is certainly exciting, but it's not without its challenges. With our range of student-focused academic pathways and support programs, support is always on hand.

Aboriginal Education Centre

A support hub for Aboriginal and Torres Strait Islander students. federation.edu.au/aec

Libraries

Welcoming spaces for groups and quiet study, our virtual library gives access to print books, ebooks, journal titles and streamed videos. federation.edu.au/library

Counselling

All students are welcome at our free and confidential counselling service. federation.edu.au/counselling

Chaplaincy

Chat with a chaplain for spiritual and pastoral care support, or any practical matters to do with university life. federation.edu.au/chaplaincy

Support for students with disabilities

We want everyone to have full access to all our programs and facilities. If you need any help, just get in touch with our Disability and Learning Access Unit. federation.edu.au/disability

Student careers and employment

The Careers and Employability team offer a range of events, programs and services for Federation university students, enabling you to find work while you study, gain valuable work experience, plan for your future career and enhance your employment prospects. federation.edu.au/studentcareers

Student Advisory Service

If you have concerns about your education at Federation. federation.edu.au/studentadviser

Elite Athlete Program

Our service lets you make flexible study arrangements so you can excel in both higher education and your sporting and performance goals. federation.edu.au/elite-athlete

International Student Support

A hub for international students. We run English language practice, social activities and excursions, cultural celebrations and personal welfare support. federation.edu.au/international/student-support

Textbooks and study resources

Find the book you're after at The School Locker. federation.edu.au/bookshop

Children's centres

Federation Children's Centres at Mt Helen, SMB and Churchill offer a caring and supportive environment with flexible and stimulating learning experiences. Childcare and kindergarten programs are available for children up to 5 years. An environment for children to learn, explore and play.

A number of external childcare centres are located within a short distance of the Berwick, Wimmera and Brisbane campuses.

federation.edu.au/childrens-centres

Student Health

Health Centres are located on site at our Berwick and Mt Helen - Ballarat campuses, and a campus nurse at our Gippsland campus.

federation.edu.au/health-centre

Learning and Academic and Skills Success

Our Learning, Academic and Skills Success programs (LASS) provide support for each stage of your undergraduate university experience.

- **FedReady** prepares you for study with transitional and academic support.
- **PASS** is a study group of your peers to share knowledge and support.
- **ASK** is a group of skilled students ready to answer your questions.
- **Online** assessment task feedback through Studiosity.
- **Learning Skills Advisors** provide individual and group study support.
- **Study Skills** website offers a range of free online resources.
- **SWOTVAC** study day is run each semester with PASS and stress-busting activities.

federation.edu.au/lass

Student HQ

Student HQ provides support to future and current students, in person, online or over the phone. It is one central location on each campus where you can visit to get any assistance you need relating to your studies.

Phone **1800 FED UNI**

Monday to Friday 9am – 5pm

email: futurestudents@federation.edu.au

ask.federation.edu.au

Scholarships and Grants

We offer a range of scholarships and grants to reward academic achievement, help students in financial difficulty and assist with some of the extra costs of studying. Students at all campuses and study levels are able to apply – to check out the full range of support we offer, head to federation.edu.au/scholarships

If you are a recent Year 12 graduate with an ATAR of 85 or above and list Federation in your preferences (when applying for our undergraduate degree programs); you are automatically eligible to be considered for our FedExcellence Scholarship.

All you need to do is submit an expression of interest, accept your offer and enrol.

Fedliving

Make campus your home

Living on-campus you'll get to meet new people from a range of backgrounds, cultures and courses in a community as thriving as it is inclusive.

We offer a range of accommodation options located on or close to our campuses in Ballarat, Gippsland and Berwick and our dedicated team is here to provide support and make your success and happiness a priority.

federation.edu.au/fedliving

First year guarantee

Fedliving will guarantee a place in accommodation to all new first-year applicants during your first year of study (eligibility and application guidelines apply).

Fees and inclusions

Living with us includes a range of amazing opportunities, new friends and lifelong memories. It also represents great value, which comes as a relief when you're trying to balance life and study.

Our accommodation options start from around \$180 per week, which includes all bills, internet, 24/7 access to residential support, various residential programs, events and activities.

Benefits of living on campus

Success

Federation University research shows students who live with us are more likely to succeed.

Friendship

Develop instant networks and lifelong friendships with a sense of community.

Opportunity

Amazing opportunities, planned experiences, activities and so much fun.

Support

24/7 support so you can enjoy a balanced living and learning community.

Convenience

For peace of mind and convenience residences are located on, or close to campus.

Your life at Fed

For most of us, tertiary study is about getting to that next level professionally and academically. But it's also about meeting new people, building connections and making memories. Here's how you can make the most of our vibrant student community.

federation.edu.au/starting-fed

Student groups

Whether you're creative, spiritual, sporty or something else entirely, there's a student group for you OR the ability and support to start your own club. Hosting a variety of events and activities throughout the year, student groups are a fantastic way of getting involved in uni life.

federation.edu.au/clubs

Student representation

The Student Senate works hard across all campuses to make sure your voice is heard. Elections are held annually for interested students to join.

federation.edu.au/studentsenate

Federation Alumni

When you graduate from Federation, you're still part of the family. Through our alumni community, you can connect with people from all over the world, share common experiences and discover new opportunities.

federation.edu.au/alumni

Sport and Exercise

We have a range of sport and fitness programs to suit everyone's needs, from physical activity to participation and competitive sport, with facilities on campus and virtual options as well.

federation.edu.au/sport

Mt Helen Campus – The state of the art Health and Sports Precinct was opened in 2020. It features a community Health & Fitness Centre, heated indoor 25 metre pool, indoor sports stadiums, active studio, tennis courts and sporting ovals.

Gippsland campus – On campus can be found a multi-use synthetic field along with outdoor tennis and basketballs courts. Adjacent to the campus is Latrobe Leisure Churchill, providing a fully equipped gym, heated indoor 25 metre pool, squash courts and multi-use courts.

Berwick Campus – A multi-use outdoor court which can accommodate tennis, basketball, soccer and netball along with cricket nets can be found on campus. A number of local gyms and leisure centres can be found nearby.

University Study Abroad and Exchange

When you study abroad, you have the opportunity to make friends with people from diverse cultures and countries, taste unique foods and learn things differently.

With official exchange programs offered in a range of academic areas, we encourage you to become immersed in a totally different environment. Choose from a few weeks on a study tour to one or two semesters in duration.

This enriching experience will enable you to develop your leadership skills, cultural awareness and self-confidence while making new friends and gaining credit towards your degree. The bonus is you don't graduate any later and you have an international experience!

federation.edu.au/studyabroad

Where do you start?

Making the right choice

No matter what stage you're at in life, you'll have many questions about tertiary study. We're here to help you make an informed choice that's right for you.

Don't know what to study?

Think about the following questions then discuss your options with us over the phone: **1800 333 864**

- What are my interests?
- What do I enjoy?
- What are my values?
- What are my skills and strengths?
- What kind of career attracts me?
- What qualifications will I need to work in those areas?

Once you have a better idea of your options, you can find out more at **study.federation.edu.au**

View our publications at **federation.edu.au/publications**

Already know what to study?

Here's what you can do next:

- Visit us on campus – book a tour by calling us on **1800 333 864** or visit **federation.edu.au**
- Come to an information session – head to **federation.edu.au/events**
- Hear from those who know best (our students) **youtube.com/FedUniAustralia**

Information for international students

No matter where you're coming from, you'll have the support you need to thrive at Federation.

federation.edu.au/multicultural-support

Deciding to apply

Once you've decided on what you want to study, your next step is to apply. Jump to the "My next Steps" on page 75 to find out your application method and next steps.

Keep in mind you can apply for more than one course. If you don't get into your chosen course we can assist with alternative pathways or suggest different options.

If you need help at any point, call us on **1800 333 864** or email us at **futurestudents@federation.edu.au**

Study to suit your lifestyle

Different people. Different modes.

Our flexible study options mean you can study the way you like.
And as your life changes, so can your study mode.

On Campus

For the full experience, study with us on campus.

Off Campus / Online

Study anywhere you like – your home, local library or even your small business – providing the perfect option if you have a lot to juggle. If you have the motivation, we have the support, so you can study when and where you choose.

Flexible delivery

It's a blend of online study with regular, scheduled on-campus classes. You might attend evening classes once a week, a few weekend classes, a one week block, or something similar depending on the subject.

Time commitment: Full-time versus Part-time study

Degree students should look at committing approximately 10 hours per subject per week to studies, which includes your own study time working on assignments and collaborating with your classmates.

Full-time degree students will typically take 4 subjects per semester.

Part-time degree students will typically take 2 subjects, meaning it will take longer to complete your degree, but sometimes this is all that fits into busy lives!

Find the right balance between your studies, work, family and any other commitments. Whatever the study mode and whatever your time commitment, the course is the same – so choose what works best for you.

"I was lucky enough to be accepted into the Industry Placement Program. I worked for six months at the Department of Environments and Primary Industries as a fire ecologist. This gave me a great opportunity to apply what I learned during my university course to a practical job and also helped me decide in what direction I wanted to focus the rest of my degree. The program has allowed me to grow and mature, and has given me valuable skills to use in my classes and also in my everyday life."

Melissa Larkins

Bachelor of Science, Gippsland Campus

Work Integrated Learning

Across all programs and courses at Federation, Work Integrated Learning (WIL) may be real or simulated and can occur in the workplace, at the University, online or face-to-face. Other opportunities include voluntary placements, industry-based projects, simulated work experiences and programs where students may undertake a placement for up to 12 months with a host organisation in the same field as their studies. federation.edu.au/wil

A placement is a smart way to boost your employability and meet the kind of people you'll be working with in the field. With our strong connections, we partner you with leading businesses and organisations.

Various scholarships are available to assist students on placements. federation.edu.au/scholarships

Pathway courses

A different approach to your dream career

We offer foundation, TAFE, undergraduate, postgraduate and research courses. Though we're all about next level education, Federation has a number of pathway programs for people who haven't completed Year 12 or have no work experience.

Advance to University

Ideal for secondary school students aspiring to attain an ATAR of 60 and above. Study first-year university units as part of VCE, selecting from business; humanities, criminology and criminal justice; education; science; nursing, psychology, exercise and sports science; information technology, engineering and mathematics.

LOCATION FLEX Ballarat, FLEX Berwick, FLEX Gippsland	DURATION 1 year part-time
ENTRY REQUIREMENTS Parent/guardian and school principal approval required. Principals certify students meet the guidelines required. See federation.edu.au/advance-to-university	
FLEX Flexible delivery is a blend of online study with regular, scheduled on-campus classes.	

International Baccalaureate Career-related Program - International Sport Management (ISM)

This course has been developed by World Academy of Sport (WAOs) and Federation University. The Career-related Studies is made up of three non-award courses selected from the first-year Bachelor of International Sport Management degree program. Successful completion of the course provides a direct pathway into the Bachelor of International Sport Management offered by Federation University and includes credits in the first year of the undergraduate program. Delivered online, Federation University provides teaching, and schools provide local support and guidance for students through the Career-related Program Coordinators.

LOCATION Online	DURATION 1.5 year
ENTRY REQUIREMENTS Based on International Baccalaureate World School or equivalent.	

VCAL - Victorian Certificate of Applied Learning (Foundation)

Foundation VCAL is a recognised senior secondary certificate of education and develops your knowledge and employment skills, with a strong emphasis on literacy and numeracy. It also gives you the relevant preparatory skills to develop and extend meaningful pathways for employment and/or further education.

NATIONAL COURSE CODE VCALFND001	FREE TAFE No
LOCATION Ballarat (SMB), Wimmera (Horsham)	DURATION 1 year
STUDY TYPE Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.	
ENTRY REQUIREMENTS 15-19 years old who have not achieved Year 10. Language, literacy and numeracy assessment and Pre-training review.	

VCAL - Victorian Certificate of Applied Learning (Intermediate)

Intermediate VCAL is a recognized senior secondary qualification that focuses on 'hands-on learning' for students who wish to have an Intermediate Certificate of Education. This qualification builds on students' existing Literacy and Numeracy skills and builds their employability skills capabilities. Students choose a VET skills set which will contribute towards industry credits.

NATIONAL COURSE CODE VCALINT001	FREE TAFE No	LOCATION Ballarat (SMB)
STUDY TYPE Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		DURATION 1 year
ENTRY REQUIREMENTS 15-19 years old who have not achieved Year 11. Language, literacy and numeracy assessment and Pre-training review.		

VCAL - Victorian Certificate of Applied Learning (Senior)

Senior VCAL is a recognised senior secondary qualification that focuses on 'hands-on learning' for students who wish to have a Senior Certificate of Education. Students enrol in VCAL at senior level and also choose a VET skills set which will contribute towards their industry VCAL units, and can go on to TAFE training, Higher Education, apprenticeship training or the workforce.

NATIONAL COURSE CODE VCALSEN001	FREE TAFE No	LOCATION Ballarat (SMB)
STUDY TYPE Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		DURATION 1 year
ENTRY REQUIREMENTS 15-19 years old who have not achieved Year 12. Language, literacy and numeracy assessment and Pre-training review.		

Certificate II in General Education for Adults

Re-engage with learning and build on your confidence in a friendly, supportive setting, while developing your skills as a lifelong learner. You will become an independent learner in maths, oral and written communication. The completion of this equivalent Year 10 program meets the minimum educational requirement for entry to the Australian Defence Force.

NATIONAL COURSE CODE 22473VIC	LOCATION Ballarat (SMB), Wimmera (Horsham)	
FREE TAFE No	DURATION 20 weeks	CONTACT PER WEEK 17.5 hours
STUDY TYPE Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS Language, literacy and numeracy assessment and Pre-training review.		

Foundation Access Studies (FAST) Program

FAST provides a pathway to a degree if you feel you don't have the study skills, even after Year 12 completion. Learn how to write for academic purposes, research, use university systems and apply these skills to your study in order to undertake a Federation degree. FAST also offers an Introduction to Technical Maths elective course. Successful completion of this course satisfies the entry requirements to apply for an Engineering or Mathematics degree with us. Students requiring additional English Language support may be interested in the FAST (English for Academic Purposes) course. When you successfully complete FAST you are guaranteed a place in one of our undergraduate degrees.

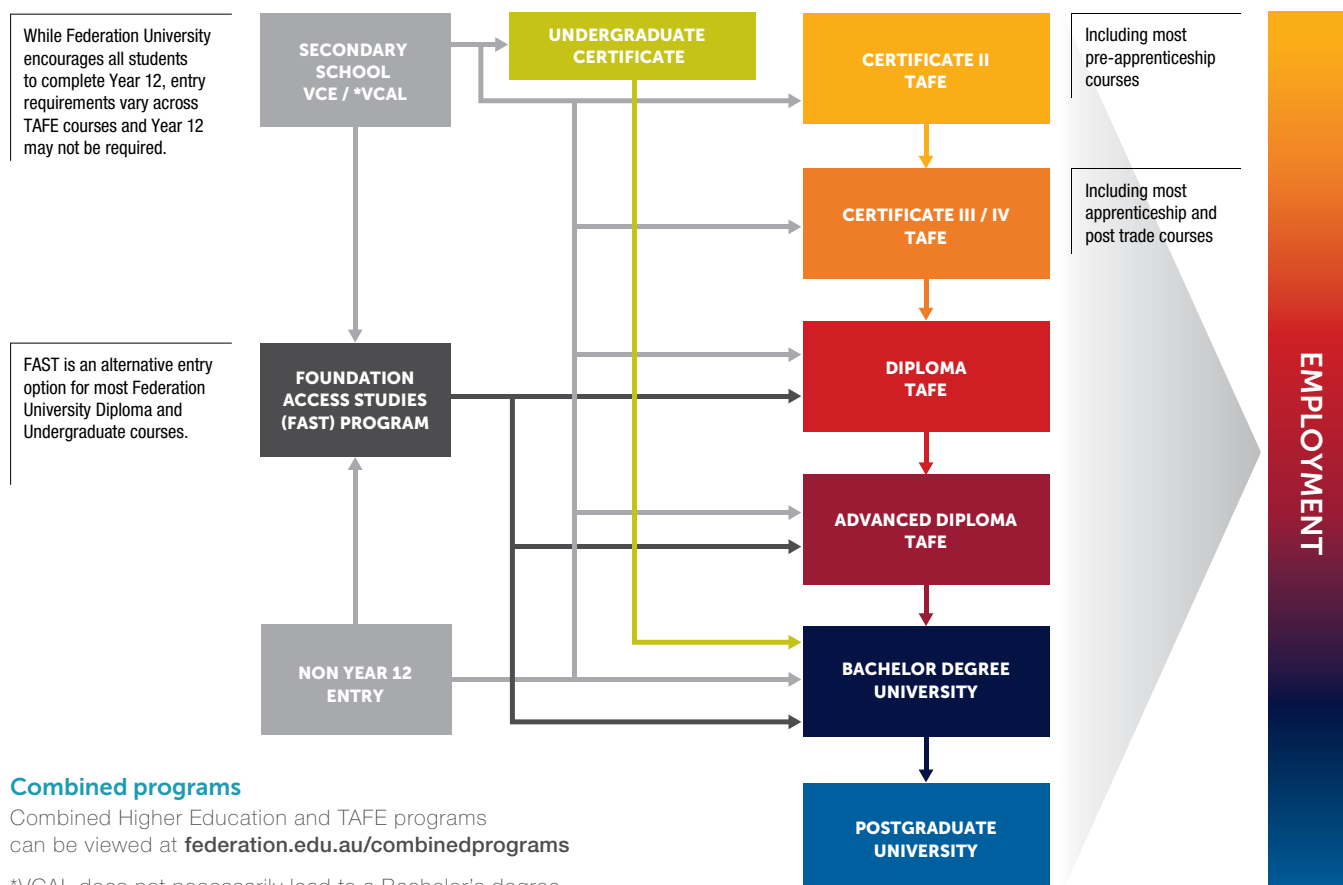

LOCATION Ballarat, Berwick, Gippsland, Online	DURATION 0.5 year	ATAR Required	APPLICATION VTAC / Direct
ENTRY REQUIREMENTS Units 3 and 4: A study score of at least 18 in any English. For the Mathematics unit FASTP1013, the prerequisite is Year 10 Mathematics (or equivalent). For the Introduction to Technical Maths unit, the prerequisite is Units 1 and 2: satisfactory completion in two units (any study combination) of Maths: General Mathematics or Maths: Mathematical Methods or Maths: Specialist or Units 3 and 4: any Mathematics.			
ENTRY REQUIREMENTS (NON-YEAR 12) Higher Education, VET and/or Work/Life Experience – Literacy and numeracy test.		ESSENTIAL REQUIREMENTS Personal Statement. See study.federation.edu.au	

The following Undergraduate Certificates provide pathways to relevant degrees:

Creative and Professional Writing; Information Technology.

For further information view the relevant area of study in this publication.

Admission pathways

Are you eligible for credit?

Having completed a TAFE program, you may be eligible for credit into a degree within a similar field of study. Below is a list of some of our more popular pathways, and an indication of likely credit.

[^] Qualification must be obtained from a registered TAFE or private provider (RTO).

* Entry pathway only – completion of these VET programs meets entry requirements.

Keep in mind that while completion of a certificate-level program may not earn credit towards a degree, in many cases a TAFE certificate may satisfy entry requirements.

Visit our Course Finder for all entry requirements into your degree. study.federation.edu.au

Federation
TAFE

TAFE VICTORIA

At Federation TAFE, we're known for our high-quality teaching and training courses. Everything we do is designed to help you get ahead in your career, or simply take that first step into post-secondary education. For more than 150 years, our courses have been driven by research, taught by some of the most experienced people in the business, and have always responded to the changing needs of industry.

Why Federation TAFE?

Great teachers

You'll be learning from some of the best in their field. Our teachers have industry experience and know what it is like starting out and how to get ahead.

Great facilities

Our Building and Construction Training Centre and Manufacturing and Engineering Skills Centre have been designed to replicate trade industry environments and help our TAFE students meet the challenges of the workplace head on. At SMB there's also a hairdressing and beauty salon, commercial kitchens, training restaurant and automotive workshops.

Great connections

Through our experienced teachers and long-standing relationships in the trade training business, we've built strong links with local industries and businesses.

TAFE Qualifications

Pre-apprenticeships

Learn about your chosen career through completing a pre-apprenticeship, and show employers you have the knowledge and skills to hit the ground running. Most courses take 14 to 18 weeks, and earn up to 6 months credit towards apprenticeship training.

Apprenticeships and Traineeships

Before enrolling, apprentices and trainees need to be employed in their industry, including a signed training agreement. Most apprenticeships or traineeships are Certificate II or III level courses.

Certificate IV, Diploma, Advanced Diplomas

Certificate IV courses train you for supervisory and management positions. Diploma courses teach skills in professional, technical or creative fields. Advanced Diploma courses teach high-level skills in technical, professional and creative fields.

Study modes

Most TAFE students will study on campus, or at one of our teaching locations. See [federation.edu.au/studymodes](https://www.federation.edu.au/studymodes)

Extra Requirements

Many industries need their workers to hold a Working With Children's Check (WCC) and/or a Police Check before they start a placement or employment. See [study.federation.edu.au](https://www.study.federation.edu.au)

LLN Assessment

Before starting a TAFE course, you'll need to undertake a Language, literacy and numeracy assessment, Digital capability testing and a Pre-training review.

Free TAFE for Priority Courses

Providing more Victorians the chance to study at TAFE. See [federation.edu.au/freetafe](https://www.federation.edu.au/freetafe)

For information on all TAFE courses visit [federation.edu.au/tafe](https://www.federation.edu.au/tafe)

TAFE

Automotive

"For a hands-on learner like me, this TAFE course is perfect. If you are keen on machinery, farming or just want to know how to service your car, I highly recommend this course. Federation is extremely welcoming and you take home skills for life."

Sienna Slingo
Automotive Vocational Preparation

Certificate II in Automotive Vocational Preparation

Gain the skills to pursue an apprenticeship in automotive mechanics, engine reconditioning, automotive electrician and electronics, and vehicle body repair.

"I wanted to study at a community focussed university and gained that experience at a smaller campus, offering one-on-one learning. My lecturers always prioritised student learning and provided assistance when I needed it. My disability was supported and a lot of flexibility was provided to me throughout the course. It set up my career in the workforce and allowed me to start my career before graduating. I'm happy with my choice."

Olivia Warry
Bachelor of Business

Education and Early Childhood

Certificate III in Early Childhood Education and Care

Develop the skills and knowledge you need to commence working in the Australian childcare industry, providing care for children from birth up to 12 years old. Study this program as a traineeship or as an on-campus program.

ENTRY REQUIREMENTS (NON-YEAR 12) Higher Education, VET and/or Work/Life Experience.			

Graduate Certificate in Community Energy and Micro-Grid

Learn about the complex nature of renewable energy sources, energy storage, community microgrids, emerging technologies, and energy project management. This program will equip you with the knowledge and skills to progress your career in the energy sector.

LOCATION	DURATION	ATAR	APPLICATION
Ballarat, Online	1 year part-time	Not required	Direct
ENTRY REQUIREMENTS (NON-YEAR 12) Bachelor's degree. See study.federation.edu.au		ESSENTIAL REQUIREMENTS See study.federation.edu.au	

Graduate Certificate in Maintenance Management

Gain knowledge in manufacturing processes, transport, power generation and industrial, commercial and civic building operations. Embrace leadership and management techniques, maintenance strategies and asset operations optimisation.

LOCATION	DURATION	ATAR	APPLICATION
Online	1 year part-time	Not required	Direct
ENTRY REQUIREMENTS (NON-YEAR 12) Bachelor's degree. See study.federation.edu.au		PROFESSIONAL RECOGNITION Continuing Professional Development, Engineers Australia	

Graduate Certificate in Reliability Engineering

Designed primarily for the graduate engineer and delivered online, this mathematically based course covers technical aspects of engineering, focusing on reliability and availability of systems. You will study quality control, design and data analysis, as well as designing reliability into safety critical systems.

LOCATION	DURATION	ATAR	APPLICATION
Online	1 year part-time	Not required	Direct
ENTRY REQUIREMENTS (NON-YEAR 12) Bachelor's degree. See study.federation.edu.au		PROFESSIONAL RECOGNITION Continuing Professional Development, Engineers Australia	

Graduate Diploma of Engineering Maintenance Management

Gain knowledge in manufacturing processes, transport, power generation and industrial, commercial and civic building operations. Embrace leadership and management techniques, maintenance strategies and asset operations optimisation.

LOCATION	DURATION	ATAR	APPLICATION
Online	2 years part-time	Not required	Direct
ENTRY REQUIREMENTS (NON-YEAR 12) Bachelor's degree. See study.federation.edu.au		ESSENTIAL REQUIREMENTS See study.federation.edu.au	
PROFESSIONAL RECOGNITION Continuing Professional Development, Engineers Australia			

Graduate Diploma of Mining

This course was created with the working engineer in mind. Study areas include engineering physics, modelling and change, mine surveying, production drilling and blasting, tunnelling and mine development.

LOCATION	DURATION	ATAR	APPLICATION
Ballarat, Online	2 years	Not required	Direct
ENTRY REQUIREMENTS (NON-YEAR 12) Bachelor's degree. See study.federation.edu.au		ESSENTIAL REQUIREMENTS Additional Details Form. See study.federation.edu.au	

Master of Engineering Project Management

Gain skills in project execution and resource planning. Learn more about contracts and costing, business analysis and decision making, human and financial resources, risk and research methodology. You will also undertake independent research in your final year.

LOCATION	DURATION	ATAR	APPLICATION
Ballarat	2 years	Not required	Direct
ENTRY REQUIREMENTS (NON-YEAR 12) Bachelor's degree. See study.federation.edu.au		ESSENTIAL REQUIREMENTS Additional Details Form. See study.federation.edu.au

After attending an all-girls' school, Eliza Dodd enrolled in a Bachelor of Engineering (Civil) at Federation University.

Having enjoyed maths at school, Eliza excelled during her engineering studies, graduating with Honours.

She commenced work as a Site Engineer at Symal, a leading civil construction company, straight after she graduated and today is the Operations Manager at JV Dodd Building.

Eliza Dodd
Bachelor of Engineering (Civil) (Honours)

Food and Hospitality

Certificate II in Food Processing

This qualification is designed for production related roles that require application of industry specific skills and knowledge across a range of processes, including some technical and problem-solving ability.

NATIONAL COURSE CODE FBP20117	FREE TAFE No	LOCATION Ballarat/Workplace
STUDY TYPE Traineeship	DURATION 18 months	CONTACT PER WEEK Average of 8 hours
ENTRY REQUIREMENTS Language, literacy and numeracy assessment and Pre-training review.		

Certificate III in Baking

Become an expert in the wide range of baked goods, from pastries to bread and cakes to cookies with our workplace and classroom based apprenticeship.

NATIONAL COURSE CODE FBP30517	FREE TAFE No	LOCATION Ballarat
STUDY TYPE Apprenticeship	DURATION 3 years	CONTACT PER WEEK 4 x 1 week blocks plus workplace training
ENTRY REQUIREMENTS Signed training contract with employer and apprentice (AAC). Language, literacy and numeracy assessment and Pre-training review.		

Certificate III in Bread Baking

Become an expert in the wide range of bread baking in our workplace and classroom based apprenticeship.

NATIONAL COURSE CODE FBP30417	FREE TAFE No	LOCATION Ballarat (SMB)
STUDY TYPE Apprenticeship	DURATION 3 years	CONTACT PER WEEK Average of 8 hours
ENTRY REQUIREMENTS Signed training contract with employer and apprentice (AAC). Language, literacy and numeracy assessment and Pre-training review.		

Certificate III in Commercial Cookery

Learn how to prepare and present food, about dietary and cultural requirements, creating and costing menus, communicating well with your team and food safety. Most of our students who take this course are apprentices who have an employer in the industry and would like to open the doors towards becoming a chef.

NATIONAL COURSE CODE SIT30816	FREE TAFE Yes	LOCATION Ballarat (SMB)
DURATION 1.5 or 3 years	CONTACT PER WEEK On campus: 18 hours Apprenticeship: 3 hours	
STUDY TYPE Apprenticeship <i>or</i> Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS Apprentices: Signed training contract with employer and apprentice (AAC). Language, literacy and numeracy assessment and Pre-training review.		

Certificate III in Food Processing

Choose from two streams: One is generalised to design a specific course for your food processing workplace. The second enhances your skills in the process of brewing.

NATIONAL COURSE CODE FBP30121	FREE TAFE No	LOCATION Ballarat/Workplace
DURATION 2 years	CONTACT PER WEEK Brewing - 4 hours over 36 weeks	
STUDY TYPE Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS Language, literacy and numeracy assessment and Pre-training review.		

Certificate III in Hospitality

Learn a range of practical skills like creating stand-out coffee, delivering exceptional customer service and handling food in the safest possible way. Take your expertise to roles like making your regulars their beloved daily coffee or to managing customers in five star hotels.

NATIONAL COURSE CODE SIT30616	FREE TAFE Yes	LOCATION Ballarat (SMB)
STUDY TYPE Apprenticeship	DURATION 1 year	CONTACT PER WEEK 9 days on campus, plus workplace
ENTRY REQUIREMENTS Language, literacy and numeracy assessment and Pre-training review.		

Certificate III in Patisserie

This course opens the door to the world of baked goods, pastries and desserts. During the program you will learn sophisticated international patisserie styles and techniques for the preparation and decoration of exotic cakes, comforting pastries and excitingly intuitive desserts.

NATIONAL COURSE CODE SIT31016	FREE TAFE No	LOCATION Ballarat (SMB)
DURATION 1 year	CONTACT PER WEEK 15 hours	
STUDY TYPE Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS Interview, Language, literacy and numeracy assessment and Pre-training review.		

TAFE

Hair and Beauty

Certificate II in Salon Assistant

Learn the basics of applying colouring products, drying hair to shape and tools of the trade, as well as starting to develop your customer service skills. At the end of this course, you will be ready to apply for hairdressing apprentice positions, or be prepared to step straight into the workforce as a salon assistant.

NATIONAL COURSE CODE SHB20216	FREE TAFE Yes	LOCATION Ballarat (SMB)
STUDY TYPE Pre-apprenticeship	DURATION 5 months	CONTACT PER WEEK 3 days
ENTRY REQUIREMENTS Language, literacy and numeracy assessment and Pre-training review.		

Certificate III in Beauty Services

This qualification reflects the role of individuals employed as beauticians to provide a range of beauty services including nail, waxing, lash and brow, and basic make-up services.

NATIONAL COURSE CODE SHB30115	FREE TAFE No	LOCATION Ballarat (SMB)
DURATION 9 months	CONTACT PER WEEK 3 evenings	
STUDY TYPE Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS Language, literacy and numeracy assessment and Pre-training review.		

Certificate III in Hairdressing

Earn money while you study our certificate and complete your apprenticeship alongside it, or you can treat our program as an authentic alternative to an apprenticeship. Whichever option you choose, you'll be mentored by masters of the craft in real salon environments.

NATIONAL COURSE CODE SHB30416	FREE TAFE No	LOCATION Ballarat (SMB)
DURATION 18 months <i>or</i> 3 years	CONTACT PER WEEK 21 hours	
STUDY TYPE Apprenticeship <i>or</i> Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS Signed training contract with employer and apprentice (AAC). Language, literacy and numeracy assessment and Pre-training review.		

Diploma of Beauty Therapy

Learn a broad range of beauty therapy treatments and services which may include facial massage, body massage, hair removal, spa treatments, lash and brow treatments, nail technology services, make-up, aromatherapy, providing advice on beauty treatments and services, selling retail skin care and cosmetic products and coordinating a work team.

NATIONAL COURSE CODE SHB50115	FREE TAFE No	LOCATION Ballarat (SMB)
DURATION 1 year full-time, 18 months part-time		CONTACT PER WEEK 1-2 days
STUDY TYPE Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS Minimum age 16. Language, literacy and numeracy assessment and Pre-training review.		

Humanities, Social Sciences and Criminology

Certificate IV in Alcohol and Other Drugs

Help clients with complex needs and provide intervention strategies. Your work may focus on engaging people with alcohol and other drug issues in the community, helping people at times of relapse or promoting recovery through residential, clinical or home-based programs. Careers include health education officer, family support worker or drug and alcohol worker.

ENTRY REQUIREMENTS Interview, Language, literacy and numeracy assessment and Pre-training review.				

Studying a Bachelor of Arts degree created a world of career opportunities for Chloe Benson while allowing her to follow her passion for community wellbeing and social justice.

Currently working as a Programs and Innovation Lead at Latrobe Health Assembly, Chloe's love for humanities and writing led her to enrolling in a Bachelor of Arts at Federation University.

"With the help of some amazing lecturers, I excelled during my Bachelor of Arts and decided to pursue postgraduate study. Studying arts encouraged me to look at things from many angles and to keep on asking why and why not. A passion for approaching things differently and for tackling complex problems was a big part of my studies and it remains pivotal to my current work."

Chloe Benson
Bachelor of Arts

Certificate IV in Mental Health

Gain the specialised knowledge and skills to launch or advance your career as a trained professional helping people affected by mental illness and psychiatric disability. Work in in respite care, residential services, rehabilitation programs, clinical settings and corrective services.

NATIONAL COURSE CODE CHC43315	FREE TAFE Yes	LOCATION Ballarat, Wimmera
DURATION 1 year	CONTACT PER WEEK 2 days	
STUDY TYPE Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS Language, literacy and numeracy assessment and Pre-training review.		

Certificate IV in Professional Writing and Editing

Learn about copywriting, how to establish your career in the creative arts industry and to design and produce professional text. Most importantly, you will enhance your writing skills across fiction/non-fiction, narratives and writing for children. Gain research experience for a range of media and gain knowledge of the markets available to writers and editors.

ENTRY REQUIREMENTS Units 3 and 4: a study score of at least 20 in any English.		ENTRY REQUIREMENTS (NON-YEAR 12) Higher Education, VET and/or Work/Life Experience.

"Out of all of the Criminal Justice/Criminology courses I looked at in Year 12, I always came back to the one offered by Federation University. I am so glad I was offered a place, as I have enjoyed every aspect of the course. This course taught me that there is so much more to the Criminal Justice system than crime committal, police arrests and court sentencing."

Elise Bainbridge

Bachelor of Criminology and Criminal Justice

Graduate Certificate in Social and Community Services

Further develop your knowledge and skills in social and community services to become an effective human services professional. This specialist course will prepare you to provide expert advice on a broad range of human services settings to government and non-government organisations. This course is also a pathway to the Master of Social Work (Qualifying).

LOCATION Online	DURATION 0.5 year	ATAR Not required	APPLICATION Direct
ENTRY REQUIREMENTS Bachelor's Degree AQF Level 7 in any discipline OR Diploma VET/TAFE or Associate Degree qualification in a related discipline AND minimum of 3 years full-time related professional experience. See study.federation.edu.au			

Master of Social Work (Qualifying)

Develop knowledge and expertise in group work, case work, policy and advocacy work, research, evaluation and practice. This prepares graduates from other disciplines to work across human and community services in government bodies, non-government organisations, community and health services and more, both nationally and internationally. Gain real world experience through 140 days or 1000 hours of supervised field placements.

LOCATION Ballarat, Berwick	DURATION 2 years	ATAR Not required	APPLICATION Direct

Nursing, Midwifery, Paramedicine and Health

Aside from learning on the job, the best way to prepare yourself for a career in nursing is through simulated learning. All of our campuses have purpose-built units that mirror the hospital environment, where learning is based on real and complex clinical scenarios that require various levels of care.

Certificate III in Individual Support

Become an aged care/support worker, and learn the skills to provide aged, disability and other support to people in the community and/or residential settings. If your goal is to continue your studies, this program will give you a pathway with credit into our Diploma of Nursing.

ENTRY REQUIREMENTS Signed training contract with employer and apprentice (AAC). Language, literacy and numeracy assessment and Pre-training review.		

Certificate IV in Agriculture

Study specialist topics for livestock production, along with budgeting and whole of farm planning and animal health/livestock management.

NATIONAL COURSE CODE AHC40116	FREE TAFE Yes	LOCATION Ballarat (RSSC)
DURATION 1 year	CONTACT PER WEEK 1 day	
STUDY TYPE Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS Language, literacy and numeracy assessment and Pre-training review.		

Diploma of Horticulture

Build on your practical plant and landscape knowledge by developing management skills including restoration planning, preparation of estimates and quotes.

NATIONAL COURSE CODE AHC50416	FREE TAFE No	LOCATION Ballarat (Gillies St)
DURATION 1 year	CONTACT PER WEEK 3 days	
STUDY TYPE Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS Language, literacy and numeracy assessment and Pre-training review.		

Science

Certificate III in Conservation and Ecosystem Management

Learn about all areas of conservation and land management. Choose electives from recognising fauna, surveying pests and operating chainsaws while also learning the important core skills like workplace safety and environmentally sustainable work practices. Then take the next step in roles like community field officer, wildlife officer, weeds operator and more.

NATIONAL COURSE CODE AHC31420	FREE TAFE No	LOCATION Ballarat (Gillies St)
DURATION 1 year on-campus or 2 year traineeship	CONTACT PER WEEK 18 hours	
STUDY TYPE Traineeship <i>or</i> Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS Signed training contract with employer. Language, literacy and numeracy assessment and Pre-training review.		

Certificate IV in Food Science and Technology

The certificate will give you the skills you need to step up your career or break into the food technology industry. You can work in research and development, quality control, laboratory testing, production supervision, technical services, marketing and management within the huge food manufacturing industry here in Australia or overseas.

NATIONAL COURSE CODE FBP40418	FREE TAFE No	LOCATION Online plus Ballarat Workshop
DURATION 18 months online or 2 year traineeship	CONTACT PER WEEK 1 block on-campus over 1.5 weeks.	
STUDY TYPE Signed training contract with employer (if trainee), <i>or</i> Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS Language, literacy and numeracy assessment and Pre-training review.		
PATHWAY PROGRAM TO Diploma of Food Science and Technology		

Diploma of Conservation and Ecosystem Management

Protect endangered species, advise on bush fire prevention programs, manage waterway redevelopment projects and take your love for the environment and make it your career through Federation's Diploma of Conservation and Ecosystem Management.

NATIONAL COURSE CODE AHC51120	FREE TAFE No	LOCATION Ballarat (Gillies St)
DURATION 1 year	CONTACT PER WEEK 18 hours	
STUDY TYPE Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS Language, literacy and numeracy assessment and Pre-training review.		
PATHWAY PROGRAM TO Bachelor of Environmental and Conservation Science (120 credit points)		

Diploma of Food Science and Technology

This course develops knowledge and core practical skills across food testing, quality and sustainability. Successful students are able to exit after 18 months with the Diploma or continue in the program for a further 18 months and complete the Bachelor of Sustainable Food Systems.

NATIONAL COURSE CODE FBP50121	FREE TAFE No	LOCATION Ballarat
DURATION 18 months (option to continue to degree)	CONTACT PER WEEK 7 hours	
STUDY TYPE Study may include full-time, part-time, on-campus, flexible delivery, workshops, block mode and blended delivery.		
ENTRY REQUIREMENTS a study score of at least 20 in any English and a study score of at least 20 in one of any Mathematics or any Science. Language, literacy and numeracy assessment and Pre-training review.		
ENTRY REQUIREMENTS (NON-YEAR 12) Higher Education, VET and/or Work/Life Experience – Literacy and numeracy test.		
PATHWAY PROGRAM TO Bachelor of Sustainable Food Systems (180 credit points)		

"At Federation TAFE I met lecturers who were just as passionate as I was, who had a lifetime's worth of experience to draw upon, and were incredibly generous sharing their insights. Without the amazing team leading conservation and land management I would not have the knowledge I have now, or the network of supportive mentors I can still rely on after completing my studies."

Jackson Cass

Conservation and Land Management

Bachelor of Biomedical Science

Biomedicine plays a major role in helping people lead healthier lives. Study lifespan nutrition, food microbiology, metabolism and applied biochemistry. Be prepared for a career in biomedical research or a position in a range of health-related industries such as laboratory technology, medical sales, research and pharmaceuticals.

LOCATION Ballarat, Berwick, Gippsland, Online		
DURATION 3 years	GUARANTEED ATAR 60	APPLICATION VTAC / Direct
ENTRY REQUIREMENTS Units 3 and 4: a study score of at least 20 in any Mathematics or at least 20 in any Science; Units 3 and 4: a study score of at least 20 in any English.		
ENTRY REQUIREMENTS (NON-YEAR 12) Higher Education, VET and/or Work/Life Experience.		

Bachelor of Biomedical Science (Gippsland Partnership Program)

This course is designed to enable Gippsland-origin students* to qualify for the Monash University graduate entry medicine program and then, if selected, complete their medical training in the Gippsland region. Selected students will complete a Federation University biomedical science degree, comprising of 16 units of study with Federation University and 6 units with Monash University*.

LOCATION Gippsland	DURATION 3 years	ATAR Required	APPLICATION VTAC / Direct
ENTRY REQUIREMENTS Units 3 and 4: a study score of at least 27 in English (EAL) or 25 in English other than EAL; Units 3 and 4: a study score of at least 25 in mathematical methods (any), Specialist mathematics or Physics; Units 3 and 4: a study score of at least 25 in chemistry.			
ENTRY REQUIREMENTS (NON-YEAR 12) Higher Education, VET and/or Work/Life Experience.			

* Gippsland origin is defined as residency for at least 10 years cumulatively or any 5 years consecutively in a Gippsland region classified as ASGS-RA 2-5 (Australian Statistical Geography Standard – Remoteness Areas; includes all Gippsland shires and outer metro regions east of Pakenham).

^ Some travel to Clayton will be required for the units undertaken with Monash University.

Bachelor of Environmental and Conservation Science

Learn about the management, conservation and rehabilitation of our natural and degraded ecosystems. With a strong focus on the Australian environment, you will explore subject areas such as ecology and wildlife, water and climate, mine site rehabilitation, landscape management and restoration.

LOCATION Ballarat, Berwick, Gippsland, Online		
DURATION 3 years	GUARANTEED ATAR 60	APPLICATION VTAC / Direct
ENTRY REQUIREMENTS Units 3 and 4: a study score of at least 20 in any English; Units 3 and 4: a study score of at least 20 in one of any Mathematics or any Science.		
ENTRY REQUIREMENTS (NON-YEAR 12) Higher Education, VET and/or Work/Life Experience.		
PATHWAY PROGRAM AHC51120 Diploma of Conservation and Ecosystem Management (120 credit points towards Bachelor degree; or 3 years combined program length)		

Bachelor of Food and Nutrition

Explore how food impacts physical health and lifestyle, while studying key principles in nutrition, human physiology, human behaviour, health promotion and business management. Career options include nutritionist in the food industry/public health or consulting.

LOCATION Online	DURATION 3 years	ATAR Required	APPLICATION Direct
ENTRY REQUIREMENTS Units 3 and 4: a study score of at least 20 in any Mathematics or at least 20 in any Science; Units 3 and 4: a study score of at least 20 in any English.			
ENTRY REQUIREMENTS (NON-YEAR 12) Higher Education, VET and/or Work/Life Experience.			
PROFESSIONAL RECOGNITION Nutrition Society of Australia			

Bachelor of Geoscience

Explore our planet in theory and field experience, using mapping, technology and historical data to build conceptual models, and gain experience in identifying and mitigating natural hazards and learn to extract resources in a sustainable way.

LOCATION Ballarat	DURATION 3 years	GUARANTEED ATAR 60	APPLICATION VTAC / Direct
ENTRY REQUIREMENTS Units 3 and 4: a study score of at least 20 in any Mathematics or at least 20 in any Science; Units 3 and 4: a study score of at least 20 in any English.

ENTRY REQUIREMENTS (NON-YEAR 12) Higher Education, VET and/or Work/Life Experience.		
ESSENTIAL REQUIREMENTS Non-Year 12 VTAC applicants: VTAC Personal Statement form. See study.federation.edu.au		

Graduate Certificate in Brewing

Develop an in-depth knowledge of the scientific principles and practice of malting and brewing. Learn about the raw materials, wort production, fermentation and analysis of the brewing process, typically required for small scale breweries, suppliers of breweries, and allied industries.

LOCATION Ballarat	DURATION 2 years	ATAR Not required	APPLICATION Direct
ENTRY REQUIREMENTS (NON-YEAR 12) Bachelor's degree. See study.federation.edu.au			

Nicole is studying a food and nutrition degree part-time whilst balancing work at Bulk Nutrients and being a professional cyclist.

"Federation University provides really good study assistance and has been extremely supportive of my cycling commitments throughout my studies. I'm fortunate to have benefited from their Elite Athlete Program."

Nicole Frain
Food and Nutritional Science

Sport, Health, Physical and Outdoor Education

At our new state of the art Health and Sports Precinct, our students develop their practical and clinical skills in a high-quality learning environment.

Offering the ideal backdrop to extend our world-class research, these facilities also provide sports science students with commercial experience in the student-led clinic and community gymnasium.

The updated anatomy and physiology laboratories also supports learning and teaching in health related programs such as exercise science, physical education, nursing, paramedicine and biomedical science.

Bachelor of Exercise and Sport Science

Choose to specialise in either applied exercise programming, health or teaching and discover how to plan, implement healthy living for diverse populations. Learn through industry placements as well as practical experiences.

Andrew Russell has become one of AFL's top fitness coaches.

After graduating from Federation University, Andrew worked as an assistant coach with Essendon, before being head-hunted by Port Adelaide.

He later worked at Hawthorn for 14 years, assisting the club to win four premierships.

Currently working as Carlton Football Club's Director of High Performance, Andrew keeps the team motivated and in optimum physical condition.

"The quality of the lecturers and the learning environment in my course definitely set me up for work life."

Andrew Russell
Sport Science graduate

International Baccalaureate Career-related Program - International Sport Science

This course has been developed by World Academy of Sport (WAoS) and Federation University. The Career-related Studies is made up of three non-award courses selected from the first-year Bachelor of International Sport Management degree program. Successful completion of the course provides a direct pathway into the Bachelor of International Sport Management offered by Federation University and includes credits in the first year of the undergraduate program. Delivered online, Federation University provides teaching, and schools provide local support and guidance for students through the Career-related Program Coordinators.

Higher Degrees by Research

Research with Impact

From preventing injuries in Australian football to using our genetic codes to tailor treatments for high blood pressure and heart disease – research at Federation University Australia makes a difference in the real world.

Ranking well above global standards, our research has received the highest possible five-out-of-five rating in seven areas under the Excellence in Research Australia (ERA) results.

ERA 2018 RESULTS		
	SPECIFIC FIELDS OF RESEARCH (4 DIGIT FoR CODE)	BROAD FIELDS OF RESEARCH (2 DIGIT FoR CODE)
 RATING 5 WELL ABOVE WORLD STANDARD	Applied Mathematics Environmental Science and Management Civil Engineering Clinical Sciences Human Movement and Sports Science Nursing	Environmental Sciences
 RATING 4 ABOVE WORLD STANDARD	Artificial Intelligence and Image Processing	Medical and Health Sciences
 RATING 3 WORLD STANDARD	Pure Mathematics Education Systems Sociology Psychology Historical Studies	Mathematical Sciences Information and Computing Sciences Studies In Human Society Psychology and Cognitive Sciences

In Australia and overseas we work with research bodies and industries, as well as other leading universities. And while our research has national and international significance, we also focus on regional matters close to our heart.

Powered by outstanding people, our research helps build the communities we're proud to be part of.

Research Priority Areas and Emerging Research Areas

We bring together groups and teams of world leading researchers from multi-disciplinary and cross-disciplinary backgrounds into highly-focused centres of research endeavour. Our current research priorities are:

1. Health and Wellbeing
2. Society and the Environment
3. Virtual, Digital and Computational Environments

We also recognise our emerging areas of research strength. We are seeking to expand the volume of world class research in broad discipline areas including:

1. Future Regions Research Centre
2. Health Innovation and Transformation Centre
3. Centre for eResearch and Digital Innovation
4. Centre for Smart Analytics
5. Centre for New Energy Transition Research

Refer to federation.edu.au/applyforresearch	

What will it cost me?

Everything you need to know

University fees. For most of us, they're simply part of the deal. But how much will they set you back? And what kind of payment options are available? We're here to help with any questions you have, or financial advice you need. Because when you're on top of your finances, it's much easier to focus on your studies and make the most of your time here with us.

Higher education fees

You are a domestic student if you're an Australian or New Zealand citizen, or an Australian permanent resident. The fees you will be charged depend on whether you receive a Commonwealth supported place or a full fee paying place, the course you choose to study and the year you commence.

Undergraduate fees

All of our undergraduate courses, including bachelor, associate degree and honours offer **Commonwealth supported places (CSP)**. You make a contribution towards the cost of the course and the Australian Government contributes the rest. The fees you pay are called the **student contribution amount** and you may be eligible to defer payment of your fees through HECS-HELP. From 1 January 2021, you can receive a 10% HECS-HELP discount for upfront student contribution payments of \$500 or more if you are eligible for HECS-HELP assistance.

Postgraduate fees

Postgraduate Coursework Degrees

Many of our postgraduate courses, including graduate certificate, graduate diploma and master by coursework offer Commonwealth supported places however, some postgraduate courses only offer **full fee-paying places**. Federation University does not receive any government funding for fee-paying places and you contribute the full cost of your course. You may be eligible to defer payment of your fees through FEE-HELP.

For more info, head to federation.edu.au/studentfees or studyassist.gov.au. You can also call us on 1800 333 864 and chat to our Student Finance team.

Higher Degrees by Research

Research Training Program (RTP) fee-offset places are available to domestic students applying for Higher Degrees by Research (Australian and New Zealand citizens, and Permanent Residents). This means your tuition fees are covered by the Australian Government.

For more info head to federation.edu.au/research

Additional costs

There may be other costs on top of your tuition fees, such as textbooks and materials. These vary between TAFE, undergraduate and postgraduate courses. For example, TAFE courses tend to have more material costs as they're more practical.

Moving away from home? Then it's important to think about living expenses too, such as rent, electricity, gas, water, food and phone bills – just so you can make a budget and stick to it.

Financial Information

At our Ballarat, Berwick and Gippsland campuses, our Student Financial Support Officers can help you out with everything from personal budgeting and referrals to financial aid organisations, to emergency aid, student grants and student loans.

For more information head to:

federation.edu.au/financialsupport

Student Services and Amenities Fee (SSAF)

This fee provides funding for services and amenities such as sporting and recreational activities, employment and career advice, child care, financial advice and food services.

We calculate this fee based on your enrolment within the calendar year, and charge it progressively for each semester. If you're having trouble paying this fee – and you're eligible – the SA-HELP loan scheme can help with paying all or part of it.

Find out more information about the SSAF at

federation.edu.au/fees/ssaf or studyassist.gov.au

VET (TAFE) fees

For information on VET (TAFE) fees, your first port of call is online at federation.edu.au/tafe-fees

Higher education applications explained

What applicant type are you?

This will determine how you need to apply, and what you should include with your application.

Are you a current Year 12 or recent secondary student?

You are currently completing an Australian Year 12, within Australia or overseas, or completed Year 12 in 2021 or 2020, with no further study. Your application will be assessed based on your Year 12 results, including your adjusted ATAR which factors in considerations based on SEAS or subject adjustments, and any 'essential requirements' detailed in study.federation.edu.au. We can usually access your Year 12 results; you do not need to provide us with a copy.

Are you a non-year 12 applicant?

You previously studied all or part of a Higher Education (University level) program, have completed VET (TAFE) studies at Certificate III level or higher, or have 'work and life experience'.

We will consider all your previous studies and experience when reviewing your application, along with any 'essential requirements' detailed in study.federation.edu.au.

Your application must include evidence of any previous studies, your CV detailing work and relevant volunteer experience, and completed 'essential requirements' where applicable.

Are you an international applicant?

You are an international applicant if you are not the holder of Australian or New Zealand Citizenship, Australian PR or a Permanent Humanitarian Visa.

International applicants studying VCE in the year of application should refer to the advice provided for current Year 12 students.

All other international applicants should refer to federation.edu.au/international

What are 'essential requirements'?

In addition to your application, some courses have essential requirements, such as auditions, entrance tests or interviews. You must complete this to be considered for an offer. Refer to the individual course entries to check if any apply to the course you intend applying for.

What is an 'adjusted ATAR'?

This is where additional points are added to your ATAR aggregate, increasing your rank accordingly. These adjustments include subject adjustments, where points are added based on achieving minimum scores in identified subjects, and may also cover access and equity factors which are applied for via SEAS (Special Entry Access Scheme) applications lodged through VTAC.

What are 'guaranteed ATARs'?

As the minimum ATAR varies each year, driven by the popularity of a course, the performance of applicants, and the number of offers made, we provide a 'guaranteed ATAR' for most courses, so you can plan with confidence. If your ATAR is equal to or above the published guaranteed ATAR, and you meet all other entry requirements, we will guarantee you an offer for that course. It is important to note that it is not a minimum ATAR, or an ATAR 'cutoff' – if your ATAR is below this, you may still receive an offer. View our guaranteed ATARs via federation.edu.au/atar

Early Offer Program (EOP)

Become part of the proud regional community that is Federation University by signing up for the Federation University Early Offer Program (EOP).

A range of courses are available for applicants who are wanting to transform themselves and their communities.

If you are studying Year 12 in 2022 and can meet the required ATAR and subject pre-requisites, or have completed VCE previously and not undertaken any further study, you can apply for the EOP.

You must still apply for the Federation University course you are interested in via VTAC, but you will have the confidence in knowing that if you meet the conditions of your early offer, you will have a place in that course at Federation University in 2023. For the latest information see: federation.edu.au/earlyoffer

Consideration on equity grounds

We believe all students should have equal opportunity.

Year 12 applicants should look at the Special Entry Access Scheme (SEAS) at vtac.edu.au/seas to see what special circumstances may apply to them (i.e. disability or financial disadvantage).

Check the potential impact a SEAS application could have on your ATAR with our online SEAS calculator, and get an estimate of your adjusted ATAR: federation.edu.au/seas-calculator

How do I apply?

Some applicants must apply via VTAC, some must apply directly to Federation, and some may choose between the two:

- Those applying to study with more than one institution:
VTAC
- Current Year 12 applicants applying for courses listed in VTAC:
VTAC
- Recent secondary applicants applying to study only with Federation:
VTAC or Fed Direct
- Non-year 12 applicants applying to study only with Federation:
VTAC or Fed Direct
- Those studying VCAL or the International Baccalaureate (IB) in Victoria:

Deferring
(put your studies on hold)

Do you want to study a degree program, but need some time away first? Most of the time you'll be able to defer your offer in an undergraduate course for up to one year, but for some courses this isn't possible. Check [federation.edu.au/defer](https://www.federation.edu.au/defer)

Have questions, queries or concerns?

We are here to support you through the application process. We can help you navigate entry requirements, determine the right starting point for you, discuss pathway options, and can point you to study support programs that you can access prior to and throughout your studies.

Call us on **1800 333 864** or chat via study.federation.edu.au

TAFE Applications

See study.federation.edu.au/how-to-apply/TAFE

My next steps

Ready to go? Just follow these steps and you're on your way

Step 1

Check the entry requirements, which may include specific VCE units or a previous qualification.

- Year 12 students need to meet VTAC Entry Requirements that may include achieving specified scores in pre-requisite subjects and ATAR.
- Non Year 12 students may need to have completed pathway programs or other studies, or have a significant level of relevant experience to gain admission.

study.federation.edu.au

Step 2

Check for any essential requirements that you need to complete in addition to your application. Essential requirements may include auditions, tests or interviews.

study.federation.edu.au

Step 3

Complete your application to study with Federation; all applications are submitted online.

Applying through VTAC

vtac.edu.au | 1300 364 133

All VTAC applications are submitted online.

Apply Directly

federation.edu.au/apply | 1800 333 864

If you want some help getting started, or you need to know what level of study you should start at, we can help.

Call 1800 333 864 or submit your enquiry via the Federation Request and Enquiry Dashboard **fred.federation.edu.au**

There's more
than one way

Choose your path here

We welcome students from all backgrounds, life stages and education levels. And we firmly believe there's more than one way to get the qualification you need to jumpstart your career.

We offer foundation, TAFE, undergraduate, postgraduate and research courses.

A different way in

Some of our students may not immediately meet entry requirements – that's why we've designed new pathways for students from every walk of life.

VCAL at Federation College

If you haven't completed VCE and you're aged above 15, then you can complete VCAL – a hands-on learning qualification. It's designed to re-engage students who would like a different secondary schooling pathway.

Foundation VCAL has a strong emphasis on literacy and numeracy.

As an Intermediate VCAL student, you'll keep developing your knowledge and employability skills. Senior VCAL students can choose to continue their studies through Federation TAFE or FAST.

federation.edu.au/vcal

P-Tech

The P-TECH program provides students with the skills and support required to successfully navigate the transition from school to work or university. Students will leave Federation College as skilled candidates for jobs or further education.

Industry learning experiences and workplace visits help students to identify career interests and further study options. P-TECH prepares students for higher education and the workplace earlier than is typical. P-TECH students are well equipped for a range of careers or university degrees.

federation.edu.au/ptech

TAFE

TAFE is an amazing career pathway – but did you know you can also use it as a stepping stone towards higher education studies? Many of our study only TAFE options provide a great pathway into relevant bachelor degrees.

federation.edu.au/tafe

FAST

Guarantee yourself a place with Federation through our FAST course (Foundation Access Studies), and start the journey towards your dream degree. FAST helps you brush up on your study skills – whether you've just finished Year 12 and don't have the entry requirements you need, or you're a mature student looking to re-enter studies.

When you've successfully completed the program, you're guaranteed a place in a Federation degree perfect to your skillset (some credit may apply). See page 19 of this guide for further information.

If you require support with your English language skills our FAST (English for Academic Purposes) course may be the pathway for you.

Top 10 perks of being a Federation University student

Federation University students enjoy some fantastic freebies which help make the transition to university life smoother and add to the overall experience.

- 1. Access to thousands of films for free** – Don't want to pay a monthly subscription to Netflix? That's ok, as all Fed students receive free access to Kanopy which screens the latest movies, inspiring documentaries and award-winning foreign films which can be enjoyed from your TV, mobile phone and tablet.
- 2. Employment opportunities** – We help our students develop their resumes and keep them informed of casual, part-time and graduate employment opportunities as part of our Edge program. As not only are our programs designed to make sure our graduates are job-ready, we also want to help with employment while studying, hence why Federation is rated Victoria's #1 university for employability.
- 3. Free parking** – Did you know that Fed students enjoy free parking at our Mt Helen and Gippsland campuses and heavily discounted parking at Berwick? This means more money in your pocket each year. Our Berwick Campus is also only a short stroll away from the train station, offering easy access to public transport.
- 4. Discounted memberships** – Join our world-class Health and Sports Precinct at our Mt Helen Campus which includes an excellent community gym and indoor swimming pool which means you can swim all-year-round. The Latrobe Leisure Centre, featuring swimming pool, gym, sauna, basketball court and squash facilities, is also right on the doorstep of our Gippsland Campus. Wherever you're studying we have ways for you to stay physically active, compete in your favourite sports and can even assist you to perform at high levels through our sport and fitness programs.
- 5. Student Groups** – Whatever your interest, you can find a club or society to join (or start your own!) to help give you the full university experience. Immerse yourself in the student life and have some fun while you study.
- 6. Art galleries** – Visit the Switchback Gallery at our Gippsland Campus or Post Office Box Gallery at our Camp Street Campus and view the outstanding works from renowned artists, as well as our third-year students.
- 7. Fancy a hit of golf?** – The Gippsland Campus is located directly next to a nine-hole golf course!
- 8. Free Wi-Fi** – Access to free Wi-Fi while on campus including Office 365 and a range of apps.
- 9. Feel safe** – Our security officers are on campus ensuring you feel safe day and night.
- 10. Support** – There is plenty of support available for all students with our FedReady program, health centre, counselling and disability support services, Aboriginal Education Centre and careers and employability program – that's why we're Victoria's #1 university for student support.
